

J'Ouvert is a celebration of Caribbean pride, culture, and heritage. Elected officials, law enforcement, and community members are dedicated to ensuring everyone can celebrate safely.

Last year 2 people were killed during J'Ouvert and 4 people have been indicted for those murders.

Each of them may spend up to 20 years in prison.

This community will no longer tolerate this violence.

Do not shoot anyone.

Do not stab anyone.

Every act of violence will be fully investigated and prosecuted.

This year celebrate J'Ouvert and keep it safe.
