TINUOUS TANKS OF THE AQUARIUM IN
CASTLE GARDEN BUILDING, IN BATTERY
PARK.

Bidders are required to state, in writing, and also in
figures, in their proposals, ONE PRICE OR SUM for
which they will execute the ENTIRE WORK.

The time allowed for the completion of the whole
work will be TWENTY CONSECUTIVE WORKING
DAYS.

The damages to be paid by the contractor for each
day that the contract, or any part thereof, may be un-
fulfilled after the time fixed for the completion thereof
has expired, are fixed at TEN DOLLARS per day.

The amount of security required is ELEVEN HUN-
DRED DOLLARS.

Bidders will be required to complete the entire work
to the satisfaction of the Department of Public Parks,
and in substantial accordance with the specifications
for the work and the plans therein referred to. No
extra compensation beyond the amount payable for the
several classes of work before enumerated which shall
be actually performed, at the prices therefore, to be
specified by the lowest bidder, shall be due or payable
for the entire work.

The estimates received will be publicly opened by the
head of the said Department at the place and hour last
above mentioned and read.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making
the same; the names of all persons interested
with him or them therein; and if no other person
be so interested, it shall distinctly state that
fact; also that it is made without any connection
with any other person making an estimate for the
same purpose, and is in all respects fair and with-
out collusion or fraud; and that no member of the Com-
mon Council, head of a department, chief of a bureau,
deputy thereof, or clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein
or in the supplies or work to which it relates, or in any
portion of the profits thereof. The bid or estimate must
be verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated
therein are in all respects true. Where more than one
person is interested, it is requisite that the VERIFICATION
be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in
the City of New York, with their respective places of
business or residence, to the effect that if the contract be
awarded to the person making the estimate, they will,
on its being so awarded, become bound as his sureties
for its faithful performance, and that if he shall omit or
refuse to execute the same, they will pay to the Cor-
poration any difference between the sum to which he would
be entitled on its completion, and that which the Corporation
may be obliged to pay to the person or persons to whom
the contract may be awarded at any subsequent letting;

the amount in each case to be calculated upon the esti-
mated amount of the work by which the bids are
tested. The consent above mentioned shall be accom-
panied by the oath or affirmation, in writing, of each
of the persons signing the same that he is a householder
or freeholder in the City of New York, and is worth the
amount of the security required for the completion of this
contract over and above all his debts of every nature, and
approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered
unless accompanied by either a certified check
upon one of the State or National banks of
the City of New York, drawn to the order of
the Comptroller, or money to the amount of five
per centum of the amount of the security required
for the faithful performance of the contract. Such
check or money must NOT be inclosed in the sealed
envelope containing the estimate, but must be handed
to the officer or clerk of the Department who has
charge of the estimate-box, and no estimate can be
deposited in said box until such check or money
has been examined by said officer or clerk and found
to be correct. All such deposits, except that of the
successful bidder, will be returned to the persons mak-
ing the same within ten days after the contract is
awarded. If the successful bidder shall refuse or
neglect, within five days after notice that the contract
has been awarded to him, to execute the same, the
amount of the deposit made by him shall be forfeited
and retained by the City of New York as liquidated
damages for such neglect or refusal; but if he shall ex-
ecute the contract within the time aforesaid, the amount
of his deposit will be returned to him.

N. B.—The price must be written in the estimate and
also stated in figures, and all estimates will be considered
as informal which do not contain bids for all items for
which bids are herein called, or which contain bids for
items for which bids are not herewith called for.
Permission will not be given for the withdrawal of any
bid or estimate. No bid will be accepted from, or con-
tract awarded to, any person who is in arrears to the
Corporation upon debt or contract, or who is a defaulter,
as surety or otherwise, upon any obligation to the
Corporation.

The Department of Public Parks reserves the right to
reject any or all the bids received in response to this ad-
vertisement if it should deem it for the interest of the
City so to do, and to readvertise until satisfactory bids
or proposals shall be received. But the contract when
awarded will be awarded to the lowest bidder.

which the successful bidder will be required to
execute, can be had at the office of the Secretary, and
the plans can be seen and information relative to them

That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate, or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
NO. 31 CHAMBERS STREET,
NEW YORK.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works
