NYC Sanitation Provides Trash, Recycling and Curbside Compost Collection Service Information for **Christmas Day** and **New Year's Day** Observed Holidays

With back-to-back holidays observed on consecutive Mondays, the New York City Department of Sanitation is providing guidance to residents who normally receive Monday collection.

Christmas Day – Observed Monday, December 26

- There is no collection on the observed holiday, Monday, December 26. Residents who normally receive **Monday trash or curbside compost** collection may place their material out at curbside between 4 p.m. and midnight on Monday for collection beginning **Tuesday, December 27**. Residents may experience collection delays, as is common after holidays. We appreciate patience as we work to collect the backlog of material.
- Residents who normally receive **Monday recycling collection** should hold their material. Their next collection day will be **TUESDAY, JANUARY 3**.

New Year's Day – Observed Monday, January 2

- There is no collection on the observed holiday, Monday, January 2. Residents who normally receive **Monday trash or curbside compost** collection may place their material out at curbside between 4 p.m. and midnight on Monday for collection beginning **Tuesday, January 3**. Residents may experience collection delays, as is common after holidays. We appreciate patience as we work to collect the backlog of material.
- Residents who normally receive **Monday recycling collection** should place their material out at curbside between 4 p.m. and midnight on Monday for collection beginning **Tuesday, January 3**.

About the New York City Department of Sanitation

The Department of Sanitation (DSNY) keeps New York City healthy, safe and clean by collecting, recycling and disposing of waste, cleaning streets and vacant lots, and clearing snow and ice. The Department operates 59 district garages and manages a fleet of more than 2,000

rear-loading collection trucks, 450 mechanical brooms and 705 salt spreaders. The Department clears litter, snow and ice from approximately 6,500 miles of City streets and removes debris from vacant lots as well as abandoned vehicles from City streets.
