GEO. B. MCCLELLAN, Chairman, Commissioners of the Sinking Fund.

CITY OF NEW YORK—DEPARTMENT OF FINANCE,  
COMPTROLLER'S OFFICE,  
NEW YORK, June 7, 1909.

*To the Honorable the Commissioners of the Sinking Fund:*

GENTLEMEN—Hon. Allen N. Spooner, Commissioner, Department of Docks and Ferries, in communication dated May 25, 1909, submits for the approval of the Commissioners of the Sinking Fund an amended new plan for the improvement of the water-front between East Forty-second and East Fifty-third streets, East River, Borough of Manhattan. A technical description accompanies the plan.

A marginal street 60 feet in width between the north side of Forty-ninth street and the south side of Fifty-third street, East River, was adopted by the Board of Docks August 8, 1889, pursuant to the provisions of chapter 286, Laws of 1889, and was approved by the Commissioners of the Sinking Fund February 6, 1894.

This new plan extends this marginal street to the south side of Forty-second street with a width of 50 feet except within the lines of Forty-seventh street, where it is 60 feet wide. The marginal street follows the bulkhead line, except between Forty-third and Forty-seventh streets; between Forty-fourth and Forty-seventh streets it is parallel to and 95 feet inshore from the bulkhead line. Piers 60 feet wide are provided for at the foot of every street, from Forty-third to Fifty-third street, inclusive, extending from the marginal street to the pierhead line.

I see no objection to the proposed plan, and recommend that it be approved as adopted May 24, 1909, by the Commissioner of Docks and Ferries.

Respectfully,

H. A. METZ, Comptroller.

Mr. Robert R. Reed, of Caldwell & Reed, representing the Butchers' Hide and Melting Association, Swift & Co. and the United Beef Company, opposed the proposition.

The Schwarzschild & Sulzberger Company, the Beekman estate, the American Ice Company, N. W. J. Peck & Co., were also represented by counsel in opposition to the plan, and on being informed that the matter would be referred to a committee gave notice that they would present their arguments to the committee. The Commissioner of Docks was heard in favor of the proposed plan.

On motion, the matter was referred to a Select Committee, consisting of the President of the Board of Aldermen, the Comptroller and the Chamberlain.

The Chair called for a hearing in the matter of the proposed new plan layout for the improvement of the water-front between Broadway and South Eighth street, in the Borough of Brooklyn, submitted by the Commissioner of Docks to the Commissioners of the Sinking Fund for approval with the following communication:

May 25, 1909.

Hon. GEORGE B. MCCLELLAN, Mayor, and Chairman of the Commissioners of the Sinking Fund:

SIR—I transmit herewith for the approval of the Commissioners of the Sinking Fund the proposed new plan layout between Broadway and South Eighth street, in the Borough of Brooklyn, which is necessary in order to carry out the scheme of operating a ferry at this locality, together with the technical description thereof.

Yours respectfully,

ALLEN N. SPOONER, Commissioner.

Approval of the Commissioners of the Sinking Fund is asked to the establishment of an area for water-front improvement approximately between the north side of South Eighth street and the north side of Broadway, and between Kent avenue and the pierhead line. I see no objection to such action, and would recommend that the Commissioners of the Sinking Fund approve the plan as adopted May 24, 1909 by the Commissioner of Docks and Ferries.

H. A. METZ, Comptroller.

*To the Commissioners of the Sinking Fund:*

GENTLEMEN—I hereby certify that the following is a correct copy of the notice of public hearing to be given by the Commissioners of the Sinking Fund on Wednesday, June 23, 1909, as published in the CITY RECORD on June 7, 8, 9, 10, 11 and 12, 1909.

N. TAYLOR PHILLIPS, Secretary, Commissioners of the Sinking Fund.

Public notice is hereby given that the Commissioners of the Sinking Fund, in accordance with the provisions of chapter 372 of the Laws of 1907, will hold a public hearing in Room 16, City Hall, Borough of Manhattan, at 11 o'clock in the forenoon, on Wednesday, June 23, 1909, relative to the proposed new plan layout between Broadway and South Eighth street, in the Borough of Brooklyn, made and adopted by the Commissioner of Docks in accordance with law May 24, 1909, and transmitted to the Commissioners of the Sinking Fund for approval.

A technical description of the proposed amendment is as follows:

The new plan for the improvement of the water-front between Broadway and South Eighth street, in the Borough of Brooklyn, consists in establishing an area for water-front improvements bounded and described as follows:

Beginning at the intersection of the northerly line of South Eighth street with the westerly line of Kent avenue; running thence westerly along the northerly line of South Eighth street to the pierhead line approved by the Secretary of War February 8, 1909; running thence northerly along said pierhead line to an intersection with a line drawn at right angles to that portion of Kent avenue northerly of the northerly line of Broadway, said line intersecting the westerly line of Kent avenue at the southerly side of the existing three-story brick building; running thence easterly along said line to the westerly line of that portion of Kent avenue north of Broadway; running thence southerly in the prolongation of the westerly line of that portion of Kent avenue north of Broadway 84 feet, more or less, to an intersection with the northerly prolongation of the westerly line of Kent avenue south of Broadway; thence continuing southerly along the northerly prolongation of the westerly line of Kent avenue and along the westerly line of Kent avenue south of Broadway 228 feet, more or less, to the point or place of beginning.

GEO. B. MCCLELLAN, Chairman, Commissioners of the Sinking Fund.

No one appeared in favor of or in opposition to the proposed plan, and consideration of the same was postponed until June 30, when a hearing will be held in regard to an alternative proposition for the improvement of the water-front between South Sixth and South Ninth streets, East River, Borough of Brooklyn.

The following was received from the Board of Education relative to a renewal of the lease of premises No. 162 East One Hundred and Sixteenth street, Borough of Manhattan:

*To the Board of Education:*

The Committee on Buildings respectfully reports that the lease of the premises No. 162 East One Hundred and Sixteenth street, Borough of Manhattan, occupied

as an annex to Public School 57, will expire July 1, 1909; that the City Superintendent states that further occupancy of said premises will be necessary, and that the Department of Health certifies that the sanitary conditions thereat are satisfactory.

The Bureau of Buildings for the Borough requires that certain minor changes be made before it will certify that the structural conditions are satisfactory, and these changes are now being made.

The following resolution is submitted for adoption:

Owner, Emanuel Alexander, No. 87 Nassau street, New York City.

In connection therewith the Comptroller presented the following report and offered the following resolution:

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution, authorizing a lease of premises at No. 1064 Washington avenue, Borough of The Bronx, for use of the Department of Street Cleaning.

June 10, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—The Commissioners of the Sinking Fund at a meeting held May 5, 1909, adopted a resolution authorizing a lease of the first floor and half of the cellar of premises No. 1064 Washington avenue, Borough of The Bronx, for the use of the Department of Street Cleaning, for a period of three years from May 1, 1909, at an annual rental of \$300. Lessor, Delia Devins, Executrix of the last will and testament of Mary J. Rooney, deceased.

Under date of June 5, 1909, the Commissioner of the Department of Street Cleaning requests that the name of the lessor be changed to Mary Rooney.

I would therefore respectfully recommend that the Commissioners of the Sinking Fund amend their resolution of May 5, 1909, in regard to the above matter, by changing the name of the lessor to Mary Rooney.

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

Approved:

H. A. METZ, Comptroller.

Resolved, That the resolution adopted by this Board at meeting held May 5, 1909, approving of and consenting to the execution, by the Commissioner of Street Cleaning, of a renewal of the lease to the City of the first floor and half of the cellar of the premises No. 1064 Washington avenue, Borough of The Bronx, for use of the Department of Street Cleaning, for a period of three years from May 1, 1909, at an annual rental of three hundred dollars (\$300), payable quarterly, and upon the same terms and conditions as contained in the existing lease; lessor, Delia Devins, Executrix of the last will and testament of Mary J. Rooney, deceased, be and the same is hereby amended by substituting "Mary J. Rooney" as the name of the lessor, in place of "Delia Devins, Executrix of the last will and testament of Mary J. Rooney, deceased."

The report was accepted and the resolution unanimously adopted.

The following was received from the Commissioner of Street Cleaning, relative to a lease of five lots on the north side of East One Hundred and Sixteenth street, beginning 248 feet east of Pleasant avenue, in the Borough of Manhattan.

June 1, 1909.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman, Sinking Fund Commission, City of New York:

SIR—This Department has been in possession for a number of years of a plot of ground in the Borough of Manhattan on the north side of East One Hundred and Sixteenth street, consisting of five lots, beginning 248 feet east of Pleasant avenue, thence running 125 feet, more or less, the said lots being 100 feet 11 inches deep. Originally this property was held by this Department under a lease from W. C. Andrews, which expired October 1, 1907, since which time the Department has been holding over on the same annual rental of \$1,200, payable quarterly as under the lease.

Now I am informed by Mr. G. C. St. John, executor of the last will and testament of W. C. Andrews, deceased, that if this property is not sold by the first of October next the Department may continue to occupy it at the same rental as now with the understanding that possession would be given up at any time on receiving ninety days' written notice, and that if this Department decides to continue to occupy the lots after October 1, Mr. St. John will want a lease so that he will have the option of terminating it as aforesaid on ninety days' notice.

It would be desirable for the purpose of this Department to remain in possession of this plot of ground if your Board is willing to approve of the terms and conditions offered as above by Mr. St. John. I inclose copy of Mr. St. John's letter and submit the matter to your Board for its action.

Respectfully,

WM. H. EDWARDS, Commissioner.

OFFICE OF ESTATE OF W. C. ANDREWS,  
No. 140 CEDAR STREET,  
NEW YORK, May 27, 1909.

Hon. WM. H. EDWARDS, Commissioner, Department of Street Cleaning, Nos. 13 to 21 Park Row, New York City:

DEAR SIR—In reply to yours of the 18th inst. which refers to your occupancy of five lots on the north side of One Hundred and Sixteenth street, between Pleasant avenue and East River, holding over under a former lease held by the City for your Department from the Andrews estate, and which expired October 1, 1907, I would say that this property is in the market for sale, but if not sold by October 1 next you are at liberty to continue to occupy it at the same rental as now, but I should require that you vacate at any time on receiving ninety days' written notice.

The reason for making this requirement is because of the approaching settlement of the Andrews estate. Should you decide to continue to occupy the lots after October 1, 1909, I shall want a lease made, or the present lease changed, so that I will have the option to terminate it at any time on giving ninety days' notice in writing.

I would request a prompt reply.

Respectfully,

G. C. ST. JOHN, Executor.

In connection therewith the Comptroller presented the following report and offered the following resolution:

June 10, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—The Commissioner of the Department of Street Cleaning in a communication dated June 1, 1909, has requested the approval of the Commissioners of the Sinking Fund to a renewal of the lease of the premises on the north side of One Hundred and Sixteenth street, east of Pleasant avenue, Borough of Manhattan, for a period of one year from October 1, 1909, the lease to contain a clause that upon ninety days' notice in writing the City will vacate the premises.

The City has been occupying this property for a number of years past, first under a lease from W. C. Andrews and later under a lease from the Executor of W. C. Andrews, deceased.

The Commissioners of the Sinking Fund authorized a renewal for a period of two years from October 1, 1907, which carries it up to October 1, 1909, the rental being \$1,200 per annum.

The Commissioner states that the property is very desirable for the purposes of his Department, even with the ninety day clause, to retain possession of this plot of ground, and the only object in inserting the clause on Mr. Andrews' part, as shown by the letter which is hereto annexed, is a desire to close the estate, and in order to close the estate it may be necessary to dispose of the property. Whether the new owners would desire the City as a tenant or not, of course, cannot at the present time be determined, but the estate desires to be placed in a position whereby it can give good title at any time.

I think the proposition on the part of the estate is a reasonable one and should be accepted by the City.

The rent being the same as heretofore paid, I would respectfully recommend that the Commissioners of the Sinking Fund approve of a lease of the premises on the east side of East One Hundred and Sixteenth street, consisting of five lots beginning 248 feet east of Pleasant avenue; thence running 125 feet more or less, the said lots being 100 feet 11 inches in depth, for a period of two years from October 1, 1909, at an annual rental of \$1,200, payable quarterly, otherwise upon the same terms and conditions as contained in the present existing lease, with the exception that the lease shall contain a clause that at any time on ninety days' written notice by the lessor, the City will quit and surrender the property and the lease become null and void. Lessor, G. C. St. John, executor of the last will and testament of W. C. Andrews, deceased.

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

Approved:

H. A. METZ, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Commissioner of Street Cleaning, of a lease to the City, from G. C. St. John, executor of the last will and testament of W. C. Andrews, deceased, of the premises on the east side of East One Hundred and Sixteenth street, consisting of five lots, beginning 248 feet east of Pleasant avenue, thence running 125 feet more or less, the said lots being 100 feet 11 inches in depth, for a period of two years from October 1, 1909, at an annual rental of twelve hundred dollars (\$1,200), payable quarterly; the lease to contain a clause that at any time on ninety days' written notice by the lessor the City will quit and surrender the property and the lease become null and void, otherwise upon the same terms and conditions as contained in the existing lease; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Police Department relative to a lease of the stable building Nos. 118 to 126 Waverly avenue, in the Borough of Brooklyn:

June 2, 1909.

To the Honorable Commissioners of the Sinking Fund:

GENTLEMEN—The Police Commissioner this day

Ordered, That the Commissioners of the Sinking Fund be and are hereby respectfully requested to authorize the Comptroller to execute a lease of that portion of premises Nos. 118, 120, 122, 124 and 126 Waverly avenue, Brooklyn, not already occupied by the Police Department, for the purposes of the Traffic Squad, for the term from date of occupation to August 10, 1913, when the present lease for the northerly part of the main floor, 90 by 29, will expire, at the rate of \$2,200 per annum.

The name of the owner is William Schweikert.

The rental is \$2,200 per annum, payable quarterly.

Alterations and repairs for the interior of the building are to be made by the City; outside repairs by the owner.

The City is to pay water rent, and for light, heat and janitor service.

The lease is necessary for the reason that the portion of the building now occupied by the Police Department does not afford adequate facilities for stabling the horses, which are now provided for by boarding them in adjoining precincts; also facilities will be given for drying room for equipments and for storage of forage.

The premises are the most reasonable that can be secured in the neighborhood for the purposes desired.

If the application is favorably considered by the Commissioners of the Sinking Fund, provision will be made for paying the rent by request for transfer of funds from an unexpended balance of appropriation for the year 1909 which will not be required for the purposes for which the appropriation was made.

Respectfully,

THEO. A. BINGHAM, Police Commissioner.

In connection therewith the Comptroller presented the following report and offered the following resolution:

June 11, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—Hon. Theodore A. Bingham, Commissioner of the Police Department, in a communication to the Commissioners of the Sinking Fund, under date of June 2, 1909, requests that a lease be secured from William Schweikert of such part of the stable building Nos. 118 to 126 Waverly avenue, Borough of Brooklyn, as is not already occupied by the Police Department, for the purposes of the Traffic Squad, for a term from the date of occupation to August 10, 1913, when the present lease for the part now occupied by the City will expire, at a rental of \$2,200 a year, payable quarterly, the City to make all necessary interior alterations and repairs and to pay for water, light, heat and janitor service, the owner to make outside repairs.

The Commissioner states that the lease is necessary, as that portion of the building now occupied by the Police Department does not afford adequate facilities for stabling the horses, which are now provided for by boarding them in adjoining precincts; that by this new lease facilities will also be given for a drying room for equipments and for the storage of forage. He further states that if the application is favorably considered by the Commissioners of the Sinking Fund, provision will be made for paying the rent by a request for a transfer of funds from an unexpended balance of the appropriation for the year 1909 which will not be required for the purposes for which the appropriation was made.

After an examination, I find that this is a one-story and basement brick and stone stable, 90 by 90 feet, built five years ago, on a plot 100 by 100 feet. The building therefore has light and air on every side.

In August last the City leased for five years a space 29 by 90 feet on the north side of the main floor and somewhat less than half of the cellar space, including thirty-six stalls, at a rental of \$2,300 a year, and the owner spent about \$3,000 in fitting up the building for the use of the Police Department, including new flooring upstairs, partitions, lockers, toilet room and other improvements. Deducting this \$3,000 from the total rent would make a net rental for the three-eighths of the building now under lease \$1,700 a year.

The building has a total of eighty-six stalls in the basement, with two runways, a large open space for vehicles and an office with room above it on the main floor.

The lease now proposed will give the City a stable with eighty-six stalls and a main floor, the north third of which is already in use as an inspection room, sitting room, Captain's office, toilet, etc. The remainder of this floor, with the exception of the office, is all in one large room, and will serve for the storage of vehicles used by the Department, as well as lost vehicles which fall into the hands of the police. It will also furnish room for exercising sick horses, and will allow the men to mount in the building when going on duty. The extra stalls in the basement, beyond the needs of the Mounted Traffic Squad, may also be used for the stabling of horses of the Department which are now provided for by boarding them in adjoining precincts.

The two leases will make a total rental of \$4,500 a year for the property, which is full rental value, but as the location is a desirable one, and the City is already a tenant until August, 1913, for part of the building, I do not see that it is possible to make better arrangements.

I would therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease to the City of such portions of the stable building Nos. 118 to 126 Waverly avenue, Borough of Brooklyn, as are not now under lease to the City, for a period from the date of occupation until August 10, 1913, at an annual rental of \$2,200, payable quarterly, the City to make all necessary interior alterations and repairs, and to pay for water, light, heat and janitor service, the lessor to make all necessary outside repairs. Lessor, William Schweikert.

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

Approved:

H. A. METZ, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from William Schweikert, of such stalls of the stable building, Nos. 118 to 126 Waverly avenue, Borough of Brooklyn, as are not now under lease to the City, for use of the Police Department, for a period from the date of occupation until August 10, 1913, at an annual rental of twenty-two hundred dollars (\$2,200), payable quarterly; the City to make all necessary interior alterations and repairs, and to pay for water, light, heat and janitor service; the lessor to make all necessary outside repairs; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

4. Premises at No. 277 Avenue C, Borough of Manhattan.
5. Premises at Nos. 54 and 56 Water street, Stapleton, Borough of Richmond.

Renewal of the lease of the premises known as No. 368 Hawthorne street, Borough of Brooklyn, for a period of one year, from August 1, 1909, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of \$450, payable quarterly, and upon the same terms and conditions as contained in the existing lease. Lessor, Norman G. Cooper.

3. The communication of the Department of Health states that the lease of the premises No. 116 East Forty-first street, Borough of Manhattan, expires on August 1, 1909. This is an error as the lease does not expire until October 1, 1909. I would therefore respectfully recommend that the Commissioners of the Sinking Fund authorize a renewal of lease of the building located at No. 116 East Forty-first street, Borough of Manhattan, for a period of one year, from October 1, 1909, at an annual rental of \$3,000, payable quarterly, and upon the same terms and conditions as contained in the existing lease. Lessor, Executors of R. G. Dun, deceased, and Mary B. Dun, individually.

4. Renewal of the lease of the premises No. 277 Avenue C, Borough of Manhattan, for a period of one year, from October 2, 1909, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of \$2,000, payable quarterly, and upon the same terms and conditions as contained in the existing lease. Lessors, Weil and Mayer.

5. Renewal of the lease of the premises Nos. 54 and 56 Water street, Stapleton, Borough of Richmond, for a period of two years, from November 1, 1909, with the privilege of renewal for an additional two years upon the same terms and conditions, at an annual rental of \$1,500, payable quarterly, and upon the same terms and conditions as contained in the existing lease. Lessor, Estate of Charles Braun.

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

The following communication was received from the Department of Water Supply, Gas and Electricity relative to a renewal of the lease to the City of premises at Nos. 271 and 273 East One Hundred and Thirty-fifth street, Borough of Manhattan:

June 1, 1909.

N. TAYLOR PHILLIPS, Secretary, Sinking Fund Commission, No. 280 Broadway, City:

DEAR SIR—Application for renewal of lease of premises No. 271 East One Hundred and Thirty-fifth street from C. William Montgomery is hereby made. The lease of these premises, including adjoining property, expires on June 1, 1909. The total rental is now \$660 per annum. Will you kindly authorize a renewal of this lease at the same rental and on the same terms and conditions as at present existing for a period of one year.

Respectfully,

M. F. LOUGHMAN, Deputy Commissioner.

In connection therewith the Comptroller presented the following report and offered the following resolution:

June 10, 1909.

The rooms embraced in the two leases now covering this property are an office and storage room 21 feet by 22 feet, and an adjoining office room and shed 21 feet 6 inches by 50 feet.

The rent being the same as heretofore paid, I would respectfully recommend that the Commissioners of the Sinking Fund authorize a renewal of the lease of rooms occupied by the Department of Water Supply, Gas and Electricity in the premises Nos. 271 and 273 East One Hundred and Thirty-fifth street, Borough of The Bronx, for a period of one year from June 1, 1909, at an annual rental of \$660, payable quarterly, and upon the same terms and conditions as contained in the existing lease. Lessor, C. W. Montgomery.

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to the payment of rental of premises on Rockaway avenue, near Flatlands avenue, Borough of Brooklyn, occupied by the Fire Department:

June 14, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—Hon. Nicholas J. Hayes, Commissioner of the Fire Department, in a communication addressed to the Commissioners of the Sinking Fund under date of May 29, 1909, states that the lease of the premises on Rockaway avenue, near Flatlands avenue, Borough of Brooklyn, occupied by Engine Company 157, expired October 1, 1908, but owing to the fact that the new building had not been finished until the latter part of March, 1909, it was impossible to occupy it until after the expiration of the old lease.

It appears from the communication of Mr. Stephen H. Voorhis, attorney at law, which is hereto attached, that six months' rent is due on said premises and that Mr. Leonard Ruoff, executor of Leonard Rouff, deceased, is anxious that the rent from October 1, 1908, to April 1, 1909, be paid at the earliest possible date.

I would therefore respectfully recommend that the Commissioners of the Sinking Fund authorize the Comptroller to pay the sum of \$350, the same being the rent for a period of six months of the premises in question, without the necessity of entering into a lease.

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

Approved:

H. A. METZ, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to Leonard Ruoff, executor of the estate of his father, Leonard Ruoff, the sum of three hundred and fifty dollars (\$350), being the rent of premises on Rockaway avenue, near Flatlands avenue, Borough of Brooklyn, occupied by the Fire Department, for a period from October 1, 1908, to April 1, 1909, without the necessity of entering into a lease.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the President of the Borough of Queens, relative to a lease of the space on the bulkhead at the foot of Elm street, Long Island City, Borough of Queens, for the purposes of a berth for a free public bath:

May 28, 1909.

Hon. GEORGE B. McCLELLAN, Mayor, Chairman of the Sinking Fund Commission, New York City:

SIR—I would respectfully request that a lease be executed by The City of New York with Messrs. James E. Clonin and John Messenger for the berthing of a public bath at the bulkhead of the dock owned by said Messrs. Clonin & Messenger, foot of Camelia street, Boulevard, First Ward, Queens Borough, for four (4) months from June 1, 1909, to September 30, 1909, at a monthly rate of \$150; application has been made to the Board of Aldermen for the issue of Special Revenue Bonds in this amount.

Yours respectfully,

LAWRENCE GRESSER, President, Borough of Queens.

In connection therewith the Comptroller presented the following report and offered the following resolution:

June 7, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—Hon. Lawrence Gresser, President of the Borough of Queens, in a communication addressed to the Commissioners of the Sinking Fund under date of May 28, 1909, says:

"I would respectfully request that a lease be executed by The City of New York with Messrs. Clonin & Messenger for the berthing of a public bath at the bulkhead of the dock owned by said Messrs. Clonin & Messenger, foot of Boulevard, First Ward, Queens Borough, for four (4) months from June 1, 1909, to September 30, 1909, at a monthly rate of \$150; application has been made to the Board of Aldermen for the issue of Special Revenue Bonds in this amount."

Regarding the above request I have to report that after an investigation I find that the Boulevard has no "foot" on the river front, as it runs along the river, also that the office of Clonin & Messenger is located on the west side of the Boulevard at the foot of Camelia street, and that the bath is berthed since June 1, at a dock owned by that firm on the west side of the Boulevard at the foot of Elm street, about two blocks north of where it was berthed last summer, near the foot of Broadway.

The rental asked, \$150 a month, or \$600 for the season, is certainly full value and is more than the average rental paid for such purposes in other boroughs. Mr. Clonin says that his firm did not want the bath there at all and only permitted it to be berthed to oblige the bath superintendent, who declared that he could find no other place for it in the vicinity. He also said that if the City could find another place for the bath he would be very glad to have it removed, and would make no charge for the week it had been on his property.

As this is claimed to be the only available berthing place for the bath, I would under the circumstances recommend that a lease be secured for the berthing of a public bath at the bulkhead of the dock at the foot of Elm street, First Ward, Long Island City, Borough of Queens, for a period of four months from June 1, 1909, to September 30, 1909, at a monthly rental of \$150, payable monthly. Lessors, James E. Clonin and John Messenger.

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

Approved:

H. A. METZ, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from James E. Clonin and John Messenger, of space at the bulkhead of the dock at the foot of Elm street, First Ward, Long Island City, Borough of Queens, for the purpose of a berth for a free public bath, by the President of the Borough of Queens, for a period of four months, from June 1, 1909, to September 30, 1909, at a rental of one hundred and fifty dollars (\$150) per month, payable monthly; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same, when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The following communication was received from the Law Department relative to a lease of Rooms 1008 and 1009 on the tenth floor of the Mercantile Building, corner of Twenty-third street and Fourth avenue, in the Borough of Manhattan:

May 26, 1909.

N. TAYLOR PHILLIPS, Esq., Secretary, Commissioners of Sinking Fund:

SIR—I respectfully request that the Commissioners of the Sinking Fund authorize a lease from the Island Realty Company of Rooms Nos. 1008 and 1009, containing 1,113 square feet, on the tenth floor of the Mercantile Building, situated at the southwest corner of Twenty-third street and Fourth avenue, Borough of Manhattan, for the use of the Law Department (Tenement House Bureau), for the term of eleven

months, from the first day of June, 1909, at a rental at the rate of \$1,800 per annum, payable quarterly, the lessor to furnish light, heat, elevator and janitor service.

The resolution should also provide that the Island Realty Company, upon the execution of the lease of the above premises, shall consent to the cancellation and surrender of the lease of the premises now occupied by the Tenement House Bureau of the Law Department, on the third floor of the said building.

This increase in the space of the premises occupied by the Tenement House Bureau will greatly facilitate the work of the office, which, owing to the large increase in the volume of business transacted, is greatly needed.

I have requested the Board of Aldermen to authorize the issue of Special Revenue Bonds in the sum of \$233.34 to cover the increased rent for the said premises from June 1 to December 31, 1909.

Respectfully yours,

G. L. STERLING, Acting Corporation Counsel.

In connection therewith the Comptroller presented the following report and offered the following resolution:

June 14, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—George L. Sterling, Acting Corporation Counsel, in a communication under date of May 26, 1909, addressed to N. Taylor Phillips, as Secretary of the Commissioners of the Sinking Fund, requests that a lease be made with the Island Realty Company of Rooms 1008 and 1009, containing 1,113 square feet, on the tenth floor of the Mercantile Building, situated on the southwest corner of Twenty-third street and Fourth avenue, Borough of Manhattan, for the use of the Law Department (Tenement House Bureau), for the term of eleven months, from June 1, 1909, to May 1, 1910, at an annual rental of \$1,800, payable quarterly; lessor to furnish light, heat, elevator and janitor service. He also asks that provision be made in said resolution that upon the execution of the lease above mentioned, the lessors shall consent to the cancellation and surrender of the lease of the premises now occupied by the Tenement House Bureau of the Law Department on the third floor of said building.

It appears that owing to the large increase of business in connection with the Tenement House Bureau, additional space is needed and will greatly facilitate the work of the Law Department.

A request has been made of the Board of Aldermen to issue Special Revenue Bonds in the sum of \$233.34 to cover the increased rent of the said premises from June 1, 1909, to December 31, 1909, the same not having been provided for in the Budget of this year.

The rent of these rooms being the same as that paid for similar rooms in the building, I would respectfully recommend that the Commissioners of the Sinking Fund authorize the execution of a lease of Rooms 1008 and 1009, on the tenth floor of the Mercantile Building, situated on the southwest corner of Twenty-third street and Fourth avenue, Borough of Manhattan, for the use of the Law Department (Tenement House Bureau), for the term of eleven months from June 1, 1909, to May 1, 1910, at an annual rental of \$1,800, payable quarterly; lessor to furnish light, heat, elevator and janitor service. The resolution to contain a clause that the lessor shall consent to the cancellation and surrender of the lease of the premises now occupied by the Tenement House Bureau of the Law Department on the third floor of said building. Lessor, Island Realty Company.

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

H. A. METZ, Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from the Island Realty Company, of Rooms 1008 and 1009, on the tenth floor of the Mercantile Building, situated on the southwest corner of Twenty-third street and Fourth avenue, Borough of Manhattan, for use of the Law Department (Tenement House Bureau), for the term of eleven months, from June 1, 1909, to May 1, 1910, at an annual rental of eighteen hundred dollars (\$1,800), payable quarterly; the lessor to furnish light, heat, elevator and janitor service; the lease to contain a clause providing for the cancellation and surrender of the lease of the premises now occupied by the Tenement House Bureau of the Law Department on the third floor of said building, upon the execution of this lease; and the Commissioners of the Sinking Fund, deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same, when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted and the resolution unanimously adopted.

The Comptroller brought up the matter of the proposed lease of premises, corner of One Hundred and Sixty-second street and St. Nicholas avenue, in the Borough of Manhattan, to take place at premises occupied by the Bureau of Street Openings of the President of the Borough of Manhattan, at Nos. 1907 and 1911 Amsterdam avenue in the Borough of Manhattan, which matter was referred to the President of the Board of Aldermen and reported on by him at meeting, held April 29, 1909.

The President of the Board of Aldermen objected to the consideration of any proposed lease to take the place of the premises at Nos. 1907 to 1911 Amsterdam avenue, until some disposition is made of the City's liability for the rental of the premises at Nos. 1907 to 1911 Amsterdam avenue, which is still being occupied by the Bureau of Street Openings and where the City is continuing to occupy the premises as a hold-over tenant.

On motion, the matter was referred back to the Comptroller for the purpose of arranging with the owner, a settlement of the rental of the premises on Amsterdam avenue occupied by the Bureau of Street Openings of the President of the Borough of Manhattan.

The Comptroller presented the following report with opinion of the Corporation Counsel and offered the following resolutions, relative to the proposed leasing of the property owned by the City bounded by Park row, the Brooklyn Bridge plaza and North William street, Borough of Manhattan:

June 16, 1909.

To the Commissioners of the Sinking Fund:

GENTLEMEN—At a meeting held on May 26, 1909, the Commissioners of the Sinking Fund adopted a resolution authorizing the Comptroller to lease by public auction for a term of five years all those pieces or parcels of land bounded by Park row, the Brooklyn Bridge plaza and North William street, said parcels being known on the draft damage map used in the proceedings for their acquisition as Parcels 13, 14, 15 and 16.

The Corporation Counsel in a communication, dated June 8, 1909, gives an opinion as follows:

"I am therefore of the opinion and beg to advise that the Commissioners of the Sinking Fund have no authority to put up at public auction a lease of the property in question, unless the Commissioner of Bridges unreservedly and unqualifiedly turns over the property to them as no longer needed for the purposes of the Bridge Department.

"I further advise that the Bureau of City Revenue in the Finance Department, under the direction of the Comptroller, is charged with the duty of collecting rental for the temporary use and occupation of the plot until the time when the same can be actually utilized for bridge purposes."

Proceeding, he says:

"In my opinion the Comptroller is authorized under the facts existing in this case, to lease the property for a term of one year provided he reserves in the lease the right to terminate the lease at an earlier date on giving ninety days' notice to the lessee.

"Although he is not required to put up at public auction the sale of such lease, a public sale of the lease would be in accordance with the procedure prescribed by the Charter for the Board of Sinking Fund Commissioners when a lease is sold by them."

It appears from the facts stated in my previous communication of May 21, 1909, that a considerable period of time will elapse before the Bridge Commissioner will need the said land for the purposes of the Department of Bridges and that it will be of advantage to The City of New York to lease the same in as permanent a manner as is legally possible.

I therefore respectfully recommend that the Commissioners of the Sinking Fund rescind their action of May 26, 1909, herein referred to, and recommend to the Comptroller the leasing of said parcels by public auction through the Bureau of City Revenue for the term of one year, or until such time as the land is needed for City purposes, upon the same general provisions regarding the sale of said lease as were contained in the resolution adopted by the Commission on May 26, 1909.

Yours respectfully,

H. A. METZ, Comptroller.

CITY OF NEW YORK—LAW DEPARTMENT,  
OFFICE OF THE CORPORATION COUNSEL,  
NEW YORK, June 8, 1909.

#### The Board of Commissioners of the Sinking Fund:

Sirs—I am in receipt of the communication of N. Taylor Phillips, Secretary of your Board, dated May 28, 1909, which reads as follows:

"I am in receipt of a communication from the Commissioner of Bridges reading as follows:

"I am in receipt of a letter from the Comptroller suggesting that in order to obtain more rental for the plot of ground bounded by North William street, Park row and the Bridge plaza, the property be turned over to your Board.

"The Department of Bridges cannot make plans for the use of this plot until the Public Service Commission announces the disposition that is to be made of the underground loop connecting the Brooklyn, Williamsburg and Manhattan Bridges. I therefore see no objection to the proposition submitted by the Comptroller, and in accordance with the provisions of the Greater New York Charter I turn over to the Commissioners of the Sinking Fund the property in question, it being understood that said property will be returned to the Department of Bridges, when required, on ninety (90) days' notice."

"It is the desire of the Commissioners of the Sinking Fund to sell a lease of this property at public auction to the highest bidder, and in view of the fact that the Commissioner of Bridges in his communication turning over the property has added the clause, 'it being understood that the said property will be returned to the Department of Bridges when required, on ninety (90) days' notice,' I would like to be advised whether or not under the provisions of the statute the Commissioners of the Sinking Fund are in a position to legally sell a lease of the property for a term of years, at public auction to the highest bidder, in view of the fact that the property has not been turned over to the Commissioners of the Sinking Fund as no longer required by the Department for which it was acquired, but by the terms of the Bridge Commissioner's letter it is specifically qualified and stipulated that it shall be returned to said Department on demand. Is there any authority in law for this reservation, and if not can the Commissioners of the Sinking Fund sell the lease as though it had not been so reserved?"

"As a sale of the lease of this property was authorized at the meeting of the Commissioners of the Sinking Fund held on the 26th inst., your advice is desired at the earliest possible moment, in order that the action taken might be rescinded in case you hold that it is illegal."

Section 205 of the Charter provides that

"Sec. 205. The said board shall, except as in this act otherwise specifically provided, have power to sell or lease for the highest marketable price or rental at public auction \* \* \* any city property except parks, wharves, and piers and land under water, but no such lease shall run for a term longer than ten years \* \* \*. The commissioners of the sinking fund shall have power to assign to use for any public purposes any city property, for whatsoever purpose originally required, which may be found by the department having control thereof to be no longer required for such purpose. \* \* \*"

The Commissioner of Bridges has not unqualifiedly turned over this plot of ground to the Commissioners of the Sinking Fund.

On the contrary it appears the Commissioner of Bridges is only awaiting the action of the Public Service Commission before undertaking the improvement for the purpose of which the property was condemned.

To meet such a condition of affairs the revisers of the Charter of 1901 inserted the following provision which is found in subdivision 1 of section 151:

"Subdivision 1 \* \* \*. It shall be lawful for such bureau (for the collection of city revenue and of markets), under the direction of the Comptroller to collect rental for the temporary use and occupation of property acquired by the city for public purposes between the time of the acquisition thereof and the time when the same can be actually utilized for the purpose for which it was acquired, and of property which, having been originally acquired for public purposes, has ceased to be used for such purposes."

The plot in question was acquired for bridge purposes, and while it is uncertain when the time will arrive to improve it for such purposes, the fact remains that it is intended at some future time to utilize the plot for bridge purposes.

I am therefore of the opinion and beg to advise that the Commissioners of the Sinking Fund have no authority to put up at public auction a lease of the property in question, unless the Commissioner of Bridges unreservedly and unqualifiedly turns over the property to them as no longer needed for the purposes of the Bridge Department.

I further advise that the Bureau of City Revenue in the Finance Department, under the direction of the Comptroller, is charged with the duty of collecting rental for the temporary use and occupation of the plot until the time when the same can be actually utilized for bridge purposes. The statute does not contemplate the making of a long permanent lease under such conditions.

The question arises what is the best possible arrangement that can be lawfully made by the Comptroller on behalf of the City whereby the greatest amount of rental can be obtained for the use of the property.

It is evident that the more permanent the tenancy, the greater will be the financial return.

In my opinion the Comptroller is authorized, under the facts existing in this case, to lease the property for a term of one year provided he reserves in the lease the right to terminate the lease at an earlier date on giving ninety days' notice to the lessee.

Although he is not required to put up at public auction the sale of such lease, a public sale of the lease would be in accordance with the procedure prescribed by the Charter for the Board of Sinking Fund Commissioners when a lease is sold by them

Yours respectfully,

G. L. STERLING, Acting Corporation Counsel.

Resolved, That the resolution adopted by this Board at meeting held May 26, 1909, authorizing a sale of the lease by public auction, for a term of five years, of all those pieces or parcels of land bounded by Park row, the Brooklyn Bridge plaza and North William street, in the Borough of Manhattan, be and the same is hereby rescinded.

Resolved, That the Commissioners of the Sinking Fund hereby recommend that the Comptroller lease all those pieces or parcels of land bounded by Park row, Brooklyn Bridge plaza and North William street, in the Borough of Manhattan, said

parcels being known on the approved damage map used in the proceedings for their acquisition as Parcels 13, 14, 15 and 16, for a period of one year or until such time as the land is needed for City purposes, upon the same general provisions regarding the sale of the lease as were contained in the resolution adopted by this Board on May 26, 1909, and which resolution was rescinded at this meeting.

The report was accepted and the resolutions severally unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to the cancellation of assessments for local improvements assessed against property owned by the St. Luke's Protestant Episcopal Church, known as Lot No. 1, Plot 2050, Section 7:

June 17, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—St. Luke's Protestant Episcopal Church has presented to you and to the Commissioners of the Sinking Fund of The City of New York a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Manhattan, described on the official tax map as Lot No. 1, Block 2050, Section 7.

This application is made pursuant to the provisions of chapter 388 of the Laws of 1909. This is an act amending the Greater New York Charter relative to the powers of the Commissioners of the Sinking Fund in their discretion to cancel and annul taxes, assessments, Croton water rents, etc., in certain cases, and provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may in their discretion and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same which now are or may hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents, from which it asks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified by the Rev. George Ashton Oldham, the Rector of the Church, that said Church is a religious corporation, organized under the laws of the State of New York, exclusively for Divine worship, according to the faith and belief of the Protestant Episcopal Church; that prior to the year 1892 said petitioner purchased the real estate situate on the north-east corner of One Hundred and Forty-first street and Convent avenue, City of New York, known on the official tax map as Lot No. 1, Block 2050, Section 7, Borough of Manhattan, and erected thereon a church edifice for the purposes of Divine worship; that at all times since the acquisition of said property, petitioner has been and now is the actual owner of said real estate, and that the same has been at all times since the year 1892 entitled to exemption from local taxation.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears in the Department of Finance, that the following assessments for local improvements were levied and assessed against the property of this petitioner, namely:

"One Hundred and Fortieth street, opening, etc." (confirmed December 12, 1904; entered March 4, 1905), No. 40, \$155.95.

"Convent avenue, paving, etc." (confirmed and entered February 9, 1905), No. 33, \$820.43.

As the Department of Taxes and Assessments reports that the property of the petitioner known as Lot No. 1, Block 2050, Section 7, Borough of Manhattan, was exempt from taxation in 1904, and has so continued up to the present time, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of chapter 388, Laws of 1909, and I would, therefore, recommend that the Comptroller certify his approval of said application to the Commissioners of the Sinking Fund to take such action as in their discretion and upon such terms as they may deem proper.

Respectfully,

CHAS. S. WITHINGTON, Law Clerk.

The Comptroller presented the following report and offered the following resolution relative to the cancellation of water charges on property owned by the Church of the Strangers, known as Lot No. 26, Block 1048, Section 4, Manhattan:

June 21, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—The Church of the Strangers has presented to you and to the Commissioners of the Sinking Fund of The City of New York a petition for the cancellation of the water charges for the year 1901 affecting premises, in the Borough of Manhattan, described on the official tax map as Lot 26, Block 1048, Section 4.

This application is made pursuant to the provisions of chapter 388 of the Laws of 1909. This is an act amending the Greater New York Charter, to be known as section 221A, relative to the powers of the Commissioners of the Sinking Fund in their discretion to cancel and annul taxes, assessments, Croton water rents, etc., in certain cases, and provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which now are or may hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it asks relief accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified by the Hon. Peter Schmuck, a Trustee of said Church; that the premises known as No. 309 West Fifty-seventh street, in the Borough of Manhattan, has been for more than fourteen years utilized exclusively for religious purposes, and that the same has been exempt from local taxation.

It further appears from the records of the Bureau for the Collection of Assessments in the Department of Finance, that the water charge for the year 1901, in the sum of \$30.70, was levied and assessed against the property of this petitioner.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to exemption during the time when said Croton water rents,

above mentioned, from which it asks relief, accrued and became lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of chapter 388, Laws of 1909, and I would therefore, recommend that the Comptroller, certify his approval of said application to the Commissioners of the Sinking Fund to take such action as in their discretion and upon such terms as they may deem proper.

Respectfully,

CHAS. S. WITHINGTON, Law Clerk.

Approved:

J. T. MAHONEY, Chief, Bureau, Law and Adjustment.

In view of the foregoing I hereby certify that the applicant is entitled to relief under the provisions of chapter 388, Laws of 1909, and I, therefore, recommend that the lien set forth in the above report be cancelled upon payment of \$5.

Dated, June 22, 1909.

N. TAYLOR PHILLIPS, Deputy and Acting Comptroller.

H. A. METZ, Comptroller.

Resolved, That upon the payment of the sum of five dollars (\$5) the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of chapter 388 of the Laws of 1909, to cancel the water charges for 1901, amounting to \$30.70 on property owned by the Church of the Strangers, known as Lot 26, Block 1048, Section 4, Manhattan.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to the cancellation of taxes upon property owned by the Friendly Aid Society, known as Lots Nos. 36 and 37, Block 914, Section 3, Borough of Manhattan:

June 22, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—The Friendly Aid Society has presented to you and to the Commissioners of the Sinking Fund of The City of New York a petition for the cancellation of taxes and water charges affecting premises in the Borough of Manhattan, described on the official tax map as Lots Nos. 36 and 37, in Block 914, Section 3.

This application is made pursuant to the provisions of chapter 388 of the Laws of 1909. This is an act amending the Greater New York Charter, to be known as section 221-A, relative to the powers of the Commissioners of the Sinking Fund in their discretion to cancel and annul taxes, assessments, Croton water rents, etc., in certain cases, and provides that the Commissioners of the Sinking Fund of The City of New York, upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents and sales to said City of any and all of the same which now are or may hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it asks relief, accrued and became liens thereupon.

The petition is presented in four parts, two of which refer to Lot No. 36 prior to and subsequent to 1902 and two refer to Lot No. 37, covering the same periods; all are verified by Frederick P. Forster, one of the vice-presidents of the Friendly Aid Society.

It appears from said petitions that the petitioner is a charitable corporation, incorporated in June, 1901; that the purposes of said corporation are solely charitable, the same having been organized, and at present existing exclusively for the moral and mental improvement of men and women, including boys and girls; that no officer, member or employee receives any pecuniary profit from the operations thereof, except the reasonable compensation for services paid to teachers and other employees in effecting one or more of the charitable purposes for which said corporation was organized and now exists.

It further appears that the said corporation became the owner of Lots Nos. 36 and 37 on November 24, 1902, but that prior thereto and since January 23, 1895, said premises have always been used for the purposes of a social settlement, under a lease of not less than three years; that on said 23d day of January, 1895, said premises were purchased for the benefit of said Friendly Aid Society by one Warren N. Goddard, who held the same in his name for the purposes and for the uses of said Friendly Aid Society exclusively, and for no other purpose or purposes, and that said property has been put to no other use since the date of the acquisition of said property by said Goddard.

The Department of Taxes and Assessments has advised you that upon the filing of an affidavit setting forth the facts as shown in the petitions submitted the property would have been marked exempt in 1903 and subsequently, and that it would seem proper to cancel the taxes for the years 1903 to 1907, inclusive; that the 1908 taxes have been remitted and exemption has been granted for the year 1909.

It appears from the records of the Bureau for the Collection of Assessments and Arrears in the Department of Finance that the following taxes and water charges against said property have been levied and assessed and are now open and unpaid on the records of the Department, namely:

Taxes.

1900, Lot No. 36.....	29 50	1903, Lot No. 37.....	10 35
1900, Lot No. 37.....	9 90		

Owing to the fact that the Friendly Aid Society did not acquire title to the premises in question until November 24, 1902, no relief can be granted on any taxes and water charges levied prior to that date, pursuant to the provisions of chapter 388, Laws of 1909, as, according to the terms of said act, a corporation must be the actual owner of the real estate and entitled to exemption from local taxation during the time when the taxes, assessments or water charges, from which it asks relief, accrued and became liens thereupon.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to exemption from and subsequent to November 24, 1902, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of chapter 388, Laws of 1909, in so far as the same relates to the taxes and water charges which accrued and became liens on said real estate subsequent to November 24, 1902, and I would, therefore, recommend that the Comptroller certify his approval of said application to the Commissioners of the Sinking Fund to take such action as in

their discretion and upon such terms as they may deem proper in regard to said taxes and water charges.

Respectfully,

CHAS. S. WITHINGTON, Law Clerk.

Approved:

J. T. MAHONEY, Chief, Bureau, Law and Adjustment.

In view of the foregoing, I hereby certify that the applicant is entitled to relief under the provisions of chapter 388, Laws of 1909, and I therefore recommend that the liens set forth in the above report, which accrued subsequent to November 24, 1902, be cancelled upon payment of \$5.

Dated June 22, 1909.

N. TAYLOR PHILLIPS, Deputy and Acting Comptroller.

Resolved, That upon the payment of the sum of five dollars (\$5) the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of chapter 388 of the Laws of 1909, to cancel the taxes and water charges levied against the property owned by the Friendly Aid Society, described on the official tax map as Lots Nos. 36 and 37, in Block 914, Section 3, as follows:

The Comptroller presented the following report and offered the following resolution relative to the cancellation of water charges and assessments on property owned by the Uptown Talmud Torah Association, known as Lot No. 14½, Block 1654, Section 6, Manhattan:

June 21, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—The Uptown Talmud Torah Association has presented to you and to the Commissioners of the Sinking Fund of The City of New York a petition for the cancellation of a certain assessment and water charges affecting premises situate in the Borough of Manhattan, known on the official tax map as Lot No. 14½, in Block 1654, Section 6.

This application is made pursuant to the provisions of chapter 388 of the Laws of 1909. This is an act amending the Greater New York Charter, to be known as section 221A, relative to the powers of the Commissioners of the Sinking Fund in their discretion to cancel and annul taxes, assessments, Croton water rents, etc., in certain cases, and provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which now are or may hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents, from which it asks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is fully verified by David Cohen, the President of said Association, that said premises have been owned by said Association for over eleven years last past, and that the same have been occupied and used as its schoolhouse and place of giving religious instruction, and that said property has been exempt from local taxation.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears, in the Department of Finance, that the following assessment for local improvements and water charges were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessment.

One Hundred and Fourth street, sewer alteration and improvement (confirmed and entered April 9, 1907), No. 35.....	\$139 15

Water Charges.

1904.....	\$11 50	1906.....	\$11 50
-----------	---------	-----------	---------

The Department of Taxes and Assessments has advised you that the property in question was exempt since the year 1904, and has so continued to the present time.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question, and entitled to exemption during the time when said assessment and water charges above mentioned, from which it asks relief, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of chapter 388, Laws of 1909, and I would therefore recommend that the Comptroller certify his approval of said application to the Commissioners of the Sinking Fund to take such action as in their discretion and upon such terms as they may deem proper.

Respectfully,

CHAS. S. WITHINGTON, Law Clerk.

The Comptroller presented the following report and offered the following resolution, relative to the cancellation of water charges on property owned by the Fourth Universalist Society, known as Lot No. 33, Block 1128, Section 4, Manhattan:

June 21, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—The Fourth Universalist Society in The City of New York has presented to you and to the Commissioners of the Sinking Fund of The City of New York a petition for the cancellation of certain water charges between the years 1901 and 1906, affecting premises situate in the Borough of Manhattan, described on the official tax map, at Lot No. 33, Block 1128, Section 4.

This application is made pursuant to the provisions of chapter 388 of the Laws of 1909. This is an act amending the Greater New York Charter, to be known as section 221A, relative to the powers of the Commissioners of the Sinking Fund in their discretion to cancel and annul taxes, assessments, Croton Water Rents, etc., in certain cases, and provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton Water Rents, and sales to said City of any and all of the same, which now are or may hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water Rents, from which it asks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified by George H. Carey, the treasurer of said society, that the petitioner is the owner in fee of the premises described in said petition, and that the same now are and have always been exempt from local taxation, since the date of the acquisition thereof.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears, in the Department of Finance, that the following water charges were levied and assessed against its property and are now open and unpaid on the records of the Department, namely:

1901..... \$58 50 | 1905..... \$62 10  
1903..... 62 10 | 1906..... 62 10  
1904..... 62 10 |

The Department of Taxes and Assessments has advised you that the property in question has been exempt since the year 1901 and has so continued up to the present time.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to exemption during the time when said water charges, above mentioned, from which it asks relief, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of chapter 388, Laws of 1909, and I would, therefore, recommend that the Comptroller certify his approval of said application to the Commissioners of the Sinking Fund to take such action as in their discretion and upon such terms as they may deem proper.

Hon. HERMAN A. METZ, Comptroller:

SIR—The Park Presbyterian Church and Children's Aid Society has presented to you and to the Commissioners of the Sinking Fund of The City of New York a petition for the cancellation of certain water charges for the years 1890 to 1906, inclusive, affecting premises in the Borough of Manhattan, described on the official tax map as Lot No. 52, Block 940, Section 3.

This application is made pursuant to the provisions of chapter 388 of the Laws of 1909. This is an act amending the Greater New York Charter, to be known as section 221A, relative to the powers of the Commissioners of the Sinking Fund in their discretion to cancel and annul taxes, assessments, Croton water rents, etc., in certain cases, and provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which now are or may hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation, which was the actual owner of such real estate and entitled to such exemption, during the time when the water charges, from which it asks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified by J. Irvin Murray, Jr., Chairman, Board of Trustees of the Park Presbyterian Church, and by Charles L. petition; that said premises have been at all times since the acquisition of said property by it, occupied and used as a place of public worship and that the same are and have been at all times exempt from local taxation.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears in the Department of Finance, that the following water charges for the years 1890 to 1906 were levied and assessed against the property of this petitioner, namely:

1890..... \$44 40 | 1902..... \$48 30

1900..... 44 40 | 1905..... 48 30  
1901..... 44 40 | 1906..... 48 30

—and the same are now open and unpaid on the records of the Department.

The Department of Taxes and Assessments has advised you that the property was exempt for the years 1890 and 1891, and was exempt again from 1899 and has so continued.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to exemption during the time when said water charges, above mentioned, from which it asks relief, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of chapter 388, Laws of 1909, and I would, therefore, recommend that the Comptroller certify his approval of said application to the Commissioners of the Sinking Fund to take such action as in their discretion and upon such terms as they may deem proper.

This is an act amending the Greater New York Charter, to be known as Section 221A, relative to the powers of the Commissioners of the Sinking Fund in their discretion to cancel and annul taxes, assessments, Croton water rents, etc., in certain cases, and provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same which now are or may hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents from which it asks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified by the Rev. Daniel F. Cherry, Rector, that petitioner is a religious corporation, duly organized under the laws of the State of New York; that said petitioner is the actual owner of the premises described in said petition, and that during all the time of such ownership the property has been actually dedicated and used by the corporation exclusively as a place of public worship, and the same has been exempt from local taxation.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears, in the Department of Finance, that the following assessments for local improvements and water charges were levied and assessed against the property of the petitioner, and that the same are now open and unpaid on the records of the Department, namely:

The Department of Taxes and Assessments has advised you that it appears from the records of that Department, that the property owned by the petitioner has been exempt from local taxation since the year 1891.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to exemption during the time when said assessments, and water charges, above mentioned, from which it asks relief, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of chapter 388, Laws of 1909, and I would, therefore, recommend that the Comptroller certify his approval of said application to the Commissioners of the Sinking Fund to take such action as in their discretion and upon such terms as they may deem proper.

Respectfully,

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to the cancellation of taxes for assessments and water charges on property owned by St. Alban's Church, known as Lots Nos. 169 and 170, Block 2523, Section 9, Borough of The Bronx:

Hon. HERMAN A. METZ, Comptroller:

June 18, 1909.

SIR—The Rector, Church-wardens and Vestry of St. Alban's Church have presented to you and to the Commissioners of the Sinking Fund of The City of New York a petition for the cancellation of certain taxes, assessments and water charges, affecting premises in the Borough of The Bronx, described on the official tax map as Lots Nos. 169 and 170, Block 2523, Section 9.

This application is made pursuant to the provisions of chapter 388 of the Laws of 1909. This is an act amending the Greater New York Charter, to be known as section 221A, relative to the powers of the Commissioners of the Sinking Fund in their discretion to cancel and annul taxes, assessments, Croton water rents, etc., in certain cases, and provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same which now are or may hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it asks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified by the Rev. Horace R. Fell, Rector of the Church, that said Church is the owner of said property which is occupied by the Church building used exclusively for religious worship, and has been so used continuously since its conveyance to the Archdeaconry of New York, and that it has been exempt from taxation.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears in the Department of Finance, that the following assessments for

local improvements were levied and assessed against the property of the petitioner and are now open liens against the same, namely:

The Department of Taxes and Assessments has advised the Comptroller that Lot No. 169 was exempt by the Commissioners on May 23, 1903, and remission was also granted for 1902 and has ever since continued exempt; that Lot No. 170 was exempt in January, 1904, and has continued exempt up to the present time.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to exemption during the time when said taxes, assessments and Croton Water rents, above enumerated, from which it asks relief, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of chapter 388, Laws of 1909, and I would, therefore, recommend that the Comptroller certify his approval of said application to the Commissioners of the Sinking Fund to take such action as in their discretion and upon such terms as they may deem proper.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution relative to the cancellation of assessments on property owned by the New York Historical Society, known as Lots 29 to 36, Block 1129, Section 4, Manhattan:

June 18, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—The New York Historical Society has presented to you and to the Commissioners of the Sinking Fund of The City of New York a petition for the cancellation of an assessment for Eighth avenue flagging, from Thirteenth street to Harlem River (confirmed and entered December 28, 1900), affecting premises in the Borough of Manhattan described on the official tax maps as Lots Nos. 29 to 36, both inclusive, in Block 1129, Section 4.

This application is made pursuant to the provisions of chapter 388 of the Laws of 1909. This is an act amending the Greater New York Charter, to be known as section 221A, relative to the powers of the Commissioners of the Sinking Fund in their discretion to cancel and annul taxes, assessments, Croton water rents, etc., in certain cases, and provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same,

may in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which now are or may hereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it asks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified by Samuel V. Hoffman, the President of said Society, that the petitioner is a corporation organized under an act of the Legislature of the State of New York, passed February 10, 1809, and the acts supplemental thereto and amendatory thereof; that it is the owner in fee of a certain tract of land in the Borough of Manhattan, City of New York, situated on the westerly side of Central Park West, between Seventy-sixth and Seventy-seventh streets, now known as Lot No. 29 (formerly Lots Nos. 29 to 36), in Block 1129, Section 4; that it acquired said property in the year 1891, and is now in the occupancy thereof, using the same exclusively for carrying out the purposes of its incorporation, and that the same is entitled to exemption from local taxation under subdivision 7 of section 4 of the Tax Law.

The Department of Taxes and Assessments has advised you that the property in question was exempt in the years 1894, 1895 and 1896; it was assessed in 1897, which was continued until 1900. In 1901 the property was consolidated under Lot No. 29, and was assessed, which assessment continued until 1903, when an application was made for exemption and the remission of the taxes for 1902, and that the property has continued exempt until the present time.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears, in the Department of Finance, that the following assessment was levied against said property and is now open and unpaid on the records of the Department, namely:

*Eighth Avenue Flagging, from Thirteenth Street to Harlem River (confirmed and entered December 28, 1900).*

Lot No. 29.....	\$125 73	Lot No. 33.....	\$71 71
Lot No. 30.....	76 28	Lot No. 34.....	55 18
Lot No. 31.....	72 09	Lot No. 35.....	68 80
Lot No. 32.....	76 28	Lot No. 36.....	88 46

It appearing therefore that the petitioner was the actual owner of the real estate in question, and entitled to exemption during the time when said assessment above mentioned, from which it asks relief, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of chapter 388, Laws 1909, and I would therefore recommend that the Comptroller certify his approval of said application to the Commissioners of the Sinking Fund to take such action as in their discretion and upon such terms as they may deem proper.

Respectfully,

CHAS. S. WITHINGTON, Law Clerk.

Approved:

J. T. MAHONEY, Chief, Bureau, Law and Adjustment.

In view of the foregoing, I hereby certify that the applicant is entitled to relief under the provisions of chapter 388, Laws of 1909, and I therefore recommend that the liens set forth in the above report be canceled upon payment of \$5.

Dated June 22, 1909.

N. TAYLOR PHILLIPS, Deputy and Acting Comptroller.

Approved:

H. A. METZ, Comptroller.

Resolved, That upon the payment of the sum of five dollars (\$5) the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of chapter 388 of the Laws of 1909, to cancel the following assessments levied against property owned by the New York Historical Society, described on the official tax maps as Lots Nos. 29 to 36, both inclusive, in Block 1129, Section 4, Borough of Manhattan, as follows:

*Eighth Avenue Flagging, from Thirteenth Street to Harlem River (confirmed and entered December 28, 1900).*

Lot No. 32.....	76 28	Lot No. 36.....	88 46

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolutions relative to the sale of buildings upon property acquired for public purposes as follows:

1. Buildings lying within the lines of White Plains avenue, between Van Nest avenue and West Farms road, Borough of The Bronx.
2. Buildings standing upon land acquired for the extension of an addition to Bronx Park, easterly side, Bronxdale.
3. Parcels 3, 12 and 41, standing within the lines of the 72-inch pipe line from Ridgewood to Clear Stream, Borough of Brooklyn.

June 16, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—Pursuant to section 1553 of the revised Charter, the authority to sell buildings situated upon land owned by The City of New York is vested in the Commissioners of the Sinking Fund.

This office is in receipt of several communications requesting the sale of buildings situated upon City property, to wit:

1. Request from the President of the Borough of The Bronx to sell buildings lying within the lines of White Plains road, between Van Nest avenue and West Farms road, in the Borough of The Bronx.
2. Request from the Commissioner of Parks of the Borough of The Bronx to sell all the buildings standing upon land acquired for the extension of the addition to Bronx Park, easterly side, Twenty-fourth Ward, Bronxdale, in the Borough of The Bronx.
3. Request from the Commissioner of the Department of Water Supply, Gas and Electricity to sell Parcels 3, 12 and 41, standing within the lines of the 72-inch pipe line from Ridgewood to Clear Stream, in the Boroughs of Brooklyn and Queens.

I would therefore request that three resolutions for the sale of said buildings be adopted by the Commissioners of the Sinking Fund, and resolutions are herewith transmitted.

Respectfully submitted for approval,

PETER AITKEN, Collector of City Revenue.

Whereas, The President of the Borough of The Bronx has requested the sale of all buildings, parts of buildings, etc., now standing upon property owned by The City of New York, located in the Borough of The Bronx, acquired by it for street opening purposes, being situated upon land more particularly described as follows:

Being all those buildings, parts of buildings, etc., standing upon land lying within the lines of White Plains road, between Van Nest avenue and West Farms road, all of which are more particularly described on a certain map on file in the office of the Collector of City Revenue, Department of Finance, Room 141, No. 280 Broadway, Borough of Manhattan.

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction, or by sealed bids, at the highest marketable prices, of all the buildings, parts of buildings, etc., upon the following terms and conditions:

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay cash or a certified check drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of fifty dollars, the sum of fifty dollars shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the sidewalk and curb in front of said buildings, extending within the described area and down to the level of the cellar bottom, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point; also the foundation walls of all classes shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers, Borough of The Bronx, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession, will work forfeiture of ownership of such buildings, appurtenances, or portion, as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls, are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings, and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

Whereas, The Commissioner of Parks for the Borough of The Bronx has requested the sale of all buildings, parts of buildings, etc., now standing upon the property owned by The City of New York, located in the Borough of The Bronx, acquired by it for park purposes, being situated upon land more particularly described as follows:

Being all those buildings, parts of buildings, etc., standing upon the land acquired for the extension of the addition to Bronx Park, easterly side, as laid out on map of July 1, 1905, in the Twenty-fourth Ward, Bronxdale, all of which are more particularly described on a certain map on file in the office of the Collector of City Revenue, Department of Finance, Room 141, No. 280 Broadway, Borough of Manhattan.

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction or by sealed bids, at the highest marketable prices, of all the buildings, parts of buildings, etc., upon the following terms and conditions:

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay cash or a certified check drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of fifty dollars, the sum of fifty dollars shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the sidewalk and curb in front of said buildings, extending within the described area and down to the level of the cellar bottom, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point; also the foundation walls of all classes shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers, Borough of The Bronx, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls, are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

Whereas, The Commissioner of the Department of Water Supply, Gas and Electricity has requested the sale of all buildings, parts of buildings, etc., now standing upon property owned by The City of New York, located in the Boroughs of Brooklyn and Queens, acquired by it for pipe line purposes, said buildings being situated upon land more particularly described as follows:

The following petition was received from Carl Mills and Emanuel E. Lewis for a release or quit-claim of the right, title and interest of The City of New York in and to a section of old East Broadway, in the Borough of Brooklyn:

To the Honorable Commissioners of the Sinking Fund of The City of New York:

The petition of Emanuel E. Lewis and Carl Mills respectfully shows, as follows: That the petitioner, Carl Mills, resides at No. Decatur street, Brooklyn, and Emanuel E. Lewis resides at No. 734 Decatur street, Brooklyn, City of New York.

Your petitioners are the owners in fee of certain real property situated in the Borough of Brooklyn, County of Kings, City and State of New York, on the east side of East Thirty-fifth street, about nineteen and sixty one-hundredths (19.60) feet south of Church avenue and bounded on the north by the southerly line of what was formerly known as East Broadway.

That said land was formerly the property of the trustees of the Reformed Dutch Church of Flatbush and was conveyed to your petitioners on or about the 12th day of October, 1908, by William A. Rick and Joseph Rick, whose title was derived from the grantees of said trustees of the Reformed Dutch Church. A certified copy of petitioners' deed is hereto annexed.

That during the year 1903 The City of New York laid out and opened a street known as Church avenue, which took in the greater part of the street formerly known as East Broadway.

That there is a strip of land between the southerly line of Church avenue as opened and laid out by The City of New York as aforesaid which is part of the street known as East Broadway and which immediately adjoins the northern boundary of the property of your petitioners.

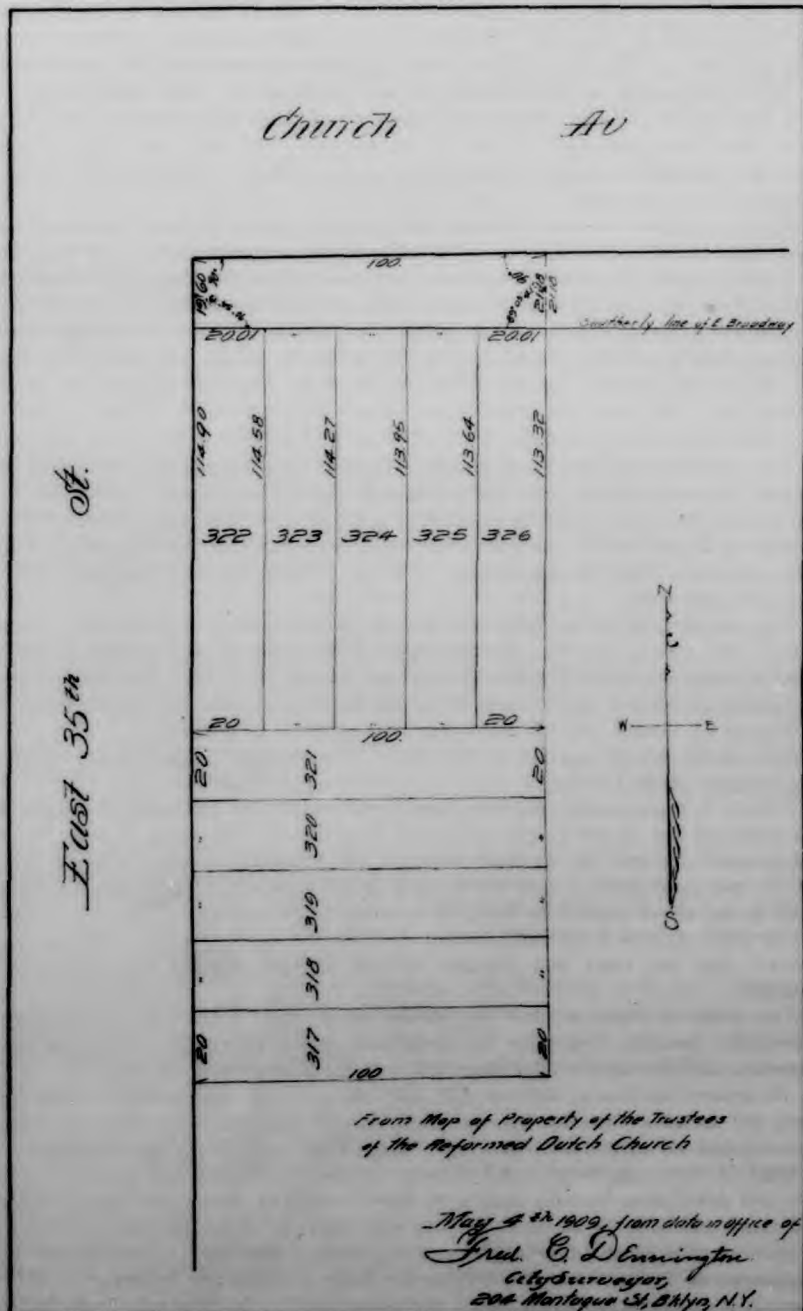

That annexed hereto there is a survey of the premises belonging to your petitioners and also shows the strip of land belonging to The City of New York before mentioned, which is indicated in blue thereon. Said survey shows all angles and distances and lot number of the strip belonging to the City on the City tax map.

That the property of your petitioners is known on the City tax map as Section 15, Block 4889, Lot No. 1, and the strip belonging to the City is known on said map by the same section and block, and Lot No. 2.

Upon information and belief that upon the opening of said Church avenue so much of the street known as East Broadway as was not included within the lines of Church avenue was closed as a street and its use abandoned by the City, and that title thereto is now in The City of New York.

That there are no buildings on the said property and same consists of vacant lots, which are unenclosed.

Upon information and belief that on or about the 3d day of August, 1908, petitioners grantors, William A. Rick and Joseph Rick, filed a petition with your Honorable Body requesting the City to release said strip to them, but that said petition so filed has been withdrawn.

The following is a description by metes and bounds of the strip belonging to the City:

Beginning at the point of intersection of the easterly line of East Thirty-fifth street with the southerly line of Church avenue, and running thence easterly along the said southerly line of Church avenue one hundred (100) feet; thence southerly at right angles to Church avenue twenty-one and eighteen one-hundredths (21.18) feet to the southerly line of East Broadway; thence westerly along said southerly line of East Broadway one hundred and five one-hundredths (100.5) feet to the easterly side of East Thirty-fifth street; thence northerly along said easterly side of East Thirty-fifth street nineteen and sixty one-hundredths (19.60) feet to the southerly side of Church avenue, the point or place of beginning.

Your petitioners ask that The City of New York execute such conveyance or release as may be necessary to convey all its right, title and interest in said strip hereinbefore described, which is colored yellow on the survey hereto annexed and marked "A" thereon and the fee thereof to your petitioners.

CARL MILLS.

EMANUEL E. LEWIS.

State of New York, City of New York, County of New York, ss.:

Emanuel E. Lewis and Carl Mills, being duly sworn, depose and say that they are the petitioners mentioned in the foregoing petition, that they have read the contents thereof, and the same is true of their own knowledge except the matters, therein stated to be alleged upon information and belief, and as to these matters they believe it to be true.

EMANUEL E. LEWIS.

CARL MILLS.

WM. A. PRENDERGAST, Register.

By WALDO R. BLACKWELL, Assistant Deputy Register.

In connection therewith the Comptroller presented the following report, with opinion of the Corporation Counsel, and offered the following resolution:

CITY OF NEW YORK—DEPARTMENT OF FINANCE,  
COMPTROLLER'S OFFICE,  
May 25, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—Emanuel E. Lewis and Carl Mills in a petition addressed to the Commissioners of the Sinking Fund pray for a conveyance of the right, title and interest of the City in and to a section of old East Broadway, Brooklyn, extending 100 feet east from the easterly line of East Thirty-fifth street and having a depth of from 19.60 to 21.18 feet.

On April 28, 1903, proceedings to open Church avenue, from Flatbush avenue to Brooklyn avenue, were confirmed. In this proceeding strips of old East Broadway were left between the lines of Church avenue and property fronting on East Broadway. It is to acquire title to a part of one of these strips that this petition is made.

It is admitted that the City owns the property sought (petition, paragraph 2, page 2), so it does not seem necessary to discuss that point.

I therefore recommend that the advice of the Corporation Counsel be requested on the following:

May the Commissioners of the Sinking Fund lawfully sell and convey the interest of the City in this property to this petitioner?

Is the interest of the City material or nominal in the following described property:

"Beginning at the point of intersection of the easterly line of East Thirty-fifth street with the southerly line of Church avenue, and running thence easterly along the said southerly line of Church avenue one hundred (100) feet; thence southerly at right angles to Church avenue twenty-one and eighteen one-hundredths (21.18) feet to the southerly line of East Broadway; thence westerly along said southerly line of

East Broadway one hundred and five one-hundredths (100.5) feet to the easterly side of East Thirty-fifth street; thence northerly along said easterly side of East Thirty-fifth street nineteen and sixty one-hundredths (19.60) feet to the southerly side of Church avenue, the point or place of beginning."

Respectfully,  
ROBERT JORDAN, Examiner.

LAW DEPARTMENT,  
OFFICE OF THE CORPORATION COUNSEL,  
NEW YORK, June 2, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—I have received, under date May 17, 1909, a communication, signed N. Taylor Phillips, Deputy Comptroller, relating to petitions received by the Finance Department seeking a release of the interest of the City in sections of old East Broadway lying between the lines of Church avenue and property that prior to the opening of Church avenue fronted on East Broadway.

In an opinion bearing date April 29, 1909, in the matter of the petition of Sarah A. Bergin, I advised the Comptroller that the strip of land between the new street and the property that formerly fronted upon old East Broadway was legally closed, and that the Commissioners of the Sinking Fund had authority under the provisions of section 205 of the Greater New York Charter to sell the same.

You ask the further question "whether the Commissioners of the Sinking Fund may properly sell and convey the right, title and interest of the City in and to old East Broadway, between the lines of Church avenue and property fronting on the old street, until there has been a proceeding, pursuant to the provisions of chapter 1006 of the Laws of 1895, to fix the damage caused to abutting property, and the value of the land in the bed of the closed street."

In reply thereto I would say that the right of the Commissioners of the Sinking Fund to convey the interest of the City in this property is not limited by the failure either of the Corporation Counsel or of the property owners to act under the provisions of the statute cited which authorizes a proceeding to ascertain the damages to property caused by the closing of a street or highway.

In a case like the present a proper condition inserted in the deed to the effect that the grantee waives any right to damages caused by the closing of the street, or by the opening of the new street, will effectually bar any future claim for such damages. On the other hand, the statute provides that unless the property owner avails himself of the privileges of the act within the period of six years from the time of the alteration of the map or plan of the City, his right to a proceeding to ascertain his damages is barred. In the present case this statute of limitations has become effective.

The deeds prepared by me at your request, and submitted with my communication of April 28, 1909, contain a condition waiving upon the part of the grantee any claim for damages for the change in the lines of the road.

I would advise further, however, that the Sinking Fund Commissioners, in passing their resolutions in regard to this matter, and as to all other matters of a similar nature, couple their consent to the conveyance of the interest of the City with a condition that the property owner waives his right to damages caused by the closing of the old street.

Respectfully yours,  
G. L. STERLING, Acting Corporation Counsel.

LAW DEPARTMENT,  
OFFICE OF THE CORPORATION COUNSEL,  
NEW YORK, June 3, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—I have received your communication of May 29, 1909, transmitting the report of Robert Jordan, Examiner in the Bureau for the Examination of Claims in the Finance Department, in the matter of the petition filed in said Department by Emanuel E. Lewis and Carl Mills for a release of the City's interests in and to a section of old East Broadway, Brooklyn, said report, with the accompanying papers, being so transmitted for an opinion by me in said matter.

This application is precisely similar to that of Sarah A. Bergin, concerning which an opinion was delivered by me to the Comptroller under date of April 28, 1909. In that opinion reference was made to several opinions of the Corporation Counsel previously rendered bearing upon the points involved, and a full discussion of the law relating thereto was submitted. I therefore respectfully refer you to the opinion cited and advise you in regard to the present application that the Commissioners of the Sinking Fund may lawfully sell and convey the interests of the City and may fix the consideration therefor in accordance with the provisions of section 205 of the Greater New York Charter.

The following are the premises in question:  
All that certain lot, piece or parcel of land situate, lying and being in the Borough of Brooklyn, City of New York, bounded and described as follows:

Beginning at the point of intersection of the easterly line of East Thirty-fifth street with the southerly line of Church avenue, and running thence easterly along the said southerly line of Church avenue one hundred (100) feet; thence southerly at right angles to Church avenue twenty-one and eighteen one-hundredths (21.18) feet to the southerly line of East Broadway; thence westerly along said southerly line of East Broadway one hundred and five one-hundredths (100.05) feet to the easterly side of East Thirty-fifth street; thence northerly along said easterly side of East Thirty-fifth street nineteen and sixty one-hundredths (19.60) feet to the southerly side of Church avenue, the point or place of beginning.

I have prepared a proper deed of conveyance of the premises described, which I transmit herewith, duly approved by me as to form, together with two copies thereof.

Yours respectfully,  
G. L. STERLING, Acting Corporation Counsel.

CITY OF NEW YORK—DEPARTMENT OF FINANCE,  
COMPTROLLER'S OFFICE,  
June 9, 1909.

Hon. N. TAYLOR PHILLIPS, Deputy Comptroller:

SIR—Replying to your communication of June 7, 1909, addressed to this Bureau, in which you request to be informed as to the present fair market value of a strip of land at the southeast corner of Church avenue and East Thirty-fifth street, as shown on the diagram attached, after an investigation I beg to advise you that this strip has a frontage of 100 feet on Church avenue and a depth of about 20 feet. It is known on the tax books as Lot No. 2 in Block 4889, Section 15, Volume 4.

The property is located within a little more than a block of a cemetery and in a neighborhood which is not yet well built up.

In my opinion a plot 100 feet by 100 feet on this corner would be fairly worth at the present time not above \$7,500, although some local brokers are asking much higher prices. Figured upon the basis of \$7,500, this front strip 20 feet by 100 feet, fronting on Church avenue, is worth 35 4/10 per cent. of that sum, or \$2,685.

Respectfully,  
MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

CITY OF NEW YORK—DEPARTMENT OF FINANCE,  
COMPTROLLER'S OFFICE,  
June 14, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—Carl Mills and Emanuel E. Lewis, in a petition addressed to the Commissioners of the Sinking Fund, pray for a conveyance of the right, title and interest of the City in and to a section of Old East Broadway, which property is more particularly described hereafter.

All the papers were submitted to the Corporation Counsel, and, under date of June 3, 1909, he advised that this old road has been closed by lawful authority and that the Commissioners of the Sinking Fund may lawfully sell and convey the property sought on such terms and conditions as seem to them wise.

Mr. Mortimer J. Brown, Appraiser of Real Estate, under date of June 9, 1909, placed a value of \$2,686 on the property. Under the rule adopted by the Commissioners of the Sinking Fund, the charge for the release will be 50 per cent. of that sum, or \$1,342.50.

Under date of June 14, 1909, the attorneys for the petitioners stated in writing that they would accept these terms.

The Borough President, under date of June 12, 1909, reported that the property is not required for any public use.

I therefore recommend a conveyance of the right, title and interest of the City in and to the following described property to these petitioners for the sum of \$1,342.50, upon condition that all taxes, assessments, water rates and charges of every kind are discharged before the delivery of the deed; also that the deed contain a stipulation to the effect that the petitioners waive all claim for damages by reason of the opening of Church avenue and the closing of East Broadway.

Beginning at the point of intersection of the easterly line of East Thirty-fifth street with the southerly line of Church avenue, and running thence easterly along the said southerly line of Church avenue one hundred (100) feet; thence southerly at right angles to Church avenue twenty-one and eighteen one-hundredths (21.18) feet to the southerly line of East Broadway; thence westerly along said southerly line of East Broadway one hundred and five one-hundredths (100.05) feet to the easterly side of East Thirty-fifth street; thence northerly along said easterly side of East Thirty-fifth street nineteen and sixty one-hundredths (19.60) feet to the southerly side of Church avenue, the point or place of beginning.

Respectfully,  
ROBERT JORDAN, Examiner.

Approved:  
H. A. METZ, Comptroller.

Whereas, Carl Mills and Emanuel E. Lewis, in a verified petition addressed to the Commissioners of the Sinking Fund, request a release of all the right, title and interests of The City of New York in and to a portion of old East Broadway, in the Borough of Brooklyn, heretofore discontinued and closed by lawful authority, which adjoins property owned by the petitioners.

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land described as follows is not needed for any public use:

Beginning at the point of intersection of the easterly line of East Thirty-fifth street with the southerly line of Church avenue, and running thence easterly along the said southerly line of Church avenue one hundred (100) feet; thence southerly at right angles to Church avenue twenty-one and eighteen one-hundredths (21.18) feet to the southerly line of East Broadway; thence westerly along said southerly line of East Broadway one hundred and five one-hundredths (100.05) feet to the easterly side of East Thirty-fifth street; thence northerly and along said easterly side of East Thirty-fifth street nineteen and sixty one-hundredths (19.60) feet to the southerly side of Church avenue, the point or place of beginning. And

Resolved, That, pursuant to the provisions of section 205 of the Greater New York Charter as amended, the Commissioners of the Sinking Fund hereby authorize a conveyance to Carl Mills and Emanuel E. Lewis of all the right, title and interest of The City of New York in and to that portion of old East Broadway hereinabove described, upon condition that all taxes, assessments, water rates and charges of every kind are discharged before the delivery of the deed; also that the deed contain a stipulation to the effect that the petitioners waive all claim for damages by reason of the opening of Church avenue and the closing of East Broadway; said conveyance to be in such form as shall be approved by the Corporation Counsel; and

Resolved, That the interests of The City of New York in and to the same be and are hereby appraised at the sum of one thousand three hundred and forty-two dollars and fifty cents (\$1,342.50), to be paid by the petitioners, and evidence produced that the conditions under which this conveyance is authorized have been complied with before the execution and delivery of such conveyance.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to a proposed exchange of property owned by the City known as old Public School 8, located on Middagh street, near Fulton street, Borough of Brooklyn, for property owned by the Church of the Assumption on Poplar street, near Henry street, Brooklyn, directly in the rear of old Public School 8:

June 22, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—The Commissioners of the Sinking Fund at a meeting held June 11, 1909, accepted from the Board of Education old Public School 8, located on Middagh street, near Fulton street, Borough of Brooklyn, and acting upon the request of the Police Commissioner, assigned the said premises for his use as a precinct station house for the One Hundred and Fiftieth Precinct, to take the place of the dilapidated and condemned structure on Fulton street, near Henry street.

Subsequent to the assignment, the Church of the Assumption, who are erecting a new building directly across the street from old Public School 8, made application to the Commissioners of the Sinking Fund for the use and occupancy of the old public school building for their parochial school.

It seems that the approach to the Manhattan Bridge, in Brooklyn, cut diagonally through the church structure and destroyed the same, and the City acquired it. They then removed to the south side of Middagh street, bought some property there and erected a church. The construction of the Manhattan Bridge, especially the iron work part, made it physically impossible for them to use their school building for school purposes.

They state that they have acquired, or are about to acquire, some property on Poplar street, near Henry street, directly in the rear of old Public School 8, and in a communication dated June 16, 1909, they request that the Commissioners of the Sinking Fund exchange the property which was turned over to the Police Department for the property which they control on Poplar street, in accordance with the provisions of section 205a of the amended Greater New York Charter.

The property acquired by the Board of Education is 89 feet 9 inches by 100 feet, and has thereon erected an old school building which the Police Department intends

to remove, so that as far as the purpose of the Police Department is concerned, as soon as the Collector of City Revenue disposes of the building and the same is removed, the land will be vacant property.

The land offered by the Church of the Assumption is on the southerly side of Poplar street, about 85.7 feet easterly from Henry street, and is 132 feet 4 inches width front and rear, by a depth of 100 feet 9 inches on the westerly side and 100 feet 7 inches on the easterly side.

The proposition was submitted to the Police Commissioner and in a communication dated June 21, 1909, which is hereto annexed, he turns the same over to the Commissioners of the Sinking Fund for the purpose of making an exchange with the Church of the Assumption of the premises located on the southerly side of Poplar street, west of Henry street, herein described, in accordance with the provisions of section 205a of the amended Greater New York Charter, and if it is approved by the Commissioners of the Sinking Fund and the exchange authorized, when the deeds are passed, the Poplar street property shall be turned over to the Police Commissioner in accordance with the said provision of the Charter for the use of the One Hundred and Fiftieth Precinct and station house.

In accordance with the said provisions of the Charter, I respectfully recommend that the Commissioners of the Sinking Fund nominate and appoint George W. Chauncey, of the D. & M. Chauncey Company, of No. 187 Montague street, Brooklyn; Herman Blumenau, of No. 161 Smith street, Brooklyn; and Robert L. Anderson, of No. 406 Broadway, Brooklyn, as three discreet and disinterested appraisers to appraise the property of The City of New York on Middagh street, hereinafter described, and property of the Church of the Assumption on Poplar street, as hereinafter described, and to report to the Board within three days their conclusions thereon, and if they report that the value of the property of The City of New York on Middagh street is greater than that of the property on Poplar street, then the exchange cannot be made. If, however, they report that the property of the Church is of equal or greater value than that of the City, the exchange can be made in accordance with said provisions of the Charter, subject to the approval of the Board of Estimate and Apportionment at the next regular meeting after the adoption of the resolution by the Commissioners of the Sinking Fund.

The property to be conveyed by the Church is bounded and described as follows: Beginning at a point on the southwesterly side of Poplar street, distant 85 feet 7 inches northwesterly from the southwesterly corner of Poplar and Henry streets, and running thence northwesterly along the southwesterly side of Poplar street 132 feet 4 inches; running thence southwesterly 100 feet 9 inches; running thence south-easterly 132 feet 4 inches to a point in said line which is distant 87 feet 2 inches from Henry street, and running thence northeasterly 100 feet 7 inches to the point or place of beginning.

The property to be conveyed by The City of New York if the exchange is made, is bounded and described as follows:

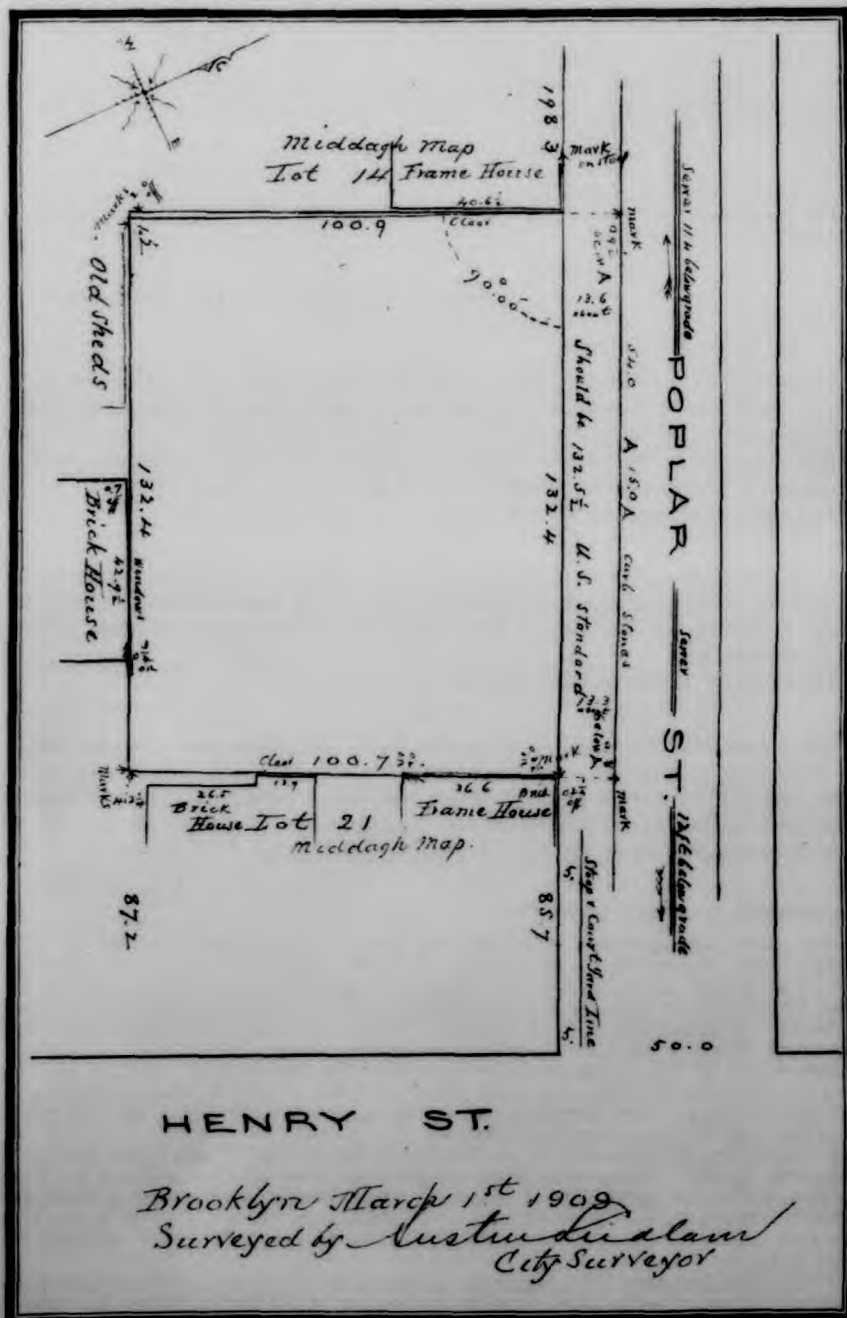

Beginning at a point on the northeasterly side of Middagh street, distant 65 feet 7 inches northwesterly from the northwesterly corner of Middagh and Henry streets; running thence northeasterly 100 feet 7 inches; running thence northwesterly 89 feet 9 inches; running thence southwesterly 100 feet 8 inches to the northeasterly side of Middagh street; running thence southeasterly along the northeasterly side of Middagh street 89 feet 9 inches to the point or place of beginning, be the said several dimensions more or less, the premises being old Public School 8, Borough of Brooklyn.

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

June 21, 1909.

To the Commissioners of the Sinking Fund, New York City:

GENTLEMEN—The Sinking Fund Commissioners, at their last meeting, adopted a resolution assigning to the Police Department a parcel of land on Middagh street, near Fulton street, formerly occupied by old Public School 8, and recently turned over

to the Commissioners of the Sinking Fund by the Board of Education as being no longer required for educational purposes.

A proposition has been submitted to the Commissioners of the Sinking Fund for an exchange of a parcel of land on the southerly side of Poplar street, eighty-five (85) feet seven (7) inches west of Henry street and being one hundred thirty-two (132) feet four (4) inches in width, front and rear, by depth of one hundred (100) feet seven (7) inches. Section 205a of the amended Greater New York Charter authorizes the Commissioners of the Sinking Fund to exchange property owned by The City of New York and not required for departmental purposes for property not owned by The City of New York and needed for departmental purposes, provided they are located in the same Borough and provided that the value of the property about to be exchanged shall be equal to or greater than that of the property owned by the City.

In accordance with the request of the Finance Department the property heretofore assigned by the Commissioners of the Sinking Fund to the Police Department, located on Middagh street, is hereby turned over to the Commissioners of the Sinking Fund as being no longer required for departmental purposes, for the purpose of exchanging the same for property located in the rear on Poplar street as herein mentioned and that when these exchanges shall have been made and the deeds recorded, the Commissioners of the Sinking Fund are to assign to the Police Department the Poplar street property for uses of said Department.

Very truly yours,

THEO. A. BINGHAM, Police Commissioner.

June 16, 1909.

Hon. HERMAN A. METZ, Comptroller:

SIR—The City of New York owns a piece of property on Middagh street, Borough of Brooklyn, which was formerly occupied as old Public School 8, and which has been turned over to the Commissioners of the Sinking Fund by the Board of Education as being no longer required for their purpose, they having transferred all the scholars into the new school on the corner of Middagh and Hicks streets, and I understand that the Commissioners of the Sinking Fund at their last meeting, acting upon a request of the Commissioner of the Police Department, assigned the property for the use of the Police Department for the purpose of erecting thereon a station house and stable for the One Hundred and Fifty-first Precinct station, which is now located in Fulton street and which I understand is in a very bad condition.

The new Church of the Assumption of which I am the rector is directly opposite old School 8 and the church is very desirous of removing its present parochial school at York and Pearl streets to a location near the church. The construction of the Manhattan Bridge and the traffic over it in the future will be such that it will be impossible for the children to be properly attended to in the present school.

The church controls a plot of land in the rear of the present schoolhouse on Poplar street, being 132 feet 4 inches front by a depth of about 100 feet 8 inches and the land is vacant. The City's land is about 90 feet front by 100 feet in depth. The use to which the Police Department intends to put the land, would mean the destruction of the building thereon. The present schoolhouse while in a dilapidated condition, could be used by the church at an expenditure of quite a sum of money, and as the Police Department desires only vacant land we believe that the interests of the City would be served by an exchange of the land owned by the City for the land owned by the church. This land of ours on Poplar street is over 40 feet larger in front than that on Middagh street, where the Police Department is located and we believe that an examination in accordance with the provisions of section 205a of the amended Greater New York Charter will show that the land of the church is of greater value than that of the City.

We therefore respectfully request that the matter be placed before the proper Boards, in accordance with said provision of the Charter, and that immediate action be taken before the summer.

Respectfully,

WM. J. DONALDSON, Rector.

Whereas, The Police Commissioner, in a communication dated June 21, 1909, has transferred to the Commissioners of the Sinking Fund as being no longer required for departmental purposes, all the land hereinafter described in the Borough of Brooklyn:

Beginning at a point on the northeasterly side of Middagh street, distant 65 feet 7 inches northwesterly from the northwesterly corner of Middagh and Henry streets; running thence northeasterly 100 feet 7 inches; running thence northwesterly 89 feet 9 inches; running thence southwesterly 100 feet 8 inches to the northeasterly side of Middagh street; running thence southeasterly along the northeasterly side of Middagh street 89 feet 9 inches to the point or place of beginning, be the said several dimensions more or less, the premises being old Public School 8, Borough of Brooklyn.

—and makes application that the following described property be acquired by the City from the Church of the Assumption in exchange for the lands transferred to the Commissioners of the Sinking Fund:

"Beginning at a point on the southwesterly side of Poplar street, distant 85 feet 7 inches northwesterly from the southwesterly corner of Poplar and Henry streets, and running thence northwesterly along the southwesterly side of Poplar street 132 feet 4 inches; running thence southwesterly 100 feet 9 inches; running thence southeasterly 132 feet 4 inches to a point in said line which is distant 87 feet 2 inches from Henry street; and running thence northeasterly 100 feet 7 inches to the point or place of beginning;" therefore be it

Resolved, That in accordance with the provisions of section 205A of the Greater New York Charter as amended, the Commissioners of the Sinking Fund determine that the land turned over by the Police Commissioner and hereinbefore described is no longer needed for departmental purposes, and they further determine that the lands of private owners herein in this resolution described are needed for public purposes; it is therefore

Resolved, That to determine the value of the land of the City hereinbefore described and the land of the Church of the Assumption to be exchanged therefor, the Commissioners of the Sinking Fund hereby appoint George W. Chauncey, of the D. & M. Chauncey Company, of No. 187 Montague street, Brooklyn; Herman Blumenau, of No. 155 Smith street, Brooklyn, and Robert L. Anderson, of No. 406 Broadway, Brooklyn, three discreet and disinterested appraisers residing in the Borough of Brooklyn, who are hereby authorized and directed to appraise the value of the land owned by the City and the land owned by the Church of the Assumption which it is proposed to exchange and which is hereinabove described.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution, authorizing a lease of premises on Ann street, West New Brighton, Borough of Richmond, for use of the President of the Borough of Richmond:

Respectfully submitted for approval,

MORTIMER J. BROWN, Appraiser of Real Estate, Department of Finance.

Scaled bids (blank forms of which may be obtained upon application) will be received by the Comptroller at the office of the Collector of City Revenue, Room 141, No. 280 Broadway, Borough of Manhattan, until 11 a. m. on the 12th day of July, 1909, and then publicly opened for the sale for removal of the above-described buildings and appurtenances thereto, and the award will be made to the highest bidder within twenty-four hours, or as soon as possible thereafter.

Bids will be received for the purchase of each building separately, or for the whole number of buildings offered as one parcel, or for groups of two or more adjoining buildings, and the Comptroller reserves the right to dispose of the buildings by whichever method he may deem most advantageous to the City of New York.

Each and every bid must be accompanied by a deposit of cash or certified check in a sum equal to 25 per cent. of the amount of the bid, except that a minimum deposit of \$50 will be required with all bids, and that a deposit of \$500 will be sufficient to entitle bidders to bid on any or all of the buildings.

Deposits of unsuccessful bidders will be returned within twenty-four hours after successful bidders have paid purchase price in full and given security, and those of successful bidders may be declared forfeited to the City of New York by the Comptroller upon the failure of the successful bidder to further comply with the requirements of the terms and conditions of the sale as set forth hereinafter.

Successful bidders will be required to pay the purchase money and deposit the required security within twenty-four hours of the receipt of notification of the acceptance of their bids.

The Comptroller reserves the right to reject any and all bids and to waive any defects or informalities in any bid should it be deemed in the interest of the City of New York to do so.

All bids must state clearly (1) the number or description of the building or buildings bid for, (2) the amount of the bid, (3) the full name and address of the bidder.

All bids must be enclosed in properly sealed envelopes, marked "Proposals to be opened July 12, 1909," and must be delivered, or mailed in time for their delivery, prior to 11 a. m. of that date to the "Collector of City Revenue, Room 141, No. 280 Broadway, New York City," from whom any further particulars regarding the buildings to be disposed of may be obtained.

The buildings will be sold for immediate removal only, subject to the following

#### TERMS AND CONDITIONS.

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay cash or a certified check drawn to the order of the

Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale.

The placing therein or permitting the occupancy of any such building by any tenant, free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the sidewalk and curb in front of said buildings, extending within the described area and down to the level of the cellar bottom, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point; also the foundation walls of all classes shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers, Borough of Queens and County of Nassau, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

AT THE REQUEST OF THE PRESIDENT of the Borough of Brooklyn, public notice is hereby given that the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, will offer for sale by sealed bids all the buildings, parts of buildings, etc., standing upon property owned by The City of New York, acquired by it for street opening purposes, in the

#### Borough of Brooklyn.

Being all the buildings, parts of buildings, etc., standing within the lines of Brooklyn avenue, between Linden avenue and Church avenue, all of which are more particularly described on a certain map on file in the office of the Collector of City Revenue, Department of Finance, Room 141, No. 280 Broadway, Borough of Manhattan.

Pursuant to a resolution of the Commissioners of the Sinking Fund, adopted at a meeting held June 23, 1909, the sale by sealed bids of the above described buildings and appurtenances thereto will be held by direction of the Comptroller on

#### FRIDAY, JULY 9, 1909,

at 11 a. m. in lots and parcels and in the manner and form as follows:

Parcel No. 1. Two-story frame house and out-house and fences.

Sealed bids (blank forms of which may be obtained upon application) will be received by the Comptroller, at the office of the Collector of City Revenue, Room 141, No. 280 Broadway, Borough of Manhattan, until 11 a. m. on July 9, 1909, and then publicly opened for the sale for removal of the above described buildings and appurtenances thereto, and the award will be made to the highest bidder within twenty-four hours, or as soon as possible thereafter.

Each and every bid must be accompanied by a deposit of cash or certified check in a sum equal to 25 per cent. of the amount of the bid, except that a minimum deposit of \$50 will be required with all bids.

Deposits of unsuccessful bidders will be returned within twenty-four hours after successful bidders have paid purchase price in full and given security, and those of successful bidders may be declared forfeited to The City of New York by the Comptroller upon the failure of the successful bidder to further comply with the requirements of the terms and conditions of the sale, as set forth hereinafter.

The successful bidder will be required to pay the purchase money and deposit the required security within twenty-four hours of the receipt of notification of the acceptance of his bid.

The Comptroller reserves the right to reject any and all bids and to waive any defect or informalities in any bid, should it be deemed in the interest of the City to do so.

All bids must state clearly (1) the amount of the bid, (2) the full name and address of the bidder.

All bids must be inclosed in properly sealed envelopes marked "Proposals to be opened July 9, 1909," and must be delivered or mailed in time for their delivery prior to 11 a. m. of that date to the Collector of City Revenue, Room 141, No. 280 Broadway, New York City, from whom any further particulars regarding the buildings to be disposed of may be obtained.

The buildings will be sold, for removal only, subject to the following

#### TERMS AND CONDITIONS.

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay cash or a certified check drawn to the order of the Comptroller of the City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of fifty dollars, the sum of fifty dollars shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the sidewalk and curb in front of said buildings, extending within the described area and down to the level of the cellar bottom, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point; also the foundation walls of all classes shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers, Borough of Brooklyn, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances or any part thereof within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls, are to be taken down and removed. The walls shall be made permanently self-supporting, beam-holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

The Comptroller reserves the right to reject any and all bids and to waive any defects or informalities in any bid should it be deemed in the interest of The City of New York to do so.

All bids must state clearly (1) the number or description of the building or buildings bid for, (2) the amount of the bid, (3) the full name and address of the bidder.

All bids must be inclosed in properly sealed envelopes marked "Proposals to be opened July 8, 1909," and must be delivered or mailed in time for their delivery prior to 11 a. m. of that date to the Collector of City Revenue, Room 141, No. 280 Broadway, New York City, from whom any

further particulars regarding the buildings to be disposed of may be obtained.  
The buildings will be sold, for removal only, subject to the following

#### TERMS AND CONDITIONS.

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay cash or a certified check drawn to the order of the Comptroller of the City of New York, and must also give a certified check or cash in full the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of fifty dollars, the sum of fifty dollars shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the sidewalk and curb in front of said buildings, extending within the described area and down to the level of the cellar bottom, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point; also the foundation walls of all classes shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building.

The purchaser at the sale shall also remove and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers, Borough of Queens, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.  
Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls, are to be taken down and removed. The walls shall be made permanently self-supporting, beam-ends, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

Sealed bids (blank forms of which may be obtained upon application) will be received by the Comptroller at the office of the Collector of City Revenue, Room 141, No. 280 Broadway, Borough of Manhattan, until 11 a. m., on the 30th day of June, 1909, and then publicly opened for the sale for removal of the above-described buildings and appurtenances thereto, and the award will be made to the highest bidder within twenty-four hours, or as soon as possible thereafter.

Bids will be received for the purchase of each building separately, or for the whole number of buildings offered as one parcel, or for groups of two or more adjoining buildings, and the Comptroller reserves the right to dispose of the buildings by whichever method he may deem most advantageous to the City of New York.

Each and every bid must be accompanied by a deposit of cash or certified check in a sum equal to twenty-five per cent. of the amount of the bid, except that a minimum deposit of \$50 will be required with all bids, and that a deposit of \$500 will be sufficient to entitle bidders to bid on any or all of the buildings.

Deposits of unsuccessful bidders will be returned within twenty-four hours after successful bidders have paid purchase price in full and given security, and those of successful bidders may be declared forfeited to the City of New York by the Comptroller upon the failure of the successful bidder to further comply with the requirements of the terms and conditions of the sale as set forth hereinafter.

Successful bidders will be required to pay the purchase money and deposit the required security within twenty-four hours of the receipt of notification of the acceptance of their bids.

The Comptroller reserves the right to reject any and all bids and to waive any defects or informalities in any bid should it be deemed in the interest of The City of New York to do so.

All bids must state clearly (1) the number or description of the building or buildings bid for (2) the amount of the bid (3) the full name and address of the bidder.

All bids must be enclosed in properly sealed envelopes, marked "Proposals to be opened June 30, 1909," and must be delivered or mailed in time for their delivery prior to 11 a. m. of that date to the "Collector of City Revenue, Room 141, No. 280 Broadway, New York City," from whom any further particulars regarding the buildings to be disposed of may be obtained.

The buildings will be sold for removal only, subject to the following

## TERMS AND CONDITIONS.

The buildings and appurtenances thereto will be sold to the highest bidder, who must pay cash or a certified check drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of fifty dollars, the sum of fifty dollars shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made

as nearly together as the circumstance of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the sidewalk and curb in front of said buildings, extending within the described area and down to the level of the cellar bottom, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point; also the foundation walls of all classes shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street, and the opening of the main sewer in street shall be properly closed, in compliance with the directions of the Bureau of Sewers, Borough of The Bronx, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said building, appurtenances or any part thereof within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the costs and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers. Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, projecting brick, etc., on the faces of such party walls, are to be taken down and removed. The walls shall be made permanently self-supporting, beam-ends, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs of adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

H. A. METZ, Comptroller.
