Height and setback in #Inclusionary Housing designated areas#

> (1) In #Inclusionary Housing designated areas#, except within #Special Mixed Use Districts# and #general large-scale developments# in C4-7 Districts within the boundaries of Manhattan Community District 7, subject to the provisions of a restrictive declaration, the #compensated development# must comply with the

height and setback regulations of Sections 23-633 (Street wall location and height and setback regulations in certain districts) or 35-24 (Special Street Wall Location and Height and Setback Regulations in Certain Districts), as applicable.

- In #Inclusionary Housing designated (2)areas# within #Special Mixed Use Districts#, the #compensated development# must comply with the provisions of paragraphs (a) or (b) of Section 123-662 (All buildings in Special Mixed Use Districts with R6, R7, R8, R9 and R10 District designations), as applicable. However, where the #Residence District# designation is an R6 District without a letter suffix, the #compensated development# must comply with the height and setback regulations of Section 23-633, regardless of whether the #building# is #developed# or #enlarged# pursuant to the Quality Housing
- Compensated development building permits
 - (1) #HPD# may issue a #permit notice# to the Department of Buildings at any time on or after the #regulatory agreement date#. The Department of Buildings may thereafter issue building permits to a #compensated development# that utilizes #floor area compensation# based on the #affordable housing# described in such #permit notice#.
 - (2)If #HPD# does not receive confirmation that the #regulatory agreement# has been recorded within 45 days after the later of the #regulatory agreement date# or the date upon which #HPD# authorizes the recording of the #regulatory agreement#, #HPD# shall suspend or revoke such #permit notice#, notify the Department of Buildings of such suspension or revocation and not reinstate such #permit notice# or issue any new #permit notice# until #HPD# receives confirmation that the #regulatory agreement# has been recorded. Upon receipt of notice from #HPD# that a #permit notice# has been suspended or revoked, the Department of Buildings shall suspend or revoke each building permit issued pursuant to such #permit notice# which is then in effect for any #compensated development#.
- (c) Compensated development certificates of occupancy
 - (1) The Department of Buildings shall not issue a temporary or permanent certificate of occupancy for any portion of the #compensated development# that utilizes #floor area compensation# until #HPD# has issued a #completion notice# with respect to the #affordable housing# that generates such #floor area compensation#. However, where any #story# of a #compensated development# contains one or more #affordable housing units#, the Department of Buildings may issue any temporary or permanent certificate of occupancy for such #story# if such temporary or permanent certificate of occupancy either includes each #affordable housing unit# located in such #story# or only includes #dwelling units# or #rooming units# that are #affordable housing units#. Nothing in the preceding sentence shall be deemed to prohibit the granting of a temporary or permanent certificate of occupancy for a #super's
 - (2)#HPD# shall not issue a #completion notice# with respect to any portion of any #generating site# unless:
 - (i) the Department of Buildings has issued temporary or permanent certificates of occupancy for all #affordable housing# described in such #completion notice# and such certificates of occupancy have not expired, been suspended or been revoked; or
 - (ii) where a #generating site# contains #affordable housing# that had a valid certificate of occupancy on the #regulatory agreement date# and no new temporary or permanent certificate of occupancy is thereafter required for the creation of such #affordable housing#, #HPD# has determined that all renovation and repair work required by the applicable #regulatory agreement# has been completed and all obligations with respect to the creation of such #affordable housing# have been fulfilled in accordance with the

applicable #regulatory agreement#.

Special Permits by the City Planning Commission

74-743

Special provisions for bulk modification

- For a #general large-scale development#, the City Planning Commission may permit:
 - distribution of total allowable #floor area#, #rooming units#, #dwelling units#, #lot coverage# and total required #open space# under the applicable district regulations within a #general large-scale development# without regard for #zoning lot lines# or district boundaries subject to the following limitations:
 - no distribution of #bulk# across the boundary of two districts shall be permitted for a #use# utilizing such #bulk# unless such #use# is permitted in both districts;
 - (ii) when a #general large-scale development# is located partially in a #Residence District# or in a C1, C2, C3 or C4-1 District and partially in other #Commercial# or #Manufacturing Districts#, no transfer of commercial #floor area# to a #Residence District# or to a C1, C2, C3 or C4-1 District from other districts shall be permitted;
 - location of #buildings# without regard for (2) the applicable #yard#, #court#, distance between #buildings#, or height and setback regulations;
 - variation in the location of primary (3) business entrances and #show windows# along frontages adjacent to #zoning lots# outside the #general large-scale development# without regard to regulations applicable near #Residence District# boundaries;
 - (4) the maximum #floor area ratio# permitted pursuant to Section 23-142 (In R6, R7, R8 or R9 Districts) for the applicable district without regard for #height factor# or #open space ratio# requirements provided that the #general large-scale development# is located partially in a C6-1, C6-2 or C6-3 District within the boundaries of Community District 7 in Manhattan and that a minimum of 50 percent of the required #open space# is provided within the #general large-scale development#. Required #open space# for the purposes of this paragraph, (a)(4), shall be calculated by utilizing the smallest #open space ratio# at the maximum #floor area ratio# pursuant to Section 23-142 for the applicable district:
 - in an #Inclusionary Housing designated (5) area# in a C4-6 or C5 District:
 - a portion of the #lot area# that contains a wholly #commercial building# to be excluded from the calculation of #floor area# for any other #buildings# on the remainder of the #zoning lot#;
 - (ii) community facility #floor area# located above the ground floor to be excluded from the calculation of the amount of #affordable housing# required pursuant to Section 23-95; or
 - modification of the requirements of (6)Section 23-86 (Minimum Distance Between Legally Required Windows and Walls or Lot Lines) for #developments# or #enlargements#, where:
 - (i) the required minimum distance as set forth in Section 23-86 is provided between the #legally required window# in the new #development# or #enlargement# and a wall or #lot line # on an abutting property; and
 - the required minimum distance is provided by a light and air easement acceptable to the Department of City Planning and recorded in the County Clerk's office in the county in

which such tracts of land are

- modification of the definition of #outer court# in Section 12-10 (DEFINITIONS) and the provisions of Section 23-84 (Outer Court Regulations) to include any open area that is bounded on all sides but one by building walls and is not otherwise a #yard# or an #inner court#, provided that:
 - <u>(i)</u> such modifications are permitted only for #general large-scale developments# previously approved by the City Planning Commission in a C4-7 $\underline{District\ within\ the\ boundaries}$ of Manhattan Community District 7; and
 - (ii) the minimum distance between a #legally required window# facing onto such #outer court# and a building wall shall be 30 feet, measured in a horizontal plane at the sill level of, and perpendicular to such window for the full width of the rough window opening.
- In an #Inclusionary Housing designated area# in a C4-7 district within the boundaries of Manhattan Community District 7, for the purpose of applying the <u>Inclusionary Housing Program within</u> such #Inclusionary Housing designated
 - modification of the base and <u>(i)</u> maximum #floor area ratios# specified in Section 23-952, not to exceed the maximum #floor area ratios# permitted by the underlying district, based on a proportionality between #affordable floor area# and #residential floor area# in #buildings# containing multiple #uses#; and
 - <u>(ii)</u> modification of the $\underline{requirements}\;\underline{regarding}$ distribution of #affordable housing units# specified in Section 23-96(b) as set forth in a restrictive declaration.
- (b) In order to grant a special permit pursuant to this Section for any #general large-scale development#, the Commission shall find that:
 - the distribution of #floor area#, #open (1) space#, #dwelling units#, #rooming units# and the location of #buildings#, primary business entrances and #show windows# will result in a better site plan and a better relationship among #buildings# and open areas to adjacent #streets#, surrounding #development#, adjacent open areas and shorelines than would be possible without such distribution and will thus benefit both the occupants of the #general large-scale development#, the neighborhood, and the City as a whole;
 - (2)the distribution of #floor area# and location of #buildings# will not unduly increase the #bulk# of #buildings# in any one #block# or unduly obstruct access of light and air to the detriment of the occupants or users of #buildings# in the #block# or nearby #blocks# or of people using the public #streets#:
 - (3)where a #zoning lot# of a #general largescale development# does not occupy a frontage on a mapped #street#, appropriate access to a mapped is provided;
 - (4) considering the size of the proposed #general large-scale development#, the #streets# providing access to such #general large-scale development# will be adequate to handle traffic resulting therefrom:
 - (5) when the Commission has determined that the #general large-scale development# requires significant addition to existing public facilities serving the area, the applicant has submitted to the Commission a plan and timetable to provide such required additional facilities. Proposed facilities that are incorporated into the City's capital budget may be included as part of such plan and timetable;
 - (6) where the Commission permits the maximum #floor area ratio# in accordance with the provisions of paragraph (a)(4) of this Section, the #open space# provided is of sufficient size to serve the residents of new or #enlarged buildings#. Such #open space# shall be accessible to and usable by all residents of such new or #enlarged buildings#, have appropriate access,

circulation, seating, lighting and paving, and be substantially landscaped Furthermore, the site plan of such #general large-scale development# shall include superior landscaping for #open space# of the new or #enlarged buildings#;

- (7) where the Commission permits the exclusion of #lot area# or #floor area# in accordance with the provisions of paragraph (a)(5) of this Section or modification of the base and maximum #floor area ratios# or requirements regarding distribution of #affordable housing units# in accordance with paragraph (a)(8) of this Section, such modification will facilitate a desirable mix of #uses# in the #general large-scale development# and a plan consistent with the objectives of the Inclusionary Housing Program and those of Section 74-74 $\underline{(General\ Large-Scale\ Development)\ with}$ respect to better site planning; and
- (8) a declaration with regard to ownership requirements in paragraph (b) of the #general large-scale development# definition in Section 12-10 (DEFINITIONS) has been filed with the Commission.

The Commission may prescribe additional conditions and safeguards to improve the quality of the #general large-scale development# and to minimize adverse effects on the character of the surrounding area.

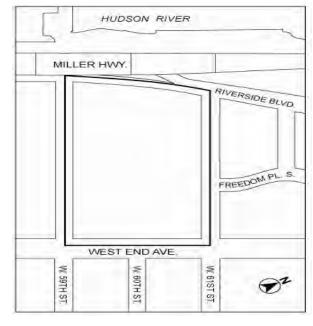

For a phased construction program of a multi-building complex, the Commission may, at the time of granting a special permit, require additional information, including but not limited to a proposed time schedule for carrying out the proposed #general large-scale development#, a phasing plan showing the distribution of #bulk# and #open space# and, in the case of a site plan providing for common #open space#, common open areas or common parking areas, a maintenance plan for such space or areas and surety for continued availability of such space or areas to the people they are intended to serve.

General Large-Scale Development

For #general large-scale developments# involving several #zoning lots# but planned as a unit, the district regulations may impose unnecessary rigidities and thereby prevent achievement of the best possible site plan within the overall density and #bulk# controls. For these #developments#, the

regulations of this Section are designed to allow greater flexibility for the purpose of securing better site planning, while safeguarding the present or future use and development of the surrounding area.

No portion of a #general large-scale development# shall contain any #use# not permitted by the applicable district regulations for such portion, except as otherwise provided in Section 74-744 (Modification of use regulations). When an existing #building# in a #general large-scale development# is occupied by a #non-conforming use#, any #enlargement# of such existing #building# shall be subject to the requirements set forth in Section 52-00 (NON-CONFORMING USES: DEFINITIONS AND GENERAL PROVISIONS).

In a C4 District, the City Planning Commission may modify applicable district regulations to allow certain boating and related #uses# listed in Use Group 14A, not otherwise allowed in such district, provided the Commission shall find that:

 $\frac{(1)}{(i)}$ the #uses# are appropriate for the location and blend harmoniously with the rest of the #general large-scale development#; and

(2)(ii) the #streets# providing access to such #uses# will be adequate to handle the traffic generated thereby.

<u>(2)</u> Automotive sales and service #uses#

> For #general large-scale developments# previously approved by the City Planning Commission in a C4-7 District within the boundaries of Manhattan Community <u>District 7, the City Planning Commission</u> may modify applicable district regulations to allow automotive sales and service establishments that include repair services and preparation for delivery, provided the Commission shall find that:

- the portion of the establishment used for the servicing and preparation of automobiles is located entirely in a #cellar# level and below grade or established curb level, and the ground floor level of such establishment is used only for showrooms and sales;
- <u>(ii)</u> sufficient indoor space for storage of vehicles for sale or service has been provided; and
- <u>(iii)</u> such #use# will not create or contribute to serious traffic congestion and will not unduly inhibit surface traffic or adversely affect pedestrian movement.
- (b) Location of #commercial uses#

For any #general large-scale development#, the City Planning Commission may permit #residential# and non-#residential uses# to be arranged within a #building# without regard for the regulations set forth in Section 32-42 (Location within Buildings), provided the Commission shall

- (1) the #commercial uses# are located in a portion of the #mixed building# that has separate access to the outside with no opening of any kind to the #residential# portion of the #building# at any #story#;
- (2)the #commercial uses# are not located directly over any #story# containing #dwelling units#; and
- the modifications shall not have any (3)adverse effect on the #uses# located within the #building#.

SMART GRID PROJECT RFP – Request for Proposals – PIN# 3729-1 – DUE 12-22-10 AT 4:00 P.M. – The Center for Economic Transformation of the New York City Economic Development Corporation (NYCEDC) is seeking a construction manager ("CM") to lead its staff and/or a consultant team in the provision of construction management and related services for a smart grid project (the "Project") consisting of: (1) a solar photovoltaic system, battery storage and a building management system (BMS) at the Brooklyn Army Terminal and (2) BMS at two or more other NYCEDC managed properties. The Project, part of a larger ConEd smart grid demonstration project, seeks to optimize the renewable energy resources and storage capabilities of our system to (1) help reduce energy costs at the Project locations and (2) potentially profit from both distributed generation and load reduction. The larger ConEd-led project seeks to demonstrate the possibility of centralized command and control of disparate, City-wide energy resources, including hybrid vehicles, distributed generation, battery storage, and demand response, with a focus on cybersecurity and mass data-management and manipulation, all on a real-time basis.

Respondents must be able to provide a full range of preconstruction, construction and post-construction management and other construction-related services as more specifically set forth in the Contract Draft and Scope of Services annexed to the RFP including, without limitation, the following: participation in the review and resolution of design and construction issues at regularly scheduled Project meetings; constructability reviews; cost estimating and value engineering exercises; preparation of staging and phasing plans, Project controls, bid packages, requisitions, change orders and other contract documents and processes. NYCEDC plans to select a consultant on the basis of factors stated in the RFP which include, but are not limited to: the quality of the proposal, experience of key staff identified in the proposal, experience and quality of any subcontractors proposed, demonstrated successful experience in performing services similar to those covered in the scope of work, and the proposed fee.

This project has Minority and Women Owned Business Enterprise ("M/WBE") participation goals and all respondents will be required to submit an M/WBE Utilization Plan with their response. To learn more about NYCEDC's M/WBE program visit www.nycedc.com/opportunitymwd. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go to the www.nyc.gov/buycertified

DESIGN, BUILD, FINANCING, OPERATE HYDROELECTRIC PLANTS – Request for Information – PIN# 82611SPHYDRO – DUE 01-14-11 AT 4:00 P.M. – The New York City Department of Environmental Protection ("DEP"), in conjunction with the City of New York ("City"), is issuing this Request for Expressions of Interest ("RFEI") to gather information from entities interested in designing, building, financing, and/or operating hydroelectric plants on four of the New York City-owned dams and reservoirs in upstate New York. Water is released from the reservoirs for conservation purposes and to comply with downstream flow targets in the main stem of the Delaware River, as prescribed under a 1954 U.S. Supreme Court Decree. This water, along with water that would otherwise spill, is available for hydroelectric energy production. The City holds a preliminary permit issued by the Federal Energy Regulatory

Commission ("FERC") to allow it, in conjunction with DEP, to further evaluate the Commission ("FERC") to allow it, in conjunction with DEP, to further evaluate the development of hydroelectric facilities. Consistent with the general City policy of encouraging collaboration between government and the private sector DEP has decided to investigate the potential for a private developer to become involved in the project and is desirous of receiving input from persons and entities that may be interested in working with the City in developing the project. Following an evaluation of the responses to this RFEI, the DEP may decide to develop a request for Qualifications (RFQ), which may be used to pre-qualify entities for a potential Request for Proposal (RFP). The submission of this RFEI does not constitute or guarantee any contract. guarantee any contract.

THIRD PARTY DISTRICT ENERGY SYSTEM - Request for Information -PIN# 82611ENERGY1 - DUE 01-14-11 AT 4:00 P.M. - The NYC Department of Environmental Protection (DEP), in collaboration with other City of New York agencies (the City), is issuing this Request for Expressions of Interest (RFEI) to energy developers and financiers interested in building, owning, operating, and financing a third-party district energy system to serve existing energy users on Wards Island, and Randall's Island, in New York City. Some of the municipal facilities on Wards Island are currently served by a district energy system, which was built in 1937 and is scheduled to be shut down at the end of 2012. A new modern district energy system could be developed by replacing, expanding and/or refurbishing the various components of the existing system. Following an evaluation of the responses to this RFEI, the DEP may decide to develop a request for Qualifications (RFQ), which may be used to pre-qualify entities for a potential Request for Proposal (RFP). The submission of this RFEI does not constitute or guarantee any contract. This is not an RFP.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in Crosby v. National Foreign Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at http://nyc.gov/selltonyc
- To request a hardcopy application, call the Vendor

Enrollment Center at (212) 857-1680.

Attention Existing Suppliers: Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a prequalified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the $\it CR$.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

☞ n22

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Sources at (212) 788,0010. Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year in and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
