This concept paper is being offered to New York City's provider community and the public in order to help frame and give purpose to the Request for Proposals (RFP) which ACS expects to release in 2010, for implementation of services to children and families in 2011.

The Concept Paper can be downloaded from the ACS website, https://a068-aprodapp15.nyc.gov/rfponline/. Please send comments in writing via e-mail to: EarlyLearningCP@dfa.state.ny.us

LAW

SOLICITATIONS

Services (Other Than Human Services)

BOND COUNSEL FOR PROPOSED ENTITY OR ENTITIES - Negotiated Acquisition - Judgment required in evaluating proposals - PIN# 02510X100027 - DUE 04-12-10 -The City of New York Law Department (the "Department") intends to enter into negotiations with one or more qualified law firms as it will be seeking to retain a law firm to act as bond counsel to an entity and a proposed program to be established by the City of New York. The entity will assist in the development of an energy retrofit industry in the City of New York. The entity will, among other objectives, seek to implement a property assessed clean energy ("PACE") financing program. The proceeds of a proposed bond issuance by the entity are expected to be used to make loans to building owners to finance energy efficiency improvements to their premises. Counsel may be called upon to respond to questions regarding proposed bond transactions and other financing activities, including program design and implementation.

Contract award will be by the Negotiated Acquisition method of source selection, pursuant to City of New York Procurement Policy Board Rules ("PPB Rules") §§ 3-04(b)(2)(iv)(A), 3-04(b)(2)(i)(D), 3-04(b)(2)(ii), 3-04(b)(4) and 3-04(b)(6), because it has been determined that it is not practical or not advantageous to award the proposed contract by competitive sealed bids or competitive sealed proposals, that there is a time-sensitive situation where a supplier must be retained quickly, that there are a limited number of suppliers available and able to perform the work, and that award of the proposed contract by the Negotiated Acquisition method of source selection is in the City's best interest.

It is anticipated that the contract to be awarded through this Negotiated Acquisition will have an initial two-year term commencing on or about May 1, 2010 and ending on or about April 30, 2012, with two one-year renewals at the option of the Department.

This procurement must proceed as quickly as possible in order for the City to receive and make use of certain federal stimulus funds while such funding is available and because anticipated legislation intended to aid the entity in its mission may require input from the firm selected as bond counsel. As a result of a recent publicly advertised RFP for bond counsel, the Department has identified 12 firms that it believes may be qualified to act as bond counsel to this entity, and proposals will be solicited from only these firms for this procurement. The firms are: (1) Arent Fox LLP, (2) Edwards Angell Palmer and Dodge LLP, (3) Fulbright and Jaworski LLP, (4) Gonzalez Saggio and Harlan LLP, (5) Hawkins Delafield and Wood LLP, (6) Lewis and Munday, P.C., (7) Mintz, Levin, Cohn, Ferris, Glovsky and Popeo, P.C., (8) Nixon Peabody LLP, (9) Orrick, Herrington and Sutcliffe,

LLP, (10) Sidley Austin LLP, (11) Sonnenschein Nath and Rosenthal LLP, and (12) Winston and Strawn LLP.

Any qualified firm that wishes to express interest in being considered for such procurements in the future, and in being placed on the Department's bidders list for such services, is invited to so indicate by sending an e-mail to Samuel A. Moriber, Agency Chief Contracting Officer of the New York City Law Department, at smoriber@law.nyc.gov, or by sending a letter addressed to Mr. Moriber at the New York City Law Department, 100 Church Street, Room 6-222, New York, NY 10007. Firms having questions may e-mail Mr. Moriber or call him at (212) 788-0374.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign** Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at http://nyc.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
