Fourth—Certificates in respect to the vacation of premises at No. 110 Fulton arcot and Nos. 16 and 18 Dutch street, and No. 29 Scammel street, Bornagh of Manhanan. No. 158 Fagle street, No. 208 Grand street, No. 109 Huron street, No. 106 Shillman avenue, and No. 576 Willoughly avenue, Bornagh of Brooklyn.

On motion, the following preamble and residutions were adopted:

Whereas, The Sanitary Superintendent has certified to this Board that the buildings attented upon Lot No. 110 Fulton street and Nos. 16 and 18 Dutch street in the Borough of Manhattan, have become dangerous to hie by reason of want of repair, and are order to choman habitation because of defects in the plainting and drainage thereof, and because of the existence of a missance on the premises which is likely to cause and the maning its decreases.

Control. That all persons in said building situated on Lots No. 110 building stream on Lots No. 110 building stream on Lots No. 110 building stream on Lots No. 110 buildings of Maghattan, be required to various and buildings on or before July 7, 1909, for the reason that said buildings are dangerous to life by reason of want of repair, and are unfit for human habitation because of defects in the plumbing and dramage thereof, and because of the existence of a nulcance on the premises likely to cause sickness among its occupants.

And buildings and he served as the law requires, under the direction of the Sauitary Super-intended.

Whereas. The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 29 Scammel street, in the Borough of Manhattan, has become dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the plumbing thereof, and because of the existence of a misance on the premiers which is likely to cause sickness among its occupants:

Ordered, That all persons in said building situated on Lot No. 29 Scammel street, in the Borough of Manhattan, be required to vacate said building on or before July 7, 1909 for the reason that said building is dangerous to life by reason of want of repair, and is unfit for human habitation because of defects in the plambing thereof, and because of the existence of a nuisance on the premises likely to cause sickness appong its occupants. sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Super-

Whereas. The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 158 Eagle street, in the Borough of Brooklyn, has become dangerous to life and is unfit for human habitation because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants:

Ordered, That all persons in said building situated on Lot No. 158 Eagle street, in the Borough of Brooklyn, he required to vacate said building on or before July 7. 1969, for the reason that said building is dangerous to life, and is unfit for human habitation because of the existence of a nuisance on the premises likely to cause sickness among its occupants. ness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said building and be served as the law requires, under the direction of the Sanitary Super-

intendent.

Whereas. The Sanitary Superintendent has certified to this Board that the building situated upon Lot No. 208 Grand street, in the Borough of Brooklyn, has become dangerous to life, and is unfit for human habitation because of defects in the plombing thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants:

Ordered. That all persons in said building situated on Lot No. 208 Grand street, in the Borough of Brooklyn, be required to cacate said building on or before July 7. 1909, for the reason that said building is dangerous to life, and is unfit for human habitation because of defects in the plumbing thereof, and because of the existence of

habitation because of defects in the plumbing thereof, and because of the existence of a misance on the premises likely to cause sickness among its occupants.

And further, that this order be affixed conspicuously on the front of and in said.

building and he served as the law requires, under the direction of the Sanitary Super

intendent. Whereas, The Sanitary Superintendent has certified to this Board that the holding situated unon Lot No. 109 Huron street, in the Borough of Brooklyn, has become dangerous in his by reason of want of repair and is unfit for human habitation because of defects in the plumbing thereof, and because of the existence of a nuisance on the premises which is likely to cause sickness among its occupants!

Ordered, That all persons in said building situated on Lot No. 109 Bluton street, in the Borough of Brooklyn, he required to vacate said building on or before July 7, 1909, for the reason that said building is dangerous to life by reason of want of repair, and is note for human habitation because of defects in the plumbing thereof, and because of the existence of a missance on the premises likely to cause sickness among the occupants.

And further, that this order be affixed conspicuously on the front of and in sain building and be served as the law requires, under the direction of the Santary Super

building and be served as the law requires, under the direction of the Sanitary Super intendent.

Whereas. The Sanitary Superintendent has certified to this Reard that the building summed upon Lat No. 105 Skillman avenue, in the Romanch of Breeddyn, has become dangerous to life and is unfit for human habitation because of defects in the plumbing and drainage thereof, and because of the existence of a missance on the original which is likely to cause sickness among its occupants.

Ordered. That all persons in said building situated on Lat No. 105 Skillman avenue, as the Romanch of Brucklyn, he remired to vacuue and building on or before July 7, 1009, for the reason that said building is dangerous to like by reason of want of romain and is unfit for human habitation because of defects in the plumbing thereof, and because of the existence of a natisance on the premises likely to cause sickness among its occupants.

And mether, that this order be affixed conspicuously on the from of and in said building and be served as the law requires, under the direction of the Santary Super-

intendent.

Whereas. The Sanitary Superintendent has certified to the Board that the building situated upon Lot No. 576 Willoughby assume in the Borough of Brooklyn has become dangerous to fife, and is unfit for luming material or because of defects in the planthing thereof, and because of the existence of a measure on the premises which is likely to cause sickness among its occupants.

Ordered, That all persons is said building attracted on Lot No. 576 Williaghby avenue, in the Borough of Brooklyn be required to speak wild building on or before July 7, 1909, for the reason that said building is damperous to life and as until for human babitation because of defects in the alumbing thereof, and because of the existence of a missance on the premises likely to cause stellars among its exemptants. And breakers in this order be affixed complemently, in the from at and in said building and be served as the law requires, under the direction of the Sanitary Superintendent.

Pifth—Report on compliance with certain orders to a wate preints sould

On methor, it was Resolved, That the following orders be and are beenly resoluted, for the reason that the causes for the same have been removed: BOROUGH OF MANHATTAN.

Nos. A34 and 336 East Ninety-eighth street. No. 339 East One Hundred and Seventh affect No. 1122 First avenue. ROBOUGH OF RECORDER
