- Win More Contracts at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system. RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Client and Community-based Services Agencies:

- Administration for Children's Services (ACS)
 - Department for the Aging (DFTA)
 - Department of Corrections (DOC)
 - Department of Health and Mental Hygiene (DOHMH)
 - Department of Homeless Services (DHS)
 - Department of Probation (DOP)
 - Department of Small Business Services (SBS)
 - Department of Youth and Community Development (DYCD)
 - Housing and Preservation Department (HPD)
 - Human Resources Administration (HRA)
 - Office of the Criminal Justice Coordinator (CJC)
- To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator.

DAY CARE COUNCIL – Sole Source – Available only from a single source - PIN# 06814S0001 – DUE 11-04-13 AT 2:00 P.M. – The Administration for Children's Services (ACS) contracts with over 115 not-for-profit organizations to operate childcare programs and provide services in 290 locations throughout the five boroughs. These organizations are the employers of over 6000 child care professionals and support staff.

The Day Care Council of New York Inc. ("The Council") has been designated by the Child Care Not-for-Profit providers represented by District Council 1707/Local 205 of AFSCME and The Council of Supervisors and Administrators (CSA) to serve as their representative in all collective bargaining issues negotiations and agreements. Additionally, The Council provides all grievance-mediation services, recruitment and personnel assistance. Training and technical assistance is also provided to ensure consistency and efficiency throughout the childcare community.

ACS cannot perform these negotiations with the unions on behalf of the contracted agencies and their staffs, because ACS is not the employer. However, City funding is used to adjudicate any grievances, fund collective bargaining issues and other negotiations affecting contracts with our child care vendors. It is therefore, advantageous to the City to provide funding to The Council to advocate for ACS' not-for-profit agencies. Additionally, based upon correspondence from the City of New York's Office of Labor Relations (OLR) pertaining to lawsuits brought by unions against the City claiming the City was a "joint employer" with contract vendor agencies; the City prevailed in these cases because it was not a signatory to collective bargaining agreements between these unions and the vendor agencies and it did not directly provide wages or benefits to these employees. The Council's contract will eliminate the appearance that the City is a joint employer of the not-for-profit employees.

The Council's unique expertise, service and configuration are the primary basis for this sole source method determination. It conforms to the first condition for a sole source procurement, that there be only one source for the required service pursuant to Section 3-05 of the PPB rules.

AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

NOTICE

Notice of Promulgation Rules

Notice is hereby given in accordance with section 1043(b) of the New York City Charter ("Charter") that the Taxi and Limousine Commission ("TLC") promulgates amendments to its rules for Street Hail Livery Service and Street Hail Livery Licensees.

These rules are promulgated pursuant to sections 1043 and 2303 of the Charter and section 19-503 of the Administrative Code of the City of New York. The rule was not included in the Commission's regulatory agenda for this Fiscal Year.

These rules were published on September 16, 2013, for public comment in the City Record. On October 17, 2013 a public hearing was held by the TLC at its offices at 33 Beaver Street, 19th Floor, New York, New York, 10004 and the rules were adopted by the Commission at that public meeting. Pursuant to section 1043(e)(1)(c) of the Charter, these rules will go into effect 30 days following publication in the City Record.

Statement of Basis and Purpose of Rule

On December 23, 2011 Governor Cuomo signed into law chapter 602 of the Laws of 2011, and on February 17, 2012, signed into law chapter 9 of the Laws of 2012, which amended the previous statute. This legislation allows New York City to issue up to 18,000 transferable licenses to for-hire vehicles authorizing them to pick up passengers by street hail anywhere outside Manhattan (except for the airports) and in Manhattan north of West 110th Street and north of East 96th Street. Up to 6,000 of these licenses for Street Hail Liveries can be issued in the first year of the program. Twenty percent of these licenses will be set aside for wheelchair accessible

vehicles. As provided in the legislation, the TLC will make grants totaling up to \$54 million available for SHL licensees who plan to purchase, or upfit, a vehicle for use as an Accessible Street Hail Livery.

As it moves forward to implement the program provided for in the legislation, the TLC has adopted rules that will govern the grant program. These rules provide that

- Grants will be limited to \$15,000.
- Grants can be used to purchase an accessible vehicle for use as a street hail livery or have a vehicle retrofitted to be accessible.
- Vehicles can be no more than three years old and must have fewer than 30,000 miles on the odometer.
- The vehicle must be:
 - A pre-approved purpose-built accessible vehicle, or
 - Upfitted as part of a pre-approved package and provided by a pre-approved dealer, or
 - Otherwise approved by the TLC
- The TLC may require repayment of either the full grant amount, or a pro rata portion, if it determines, among other things, that a recipient is no longer operating the vehicle as an Accessible Street Hail Livery.

These rules are authorized by Section 2303 of the Charter and Section 19-503 of the Administrative Code of the City of New York as well as the enabling legislation.

New Material is underlined

Section 1. Chapter 82 of Title 35 of the Rules of the City of New York is amended by adding a new subchapter C, to read as follows:
