"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml. All current and prospective vendors should frequently require information listed on readments to take full. frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

OFFICE OF PUPIL TRANSPORTATION SCHOOL BUS ROUTING CONSULTATION PROJECT - Request for Proposals - PIN# R1039040 - Due 11-3-14 at 1:00 P.M.

The DOE is seeking proposals from organizations with the demonstrated ability to provide consulting services to define evaluate, document and recommend technology and business processes to support school bus routing operations for over 150,000 students who ride buses each day in the New York City metropolitan area to public, non-public, and charter schools. The Office of Pupil Transportation (OPT) also schedules bus service for more than 160,000 field trips every year. The DOE does not own any school buses and thus contracts for that service with more than

50 private companies for over $8,\!600$ buses to transport riders to and from more than $3,\!000$ schools. This RFP seeks to engage the services of a consultant (which may be an individual, a team or a firm) to analyze, evaluate and document OPT's current management of bus routing from technical, business process and resource perspectives. The consultant will also recommend any refinements and/or additions to increase the efficiency and effectiveness of those processes that should be included in any future solution. The resulting requirements document will be used to decide if OPT should buy a bus routing software package or to develop one or some combination of the two that would involve enhancing processes and systems already in place or in development. The consultant must not have any affiliation with any bus routing software vendor and will not be allowed to submit a Proposal or Bid for such services as may be sought as a result of the recommendations made in fulfillment of this RFP. In addition, consulting contracts require that software vendors have not and will not pay the consultant any compensation as a result of any routing solution growing out of this RFP. The RFP may result in award of one (1) full value contract for a base term of one (1) year with an option to extend the contract for two (2) nine (9) month periods. If you cannot download this RFP, please send an e-mail to VendorHotline@schools.nyc. gov with the RFP number and title in the subject. For all questions related to this RFP, please send an e-mail to spisik@schools.nyc.gov with the RFP number and title in the subject line of your e-mail.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the Alliance for Coney Island, Inc. as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not-for-profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Nicholaas Peterson, Senior Project Manager for Public Spaces, by email at npeterson@dot.nyc.gov or in writing at 55 Water Street, 6th Floor, New York, NY 10041 by October 6, 2014. Mr. Peterson may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6691.
