## AQUEDUCT COMMISSION.

Minutes of Stated Meeting of the Aqueduct Commissioners, held at their Office, No. 209 Stewart Building, on Wednesday, September 28, 1892, at 3 o'clock P. M.

Present—Commissioners Duane, Tucker, Scott and Cannon.

The Construction or Executive Committee recommended the adoption of the following resolution:

Resolved, That the action of the Chief Engineer in discharging the following named Laborers for lack of work on the dates hereinafter mentioned be and hereby is approved:

John Regan, September 22.  
E. W. Purdy, " 22.  
R. F. Vredenburg, " 24.  
E. M. Tice, " 24.

On motion of Commissioner Tucker, the same was adopted.

The Committee also recommended the adoption of the following resolution:

Resolved, That the action of the Chief Engineer in assigning E. L. Ferris to temporary duty as Laborer at Reservoir "D," on the 22d instant, at \$2 per day, be and hereby is approved.

On motion of Commissioner Tucker, the same was adopted.

The Committee also recommended the adoption of the following resolution:

Resolved, That the action of the Chief Engineer in assigning Orlando Barrett to duty as Teamster, with team, on the 20th instant, at \$4 per day, for work at or near Carmel, N. Y., be and hereby is approved.

On motion of Commissioner Tucker, the same was adopted.

The Committee also presented the following communication, received from the Chief Engineer:  
NEW YORK, September 28, 1892.

To the Honorable the Committee on Construction:

GENTLEMEN—President Duane asks me to report on the inclosed letter of D. R. Paige & Co., requesting a payment of \$12,000 out of the reserved percentage retained on the estimates of work done at Bog Brook Dams.

The work on Bog Brook Dams is substantially completed, with the exception of the tunnel gate-house, to which your attention has been called several times, and the value of which, under the contract price, is \$5,500. I believe, however, that the contractors will spend at least \$2,000 in excess of that sum.

The amount now retained on the value of that work is \$26,862.37.

Such being the case, the advance asked for could be made without prejudice to the interests of the City in ordinary circumstances. Owing, however, to the present financial conditions of D. R. Paige & Co., and to the liens which have already been filed or might be filed by the creditors of the firm, the advisability of complying with the aforesaid request should be left to the judgment of the Commissioners.

I am, respectfully,  
A. FTELEY, Chief Engineer.

—and recommended the adoption of the following resolution:

Resolved, That the Aqueduct Commission hereby requests and advises the Comptroller to release and pay to David R. Paige & Co., contractors for the construction of the Bog Brook Dams, out of the ten per cent. retained for work done under the contract for the construction of said dams, the sum of ten thousand dollars, the said sum to be used in hastening the completion of the work called for under said contract.

The same was adopted by the following vote:

Affirmative—Commissioners Duane, Tucker, Scott and Cannon—4.

The Committee also presented the following:

The Construction or Executive Committee submit herewith communication of the Comptroller, addressed to the Counsel to the Corporation, concerning claim of William A. Jaycox, amounting to \$168, for salary claimed to be due him while employed as an Inspector of Masonry on the New Aqueduct, and opinion of the Counsel to the Corporation, addressed to the Comptroller, advising that the claim is a proper one for compromise; and the Comptroller having adjusted and settled said claim for the sum of \$83.22, we recommend the adoption of the following resolution:

Resolved, That a voucher be and hereby is ordered drawn in favor of William A. Jaycox for the sum of eighty-three dollars and twenty-two cents, being the amount adjusted and agreed upon by the Comptroller and said Jaycox for salary due him while employed as an Inspector of Masonry in the Engineer Corps of the Aqueduct Commissioners, and certified to the Comptroller for payment.

The same was adopted by the following vote:

Affirmative—Commissioners Duane, Tucker, Scott and Cannon—4.

The Committee of Finance and Audit reported their examination and audit of bills contained in Vouchers Nos. 8246 to 8255, inclusive, amounting to \$1,676.86, and of Voucher No. 8256, being claim for salary in favor of William A. Jaycox, amounting to \$83.22.

On motion of Commissioner Tucker, the same were approved and ordered certified to the Comptroller for payment.

On motion of Commissioner Tucker, the minutes of meeting of September 21, 1892, were ordered approved.

The Commissioners then adjourned.

J. C. LULLEY, Secretary.

DEPARTMENT OF PUBLIC PARKS,  
Nos. 49 and 51 CHAMBERS STREET,  
NEW YORK, October 5, 1892.

## TO CONTRACTORS.

**SEALED BIDS OR ESTIMATES FOR THE** following-mentioned work, with the title of the work and the name of the bidder indorsed thereon, will be received by the Department of Public Parks at its offices, Nos. 49 and 51 Chambers street, until eleven o'clock A. M., on Wednesday, October 19, 1892:

**FOR THE CONSTRUCTION OF RETAINING WALL AND APPURTENANCES ON THE WESTERLY LINE OF THE RIVERSIDE PARK, BETWEEN ONE HUNDRED AND NINETEENTH AND ONE HUNDRED AND TWENTY-NINTH STREETS.**

The Engineer's estimate of the work to be done, and by which the bids will be tested, is as follows:

2,290 cubic yards foundation masonry,  
3,920 cubic yards wall masonry, including pier.  
2,470 lineal feet granite coping, including cap for pier.  
10 cubic yards concrete in foundation.  
210 lineal feet twelve-inch vitrified stoneware drain-pipe, including concrete foundation and covering.  
600 lineal feet eighteen-inch vitrified stoneware drain-pipe, including concrete foundation and covering.  
160 lineal feet twenty-four inch vitrified stoneware drain-pipe, including concrete foundation and covering.

The time allowed for the completion of the whole work will be ONE HUNDRED AND SEVENTY-FIVE CONSECUTIVE WORKING DAYS.

The damages to be paid by the contractor for each day that the contract, or any part thereof, may be unfulfilled after the time fixed for the completion thereof has expired, are fixed at TWENTY DOLLARS per day. The amount of security required is THIRTY THOUSAND DOLLARS.

The estimates received will be publicly opened by the head of the said Department at the place and hour last above mentioned and read.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within ten days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B.—The price must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the City so to do, and to readvertise until satisfactory bids or proposals shall be received. But the contract when awarded will in each case be awarded to the lowest bidder.

Blank forms for proposal and forms of the contract which the successful bidder will be required to execute can be had at the office of the Secretary, and the plans can be seen and information relative to them can be had at the office of the Department, Nos. 49 and 51 Chambers street.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
No. 27 CHAMBERS STREET,  
NEW YORK, August 14, 1892.

#### TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property who shall also be the owners of a majority of the property in frontage, on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants, and elects and agrees that said lot shall be thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

Commissioner of Public Works

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.
