#### REPORTS.

The Committee on County Affairs, to which was referred the annexed resolution closing the public offices of the Corporation every Saturday at noon, during the months of June, July, August and September, respectfully

#### REPORT:

That your Committee are fully convinced that no detriment will accrue to the public service by closing the public offices (except those specially required by law to be kept open) at noon every Saturday during the months of June, July, August and September. Very little, if any public business is ever transacted in them on that day during the warm months of the year.

Your Committee are also decidedly in favor of granting a half-holiday on Saturdays, during the months named, to all the employees of the several departments of the City government, and did their ability to do so equal their inclination, would include them in the provisions of the resolution. This is a matter, however, over which the Common Council have no control. The heads of the several departments have exclusive control of their employees and subordinates, under existing laws, and it is only in the power of the Common Council to recommend such a proceeding on the part of the heads of the said several departments. Your Committee, therefore, have concluded to insert or add to the resolution the following: "and the heads of the several departments of the City government be and they are hereby requested to give their employees a half-holiday on Saturdays during the months above named," and as so amended herewith respectfully submit it for your adoption.

Resolved, That in consideration of the fact that little, if any, business is transacted in the public offices of the Corporation after 12 o'clock, M., on Saturdays during the summer season, the various offices of the City, except those specially required by law to be kept open, be closed at noon every Saturday during the months of June, July, August and September, and the heads of the several departments of the City government be and are hereby requested to give their employees a half-holiday on Saturdays during the months above named.

JAMES T. VAN RENSSELAER, } Committee  
JOHN O'NEIL, } on  
JOHN QUINN, } County Affairs.

The President put the question whether the Board would agree with said resolution.  
Which was decided in the affirmative.

The Committee on Lands and Places and Park Department, to which was referred the accompanying petition of owners of property in East One Hundred and Forty-sixth street, and adjoining streets, to abate a nuisance caused by the stoppage of the flow of water in Mill brook, by raising the grades of intersecting streets, respectfully

#### REPORT:

That the petitioners pray the Common Council "to cause to be built, without delay, Mill brook drain, along the line of old Mill brook, said drain being absolutely necessary for health." The petitioners assert that "the property on the line of said drain has been assessed to pay for same, and said assessment has been laid and collected by the City of New York, and the right of way through the property acquired for that purpose." They also represent that the lots adjacent to said old Mill brook, owing to the streets having been graded up, are low and retain the water, which has no way of passing off, and consequently floods the cellars of the houses, thereby making them damp and unhealthy, besides at times causing sickness and emitting an unbearable stench." It is also stated by the petitioners that they "have applied for relief to the Health Department and Department of Public Parks several times, but that nothing has been done by said authorities to relieve them or remedy their grievances." As a last resort, and before invoking the aid of the courts, the petitioners have applied to your Honorable Body for relief.

Your Committee are clearly of opinion that prompt action should be taken to afford the relief asked for, if in the power of your Honorable Body to grant it, and it is a subject of reproach that the evils of which the owners complain should have been continued for such a length of time without abatement. The work of constructing the drains is most assuredly under the control and jurisdiction of the Department of Parks. The statement that the assessment for the work has been levied and partly, at least, collected, seems incredible to your Committee, and would not be regarded were it not for the fact that one of the owners, Mr. John Connolly, has deposited with your Committee a receipt from the Collector of Assessments for the payment of the sum of \$104.20 for "Mill brook drains," assessed upon two lots in One Hundred and Forty-sixth street, belonging to him.

This, certainly, is incomprehensible. Assessments levied and collected for work never per-

formed is a new departure in municipal government and one that calls for explanation. The work is one of most urgent necessity, involving the health and lives of the petitioners and their families, and should have been completed years ago; in fact, the assessment was confirmed on the first day of March, 1884, yet it is claimed by the petitioners that up to the present time, a period of more than two years, the work has not only not been completed, but has never been undertaken.

Your Committee are most anxious to aid the petitioners by every means possible, as they are certainly entitled to every consideration. The grievance of which they so justly complain is a most aggravated one, and should be promptly remedied.

In order, therefore, to comply most readily with the request of the petitioners, your Committee believe it advisable to obtain from the Commissioners of the Department of Public Parks all the facts connected with the case; the action of that Department is indispensable, and it is but proper that, before taking any positive action, your Honorable Body should be placed in possession of all the information necessary to guide the Board in whatever measures may be necessary to take, if any, to afford the petitioners the relief asked for in their petition.

The following resolution is accordingly respectfully offered for your adoption:

Resolved, That the Commissioners of the Department of Public Parks be and they are hereby requested to report to this Board, at their earliest convenience, all the facts in their possession relating to the construction of Mill brook drains, in the Twenty-third Ward of this city, with such suggestions or recommendations as in the opinion of said Commissioners may tend to expedite the work; and if any further legislation on the part of the Common Council is required, that they prepare the necessary resolutions and ordinance, and transmit them to this Board for its consideration.

JOHN J. RYAN, } Committee on  
PETER B. MASTERSON, } Lands and Places  
JAMES E. FITZGERALD, } and  
Park Department.

The President put the question whether the Board would agree with said resolution.  
Which was decided in the affirmative.

The Committee on Public Works, to whom was referred the annexed petition in favor of permitting Bernheimer & Schmid to lay an iron pipe in West One Hundred and Eighth street, respectfully

#### REPORT:

That, having examined the subject, they see no reason why the request should not be granted. They therefore recommend that the annexed resolution be adopted.

Resolved, That permission be and the same is hereby given to Bernheimer & Schmid to lay an eight-inch iron pipe in One Hundred and Eighth street, from Riverside Drive to Ninth avenue, for the purpose only of conveying salt water from the North river to the brewery, to be used in case of fire and cleansing purposes, the work to be done at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

JOHN O'NEIL, } Committee  
JOS. MURRAY, } on  
HUGH F. FARRELL, } Public Works.  
JAMES A. COWIE,  
GUSTAV MENNINGER,

The President put the question whether the Board would agree with said resolution.

#### MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, May 26, 1886.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 10, 1886, to lay gas-mains and light public lamps in Webster avenue, from Bedford Station to Williamsbridge, and in Olin avenue, etc., for the reason that the avenues embodied in the resolution are country roads to which the City has not yet acquired title. If this work was done now it would have to be removed when the avenues are graded and otherwise improved.

W. R. GRACE, Mayor.

Resolved, That gas-mains be laid, lamp-posts erected and street-lamps placed thereon and lighted in Webster avenue, from Bedford Station to Williamsbridge; also in Olin avenue, from Webster avenue to Bronx river, and from Webster avenue to New Reservoir, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, May 26, 1886.

I return, without my approval, the resolution of the Board of Aldermen, adopted May 10, 1886, to have the extra lamps in front of Calvary Chapel, No. 226 East Twenty-third street, relighted, for the reason that this street is lighted with electric-lights. There is one opposite the Chapel, making extra gas unnecessary.

W. R. GRACE, Mayor.

Resolved, That the Commissioner of Public Works be and he is hereby authorized, directed and required to cause the gas-lamps on the posts opposite the entrance to the Calvary Free Chapel, No. 226 East Twenty-third street, to be relighted, as they have not been lighted since the introduction of electric-lights in said street.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, May 26, 1886.

I return, without my approval, the resolution of the Board of Aldermen, adopted May 10, 1886, to lay water-mains in Creston avenue, from One Hundred and Eighty-fourth street to One Hundred and Eighty-third street, etc., for the reason that Creston avenue, One Hundred and Eighty-third street and Ryer avenue are not graded, and no legal grades are as yet established; it is not advisable to lay the water-mains until this is done.

W. R. GRACE, Mayor.

Resolved, That water-mains be laid in Creston avenue, from One Hundred and Eighty-fourth to One Hundred and Eighty-third street; thence through One Hundred and Eighty-third street to Ryer avenue; thence through Ryer avenue to One Hundred and Eighty-first street, pursuant to section 356 of the New York City Consolidation Act.

I return, without my approval, the resolution of the Board of Aldermen, adopted May 10, 1886, to lay water-mains in One Hundred and Forty-seventh street, from Tenth avenue to St. Nicholas avenue, for the reason that as there are but two premises to be supplied with water, it is not important that it should be done at this time.

Mayor.

Resolved, That water-mains be laid in One Hundred and Forty-seventh street, from Tenth avenue to St. Nicholas avenue, pursuant to section 356 of the New York City Consolidation Act.

Resolved, That permission be and the same is hereby given to E. & C. #### COMMUNICATIONS FROM DEPARTMENTS AND CORPORATION OFFICERS.

The President laid before the Board the following communication from the Clerk of the Common Council:

OFFICE OF THE BOARD OF ALDERMEN,  
NO. 8 CITY HALL,  
NEW YORK, May 25, 1886.

To the Honorable the Board of Aldermen of the City of New York:

GENTLEMEN—I deem it my duty to transmit to your Honorable Body, the accompanying opinion of the Council to the Corporation, given in reply to a note addressed by me to him, on the 18th inst., referring to the case of Alderman Henry W. Jaehne.

Very respectfully,

FRANCIS J. TWOMEY, Clerk.

LAW DEPARTMENT,  
OFFICE OF THE COUNSEL TO THE CORPORATION,  
NEW YORK, May 19, 1886.

FRANCIS J. TWOMEY, Esq., Clerk of the Board of Aldermen:

SIR—I am in receipt of your communication under date of May 18, 1886, referring to the case of Alderman Henry W. Jaehne, and asking whether you are to consider his office as Alderman vacant and in consequence omit his name from the pay-roll from the date of his conviction, or whether you shall await the final determination of the questions raised upon an appeal, should one be prosecuted by him.

It is provided in the Penal Code (sec. 72), as to persons executing any of the functions of a public office not designated in titles 6 and 7 of the Code (which titles refer to certain executive officers and to the Legislature of the State), that "a conviction (of accepting a bribe) forfeits any office held by the offender, and thereafter disqualifies him from holding any public office under the State." Alderman Jaehne was indicted and tried for this offense. Whether he has yet been convicted within the meaning of this statute, however, is not altogether clear. The weight of authority seems to indicate that the disqualification for office follows only upon the judgment of the Court.

Blaufus vs. The People, 69 N. Y., 109.  
Commonwealth vs. Lockwood, 109 Mass., 329.  
Faunze vs. The People, 51 Ill., 311.

This distinction, however, will probably not embarrass you, as it seems to be generally believed that the judgment or sentence of the Court will be pronounced before you have occasion to make up the pay-roll for the current month. Until reversed, the conviction of Jaehne may be taken as working a forfeiture of his office. Should the vacancy thus occasioned, however, be filled by election in the manner provided by chapter 403 of the Laws of 1882, and the conviction of Jaehne be subsequently reversed, he would oust the person so elected, and would probably have an action against him for the salary received.

I am, sir, yours respectfully,

E. HENRY LACOMBE, Counsel to the Corporation.

Which were ordered on file.

That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

**PROPOSALS FOR STOP COCKS, STOP-COCK BOXES AND COVERS, AND HYDRANTS.**

**BIDS OR ESTIMATES ENCLOSED IN A SEALED**  
envelope, with the title of the work and the name of the bidder endorsed thereon, will be received at this office until Thursday, June 3, 1886, at 12 o'clock M., at which place and hour they will be publicly opened by the head of the Department, and read.

**FOR FURNISHING AND DELIVERING STOP COCKS, STOP-COCK BOXES AND COVERS, AND HYDRANTS.**

Bidders for the above contracts must be regularly engaged in the business and well prepared for furnishing the materials they propose for; and no contract will be made with any bidder who is not prepared to furnish satisfactory evidence to that effect.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

**THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.**

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at the office of the Chief Engineer of the Croton Aqueduct, Room 10, No. 31 Chambers street.

ROLLIN M. SQUIRE,  
Commissioner of Public Works.

## JURORS.

NOTICE  
IN RELATION TO JURORS FOR STATE  
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
ROOM 127, STEWART BUILDING,  
CHAMBERS STREET AND BROADWAY,  
NEW YORK, June 1, 1885.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt. Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

CHARLES REILLY,  
Commissioner of Jurors.

—will be received at the Department of Public Charities and Correction, in the City of New York, until 9.30 o'clock A. M. of Friday, June 4, 1886. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Hardware, Leather, Wooden Ware and Lumber," with his or their name or names and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated

damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default of the Corporation; and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications and showing the manner of payment, can be obtained at the office of the Department.

NEW YORK, May 20, 1886.

## TO CONTRACTORS.

## SEALED PROPOSALS FOR FURNISHING

3,000 tons egg coal.  
1,500 tons stove coal.  
500 tons nut coal.

—will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 11 o'clock A. M., Wednesday, June 2, 1886, at which time and place they will be publicly opened by the head of said Department and read.

The coal is to be of the best quality of Pittston, Scranton or Lackawanna, to weigh 2,000 pounds to the ton, and be well screened and free from slate.

All of the coal is to be delivered at the various houses, etc., of the Department, in such quantities and at such times as may be from time to time directed, and the same is to be weighed in the presence of an Inspector designated for that purpose by the Department, upon scales furnished by the Department, which are to be transported from place to place by the contractor.

No estimate will be received or considered after the hour named.

The form of the agreement, with specifications, and showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the supply to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of ten thousand (\$10,000) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five hundred dollars (\$500). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has

been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default of the Corporation, and the contract will be readvertised and relet, as provided by law.
