Resolved, That the Board of Estimate and Apportionment hereby consents to certain modifications in the terms and conditions of the said contract of December 16, 1909, as amended by said contract of October 29, 1912, such modified terms and conditions being fully set forth and described in the following form of proposed contract for the grant thereof, embodying such terms and conditions as modify or alter said contract of December 16, 1909, as amended by said contract of October 29, 1912, which said contract as amended otherwise remains unchanged as to all the other terms and conditions expressed therein; and that the Mayor of The City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:

PROPOSED FORM OF CONTRACT.

WHEREAS, In and by said contract, as so amended, the Company is obligated to pay to the City as annual compensation a fixed percentage of its gross annual receipts with specified minimum annual payments, such payments beginning from the date on which said contract was executed by the Mayor; and

WHEREAS, The Company has now by a petition presented to the Board at its meeting held February 5, 1915, alleging that the obligations of its contract have proved too burdensome, applied for a modification of the same, as amended, so as to relieve it to the extent that the Board may deem just and proper;
