BOARD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL, NEW YORK, March 12, 1890.

The Hons, Hugh J. Grant, Mayor; William H. Clark, Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works, the city officers designated by section 66 of the New York City Consolidation Act, met this day.

The minutes of the meeting of February 27 were read and approved.

The Supervisor of the City Record reported that he had received the following communication

CITY OF NEW YORK—FINANCE DEPARTMENT, COMPTROLLER'S OFFICE, March 8, 1890.

W. J. K. KENNY, Esq., Supervisor, City Record:

SIR—I am in receipt of your letter of the 3d instant, relative to advertising which you say is "charged against the City Record Advertising appropriation for the current year"; and you also state that as you have not audited, and the Board of City Record have not approved of, any bills for advertising since January 1, 1890, you are directed by said Board to ask why such charges have

The advertising referred to is as follows:

New York "World," for publishing notice of the County Clerk's Office for empaneling jurors, authorized by sections 189 and 1673 of the Consolidation Act and section 1100 of the Code of Civil Procedure.

"The New York Law Journal," for publishing same notice......

There is also a similar bill now before the Mayor for his signature to the warrant for payment.

The charges are for legal notices required to be published for the City by section 1100 of the Code of Civil Procedure, and are chargeable to the annual appropriation for "Advertising."

This appropriation is placed under the general title of "Advertising," which is placed in the Final Estimate under the general head of "Advertising, Printing, Stationery and Blank Books," but it is a separate and distinct appropriation, independent of appropriations relating to the CITY RECORD, except that all bills for advertising ordered by the Board of City Record are also payable out of the same appropriation, which is made annually by the Board of Estimate and Apportionment for the express purpose of paying for all legal advertising, in pursuance of law, which by law are not required to be approved by the Board of City Record, and are not otherwise specially provided for, as in case of Election Advertising. The bills for such advertising are therefore audited by the Auditing Bureau in the Finance Department, and are payable from the appropriation for "Advertising."

tising.

The audit of the Supervisor of the City Record of bills for such advertising, and their special approval by the Board of City Record are therefore not necessary, and this construction of law is in accordance with the opinion of Hon. E. Henry Lacombe, when Counsel to the Corporation.

Yours, respectfully,

THEO. W. MYERS, Comptroller.

On motion of the Mayor, the communication was referred to the Counsel to the Corporation for his opinion as to whether it would not be more proper for the Comptroller to take full charge of the "Advertising" appropriation, and hereafter make the estimate for it, instead of the Supervisor of the City Record.

The Supervisor stated that the Chief Engineer of the Fire Department was anxious to have the rules and regulations he had prepared printed speedily. He said he had held the rules, intending to put them on the regular printing contract, but that Chief Bonner had informed him they were needed at once. On motion of Commissioner Gilroy, the Supervisor was directed to procure estimates on the work from a number of printers, and to award it to the lowest estimator.

On motion of the Mayor, the proposals for the contract to furnish blank books were ordered to provide that the persons intending to bid should visit the several departments and inspect the books, it being impossible to procure samples to put on exhibition in one place.

To enable the Supervisor to hurry on the preparation of the several specifications he was, on motion of the Mayor, authorized to employ an assistant or assistants at an expenditure of \$100. The Corporation Counsel and Commissioner of Public Works concurred.

The Mayor laid before the Board a communication from the Mineralized Rubber Company, complaining that Faber's rubber bands had been bought under the stationery contract, when, the communication said, equally good bands could have been procured for much less money. Accompanying this was a response from the Supervisor to the effect that many complaints had been made in the departments against the rubber bands supplied in the past, and that those purchased under the contract had been called for by the departments. No action was taken in the matter.

The following bills were approved and ordered to be sent to the Comptroller for payment: Martin B. Brown (printing and distributing the CITY RECORD during February), \$3,884.83; "New York Law Journal" (publishing court calendars during February), \$333.33, and Diossy & Co. (rebinding books in Corporation Counsel's office), \$210, all chargeable to the account of 1890.

The meeting then adjourned.

W. J. K. KENNY, Secretary.
