STATE INDUSTRIAL COMMISSION—DEPARTMENT OF LABOR.

Public Notices.

Whereas, Curtice Brothers Company of Rochester, N. Y., has made application under subsection 5 of Section 8-a of the Labor Law, as amended by Chapter 648 of the Laws of 1915, for exemption for certain of its employees, on the ground that such employees are engaged in the work of an industry or manufacturing process necessarily continuous, and that the exemption asked for is desired by the employees themselves, and furnishes said employees as much rest during the average week as does the law itself, and

Resolved, That said application be granted and that the said Curtice Brothers Company of Rochester, N. Y., be and same hereby is granted permission to work three male employees in its engine and dynamo room, 4 male employees in the boiler room, 6 male employees in the refrigerator department and 6 male employees in the receiving room, not more than 8 hours per day throughout the week, and that this resolution shall become effective at once.

STATE OF NEW YORK, OFFICE OF THE STATE INDUSTRIAL COMMISSION, ss.:

I, HENRY D. SAYER, Secretary of the State Industrial Commission of the State of New York, DO HEREBY CERTIFY that I have compared the foregoing copy of a resolution with the original thereof, duly adopted by the State Industrial Commission on the 27th day of June, 1916, and duly filed in the office of said Commission, and that the same is a true and correct copy and transcript of said resolution and of the whole thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the State Industrial Commission this 29th day of June, 1916.

H. D. SAYER, Secretary.

Whereas, application has been received from W. A. Lawrence & Son, of Chester, Orange County, for exemption from the requirements of Section 8-a of the Labor Law, as affecting employees in the cheese factory of the above firm at Chester, and

Whereas, investigation shows that this is an industry necessarily continuous, in which employees now work eleven hours a day, six days a week, and not to exceed three hours on Sunday, and that the firm in consideration of the exemption will reduce the working hours to 9½ each week day, with the exception of Saturday, when not more than 8½ hours will be worked, and

Whereas, the nature of the manufacture of the Company's brands of cheese is not only necessarily continuous, but peculiar in its component parts, and therefore doubly necessitating the brief period of employment on Sunday,

Therefore, be it resolved, that W. A. Lawrence & Son, of Chester, Orange County, N. Y., be and hereby is granted exemption from the provisions of Section 8-a of the Labor Law under the following terms and conditions: Employees not to be permitted to work more than 9½ hours each week day, with the exception of Saturday, when employees are not permitted to work more than 8½ hours, and on Sunday not more than three hours, and that this resolution become effective at once.

STATE OF NEW YORK, OFFICE OF THE STATE INDUSTRIAL COMMISSION, ss.:

I, HENRY D. SAYER, Secretary of the State Industrial Commission of the State of New York, DO HEREBY CERTIFY that I have com-

pared the foregoing copy of a resolution with the original thereof, duly adopted by the State Industrial Commission on the 27th day of June, 1916, and duly filed in the office of said Commission, and that the same is a true and correct copy and transcript of said resolution and of the whole thereof.

IN WITNESS WHEREOF, I have hereunto set my hand and affixed the seal of the State Industrial Commission this 29th day of June, 1916.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such buildings by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises.
