AGENCY RULES

HEALTH AND MENTAL HYGIENE

NOTICE

NOTICE OF ADOPTION OF AMENDMENTS TO CHAPTER 23 OF TITLE 24 OF THE RULES OF THE CITY OF NEW YORK

In compliance with §1043(a) of the New York City Charter (the "Charter"), notice of public hearing and intention to amend Chapter 23 ("Food Service Establishment Sanitary Inspection Procedures") of Title 24 of the Rules of the City of New York was published in the City Record on September 1, 2010, and a public hearing was held October 5, 2010. No persons testified, no written comments were received, and no changes have been made to the proposed amendments.

Statutory Authority

Amendment of Chapter 23 of Title 24 of the Rules of the City of New York is authorized by §§389(b) and 1043 (a) of the Charter. Charter §389(b) provides that "heads of mayoral agencies shall have the power to adopt rules to carry out the powers and duties delegated to the agency head or the agency by or pursuant to federal, state or local law." Charter §1043(a) authorizes each agency to "adopt rules necessary to carry out the powers and duties delegated to it by or pursuant to federal, state or local law."

STATEMENT OF BASIS AND PURPOSE

Effective July 15, 2010, the Department of Health and Mental Hygiene (the "Department") repealed and recodified rules in Chapter 23 of Title 24 of the Rules of the City of New York for food service establishment sanitary inspection procedures. At its meeting on March 16, 2010, the Board of Health amended §81.51 of the New York City Health Code, authorizing the Department to establish a letter grading program for food service establishments. The Board determined that providing restaurant grading information is feasible, will inform consumer choice and is likely to improve restaurants' compliance with Health Code requirements and thereby reduce the burden of food borne illness in New York City.

Chapter 23 includes two appendices demonstrating how a sanitary inspection's violations are weighted and scored according to their severity: Appendix 23-A: "Food Service Establishment Sanitary Inspection Score Worksheet" and Appendix 23-B: "Food Service Establishment Sanitary Inspection Scoring Parameters—A Guide to Conditions." When the Chapter was recodified, changes were made to Appendix 23-A and Appendix 23-B. After the rules were printed, however, typographical errors were noted in the texts for violation conditions 4H, 10F and 10H in Appendix 23-B. This rule consists of Appendix 23-B with corrections in the examples of violation conditions for violation codes 4H and 10F and the descriptions of violations that constitute condition levels II and III of violation code 10H.

An error in printing violation code 10H ("Proper sanitization not provided for utensil ware washing operation") resulted in omission of text describing the violations that contribute to scoring condition level II and III, all ware washing violations set forth in Health Code §81.37. No error was identified in the description of condition level I or IV violations. The Department has corrected this error and the rule now includes the omitted text. Until the final corrected rule became effective, the Department scored 10H violations as either condition I or condition IV violations, and violations that should have been scored as condition II or III violations were scored as condition I violations, contributing two points to the total score. In addition, the Department recommended imposition of a \$200 per violation penalty for any 10H condition I, II and III violation sustained by hearing examiners at the Administrative Tribunal. For violation codes 4H and 10F, however, no accommodation was necessary because the error did not relate to the substance of the violation, but rather consisted of the omission of illustrative examples only; citation of 4H and 10F violations and the scoring based on such violations was not affected by the typographical error or the subsequent correction.

Statement Pursuant to Charter §1043

This rule was not included in the Regulatory Agenda because the need for the rule did not become known until after the Regulatory Agenda was published.

The rule is as follows.

Deleted matter is in brackets [].

New matter is underlined.

§1. Appendix 23-B "Food Service Establishment Sanitary Inspection Scoring Parameters—A Guide to Conditions" of Chapter 23 of Title 24 of the Rules of the City of New York is hereby amended, to be printed to read as follows:

The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the Meatpacking Improvement Association as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not-for-profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In

order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at awileyschwartz@dot.nyc.gov or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by November 8, 2010.
