CERT SPOTLIGHT

In honor of International Volunteer Day, we want to spotlight one of our longtime NYC CERT members, Manhattan Division 3 Chief, **Anthony Solomita**.

Mr. Solomita served as a Peace Corps Volunteer in Togo, West Africa from 1976-78 working with primary school students in an agricultural education program in small villages in the Agou region of the country. He taught the students how to grow school gardens with the goal being for the students to learn how to grow food, harvest it and bring it back to their families. He also planted fruit orchards at various locations.

To all of our incredible volunteers - Thank you.

On **Monday January 25, 2022**, the Department of Homeless Services (DHS) will conduct its annual Homeless Outreach Populations Estimate (HOPE) Count. The goal of this event is to collect vital information for DHS's outreach teams to help move homeless people from the streets to a more stable, safe environment.

This survey will be conducted throughout the City from approximately 10PM to 4AM. Volunteers will canvass parks, subways, and other public spaces to estimate the number of people who are experiencing street homelessness.
