

The 2022-2023 Strengthening Communities Application is Officially Live

Emergencies affect every community differently, but you can help your community be prepared and resilient. Your Community Network can receive funding up to \$40K to work on a community emergency plan through NYC Emergency Management's Strengthening Communities Program.

The training program focuses on five key areas/deliverables to build an emergency plan specific to your community:

1. Creating a needs assessment
2. Designing community maps of the area where you provide services
3. Building a resource directory
4. Preparing a communication strategy
5. Creating donations and volunteer management plans

NYC Emergency Management staff provides training, coaching sessions and tools that guide participating networks through the program.

We are looking for up to 20 different hyperlocal networks and encourage all interested to apply by visiting

New York, NY & Online

11TH ANNUAL COMMUNITY
PREPAREDNESS SYMPOSIUM

CALL FOR PRESENTERS
Must Be In Person On Day of Symposium

Submission Deadline
November 30, 2022

NYC Emergency Management would like to invite all interested speakers to submit a presentation proposal for the 2023 Community Preparedness Symposium: A New Standard of Preparedness: Communities Ahead of Emergencies. We are seeking engaging speakers who can discuss how communities can better prepare, respond, and recover from emergencies. Our goal is to bring together diverse voices and find intersections among different sectors or topics during emergencies.

The 2023 Community Preparedness Symposium will be in-person and virtual. We are expecting over 400 community leaders from NYC and the region to attend the event.

Dates to Remember

- **Proposal Submissions Accepted starting:** October 11, 2022
