Department of Public Charities and Correction, in the  
City of New York, until 9 o'clock A. M., of Wednesday, the  
1st day of October, 1879. The person or persons making  
any bid or estimate shall furnish the same in a sealed  
envelope, indorsed "Bid or Estimate" for Dry Goods,  
Groceries, Hay, Lumber, etc., and with his or their name  
or names, and the date of presentation, to the head  
of said Department, at the said office, on or before the day  
and hour above named, at which time and place the bids  
or estimates received will be publicly opened by the head  
of said Department and read.

The Department of Public Charities and Correction re-  
serves the right to decline any and all bids or estimates if  
deemed to be for the public interest, and to accept any  
bid or estimate as a whole, or for any one or more articles  
included therein. No bid or estimate will be accepted  
from, or a contract awarded to, any person who is in  
arrears to the Corporation upon debt or contract, or who  
is a defaulter, as surety or otherwise, upon any obligation  
to the Corporation.

The award of the contract will be made as soon as  
practicable after the opening of the bids.  
Delivery will be required to be made from time to time,  
at such times and in such quantities as may be directed by  
the said Department; but the entire quantity will be re-  
quired to be delivered on or before thirty (30) days after  
the date of the contract.

Any bidder for this contract must be known to be en-  
gaged in and well prepared for the business, and must  
have satisfactory testimonials to that effect; and the per-  
son or persons to whom the contract may be awarded will  
be required to give security for the performance of the  
contract by his or their bond, with two sufficient sureties,  
in the penal amount of fifty (50) per cent. of the estimated  
amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or  
them therein; and if no other person be so interested, it  
shall distinctly state that fact; that it is made without any  
connection with any other person making an estimate for  
the same purpose, and is in all respects fair and without  
collusion or fraud; and that no member of the Common  
Council, head of a Department, Chief of a Bureau,  
Deputy thereof or Clerk therein, or other officer of the  
Corporation, is directly or indirectly interested therein, or  
in the supplies or work to which it relates, or in any por-  
tion of the profits thereof. The bid or estimate must be  
verified by the oath in writing, of the party or parties  
making the estimate, that the several matters stated there-  
in are in all respects true. Where more than one person  
is interested, it is requisite that the verification be made  
and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in the  
City of New York, with their respective places of busi-  
ness or residence, to the effect, that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for its  
faithful performance; and that if he shall omit or refuse  
to execute the same, they shall pay to the Corporation any  
difference between the sum to which he would be entitled  
on its completion, and that which the Corporation may be  
obliged to pay to the person or persons to whom the con-  
tract may be awarded at any subsequent letting; the  
amount in each case to be calculated upon the estimated  
amount of the work by which the bids are tested. The  
consent above mentioned shall be accompanied by the  
oath or affirmation, in writing, of each of the persons sign-  
ing the same that he is a householder or freeholder in the  
City of New York, and is worth the amount of the security  
required for the completion of this contract, over and  
above all his debts of every nature, and over and above  
his liabilities, as bail, surety, and otherwise; and that he  
has offered himself as a surety in good faith and with the

intention to execute the bond required by section 27 of  
chapter 8 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the person or  
persons for whom he consents to become surety. The  
adequacy and sufficiency of the security offered to be  
approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may  
be awarded neglect or refuse to accept to contract within  
forty-eight (48) hours after written notice that the same  
has been awarded to his or their bid or proposal, or if he  
or they accept but do not execute the contract and give  
the proper security, he or they shall be considered as  
having abandoned it and as in default to the Corporation,  
and the contract will be readvertised and relet as provided  
by law.

The quality of the articles, supplies, goods, wares, and  
merchandise must conform in every respect to the samples  
of the same respectively at the office of the said Depart-  
ment. Bidders are cautioned to examine the specifica-  
tions for particulars of the articles, etc., required, before  
making their estimates.

Bidders will state the price for each article, by which  
the bids will be tested.

Bidders will write out the amount of their estimate in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Comp-  
troller, issued on the completion of the contract, or from  
time to time as the Commissioners may determine.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless under the written instruc-  
tion of the Commissioners of Public Charities and Correc-  
tion.

The Department of Public Charities and Correction re-  
serves the right to decline any and all bids or estimates if  
deemed to be for the public interest, and to accept any  
bid or estimate as a whole, or for any one or more articles  
included therein. No bid or estimate will be accepted  
from, or a contract awarded to, any person who is in  
arrears to the Corporation upon debt or contract, or who  
is a defaulter, as surety or otherwise, upon any obligation  
to the Corporation.

The form of the agreement, including specifications, and  
showing the manner of payment, can be obtained at the  
office of the Department.

Dated New York, September 18, 1879.

obliged to pay to the person or persons to whom the con-  
tract may be awarded at any subsequent letting; the  
amount in each case to be calculated upon the estimated  
amount of the work by which the bids are tested. The  
consent above mentioned shall be accompanied by the  
oath or affirmation, in writing, of each of the persons sign-  
ing the same that he is a householder or freeholder in the  
City of New York, and is worth the amount of the security  
required for the completion of the contract, over and  
above all his debts of every nature, and over and above  
his liabilities, as bail, surety, and otherwise; and that he  
has offered himself as a surety in good faith and with the  
intention to execute the bond required by section 27 of  
chapter 8 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the person or  
persons for whom he consents to become surety. The  
adequacy and sufficiency of the security offered to be  
approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may  
be awarded neglect or refuse to accept to contract within  
forty-eight (48) hours after written notice that the same  
has been awarded to his or their bid or proposal, or if he  
or they accept but do not execute the contract and give  
the proper security, he or they shall be considered as  
having abandoned it and as in default to the Corporation,  
and the contract will be readvertised and relet as provided  
by law.

Bidders are cautioned to examine the specifications for  
particulars of the work, etc., required, before making their  
estimates.

Bidders will state a price for repairs to the engine and  
boiler, by which the bids will be tested.

Bidders will write out the amount of their estimate, in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Comp-  
troller issued on the completion of the contract, or from  
time to time as the Commissioners may determine.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless under the written instruc-  
tion of the Commissioners of Public Charities and Correc-  
tion.

The form of the agreement, including specifications, and  
showing the manner of payment for the work, will be  
furnished at the office of the Department.

## DEPARTMENT OF PUBLIC PARKS.

DEPARTMENT OF PUBLIC PARKS,  
36 UNION SQUARE,  
NEW YORK CITY, Sept. 17, 1879.

**SEALED BIDS OR ESTIMATES FOR BUILDING**  
the piers and abutments for a Bridge in the City of  
New York across Harlem river, from One Hundred and  
Thirty-eighth street, in the Twenty-third Ward, to a  
point near the intersection of One Hundred and Thirty-  
ninth street and the bulkhead line, will be received at the  
office of the Department until Wednesday, October 1,  
1879, at nine o'clock, at which time such bids or estimates  
will be publicly opened by the head of said Department  
and read.

Each bid or estimate must be inclosed in a sealed  
envelope, indorsed with the name or names of the person  
or persons presenting the same, the date of its presenta-  
tion, and a statement of the work to which it relates.

Bidders are required to state in their estimates, under  
oath, their names and places of residence; the names of  
all persons interested with them therein, and if no other  
person be so interested, they shall distinctly state the fact;  
also, that it is made without any connection with any other  
person making any bid or estimate for the same work;  
and that it is in all respects fair and without collusion or  
fraud; and also that no member of the Common Council,  
head of a Department, Chief of a Bureau, Deputy thereof,  
or clerk therein, or other officer of the Corporation is  
directly or indirectly interested therein, or in the supplies  
or work to which it relates, or in any portion of the profits  
thereof. Where more than one person is interested it is  
required that the verification be made and subscribed by  
all parties interested.

Each estimate shall be accompanied by the consent,  
in writing, of two householders or freeholders of the City  
of New York, with their respective places of business or  
residence, to the effect that if the contract be awarded to  
the person or persons making the estimate, they will, on  
its being so awarded, become bound as his sureties for  
its faithful performance, and that if he shall omit or refuse  
to execute the same, they will pay to the Corporation any  
difference between the sum to which he would be entitled  
on its completion and that which the Corporation may be  
obliged to pay to the person to whom the contract may  
be awarded at any subsequent letting; the amount in each  
case to be calculated upon the estimated amount of the  
work by which the bids are tested.

The consent above-mentioned shall be accompanied  
by the oath or affirmation, in writing, of each of the persons  
signing the same that he is a householder or freeholder  
in the City of New York, and is worth the amount of the  
security required for the completion of the contract, and  
stated in the proposals, over and above all his debts of every  
nature, and over and above his liabilities as bail, surety  
or otherwise, that he has offered himself as a surety in  
good faith, and with an intention to execute the bond re-  
quired by section 27, article 2, chapter 8 of the Revised  
Ordinances of 1859, if the contract shall be awarded to the  
person or persons for whom he consents to become surety.

The adequacy and sufficiency of the sureties offered to  
be determined by the Comptroller.

The Department reserves the right to reject all the bids  
received in response to this advertisement if it shall deem  
it for the interest of the city so to do, and to readvertise  
until a satisfactory proposal shall be received. But the  
contract, when awarded, will be awarded so the lowest  
bidder, with adequate security.

Bidders will state in writing, and also in figures, the  
prices of the several items.

These prices are to be in full for furnishing all the ma-  
terials required for the abutments, piers, and their appur-  
tenances, and for all labor required in their construction,  
and also for all work and the materials required by the  
specifications and agreement, for which no prices are  
specified, but which are contingent upon the performance  
of the work for which there are specific prices.

The time required for the completion of the whole work  
is one hundred and seventy-five days from the date of the  
contract, and the penalty of fifty dollars a day will be ex-  
acted for each and every day that the said time may ex-  
ceed said one hundred and seventy-five days, until the  
whole work is completed.

The Engineer's estimate of the work to be done, and on  
which the bids will be tested, is as follows, viz:

ESTIMATE OF QUANTITIES OF WORK TO BE DONE AND  
MATERIALS TO BE FURNISHED.

4,250 cubic yards excavation.

580 piles driven and cut off.

126 M. feet, B. M., timber in foundation.

425 cubic yards of rip-rap.

105 " concrete.

1,723 " masonry above low water.

1,972 " masonry below low water.

54 " coping.

120,000 cubic feet stone and timber cribs.

These quantities are considered as approximate, and  
any variation from them will not entitle the contractor to  
any claim for extra time for the completion of the work,  
or to any other claim for damages, if the quantities of  
work should prove to be greater or less than here esti-  
mated, and the Department of Public Parks expressly  
reserves the right of increasing or diminishing the said  
quantities, as the Engineer may deem necessary.

Bidders will examine the plans and the ground, and  
judge for themselves of all the circumstances affecting the  
cost of the work or time required for its completion, that  
no misunderstanding may exist in regard to the character  
of ground and other circumstances in relation to the con-  
struction; and will make their bids for each item, inde-  
pendent of others, so far as relative quantities are con-  
cerned.

The amount of security required is forty thousand  
dollars.

Blank forms for proposals and the form of the contract  
which the successful bidder will be required to execute  
can be had at the office of the Secretary, and the plans  
can be seen and information relative to them can be had  
at the office of the Bureau of Construction, 36 Union  
square, New York.

**APPLICATIONS FOR EXEMPTIONS WILL BE**  
heard here, from 9 to 4 daily, from all persons hitherto  
liable or recently serving who have become exempt, and  
all needed information will be given.

Those who have not answered as to their liability, or  
proved permanent exemption, will receive a "jury enrol-  
ment notice," requiring them to appear before me this  
year. Whether liable or not, such notices must be an-  
swered (in person, if possible, and at this office only) under  
severe penalties. If exempt, the party must bring proof of  
exemption; if liable, he must also answer in person, giving  
full and correct name, residence, etc., etc. No attention  
paid to letters.

Persons "enrolled" as liable must serve when called  
or pay their fines. No mere excuse will be allowed or  
interference permitted. The fines, received from those  
who, for business or other reasons, are unable to serve at  
the time selected, pay the expenses of this office, and if  
unpaid will be entered as judgments upon the property of  
the delinquents.

All good citizens will aid the course of justice, and  
secure reliable and respectable juries, and equalize their  
duty by serving promptly when summoned, allowing their  
clerks or subordinates to serve, reporting to me any attempt  
at bribery or evasion, and suggesting names for enrollment.  
Persons between sixty and seventy years of age, summer  
absentees, persons temporarily ill, and United States and  
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-  
demeanor to give any jury paper to another to answer.  
It is also punishable by fine or imprisonment to give or  
receive any present or bribe, directly or indirectly, in re-  
lation to a jury service, or to withhold any paper or make  
any false statement, and every case will be fully prose-  
cuted.
