"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

● Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy

by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

 $Department \ for \ the \ Aging \ (DFTA)$

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Section 6-134 of Chapter 1 of Title 6 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter, of the adoption by the Department of an amendment to Title 6 of the Rules of the City of New York by adding Chapter 11 to clarify certain provisions of the "Fair Wages for New Yorkers Act," Section 6-134 of Chapter 1 of Title 6 of the Administrative Code of the City of New York (as added by Local Law 37 for the year 2012), which requires certain employers that receive financial assistance with a value of one million dollars or more from the City of New York to pay their employees no less than a living wage, and pursuant to Executive Order No. 7 of 2014, which broadened the scope of the Fair Wages for New Yorkers Act, and to provide guidance to covered employers and protected employees.

The rule was proposed and published in The City Record on July 21, 2016. The required public hearing was held on August 22, 2016.

The "Fair Wages for New Yorkers Act," Section 6-134 of Chapter 1 of Title 6 of the Administrative Code of the City of New York (as added by Local Law 37 for the year 2012), requires certain companies that receive at least one million dollars of financial assistance from the City of New York to pay their employees no less than a living wage. - Establish that covered employers and additional covered employers must pay the living wage to their employees;
- Set forth distribution and posting requirements for employee notices required;
- Set forth recordkeeping requirements;

- Clarify the Living Wage Law's definition of "financial assistance recipient" and the Executive Order's definition of "subsidy recipient;"
- Outline the Department's enforcement steps, including how a covered employer may cure a violation, how the Department will commence a case, and how the Department may settle a
- Clarify that the Office of Administrative Trials and Hearings (OATH) will issue a decision on the record in all cases;
- Provide guidance to employers on how an OATH administrative law judge may calculate back wages for an employee;
- Clarify that if one or more employees start or have a civil action pending, it does not preclude the Department from commencing, prosecuting, or settling a case based on some or all of the same violations; and
- Clarify what other appropriate relief may be imposed for a violation, in addition to the penalties set forth in the law.
