Executive Summary

AP-05 Executive Summary - 24 CFR 91.200(c), 91.220(b)

1. Introduction

The *Proposed 2017 Consolidated Plan One-Year Action Plan* is the City of New York's annual application to the United States Department of Housing and Urban Development (HUD) for the four Office of Community Planning and Development entitlement programs: Community Development Block Grant (CDBG), HOME Investment Partnership (HOME), Emergency Solutions Grant (ESG) and Housing Opportunities for Persons with AIDS (HOPWA).

In addition, the Proposed Action Plan serves not only as the City's application for the entitlement funds, but also as the HOPWA grant application for the New York HOPWA Eligible Metropolitan Statistical Area (HOPWA EMSA). The EMSA is comprised of the five boroughs of the City of New York plus three upstate New York jurisdictions (the counties of Westchester, Rockland and Orange), as well as three counties in central New Jersey (Middlesex, Monmouth and Ocean).

The 2016 Action Plan represents the third year of a five-year strategy for New York City's Consolidated Plan years 2015 through 2019. The five-year strategy was articulated in Volume 3 of the amended 2015 Consolidated Plan.

For the 2017 Program Year, the City is using its 2016 Grant award amounts to formulate its proposed 2017 projects (Flat Level Funding), with the exception of the HOPWA grant. New York City will amend its Action Plan after HUD announces the City's 2017 formula entitlement grant allocations. In 2016 the City received approximately \$262,746,200 from the four HUD formula grant programs; \$151,460,389 for CDBG, \$53,880,935 for HOME, \$43,778,924 for HOPWA, and \$13,625,907 for ESG.

With the passage of H.R. 3700 into law, which modernizes the HOPWA formula from cumulative AIDS cases to living with HIV/AIDS, the NYC EMSA anticipates a steady reduction in HOPWA funding over the next five years. For Grant Year 2017, the NYC EMSA forecasts a 5% cut (\$2.2M reduction) from the 2016 award amount, which is the maximum a grantee can lose from the prior year allocation, thereby decreasing the projected amount to be available to approximately \$41,589,978. As a result, the anticipated number of households assisted with HOPWA funds in 2017 and thereafter will be less than what was projected in the 2015 Strategic Plan's five year goals.

2. Summarize the objectives and outcomes identified in the Plan

Both the current and previous mayoral administrations recognize that safe and affordable housing as a priority in maintaining the City's vitality. In May 2014, Mayor Bill de Blasio released *Housing New York: A Five-Borough, Ten-Year Plan*, a comprehensive plan to build and preserve 200,000 affordable units over the coming decade. The housing related activities within the Proposed 2017 Consolidated Plan One-Year Action Plan are part of the Mayor's broader housing strategy.

Although safe affordable housing is a crucial component to improving the lives of New Yorkers, the City allocates a large share of HUD entitlement funds to community redevelopment programs as part of a holistic approach to enhancing the living environment found within the City.

For the 2017 Consolidated Plan Program Year New York City has identified:

- Six formula entitlement-funded projects will receive a cumulative total of \$44,827,842 and aim to increase or improve *Accessibility to Decent Affordable Housing* which will result in: 265,132 persons assisted with new/improved access to services (cumulative); 10 rental or owner-occupied units made accessible to persons with disabilities; 300 rental units constructed; and, 3,450 homeless persons assisted with overnight shelter.
- Three formula entitlement-funded projects will receive a cumulative total of \$78,962,577 and aim to provide or increase *Decent Affordable Housing* which will result in over approximately: 2,716 housing units rehabilitated and returned to private ownership; 2,000 persons living with AIDS provided with tenant-based rental assistance, supportive services, and/or supportive housing; 1,250 households assisted with tenant-based rental assistance; and, 200 first-time homebuyers assisted with downpayment assistance.
- Six formula entitlement-funded projects will receive a cumulative total of \$96,611,362 and aim to *Sustain Decent Housing* which will result in: 60,251 rental units rehabilitated; 885,000 households assisted housing units brought up to code via housing code enforcement/foreclosed property care (cumulative); and, 5,200 persons assisted with homelessness prevention.
- Twelve formula entitlement-funded projects will receive a cumulative total of \$31,339,544 and aim to increase the *Availability/Accessibility to a Suitable Living Environment* which will result in: 17,185,509 persons assisted with new/improved access to services (cumulative); 22,215 homeless persons given overnight shelter (cumulative); and, 8,660 persons provided new/improved access to senior centers.
- Two formula entitlement-funded projects will receive a cumulative total of \$13,186,000 and aim to increase *Affordability of a Suitable Living Environment* which will result in: 18,763 persons assisted with a new/improved access to services; 206 households assisted with day care services; and, the improvement of public facility infrastructure for the provision of breakfast to schoolchildren in 45,991 low-/moderate-income households.
- Eight formula entitlement-funded projects will receive a cumulative total of \$30,429,000 and aim to increase or improve the *Sustainability of a Suitable Living Environment* through the: home repairs for 1,950 elderly homeowners; the facade renovation for 4 owner-occupied historic homes and 1 nonprofit organization-owned building; 147,295 persons provided new/improved access to a facility; 35 demolitions to remove slum or blighted conditions as part of geographically targeted revitalization effort; 4 low- and moderate-income areas assisted; 2,966 vacant lots cleaned; and, 244,000 persons provided with public service activities within the Bronx River and the adjacent areas.
- Three formula entitlement-funded projects will receive a cumulative total of \$4,367,000 and aim to increase the *Availability/Accessibility to Economic Opportunity* which will result in: 1,730 persons assisted with new/improved access to literacy, educational or vocational services; one organization receiving capacity building services; and, 6,128 new and/or existing businesses assisted.
- Eleven formula entitlement-funded projects for which a Performance Indicator is Not Applicable (N/A).

Please note that the proposed outcomes which are indicated as *cumulative* represent the aggregate from multiple programs that may provide different types of benefits that are accessed by the same set of persons and/or households. Therefore, the reader is advised to interpret the data with caution.

3. Evaluation of past performance

Regarding New York City's past performance in its use of formula entitlement funds, please refer to the City's *2015 Consolidated Plan Annual Performance and Evaluation Report (CAPER)*, the most recent Performance Report available. The 2015 Performance Report can be accessed on the New York City Department of City Planning's website at: <http://www1.nyc.gov/site/planning/about/consolidated-plan-apr.page>.

The Proposed 2015 Consolidated Plan Annual Performance and Evaluation Report was submitted to HUD in June 2016 and subsequently accepted in August 2016.

4. Summary of Citizen Participation Process and consultation process

The Consolidated Plan Formulation Process

The City of New York conducted a public hearing to solicit comments on the formulation of the Proposed 2017 Consolidated Plan One-Year Action Plan, on April 20, 2016.

New Yorkers were invited to attend and participate in the formulation and development of the Consolidated Plan. Over 1,800 notification letters were sent to New York City residents, organizations and public officials inviting participation in the public hearing. In addition, notices regarding the public hearing were published in three local newspapers: an English-, a Spanish-, and a Chinese-language daily, each with citywide circulation. Furthermore, the notice was posted on DCP's website. Lastly, a notice was placed as a public service message on the City-operated local cable television access channel. The respective notices included relevant Plan-related information so that informed comments are facilitated. Testimony could be given orally at the hearing or submitted by mail or email in lieu of attendance.

The Public Comment Review Period and Public Hearing

The City used the same notification methods to notify the public of the Proposed 2017 Action Plan's release for public review, and the federally-required public hearing on the document.

To provide access to the document copies of the Proposed 2017 Action Plan are obtainable by the public at the City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271, Phone: 212-720-3667, (Monday: 10am-12 noon with walk-ins from 10-11am, and Wednesday: 1-3pm with walk-ins from 2-3pm) or any of the DCP borough offices. In addition, copies of the Proposed Action Plan are referenceable in the City's Municipal Reference & Research Center (City Hall Library), and the main public library in each of the five boroughs. Furthermore, an Adobe Acrobat version of the Proposed Action Plan was posted on DCP's website (<http://www.nyc.gov/planning>) for public review.

The public comment period began **November 16, 2016** extending for 30 days ending **December 15, 2016**. The public hearing on the Proposed 2017 Consolidated Plan One-Year Action Plan will be

conducted as scheduled on **December 9, 2016** at 2:30pm, in Spector Hall, 22 Reade Street, Manhattan. Spector Hall is wheelchair accessible and near accessible public transportation. A question and answer session with City agency representatives in attendance will follow.

The public is instructed to submit their written comments on the Proposed 2017 Action Plan by close of business, **December 15, 2016** to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 120 Broadway 31st Floor, New York, New York 10271, email: Con-PlanNYC@planning.nyc.gov.

Any comments received will be summarized and agencies' responses incorporated into the version submitted to HUD.

5. Summary of public comments

Comments from the Public Hearing on the Formulation of the Proposed 2017 One-Year Action Plan

The hearing began with opening remarks and the floor was then opened to testimony to those in attendance. However, no member of the public gave testimony. The hearing was concluded after the Consolidated Plan Committee member agencies' representatives waited a sufficient period of time to permit persons who may have been en route to the hearing the opportunity arrive and provide their testimony.

6. Summary of comments or views not accepted and the reasons for not accepting them

As stated above, no comments were received either orally or in writing from the formulation public hearing.

Agency Role	Name	Department/Agency
	NEW YORK CITY	
CDBG Administrator		Office of Management and Budget
HOPWA Administrator		Dept. of Health and Mental Hygiene
HOME Administrator		Dept. of Housing Preservation and Development
ESG Administrator		Dept. of Homeless Services

Narrative (optional)

The Department of City Planning is the lead agency in the City's Consolidated Plan application process and is responsible for the formulation, preparation and development of each year's proposed Plan in conjunction with the Consolidated Plan Committee member agencies and US-HUD.

The four entitlement programs (CDBG, HOME, HOPWA, ESG) are administered by the: Office of Management and Budget (OMB), the Department of Housing Preservation and Development (HPD), the Department of Health and Mental Hygiene (DOHMH) - Division of Disease Control, and the Department of Homeless Services (DHS), respectively.

The New York City Consolidated Plan also serves as the HOPWA grant application for six (6) surrounding counties within the New York Eligible Metropolitan Statistical Area (EMSA): The New York counties of Orange, Rockland and Westchester and the New Jersey counties of Middlesex, Monmouth, and Ocean, respectively.

HPD promotes the construction and preservation of affordable, high quality housing for low- and moderate-income families throughout the five boroughs. Using federal, state and local funds, HPD finances affordable housing development and preservation while also enforcing housing quality standards and ensuring sound management of the City's affordable housing stock. In partnership with over 13 sister agencies, advocates, developers, tenants, community organizations, elected officials, and financial institutions HPD is responsible for carrying out Mayor DeBlasio's ten-year housing plan.

In addition, the New York City Housing Authority (NYCHA), using primarily Public Housing Capital funds, administers public housing new construction, rehabilitation and modernization activities, and home ownership opportunity programs, along with a Section 8 rental certificate and voucher program.

Furthermore, the NYC Continuum of Care for the Homeless and Other Special Needs Populations is administered by various city agencies, each according to their respective area of expertise. The

supportive housing programs and services are funded primarily with City (capital and/or expense) and/or State funds.

The Human Resources Administration (HRA) and DHS operate under an integrated management structure coordinating services to prevent and alleviate homelessness for families with children and individuals and households without children. HRA provides public benefits and services which assist in homelessness prevention, diversion and rehousing services, including the administration of rental assistance to move homeless families and adults into permanent housing. DHS is responsible for shelter operations and services to street homeless individuals. Programs for runaway and homeless youth and children aging out of foster care are administered by the Department of Youth and Community Development (DYCD), and Administration for Children's Services (ACS), respectively. HRA's HIV/AIDS Services Administration (HASA) provide emergency and supportive housing assistance and services for persons with HIV-related illness or AIDS.

DOHMH, along with the State's Office of Mental Health (OMH); Office for People with Developmental Disabilities (OPWDD); and, Office of Alcoholism and Substance Abuse Services (OASAS), plans, contracts for and monitors services for these disability areas and provides planning support to OASAS in the field of substance abuse services. DOHMH's Bureau of Mental Health, through contracted agencies, provides an array of mental health recovery oriented services and supportive housing programs to prevent homelessness and works collaboratively with Federal, City and State agencies to assure continuity of services.

The Department for the Aging, the Mayor's Office for People with Disabilities, and the Mayor's Office to Combat Domestic Violence address the concerns of targeted groups of citizens by providing housing information and supportive housing services assistance.

1. Introduction

New York City's Consolidated Plan citizen participation and formulation process is part of the City's larger Charter mandated budget process.

This process, specified in the City Charter, provides for citizen participation on all programs, projects and services funded by the City's Expense, Capital and Community Development Block Grant (CDBG) budgets.

As stated previously, the Consolidated Plan is the City's application for the four HUD Office of Community Planning and Development Entitlement Programs: CDBG, HOME, ESG, and HOPWA. The allocation of these funds will be for housing, homeless, supportive housing and community development programs and are determined during the City's Budget Process. The Consolidated Plan focuses on the money expected to be received from HUD and the matching funds that the City uses primarily from City Tax Levy; however, funds from the State, the private sector, and nonprofit organizations are also described.

The City's budget is required to be adopted on or before the start of its fiscal year (July 1st to June 30th). Citizens are encouraged to get involved in this decision-making process. The City's Budget Process, which is voted on by the City Council, is subject to extensive public review and participation. The City has an established citizen participation process that is divided into three phases: 1. Needs assessment and budget preparation (May to November); 2. Preliminary Budget (November to April); and 3. Executive and Adopted Budget (April to July). The Budget Process solicits citizen comments at several stages before the final budget is adopted. For opportunities for individuals, community boards, and other organizations to participate in the planning and budgeting process, please refer to the schedule on OMB's website at <http://www1.nyc.gov/site/omb/about/new-york-city-budget-cycle.page>.

Citizen participation in developing the budget is mandated by the City Charter. Through months of consultations with the 59 community boards, expense and capital budgets for operating agencies are established. Additionally, public hearings may be held by individual agencies to assist in the development and enhancement of their respective programs and operations. This provides agencies with a significant understanding of community priorities for capital project and service delivery improvements.

This schedule emphasizes the participation of the community boards at the local level because, by City Charter mandate, the boards are charged with monitoring City service delivery, proposing budget priorities, and reviewing development and land use proposals at the community level. The 59 local community boards are the primary mechanism for citizen participation in the budget process in New York City. Others seeking input into the City's budgetary decisions find it appropriate and useful to obtain a community board's endorsement of their proposals. Each board is composed of up to 50 people who live or work in the community district.

Citizens have an opportunity to participate in the above process in several ways including participating locally with the community board and organizations represented on community board committees and

attending and testifying at local hearings held by community boards and those held by the City Council. Hearings held in the fall facilitate the community boards' development of their Statement of Community District Needs and Priorities and their Capital and Expense/CD Budget project/program requests. In February, citizens have an opportunity to testify at a community board public hearing on the Preliminary Budget in relation to community needs. Public hearings are held by the City Council in May on the Executive Budget and the Proposed Community Development Budget before final adoption of the budget.

Provide a concise summary of the jurisdiction's activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies (91.215(I))

DHS, as the recipient of the ESG funds, works closely with public agencies and non-for-profit partners to reduce street homelessness, and to assist homeless families in the transition from temporary housing into permanent housing. DHS also works with HRA to collaborate with governmental and non-governmental human services entities in order to enhance the provision of prevention and homeless services. As of April 2016, HRA will oversee homeless prevention services as part of a new structure developed to provide more seamless and effective client services.

New York City is fully participating in the Medicaid Expansion under the ACA. As a result, CoC and 100% of project recipients and subrecipients participated in efforts to educate and facilitate healthcare enrollment among low income and homeless individuals and families. Outreach, in person assistors, certified application counselors, brokers, and navigators provided in person enrollment and assistance with the Marketplace. In addition to the CoC services and outreach, its partnership with city NYC Health Insurance Link, Health and Hospital Corporation, Medicaid Health Homes, ensures that chronically homeless are assessed and enrolled in healthcare services. In addition, DHS will be working closely with the SAMHSA SOAR State Team to secure Supplemental Security Income (SSI) or Social Security Disability Insurance (SSDI) benefits for the eligible individuals and families that we serve within our continuum.

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

DHS, the ESG recipient and collaborative applicant for the NYC CoC, coordinates extensively with CoC providers and the Consolidated Plan jurisdiction. Coordination takes place through monthly meetings between representatives from both groups in an effort to align priorities and share efforts toward the NYC's five year Con Plan. This collaboration has resulted in goals which are aligned and stated in the CoC's strategic plan as: Investing in proven strategies to reduce the number of homeless individuals on the streets; Preventing those families and individuals at-risk of homelessness from entering shelter; Ensuring that shelter is a short-term solution to a housing crisis by rapidly re-housing families and individuals. The aim is to end homelessness, with an emphasis on chronic and youth homelessness. The alignment of the Con Plan goals and the CoC's strategic plan has led to coordinated efforts within the jurisdiction to address the needs of homeless persons and persons at risk of homelessness.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

The Homebase prevention, street outreach, and emergency shelter providers are evaluated based on HUD system performance measure. DHS shared this work with the Continuum of Care Steering Committee and will review periodically with the NYC CCoC Data Management Committee. DHS will utilize its HMIS to monitor system performance through the following indicators:

- Number of individuals/households served
- Number of successful placements of individuals/households into permanent housing
- Reduction in the percent of persons who return to homeless
- Reduction in the length of time persons remain homeless
- Reduction in the number of persons who become homeless for the first time

For reference, see Emergency Solutions Grant Written Standards in Appendix.

The Consolidated Plan Formulation Process

The City of New York conducted a public hearing to solicit comments on the formulation of the Proposed 2017 Consolidated Plan One-Year Action Plan, on April 20, 2016.

New Yorkers were invited to attend and participate in the formulation and development of the Consolidated Plan. Over 1,800 notification letters were sent to New York City residents, organizations and public officials inviting participation in the public hearing. In addition, notices regarding the public hearing were published in three local newspapers: an English-, a Spanish-, and a Chinese-language daily, each with citywide circulation. Furthermore, the notice was posted on DCP's website. Lastly, a notice was placed as a public service message on the City-operated local cable television access channel. The respective notices included relevant Plan-related information so that informed comments are facilitated. Testimony could be given orally at the hearing or submitted by mail or email in lieu of attendance.

The Public Comment Review Period and Public Hearing

The City used the same notification methods to notify the public of the Proposed 2017 Action Plan's release for public review, and the federally-required public hearing on the document.

To provide access to the document copies of the Proposed 2017 Action Plan are obtainable by the public at the City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271, Phone: 212-720-3667, (Monday: 10am-12 noon with walk-ins from 10-11am, and Wednesday: 1-3pm with walk-ins from 2-3pm) or any of the DCP borough offices. In addition, copies of the Proposed Action Plan are referenceable in the City's Municipal Reference & Research Center (City Hall Library), and the main public library in each of the five boroughs. Furthermore, an Adobe Acrobat version of the Proposed Action Plan was posted on DCP's website (<http://www.nyc.gov/planning>) for public review.

The public comment period began **November 16, 2016** extending for 30 days ending **December 15, 2016**. The public hearing on the Proposed 2017 Consolidated Plan One-Year Action Plan will be conducted as scheduled on **December 9, 2016** at 2:30pm, in Spector Hall, 22 Reade Street, Manhattan. Spector Hall is wheelchair accessible and near accessible public transportation. A question and answer session with City agency representatives in attendance will follow.

The public is instructed to submit their written comments on the Proposed 2017 Action Plan by close of business, **December 15, 2016** to: Charles V. Sorrentino, New York City Consolidated Plan Coordinator, Department of City Planning, 120 Broadway 31st Floor, New York, New York 10271, email: Con-PlanNYC@planning.nyc.gov.

Any comments received will be summarized and agencies' responses incorporated into the version submitted to HUD.
