That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates, or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such

neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

#### TO THE PUBLIC.

**AT 9:30 P. M. ON THURSDAY THE 15TH** instant, the aqueduct had to be shut off to repair a large leak that could not be repaired in the usual manner from the exterior. This leak had suddenly developed in the section south of Yonkers, where smaller fissures had previously occurred.

The examination showed fissures aggregating 2,000 feet in length. The repairs were finished and water was again turned on by 4 P. M., on Saturday, the 17th instant. While the flow through the aqueduct was interrupted the supply in the Central Park reservoir was drawn down five feet.

This loss of supply in the city reservoirs, occurring now, as winter is approaching, makes it necessary to take extra precautions against waste of water. Being aware of the temptation to leave faucets open in cold weather to prevent freezing in the pipes, I specially protest against that practice, and appeal to all citizens to abstain from wasteful use of water in any manner whatever. The present condition of the supply and the possibility of a recurrence of similar leaks in the aqueduct make it my duty to give this public notice that I shall hereinafter resort to the peremptory measure of shutting off the water in all places where persistent waste is discovered.

Commissioner of Public Works

#### FIRE DEPARTMENT.

HEADQUARTERS  
FIRE DEPARTMENT, CITY OF NEW YORK,  
155 AND 157 MERCER STREET,  
NEW YORK, March 3, 1884.

#### TO CONTRACTORS.

**SEALED PROPOSALS FOR FURNISHING THIS** Department with new boiler to the steam fire engine known as No. 29 (being number 440 of the Amoskeag Manufacturing Company), and for making repairs to said engine, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A. M., Wednesday, March 19, 1884, at which time and place they will be publicly opened by the head of said Department and read.

The boiler to be M. R. Clapp's Circulating Tubular Boiler, patented 1878, and as per specifications.

The engine to be delivered at the Repair Shops of the Fire Department in complete working order, with a guarantee that the material and workmanship are of the best character, and to replace, at the expense of the contractor, such parts, if any, as may fail, if such failure is properly attributable to defective material or inferior workmanship. Said engine shall have a full and complete trial of its working powers at New York, under the superintendence of a competent engineer.

For information as to the amount and kind of work to be done and time of delivery, bidders are referred to the specifications which form part of these proposals. The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five (\$25) dollars per day.

No estimate will be received or considered after the hour named.

The award of the contract will be made as soon as practicable after the opening of the bids. Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance in the sum of eight hundred dollars (\$800); and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of forty dollars (\$40). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and

no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and be retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

The form of the agreement with specifications, and showing the manner of payment for the work, may be seen and forms of proposals may be obtained at the office of the Department.

tion upon debt or contract, or who is a defaulter, as  
surety or otherwise, upon any obligation to the Corpora-  
tion.

The award of the contract will be made as soon as  
practicable after the opening of the bids.

Delivery will be required to be made from time to time,  
and in such quantities as may be directed by the said  
Commissioners.

Any bidder for this contract must be known to be en-  
gaged in and well prepared for the business, and must  
have satisfactory testimonials to that effect; and the  
person or persons to whom the contract may be awarded  
will be required to give security for the performance of  
the contract by his or their bond, with two sufficient sure-  
ties, in the penal amount of fifty (50) per cent. of the esti-  
mated amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or them  
therein; and if no other person be so interested, it shall  
distinctly state that fact; also that it is made without any  
connection with any other person making an estimate for  
the same purpose, and is in all respects fair, and without  
collusion or fraud; and that no member of the Common  
Council, Head of a Department, Chief of a Bureau, Deputy  
Chief, or Clerk therein, or other officer of the Corpora-  
tion, is directly or indirectly interested therein, or in the  
supplies or work to which it relates, or in any portion of  
the profits thereof. The bid or estimate must be verified  
by the oath, in writing, of the party or parties making the  
estimate, that the several matters stated therein are in all  
respects true. Where more than one person is interested,  
it is requisite that the verification be made and subscribed  
by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in the  
City of New York, with their respective places of busi-  
ness or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for his  
faithful performance; and that if he shall omit or refuse  
to execute the same, they shall pay to the Corporation any  
difference between the sum to which he would be entitled  
on its completion, and that which the Corporation may  
be obliged to pay to the person or persons to whom the  
contract may be awarded at any subsequent letting; the amount  
in each case to be calculated upon the estimated amount  
of the work by which the bids are tested. The consent  
above mentioned shall be accompanied by the oath or  
affirmation, in writing, of each of the persons signing the  
same, that he is a householder or freeholder in the City  
of New York, and is worth the amount of the security re-  
quired for the completion of this contract over and above  
all his debts of every nature, and over and above his li-  
abilities as bail, surety, or otherwise; and that he has offered  
himself as a surety in good faith and with the intention  
to execute the bond required by section 25 of chapter 7 of  
the Revised Ordinances of the City of New York, if the  
contract shall be awarded to the person or persons for  
whom he consents to become surety. The adequacy and  
sufficiency of the security offered to be approved by the  
Comptroller of the City of New York.

No bid or estimate will be considered unless accom-  
panied by either a certified check upon one of the  
national banks of the City of New York, drawn to the  
order of the Comptroller, or money to the amount of five  
per centum of the amount of the security required for the  
faithful performance of the contract. Such check or money  
must not be inclosed in the sealed envelope containing the  
estimate, but must be handed to the officer or clerk of the  
Department who has charge of the Estimate-box, and no  
estimate can be deposited in said box until such check or  
money has been examined by said officer or clerk and  
found to be correct. All such deposits, except that of  
the successful bidder, will be returned to the persons  
making the same within three days after the contract is  
awarded. If the successful bidder shall refuse or neglect  
within five days after notice that the contract has been  
awarded to him to execute the same, the amount of the  
deposit made by him shall be forfeited and retained by  
the City of New York as liquidated damages for such  
neglect or refusal; but, if he shall execute the contract  
within the time aforesaid, the amount of his deposit will  
be returned to him.

Should the person or persons to whom the contract may  
be awarded neglect or refuse to accept the contract within  
five days after written notice that the same has been  
awarded to his or their bid or proposal, or if he or they  
accept but do not execute the contract and give the  
proper security, he or they shall be considered as having  
abandoned it, and as in default to the Corporation, and the  
contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and  
merchandise must conform in every respect to the sam-  
ples of the same respectively at the office of the said  
Department. Bidders are cautioned to examine the  
specifications for particulars of the articles, etc., re-  
quired, before making their estimates.

Bidders will state the prices for each article, by which  
the bids will be tested.

Bidders will write out the amount of their estimate, in  
addition to inserting the same in figures.

Payment will be made by a requisition on the Com-  
ptroller, issued on the completion of the contract, or from  
time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the speci-  
fications will be allowed, unless under the written instruc-  
tion of the Commissioners of Public Charities and  
Correction.

No bid or estimate will be accepted from, or contract  
awarded to, any person who is in arrears to the Corpora-  
tion upon debt or contract, or who is a defaulter, as  
surety or otherwise, upon any obligation to the Corpora-  
tion.

The form of the agreement, including specifications,  
and showing the manner of payment can be obtained at
