- *Win More Contracts at nyc.gov/competetowin*

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)

HUMAN RESOURCES ADMINISTRATION

■ NOTICE

NOTICE OF ADOPTION OF EMERGENCY RULE ESTABLISHING THE LIVING IN COMMUNITIES ("LINC") RENTAL ASSISTANCE PROGRAMS FOR SINGLE ADULTS AND ADULT FAMILIES

Pursuant to the authority of the Commissioner of the New York City Human Resources Administration (HRA), working jointly with the Commissioner of the New York City Department of Homeless Services (DHS), under Sections 603 and 1043(i) of the New York City Charter, Sections 34, 56, 61, 62, 77, and 131 of the New York Social Services Law, and Section 352.6 of Title 18 of the New York Codes, Rules and Regulations, notice is hereby given of the adoption of the following emergency rule, effective immediately, establishing two rental assistance programs for a limited number of single adults and adult families who are without temporary or permanent housing, or who are currently residing in DHS shelter, or who are otherwise at risk of entry into DHS shelter: the LINC IV Rental Assistance Program and the LINC V Rental Assistance Program, which shall collectively be referred to as the Living in Communities (LINC) Rental Assistance Programs for Single Adults and Adult Families. Because HRA is not currently seeking State reimbursement for the LINC IV and LINC V programs, plans were not submitted to the New York State Office of Temporary and Disability Assistance (OTDA) for approval.

New text is underlined.

HRA shall administer the LINC IV and LINC V Rental Assistance Programs, except that initial eligibility determinations pursuant to subdivision (a) of section 8-03 or 8-04 of this chapter shall be made by HRA in consultation with DHS.

§ 8-03 The LINC IV Rental Assistance Program.

- (a) Initial Eligibility and Certification for the LINC IV Program.
 - (1) To be eligible for an initial year of LINC IV rental assistance, a household must meet the following eligibility requirements at the time of certification:
 - (A) The household must include at least one member who is in receipt of Public Assistance, and all household members who are eligible for Public Assistance must be in receipt of such benefits;
 - (B) The household must include a Homeless Adult who is at least 60 years of age; and
 - (C) The household must have total gross income that does not exceed 200 percent of the federal poverty level as established annually by the U.S. Department of Health and Human Services.
 - (2) The number of eligible households that can be certified to receive LINC IV rental assistance will be limited by the amount of available funding. Subject to HRA's exercise of discretion under subdivision (a) of section 8-07 of this chapter, upon finding that a household has met the eligibility requirements set forth in paragraph (1) of this subdivision and that appropriate funding is available to provide LINC IV rental assistance to such household, HRA and/or DHS shall issue such household a certification letter. The letter will include an expiration date and will be conditioned on the household continuing to meet the requirements of paragraph (1) of this subdivision up to the time when the lease or other agreement for the housing to which LINC rental assistance will be applied is executed. Priority will be given to households whose Homeless Adult member or members have for the longest period of time either not resided in a shelter, residence or other accommodations or resided in any of the facilities set forth in paragraphs (1) and (2) of subdivision (c) of section 8-01 of this chapter, with additional priority given to households that include the oldest Homeless Adults or medically frail Homeless Adults.
 - (3) At the time of certification, HRA will calculate the household's monthly program participant contribution and the maximum monthly rental assistance amount pursuant to section 8-05 of this chapter. The monthly program participant contribution and monthly rental assistance amount will not change during the first year of the program, regardless of changes in household composition or income.
- (b) Renewals after the First Year.
 - (1) Subject to the availability of funding, a household in receipt of LINC IV rental assistance will receive annual renewals of such assistance if the household's total gross income does not exceed 200 percent of the federal poverty level as established

annually by the U.S. Department of Health and Human Services and if the household continues to include an adult who is at least 60 years of age.

- (2) HRA will determine a household's eligibility for renewal of LINC IV rental assistance at the end of each year of the household's participation in the program, subject to the availability of funding. Prior to the commencement of each one-year renewal period, HRA will recalculate the household's monthly program participant contribution and the monthly rental assistance amount pursuant to section 8-05 of this chapter. The monthly program participant contribution and monthly rental assistance amount will not change during the one-year renewal period, regardless of changes in household composition or income.

§ 8-04 The LINC V Rental Assistance Program.

- (a) Initial Eligibility and Certification for the LINC V Program.
 - (1) To be eligible for an initial year of LINC V rental assistance, a household must meet the following eligibility requirements at the time of certification:
 - (A) The household must include at least one member who is in receipt of Public Assistance, and all household members who are eligible for Public Assistance must be in receipt of such benefits;
 - (B) The household must include at least one Homeless Adult who is working in unsubsidized employment and can demonstrate earned income for at least thirty days prior to certification; and
 - (C) The household must have total gross income that does not exceed 200 percent of the federal poverty level as established annually by the U.S. Department of Health and Human Services.
 - (2) The number of eligible households that can be certified to receive LINC V rental assistance will be limited by the amount of available funding. Subject to HRA's exercise of discretion under subdivision (a) of section 8-07 of this chapter, upon finding that a household has met the eligibility requirements set forth in paragraph (1) of this subdivision and that appropriate funding is available to provide LINC V rental assistance to such household, HRA and/or DHS shall issue such household a certification letter. The letter will include an expiration date and will be conditioned on the household continuing to meet the requirements of paragraph (1) of this subdivision up to the time when the lease or other agreement for the housing to which LINC rental assistance will be applied is executed. Priority will be given to households whose Homeless Adult member or members have for the longest period of time either not resided in a shelter, residence or other accommodations or resided in any of the facilities set forth in paragraphs (1) and (2) of subdivision (c) of section 8-01 of this chapter, with additional priority given based on the number of hours worked per week.
 - (3) At the time of certification, HRA will calculate the household's monthly program participant contribution and the monthly rental assistance amount pursuant to section 8-05 of this chapter. The monthly program participant contribution and monthly rental assistance amount will not change during the first year of the program, regardless of changes in household composition or income.
- (b) Renewals after the First Year.
 - (1) Subject to the availability of funding, a household in receipt of LINC V rental assistance will receive four one-year renewals of such assistance if it meets the following continued eligibility requirements:
 - (A) At least one member of the household must be working in unsubsidized employment;
 - (B) The household's total gross income must not exceed 200 percent of the federal poverty level as established annually by the U.S. Department of Health and Human Services;
 - (C) Where such supports are made available to the household, at least one member of the household must be continually engaged in enhanced employment and social service supports developed in conjunction with a case manager or employment vendor designated by DHS or HRA intended to maintain or enhance the household's employment; and
 - (D) The household must provide prompt notice to HRA of any rent arrears that have accrued so that they may be addressed.
 - (2) Subject to the availability of funding and in order to prevent

entry or re-entry into the shelter system or a return to the streets, households that meet the continued eligibility requirements set forth in paragraph (1) of this subdivision may receive additional one-year extensions after their fifth year in the LINC V rental assistance program on a case-by-case basis.

- (3) HRA will determine a household's eligibility for renewal of LINC V rental assistance at the end of each year of the household's participation in the program, subject to the availability of funding. Prior to the commencement of each one-year renewal period, HRA will recalculate the household's monthly program participant contribution and the monthly rental assistance amount pursuant to section 8-05 of this chapter. The monthly program participant contribution and monthly rental assistance amount will not change during the one-year renewal period, regardless of changes in household composition or income.

§ 8-05 Maximum Rents and Calculation of Monthly Program Participant Contributions and Rental Assistance Amounts.

(a) Apartment Rentals.

- (1) Where a household certified to receive or in receipt of LINC IV or LINC V rental assistance enters into a lease for an apartment, the maximum monthly rent of such apartment shall not exceed the amounts set forth in the table below during the first year of the lease, except that HRA may make exceptions on a case-by-case basis if the rent: (i) is reasonable in relation to current rents for comparable units in the private unassisted market; (ii) is not in excess of current rents for the owner's comparable non-luxury unassisted units; and (iii) does not exceed the 2014 New York City Housing Authority Section 8 Voucher Payment Standards for the same type of unit.

Household Size	1	2	3	4	5	6	7	8
Maximum Rent for LINC IV	\$1,028	\$1,028	\$1,200	\$1,257	\$1,428	\$1,542	\$1,599	\$1,714
Maximum Rent for LINC V	\$914	\$1,028	\$1,200	\$1,257	\$1,428	\$1,542	\$1,599	\$1,714

- (2) A program participant contribution of thirty percent of the household's total monthly gross income at the time of certification will be required and will be paid by the household directly to the landlord each month. The program participant contribution will be deducted from the monthly rent to determine the monthly rental assistance amount. HRA shall pay the monthly rental assistance amount directly to the landlord each month for so long as the program participant's household remains eligible and funding for the program remains available. In addition to the program participant contribution, the program participant shall be responsible for any increases in the rent permitted under subdivision (l) of section 8-07 of this chapter.

(b) Room Rentals.

- (1) Where a household certified to receive or in receipt of LINC IV or LINC V rental assistance enters into a rental agreement for a single room, the monthly rent of such single room shall not exceed \$800, except that HRA may make exceptions on a case-by-case basis if the rent is reasonable in relation to current rents for comparable units in the private unassisted market.
- (2) A program participant contribution of thirty percent of the household's total gross income at the time of certification will be required and will be paid by the household directly to the landlord or primary tenant, as applicable, each month. The monthly rental assistance amount shall be equal to the total rent minus the program participant contribution. HRA shall pay the monthly rental assistance amount directly to the landlord or the primary tenant, as applicable, each month for so long as the program participant's household remains eligible and funding for the program remains available.

§ 8-06 Agency Review Conference and HRA Administrative Appeal Process.

(a) Right to HRA Administrative Review.

A Homeless Adult or LINC IV or LINC V program participant may request an agency review conference and/or an HRA administrative hearing to seek review of any determinations or actions made by DHS

and/or HRA under this chapter, as well as any failures to act, or failures to act with reasonable promptness, by DHS and/or HRA in implementing the provisions of this chapter.

(b) Agency Review Conference.

- (1) If a Homeless Adult or LINC IV or LINC V program participant requests an agency review conference, HRA shall informally review and attempt to resolve the issues raised.
- (2) A Homeless Adult or LINC IV or LINC V program participant may request an agency review conference without also requesting an HRA administrative hearing. Requesting an agency review conference will not prevent a Homeless Adult or program participant from later requesting an HRA administrative hearing.
- (3) Except as provided in paragraph (4) of this subdivision, an agency review conference must be requested within sixty days after the challenged determination or action, provided further that if an HRA administrative hearing is scheduled, an agency review conference must be requested reasonably in advance of the scheduled hearing date.
- (4) Notwithstanding paragraph (3) of this subdivision, a request for an agency review conference to review a failure by DHS and/or HRA to issue a certification letter pursuant to subdivision (a) of section 8-03 or 8-04 of this chapter may be brought at any time prior to the receipt of any such letter.
- (5) A request for an agency review conference will extend the time period to request an HRA administrative hearing as set forth in paragraph (2) of subdivision (c) of this section to sixty days after the date of the agency review conference.

(c) Request for an HRA Administrative Hearing.

- (1) An administrative hearing must be requested in writing. Such written request must be submitted by mail, electronic means or facsimile, or other means as HRA may set forth in an appeals notice.
- (2) Except as provided in paragraph (3) of this subdivision and paragraph (5) of subdivision (b) of this section, a request for an administrative hearing must be made within sixty days after the challenged determination or action.
- (3) A request for an administrative hearing to challenge a failure by DHS and/or HRA to issue a certification letter under subdivision (a) of section 8-03 or 8-04 of this chapter may be brought at any time prior to the receipt of any such letter.

(d) Authorized Representative.

- (1) Except where impracticable to execute a written authorization, a person or organization seeking to represent a Homeless Adult or LINC IV or LINC V program participant must have the Homeless Adult's or program participant's written authorization to represent him or her at an agency review conference or administrative hearing and to review his or her case record, provided that such written authorization is not required from an attorney retained by such Homeless Adult or program participant. An employee of such attorney will be considered an authorized representative if such employee presents written authorization from the attorney or if such attorney advises HRA by telephone of such employee's authorization.
- (2) Once HRA has been notified that a person or organization has been authorized to represent a Homeless Adult or LINC IV or LINC V program participant at an agency review conference or administrative hearing, such representative will receive copies of all correspondence sent by HRA to the Homeless Adult or program participant relating to the conference and hearing.

(e) Aid Continuing.

- (1) If a LINC IV or LINC V program participant requests an administrative appeal of a determination by HRA that rental assistance payments issued under section 8-05 of this chapter are to be reduced, restricted, suspended or discontinued, or that the program participant's household is not eligible for renewal pursuant to subdivision (b) of section 8-03 or subdivision (b) of section 8-04 of this chapter, such program participant shall have the right to continued receipt of LINC IV or LINC V rental assistance payments at the rental assistance amount in effect at the time of the determination until the hearing decision is issued pursuant to subdivision (l) of this section, provided that:
 - (A) The program participant requests the administrative appeal within ten days of the mailing of the notice of such determination; and
 - (B) The appeal is based on a claim of incorrect computation or an incorrect factual determination.

- (2) There is no right to continued rental assistance payments pursuant to this subdivision where the sole issue on appeal is one of local, State or Federal law or policy, or change in local, State or Federal law.
- (3) Rental assistance payments will not continue pending the issuance of a hearing decision when:
- (A) The LINC IV or LINC V program participant has voluntarily waived his or her right to the continuation of such assistance in writing; or
- (B) The LINC IV or LINC V program participant does not appear at the administrative hearing and does not have a good reason for not appearing.
- (4) If a LINC IV or LINC V program participant requests an additional appeal pursuant to subdivision (m) of this section, rental assistance payments will continue uninterrupted after issuance of the hearing decision until a written decision is issued pursuant to subdivision (l) of this section.

(f) Notice.

HRA shall provide the Homeless Adult or LINC IV or LINC V program participant with notice of the date, time, and location of the administrative hearing no fewer than seven calendar days prior to the scheduled date of the administrative hearing, unless the issue underlying the request for an administrative hearing has been resolved and the Homeless Adult or program participant has withdrawn his or her hearing request.

(g) Examination of Case Record.

The Homeless Adult or LINC IV or LINC V program participant or his or her authorized representative has the right to examine the contents of his or her LINC program case file and all documents and records that HRA intends to use at the administrative hearing. Upon request by telephone or in writing, HRA shall provide such Homeless Adult or program participant with copies of all such documents, and copies of any additional documents in the possession of HRA and/or DHS that the Homeless Adult or program participant identifies and requests for purposes of preparing for the administrative hearing. HRA shall provide such documents at no charge reasonably in advance of the administrative hearing. If the request for such documents is made less than five business days before the administrative hearing, HRA must provide the Homeless Adult or program participant with copies of such documents no later than at the time of the administrative hearing.

(h) Adjournment.

The administrative hearing may be adjourned for good cause by the administrative hearing officer on his or her own motion or at the request of the Homeless Adult or LINC IV or LINC V program participant, HRA, or DHS.

(i) Conduct of Administrative Hearing.

- (1) The administrative hearing shall be conducted by an impartial hearing officer appointed by HRA who shall have the power to administer oaths and issue subpoenas and who shall have no prior personal knowledge of the facts concerning the challenged determination or action.
- (2) The administrative hearing shall be informal, all relevant and material evidence shall be admissible and the legal rules of evidence shall not apply. The administrative hearing shall be confined to the factual and legal issues raised regarding the specific determination(s) for which the administrative hearing was requested.
- (3) The Homeless Adult or LINC IV or LINC V program participant shall have a right to be represented by counsel or other representative, to testify, to produce witnesses to testify, to offer documentary evidence, to offer evidence in opposition to the evidence presented by HRA and DHS, to request that the hearing officer issue subpoenas, and to examine any documents offered by HRA and DHS.
- (4) An audio recording, an audio visual recording or written transcript of the administrative hearing shall be made.

(j) Abandonment of Request for Administrative Hearing.

- (1) HRA will consider an administrative hearing request abandoned if neither the Homeless Adult or LINC IV or LINC V program participant nor his or her authorized representative appears at the administrative hearing, unless either the Homeless Adult or program participant or his or her authorized representative has:
- (A) contacted HRA prior to the administrative hearing to request rescheduling of the administrative hearing; or
- (B) within fifteen calendar days of the scheduled administrative hearing date, contacted HRA and provided a good cause reason for failing to appear at the administrative hearing on the scheduled date.

- (2) HRA will restore the case to the calendar if the Homeless Adult or LINC IV or LINC V program participant or his or her authorized representative has met the requirements of paragraph (1) of this subdivision.

(k) Hearing Record.

The recording or written transcript of the hearing, all papers and requests filed in connection with the hearing, and the hearing decision collectively constitute the complete and exclusive record of the administrative hearing.

(l) Hearing Decision.

- (1) The hearing officer shall render a decision based exclusively on the hearing record. The decision must be in writing and must set forth the administrative hearing issues, the relevant facts, and the applicable law, regulations and approved policy, if any, upon which the decision is based. The decision must identify the issues to be determined, make findings of fact, state the reasons for the determinations, and when appropriate, direct HRA to take specific action.

A copy of the decision, accompanied by written notice to the Homeless Adult or LINC IV or LINC V program participant of the right to further appeal and the procedures for requesting such appeal, will be sent to each of the parties and to their authorized representatives, if any.

(m) Additional Appeal.

- (1) An appeal from a decision of a hearing officer may be made in writing to the Commissioner of HRA or his or her designee provided it is received by HRA through the procedures described in the notice accompanying the hearing decision within at least five business days after the delivery of the hearing officer's decision. The record before the Commissioner shall consist of the hearing record, the hearing officer's decision and any affidavits, documentary evidence, or written arguments that the Homeless Adult or LINC IV or LINC V program participant may wish to submit.
- (2) The Commissioner or his or her designee shall render a written decision based on the hearing record and any additional documents submitted by the Homeless Adult or LINC IV or LINC V program participant and HRA or DHS.
- (3) A copy of the decision, accompanied by written notice to the Homeless Adult or LINC IV or LINC V program participant of the right to judicial review, will be sent to each of the parties and to their authorized representatives, if any.
- (4) Upon issuance, the decision of the Commissioner or his or her designee made pursuant to an appeal under this section is final and binding upon HRA and must be complied with by HRA.

§ 8-07 Additional Provisions.

- (a) If a household is eligible for both LINC IV and LINC V rental assistance, HRA and DHS reserve the right to determine, based on administrative and programmatic needs, which LINC program the household will be certified for. HRA and DHS also reserve the right to determine the schedule for release of available funding for the LINC IV and LINC V programs based on administrative and programmatic needs.
- (b) Households in the LINC Rental Assistance Programs for Single Adults and Adult Families will be referred to service providers who will assist them with connecting to appropriate services in their communities.
- (c) HRA shall provide a household moving expenses, a security deposit voucher equal to one month's rent, and a broker's fee equal to up to one month's rent, if applicable, as set forth in Section 352.6 of Title 18 of the New York Codes, Rules and Regulations, if such household is moving from shelter, is moving from other accommodations and is at risk of shelter entry, or is not residing in a shelter, residence, or other accommodations at the time of entry into the housing to which LINC IV or LINC V rental assistance will be applied.
- (d) Rental assistance provided under any of the LINC Rental Assistance Programs for Single Adults and Adult Families cannot be combined with any other rent subsidies other than a Public Assistance shelter allowance provided pursuant to Section 352.3 of Title 18 of the New York Codes, Rules and Regulations, except that HRA may make exceptions on a case-by-case basis.
- (e) Households in receipt of rental assistance under the LINC Rental Assistance Programs for Single Adults and Adult Families that are unable to make their program participant contributions on account of involuntary job loss or other extenuating circumstances may be eligible for emergency rent assistance and arrears under Section 352.7 of Title 18 of the New York Codes, Rules and Regulations.

- (f) Waitlists will not be maintained for the LINC Rental Assistance Programs for Single Adults and Adult Families.
- (g) Homeless Adults are responsible for identifying potential housing. However, shelter staff may provide assistance to such individuals in their housing search.
- (h) A landlord who signs a lease for an apartment with a household in receipt of LINC IV or LINC V rental assistance is prohibited from demanding, requesting, or receiving any amount above the rent or fees as stipulated in the lease agreement regardless of any changes in household composition. A landlord who demands, requests or receives any amount above what is set forth in the lease will be barred from further participation in any HRA rental assistance programs and may be barred from other rental assistance programs administered by the City of New York. Before placing a landlord on a disqualification list, HRA will provide notice to the landlord and an opportunity for the landlord to object in writing.
- (i) If a program participant leaves the apartment or room for which the program participant is receiving LINC IV or LINC V rental assistance due to an eviction or move, the landlord or primary tenant must return any over-payment.
- (j) Any apartment to which LINC IV or LINC V rental assistance is applied pursuant to subdivision (a) of section 8-05 of this chapter must pass a City inspection. Section 8 Housing Quality Standards set forth in Section 982.401 of Title 24 of the Code of Federal Regulations will be applied in the inspection process with respect to the physical condition of apartments. The number of persons who can occupy a particular apartment will be evaluated on a case-by-case basis with each household.
- (k) Where LINC IV or V rental assistance is applied towards a single room pursuant to subdivision (b) of section 8-05 of this chapter, the room and the dwelling containing the room must be evaluated to verify that residing in such room and dwelling will not result in harm to the health, safety, or welfare of the program participant.
- (l) As a condition of participating in the LINC Rental Assistance Programs for Single Adults and Adult Families, a landlord who has entered into a lease for an apartment with a household in receipt of LINC IV or LINC V rental assistance shall be required to:
- (1) renew a participating household's lease for a second year at the same monthly rent as provided for in the first year provided that (a) funding for the applicable LINC Rental Assistance Program remains available, and the household has been found eligible by the City for a second year of the program, or (b) the household is able to pay its entire rent for a second year; and
 - (2) after the second, third and fourth years, renew a participating household's lease at the same total monthly rent provided for as in the previous year, increased by a percentage no greater than that allowed at that time for one-year leases for rent-stabilized apartments in New York City, regardless of whether the housing is subject to rent stabilization, provided that: (a) funding for the applicable program remains available and the participating household has been found eligible by the City for the applicable year of the program, or (b) the participating household is able to pay its entire rent for the applicable year.

Statement of Basis and Purpose of Emergency Rule

In order to implement the Mayor's priority of moving adults from shelter into stable housing, and in a joint effort with the Commissioner of the Department of Homeless Services (DHS), the Commissioner of the New York City Human Resources Administration (HRA) is adding Chapter 8 to Title 68 of the Rules of the City of New York to establish two new rental assistance programs targeted to specific populations who are within DHS's shelter system, on the streets, or at risk of shelter entry. These two rental assistance programs will collectively be referred to as the Living in Communities or "LINC" Rental Assistance Programs for Single Adults and Adult Families. The purpose of these programs is to assist older and low-income working adults move out of shelter or off the streets, or avert entry into shelter, by relocating them into stable housing and helping them to remain stably housed in their communities.

The urgent need for these programs is established by census data from DHS documenting that the numbers of single adults and adult families in the DHS shelter system are at a record high, with the DHS shelter systems for these populations experiencing their lowest vacancy rates since 2009. The increase in the shelter census for these populations is

primarily because the length of stay of single adults and adult families in DHS shelters has increased while the number of exits has declined.

Specifically, there was a 20% increase in the average daily census for single adults between July 1, 2004 and December 31, 2013. In November 2014, there were on average 11,165 single adults in the DHS shelter system each day. The length of stay in shelter for single adults increased by 6% between August 2012 and December 2013. In November 2014, the vacancy rate in single adult shelters was 0.3%, compared to 4.3% in November 2013, and 3.0% in November 2012.

With respect to adult families, between July 1, 2004 and December 31, 2013, there was a 59% increase in the number of such families in the DHS shelter system. In November 2014, there were on average 2,128 adult families in the DHS shelter system each day. The length of stay in shelter for adult families increased approximately 15% between August 2012 and December 2013. On November 7, 2014, the vacancy rate for adult families in the shelter system was 0%. In November 2014, the average monthly vacancy rate in adult family shelters was 0.6%, compared to 1.1% in November 2013, and 6.0% in November 2012.

In addition to the men and women in DHS's shelters for single adults and adult families, it is estimated that as of January 2014 there were over 5,000 unsheltered individuals living on the streets, in parks, and in other public spaces of the City, including the New York City subway system.

Finally, census data also demonstrates the urgent need for a rental assistance program targeted to those over 60, who comprise 14% of the single adult shelter population.

Subject to an annual review of available funding, the LINC Rental Assistance Programs for Single Adults and Adult Families will consist of two programs: LINC IV and LINC V. Over the course of the next twelve months, these programs will assist approximately 2,100 adults to relocate from DHS shelters and become securely housed in the community. LINC IV will assist approximately 1,100 seniors in shelter and LINC V will assist up to 1,000 adults who are working but are unable to afford stable housing on their own. Some of the individuals who will be assisted by these programs are chronically street homeless individuals or at risk of shelter entry.

In the two programs, priority will be given to adults who have experienced homelessness, whether in shelter or on the streets, with additional priority given in LINC IV to the oldest adults or medically frail adults and in LINC V to adults who are working the most hours.

The emergency rule sets forth definitions applicable to the chapter (Section 8-01); a general description of responsibility for program administration and eligibility determinations (Section 8-02); program-specific eligibility, certification, and renewal requirements (Sections 8-03 and 8-04); a description of how monthly program participant contributions and the monthly rental assistance amounts are calculated (Section 8-05); review and appeal procedures (Section 8-06); and additional provisions, including a description of certain program benefits as well as requirements for program participants and participating landlords (Section 8-07).

HRA's authority for this emergency rule may be found in sections 34, 56, 61, 62, 77, and 131 of the New York Social Services Law, sections 603 and 1043 of the New York City Charter, and Section 352.6 of Title 18 of the New York Codes, Rules and Regulations.

Required Finding Pursuant to New York City Charter Section 1043(i)(1)

IT IS HEREBY CERTIFIED that the immediate effectiveness of this emergency rule establishing the LINC Rental Assistance Programs for Single Adults and Adult Families is necessary to address the immediate need to relocate homeless adults from the Department of Homeless Services' shelters for single adults and adult families. The adult shelter system is currently experiencing a record high need for capacity. Providing sufficient shelter capacity to meet the needs of City residents who do not have permanent housing is a necessary City service. Without the immediate implementation of these rental assistance programs to relocate single adults and adult families to permanent housing, other emergency measures would be required to meet the need for increased shelter capacity. It is therefore necessary to act by emergency rulemaking so that the City of New York and its agencies can immediately begin to use available rental assistance to relocate specific numbers of adults to permanent housing from shelters, thereby taking immediate action with respect to shelter system capacity, pending the adoption of a final rule.

The number of adults in the DHS shelter systems for single adults and adult families is at a record high, with the DHS shelter systems for these populations experiencing their lowest vacancy rates in the past five years.

Specifically, there has been a 20% increase in the average daily census for single adults between July 1, 2004 and December 31, 2013. In November 2014, there were on average 11,165 single adults in the DHS shelter system each day. The increase in the shelter census for this population is primarily because the length of stay of single adults in shelter has been on a steady rise. The length of stay in shelter for single adults increased by 6% between August 2012 and December 2013. As shelter census and length-of-stay rates have increased, the DHS shelter system for single adults has experienced its lowest vacancy rates since 2009. Indeed, in November 2014, the vacancy rate in single adult shelters was 0.3%, compared to 4.3% in November 2013, and 3.0% in November 2012.

With respect to adult families, between July 1, 2004 and December 31, 2013, there was a 59% increase in the number of such families in the DHS shelter system. In November 2014, there were on average 2,128 adult families in the DHS shelter system each day. The increase in the shelter census for this population is primarily because the length of stay of adult families in shelter has increased while the number of exits has declined. The length of stay in shelter for adult families increased approximately 15% between August 2012 and December 2013. As shelter census and length-of-stay rates have increased, the DHS shelter system for adult families has experienced its lowest vacancy rates since 2009. Indeed, on November 7, 2014, the vacancy rate for adult families in the shelter system was 0%. In November 2014, the average monthly vacancy rate in adult family shelters was 0.6%, compared to 1.1% in November 2013, and 6.0% in November 2012.

In addition to the men and women in DHS's shelters for single adults and adult families, it is estimated that as of January 2014 there were over 5,000 unsheltered individuals living on the streets, in parks, and in other public spaces of the City, including the New York City subway system.

Finally, census data also demonstrates the urgent need for a rental assistance program targeted to those over 60, who comprise 14% of the single adult shelter population.

No price can be put on the human costs of homelessness, and the record level of homelessness has a substantial fiscal impact for government. By immediately establishing the LINC Rental Assistance Programs for Single Adults and Adult Families, HRA and DHS can immediately assist men and women currently living in DHS shelters and on the streets, including seniors, secure permanent housing. The programs established under this rule represent important policy and programmatic changes that will increase the number of exits from shelter, helping to address and alleviate current demands on the shelter system.

Delaying implementation of this rule pending non-emergency rulemaking would result in longer stays in shelters for currently homeless men and women, including seniors, substantially increasing the strain on the shelter system, which, as indicated, provides a necessary service to large numbers of single adults and adult families.

Pursuant to section 1043(i)(2) of the Charter, the emergency rule will remain in effect for not more than 120 days while HRA prepares a permanent rule.

IT IS THEREFORE HEREBY CERTIFIED that the immediate effectiveness of a rule providing for establishment of the Living in Communities (LINC) Rental Assistance Programs for Single Adults and Adult Families is necessary to address an imminent threat to a necessary service.
