**CITYWIDE
No. 1**

CITY OF YES FOR HOUSING OPPORTUNITY
CITYWIDE N 240290 ZRY
IN THE MATTER OF an application submitted by New York City Department of City Planning, pursuant to Section 201 of the New York City Charter, for an amendment of the Zoning Resolution of the City of New York, modifying multiple Sections to expand opportunities for housing within all zoning districts, and across all 59 of the City's Community Districts.

NOTICE

On Wednesday, July 10, 2024, a public hearing is being held by the City Planning Commission (CPC), accessible in-person and remotely, in conjunction with the above hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). DCP is proposing a package of zoning text amendments with citywide applicability to provide a broader range of housing opportunities across the city. The Proposed Action seeks to enable more housing and wider variety of housing types in all neighborhoods citywide, from the lowest-density districts to the highest, to address the housing shortage and high cost of housing in New York City. Incremental changes across a wide geography can create a significant amount of housing and affordable housing without resulting in dramatic change to neighborhoods. To create more housing and more types of housing, the Proposed Action comprises project components in four broad categories: Medium- and High-Density proposals in R6-R10 districts and equivalents; Low-Density proposals in R1-R5 districts and equivalents; Parking proposals, which span the full range of districts and densities; and assorted other changes in line

with project goals. In general, the Proposed Action would apply in underlying zoning districts, Special Districts, and other geographies that modify underlying zoning, with limited adjustments to reflect planning goals in specific areas. As such, the Proposed Action would affect all 59 community districts in the City. The analysis year is 2039.

Written comments on the DEIS are requested and will be received and considered by the Lead Agency through 5:00 P.M. on Monday, July 22, 2024.

For instructions on how to submit comments and participate, both in-person and remotely, please refer to the instructions at the beginning of this agenda.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 24DCP033Y.

Notice of Adoption of Amendments to Title 24 of the Rules of the City of New York

In accordance with section 1043(b) of the New York City Charter, a notice of intention to amend Chapter 28 of Title 24 of the Rules of the City of New York, to prohibit the sale of flavored tobacco products, electronic cigarettes and flavored e-liquids to entities located outside of the City of New York, was published in the City Record on April 5, 2024. A public hearing was held on May 6, 2024. No one testified at the hearing, and no written comments were received. Accordingly, the Department did not substantively amend the proposed rule and now adopts such rule as indicated below.

Statement of Basis and Purpose

Section 17-715 of the Administrative Code of the City of New York (the "Code") prohibits the sale of flavored tobacco products except in tobacco bars and altogether prohibits the sale of flavored electronic cigarettes and flavored e-liquids. Such section does not identify any exception to the prohibition of sales other than the sale of flavored tobacco products in tobacco bars. However, when the Department originally promulgated section 28-02 in Title 24 of the Rules of the City of New York, it adopted a narrow reading of section 17-715 that excepted sales of such products to entities located outside of the City of New York (the "City"), in addition to excepting sales of flavored tobacco products in tobacco bars, the latter of which is consistent with section 17-715.

The Department is eliminating the exception that allows sales of flavored tobacco products, electronic cigarettes and e-liquids to entities located outside of the City. The Department's prohibition of such outside sales is motivated by several factors. First, the U.S. Food and Drug Administration (FDA) made it unlawful in 2016 to market tobacco products not authorized by the FDA, and, in 2022, made it unlawful to market non-tobacco nicotine products not authorized by the FDA. None of the flavored products covered by section 17-715 of the Code are authorized by the FDA, making the marketing of such products a violation of federal law. Second, the exception to the prohibition on sales to entities located outside of the City makes it easy for wholesalers located in the City to evade liability for illegal sales made to entities located in the City by wrongfully claiming that the sale of flavored tobacco products, electronic cigarettes and e-liquids is meant for out-of-City buyers. Finally, the adopted interpretation of section 17-715 better conforms to the letter and intent of such law, which makes no explicit exception for outside sales.

Statutory Authority

These rules are promulgated pursuant to the authority of DOHMH established in Charter sections 389, 556, and 1043.

The adopted rules are as follows.

New material is underlined.

[Deleted material is in brackets.]

Section 1, Section 28-02 of Title 28 of the Rules of the City of New York is amended to read as follows:

§ 28-02 Sale or Offer for Sale of Flavored Tobacco Products, Flavored Electronic Cigarettes, and Flavored E-Liquids Restricted.

(a) Only the following entities may sell or offer for sale flavored tobacco products:

(1) Tobacco bars; and

(2) Tobacco wholesalers, but only where the sale or offer of sale is made to a tobacco bar [or to an entity located outside the City of New York].

(b) [Flavored] The sale of flavored electronic cigarettes and flavored e-liquids [may only be sold or offered for sale by wholesalers where the sale or offer of sale is made to an entity located outside the City of New York] is prohibited.

(c) Tobacco products that do not impart a characterizing flavor other than menthol, mint, and wintergreen are not subject to the restriction on sale set forth in § 17-715 of the Administrative Code or these rules, and may lawfully be sold by any retail dealer or wholesale dealer licensed to sell tobacco products, regardless of whether such sale occurs to or in a tobacco bar.

**Notice of Final Scope of Work
Targeted Draft Environmental Impact Statement
Proposed Redevelopment of the former St. John Villa Campus,
Staten Island**

On behalf of the New York City Department of Education (NYCDOE), the New York City School Construction Authority (NYCSCA) proposes to create three new schools, an athletic field with an approximately 700 seat bleacher section, a maintenance building, an internal driveway network, and a parking lot on the former St. John Villa campus at 57 Cleveland Place in the Arrochar section of Staten Island, NY. The three new schools would consist of an approximately 764-seat Gifted and Talented primary school/intermediate school (PS/IS) and two separate, independently operated, approximately 627-seat intermediate/high schools (IS/HS). The two IS/HS schools would also contain 96 seats for a District 75 program and share a gymnasium, auditorium, kitchen and lobby. The proposed PS/IS would serve students in grade levels pre-kindergarten through eight throughout New York City. Each IS/HS school would serve students in grade levels six through twelve in the Borough of Staten Island. All three schools would also serve special education students enrolled in a District 75 program in the Borough of Staten Island. Construction would be phased beginning in Q4 2024 and would conclude in Q3 2030. Therefore, 2030 is assumed for the analysis year.

The Final Scope of Work (FSOW) to Prepare a Targeted Draft Environmental Impact Statement (DEIS) is available on the SCA website at <https://www.nycsca.org/Community/New-School-Sites>.

The Draft Scope of Work (DSOW) to Prepare a Targeted DEIS was originally published on February 21, 2024, and discussed during a March 7, 2024 virtual public scoping meeting and a second public scoping meeting held as a hybrid event (i.e., simultaneously in-person and virtual) on May 16, 2024. The FSOW to prepare a Targeted DEIS includes responses to comments received during both public scoping meetings as well as written comments accepted through the close of the public comment period, which ended at 5:00 P.M. on June 3, 2024.
