CUNY SCHOOL OF LAW - AV TECH SYSTEM & COMMUNITY ROOM RENOVATION - Public Bid - PIN# CL-CUCF-27-25 - Due 10-16-25 at 11:59 P.M.

The City University Construction Fund (CUCF), on behalf of the City University of New York (CUNY) and through CUNY's Office for Facilities Planning, Construction, and Management (FPCM), is seeking bids from qualified contractors to for the AV Technology System and Community Room Renovation project at the CUNY School of Law.

This project involves the comprehensive renovation and transformation of a 3,400 sq. ft. space on the third floor of the CUNY School of Law, formerly utilized as a commercial kitchen. The renovated area will be reconfigured to support a range of flexible academic and community functions, including new classrooms, clinical or experiential teaching spaces, a community gathering area for events, and associated support spaces. All existing kitchen fixtures, equipment, and finishes will be removed to allow for the full reconfiguration of the space. A small kitchenette will be incorporated to support ongoing use of the adjacent Community Room.

The scope of work includes complete interior demolition and reconfiguration, along with upgrades to lighting, HVAC, telecommunications, and internet infrastructure to meet modern educational and operational standards.

A key component of the project is the replacement and modernization of the building's outdated audiovisual (AV) systems. This includes the installation of new AV infrastructure in the Community Room as well as in classrooms and event spaces throughout the Law School. The existing AV equipment—much of which consists of retrofitted, repurposed systems—will be replaced with fully integrated, state-of-the-art technology to support contemporary academic instruction, hybrid learning, and institutional events.

CUCF invites bids from firms with demonstrated experience in comparable renovation and AV integration projects. Bidders must provide evidence of technical expertise, experience navigating regulatory approvals, and a proven capacity to execute the work efficiently and in full compliance with applicable requirements.

A copy of the solicitation that more fully describes the project, process, minimum qualification requirements, submission requirements, evaluation criteria, timeline and contact information is available for downloading at www.cuny.edu/cunybuilds, under Current and Upcoming Procurements.

HUMAN RESOURCES ADMINISTRATION

■ NOTICE

Notice of Concept Paper

The Mayor’s Office to End Domestic and Gender-Based Violence (ENDGBV) is committed to enhancing its policies and procedures to more effectively serve survivors of domestic and gender-based violence and other crimes.

ENDGBV assumed oversight of the Crime Victim Assistance Program (CVAP) in July 2024 and engaged in a thorough and comprehensive review of the program. To learn about the successes and challenges of the program, ENDGBV spoke to various stakeholders, including the New York City Police Department (NYPD), New York City District Attorneys’ Offices, Department for the Aging, community-based organizations, advocates, and survivors. During these conversations, our Office heard that stakeholders see value in embedding victim services in precincts. Precinct-based advocates can provide survivors with emotional support, short-term crisis counseling and safety-planning, internal advocacy with NYPD, and connection to services. ENDGBV also heard that survivors may face barriers to accessing these services, especially survivors who may not want to receive services in close proximity to NYPD, and operational challenges related to the precinct environment. ENDGBV heard that CVAP services can be duplicative and that survivors could benefit from more long-term engagement with advocates and more connections to neighborhood-based services.

In response to the feedback ENDGBV received, ENDGBV is re-envisioning CVAP to build on the program’s successes and address its structural and operational challenges. ENDGBV in collaboration with the NYC Department of Social Services (DSS) plans to issue a Request for Proposals (RFP) for CVAP that will offer survivors of domestic and gender-based violence and other crimes short- and long-term services in both precinct-based and neighborhood-based venues. The RFP will seek up to six (6) qualified services contractors to operate CVAP. One (1) provider will provide precinct-based services and up to five (5) providers will provide community-based services in each borough.

Submit all comments via email to endgbvprocurements@cityhall.nyc.gov no later than 2:00 P.M. on November 3, 2025. Please title your email “CVAP Concept Paper – Your Organization Name.”

READER'S GUIDE

The City Record (CR) is published each business day. The Procurement section of the City Record is comprised of notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Notice of solicitations and other notices for most procurement methods valued at or above \$100,000 for goods, services, and construction must be published once in the City Record, among other requirements. Other procurement methods authorized by law, such as sole source procurements, require notice in the City Record for five consecutive editions. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov; and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
