The Honorable the Board of Aldermen:

I return, without my approval, the resolution of your Honorable Body, adopted March 10, 1891, to regulate and grade One Hundred and Sixty-fourth street, From Third avenue to Brook avenue.

Whatever title the city may have to this street comes from a quit claim deed from Governeur Morris to the Trustees of the Town of Morrisania. No proceedings of condemnation have been taken as regards this street or other streets in the Town of Morrisania, the title to which is under these quit claim deeds from Governeur Morris. It is well before going further to have an examination made of this title. This will not delay the improvements and it will prevent the possibility of serious complications hereafter.

HUGH I. GRANT. Mayor.

HUGH J. GRANT, Mayor.

The Honorable the Board of Aldermen:

I return, without my approval, the resolution of your Honorable Body, adopted March 3, 1891, which provides for the regulating, grading and flagging of Jefferson street, from Franklin avenue

Whatever title the city may have to this street comes from a quite claim deed from Governeur Morris to the Trustees of the Town of Morrisania. No proceedings of condemnation have been taken as regards this street or other streets in the town of Morrisania, the title to which is under these quit claim deeds from Governeur Morris. It is well before going further to have an examination made of this title. This will not delay the improvements and it will prevent the possibility of serious complications hereafter.

HUGH I. GRANT. Mayor.

HUGII J. GRANT, Mayor.

Resolved, That Jefferson street, from Franklin avenue to Boston road, in the Twenty-third Ward, be regulated and graded, the curb-stones set and the sidewalks flagged a space four feet wide through the centre thereof, under the direction of the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards; and that the accompanying ordinance therefor be adopted. Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

CITY OF NEW YORK-OFFICE OF THE MAYOR,

To the Honorable the Board of Aldermen:

To the Honorable the Board of Attermen.

I return, without my approval, the resolution of your Honorable Body, adopted March 10, 1891, which provides for the lighting of Elsmere place, from Prospect to Marmion avenue.

The Commissioner of Public Works reports that this street is not regulated and graded, and has no sidewalks, consequently there is no place on which to place public lamps.

HUGH J. GRANT, Mayor.

Resolved, That gas-mains be laid, lamp-posts erected and street-lamps placed thereon and lighted in Elsmere place, from Prospect avenue to Marmion avenue, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY

The President laid before the Board the following message from his Honor the Mayor:

CITY OF NEW YORK-OFFICE OF THE MAYOR, ! March 19, 1891.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of your Honorable Body, adopted March 10, 1891, which permits the erection of a "shipping office" in front of Nos. 159 and 161 Greene street.

I have not approved of the resolution, for the reason that I understand there is a question as to the legal authority of the Common Council to grant permission for the erection of stands or booths on the sidewalks, within the stoop-line, other than for the sale of fruit, newspapers and periodicals.

HUGH J. GRANT, Mayor.

Resolved, That permission be and the same is hereby given to George L. Nodell to erect a shipping-office (size, four feet by three feet) within the stoop-line, in front of premises Nos. 159 and 161 Greene street, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council. Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

CITY OF NEW YORK-OFFICE OF THE MAYOR, March 19, 1891.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of your Honorable Body, adopted March 10, 1891, granting permission for the paving of the sidewalk in front of Nos. 64 and 65 South street, with blue-stone paving-blocks and two courses of bridge-stone.

This location is in the vicinity of Wall Street Ferry, and the pedestrian travel over the sidewalk is quite large, consequently no portion of the sidewalk should be paved with stone blocks such as are used for carriageways.

HUGH J. GRANT, Mayor.

Resolved, That permission be and the same is hereby given to Josiah Macy & Co. to pave the sidewalk in front of Nos, 64 and 65 South street, with blue-stone paving-blocks, provided two walks to consist of two courses of bridge-stone, each with a space of three feet between each walk, be laid in said sidewalk in front of said premises, the work to be done at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council. of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY

The President laid before the Board the following message from his Honor the Mayor :

CITY OF NEW YORK-OFFICE OF THE MAYOR, L March 20, 1891.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of your Honorable Body, adopted March 3, 1891, providing for the regulating, grading, curbing, flagging, etc., of Burnside avenue, from Jerome avenue to Webster avenue.

This resolution should include that part of Burnside avenue between Jerome and Sedgwick avenues instead of between Jerome and Webster avenues. It is useless to make improvements on part of this street without improving such portion of the street that the improvements may be useful to the public and of enough advantage to justify the expenditure.

HUGH J. GRANT, Mayor.

Resolved, That Burnside avenue, from Jerome avenue to Webster avenue, in the Twenty-fourth Ward, be regulated and graded, the curb-stones be set, the sidewalks flagged a space four feet wide, and crosswalks of two courses of bridge-stones be laid at each intersecting and terminating streets and avenues, under the direction of the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY Record.

RECORD.

The President laid before the Board the following message from his Honor the Mayor:

CITY OF NEW YORK-OFFICE OF THE MAYOR, March 20, 1891.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of your Honorable Body, adopted March 3, 1891, to regulate, grade, curb, flag, lay crosswalks on, etc., Railroad avenue, from the bulkhead-line of the Harlem river to the south curb-line of One Hundred and Fifty-sixth street.

It is a question whether the city would have to pay half or all the cost of this improvement. The New York and Harlem Railroad Company has made an agreement in regard to these improvements, but it is not clear to me about the division of the expense of the extra grading. The New York and Harlem Railroad Company should bear a proportionate share of the expense, as the presence of the railroad tracks adds to the cost of the work. HUGH J. GRANT, Mayor.

Resolved, That Railroad avenue, East, from the bulkhead-line of the Harlem river to the south curb-line of East One Hundred and Fifty-sixth street, be regulated and graded, the curb-stones set and the sidewalks flagged a space four feet wide through the centre thereof, that crosswalks of two courses of blue stone be laid at each intersecting and terminating street or avenue, where not already laid, and that culverts and inlets for drainage be constructed where necessary, under the direction of the Commissioner of Street Improvements of the Twenty-third and Twenty-fourth Wards; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.
