Address	Block	Lot
453 East 142nd Street	2287	71

The referenced premises ("Premises"), which is a vacant lot, is owned by South Bronx Housing Development Fund Company, Inc. (the "HDFC"). The HDFC wishes to construct and operate new affordable housing on the Premises.

In 1975, the City provided funding to the HDFC for the construction of affordable housing on Block 2287, Lot 46 in the Borough of the Bronx ("Original Project"). At the time, the HDFC also owned the adjacent Premises. The required affordable housing was built on Lot 46, while the Premises was developed as and remains a parking lot. The City provided the financing by purchasing a remainder interest ("Remainder Interest") on the Original Project and the Premises for \$287,420. Under the terms of the Indenture (the "Deed") dated July 8, 1975 that conveyed the Remainder Interest from the HDFC to the City, the HDFC reserved an estate in possession for the Original Project and the Premises until May 1, 2013, at which time the estate in possession would become vested in the City. On October 11, 2012, in order to facilitate rehabilitation of 96 units of affordable rental housing on Lot 46, the City extended the vesting of the Remainder Interest on such lot for sixty (60) years, pursuant to Mayoral Approval Document dated July 17, 2012 (Cal. No. 6). The HDFC would now like to develop a new affordable housing project on the Premises.

In order to facilitate the future use of the Premises as affordable housing, and to avoid the possessory estate in the Premises becoming vested in the City on May 1, 2013, HPD is requesting Mayoral approval to amend the Deed ("Deed Amendment") to extend the date of possession of Premises for another five (5) years from the current May 1, 2013 date to May 1, 2018. As a condition for the City's entering into the Deed Amendment, the HDFC will execute a Regulatory Agreement with HPD to be recorded against the Premises that will restrict any development on the Premises solely as affordable housing for families earning up to 130% of the area median income. During the five (5) year period of the extension, the HDFC will seek financing and work towards a closing for the new affordable housing project.

The proposed Deed Amendment is available for public examination at the office of HPD, 100 Gold Street, Room 5-A4, New York, New York on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on April 23, 2013 at the Second Floor Conference Room, 22 Reade Street, Manhattan at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed Deed Amendment pursuant to Section 695(2)(b) of the GML and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office Of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, New York 10007, (212) 788-7490, no later than seven (7) business days prior to the public hearing. #### Statement of Basis and Purpose

The following amendments to section 104-06 and section 3314-01 and new section 105-03 of Title 1 of the Rules of the City of New York are proposed pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043(a) of the New York City Charter.

- Concrete Safety Manager- Building Code ("BC") 3310.9 (qualification) of the NYC Administrative Code ("Admin Code"); Section 104-06 of Title 1 of the Rules of the City of New York ("RCNY") (continuing education)
- Hoist Machine Operator- 1 RCNY 104-09 (qualification) and 1 RCNY 104-06 (continuing education)
- Site Safety Manager- Admin Code 28-402.2 (qualification) and 1 RCNY 104-06 (continuing education)
- Site Safety Coordinator- Admin Code 28-403.2 (qualification) and 1 RCNY 104-06 (continuing education)

The proposed new section 105-03 outlines the requirements of Department-approved courses so that course providers are aware of the process and conditions for approval and cancellation of the approval. Qualified course providers are required to submit an application for Department approval of the course they wish to provide. Once the course is approved, the course providers must comply with the rule requirements and issue completion cards or certificates of completion to attendees who have completed the approved courses.

The Department proposes to amend section 104-06, regarding licensee continuing education requirements, by moving the course content and approval requirements to the proposed new section 105-03, where they are more appropriately placed. Additionally, the date for Electricians to complete their continuing education requirements is being extended to give them more time to comply with the new continuing education requirements of this rule. Section 104-06 also would be amended to allow for the acceptance of some types of course credit for classes completed by electricians in other jurisdictions.

The Department proposes to amend section 3314-01, regarding mast-climbing work platforms, changing the required period for training providers to retain records of course attendees from six years to seven years. This change would make the rule consistent with the record retention requirements for course providers in the proposed new section 105-03.

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

New matter is underlined; matter [in brackets] is deleted.

**PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF PEDESTRIAN PLAZAS OLD FULTON STREET, FRONT STREET, AND WATER STREET IN THE BOROUGH OF BROOKLYN**

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of pedestrian plazas located on Old Fulton Street, Front

Street, and Water Street in the borough of Brooklyn ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

The concession agreement will provide for one (1) five-year

term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the DUMBO District Management Association, Inc. as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not-for-profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the

proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at [awileyschwartz@dot.nyc.gov](mailto:awileyschwartz@dot.nyc.gov) or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by April 8, 2013. Mr. Wiley-Schwartz may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6678.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.
