DESIGN AND INSTALLATION OF ARTWORK CUNY LAW SCHOOL – Request for Qualifications – PIN# CL-CUCF-03-11 – DUE 09-15-11 AT 12:00 P.M. – The City University Construction Fund is seeking an Artist to design and install a site-specific art installation as part of the new CUNY School of Law facility in Long Island City. The purpose of this project is to create a dynamic and exciting artwork which complements and enhances the ground floor space in the school’s new building. The location of the art work is on a large wall in the “beacon”, a multilevel space adjacent to a new glass staircase, design elements meant to serve as the physical pulse/heart of the new School of Law.

The School of Law is one of the City University of New York’s five professional schools and is one of the premier public interest law schools in the country. The School’s mission is to graduate outstanding public interest attorneys and their motto, “Law in the Service of Human Needs,” permeates law school life. This dedication to public service and social justice is reflected in design elements in the new facility and should be captured in the art work commissioned for the space.

The School of Law’s new facility will create a home for the entire school that will consist of state-of-the-art classrooms, law clinics, community spaces, gallery space, a library and auditorium. The new building will be approximately 200,000 GSF and will replace an outdated facility in Flushing, New York. The project is entering the construction phase with substantial completion scheduled for spring of 2012. NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN THE Commissioner of Environmental Protection by Sections 1043 and 1403 (b) of the Charter of the City of New York, and Section 24-163.3 of the Administrative Code of the City of New York, and in accordance with the requirements of Section 1043 of the Charter of City of New York, that the Department of Environmental Protection promulgates a rule governing the use of ultra-low sulfur diesel fuel and control technology in nonroad vehicles used in City construction. These amendments were proposed and published on June 23rd, 2011 in the City Record. The required hearing was held on July 25th, 2011.

Proposed Rule Amendment

Pursuant to the authority vested in the Commissioner of Environmental Protection by Section 1043 and 1403(b) of the Charter of the City of New York and Sections 24-163.3 of the Administrative Code of the City of New York, the Department of Environmental Protection is proposing to amend its rules concerning the Use of Ultra-Low Sulfur Diesel Fuel and Emissions Control Technology in Nonroad Vehicles Used in City Construction. The proposed rule was listed in the Department's fiscal year 2010 Regulatory Agenda.

Statement of Basis and Purpose

Statutory Authority

Pursuant to the authority vested in the Commissioner of Environmental Protection by Section 1043 and 1403(c) of the Charter of the City of New York and section 24-163.3 of the Administrative Code of the City of New York ("Administrative Code"), the Department of Environmental Protection is amending its rules governing the use of ultra-low sulfur diesel fuel and best available emissions control technology by nonroad vehicles in City construction. (15 RCNY §14-01 et. seq.)

Summary of Provisions

The United States Environmental Protection Agency (“EPA”) has adopted rules that require the use of high-efficiency after treatment systems known as Tier IV Exhaust Emission Standards. The entire Tier IV Exhaust Emission Standards final rule is available at http://www.epa.gov/nonroad-diesel/2004fr.htm.

The proposed rule amends section 14-02 of Title 15 of the Rules of the City of New York to provide that additional retrofit technology is not required when an engine is certified to meet the EPA’s Tier IV Exhaust Emission Standards.

Statement of Purpose

As required by §24-163.3 (d)(1), the DEP is required to review and make determinations as to which technology constitutes the best available technology for reducing the emission of pollutants for each type of diesel-powered nonroad vehicle covered by this section.

Section 1. The introductory paragraph of section 14-02 of Title 15 of the Rules of the City of New York is amended to read as follows:

§14-02 Best Available Technology Determination.

An engine that has been certified to meet the United States Environmental Protection Agency’s (“EPA”) Tier IV Exhaust Emission Standards is deemed to be using the Best Available Technology (“BAT”), and does not require additional retrofit technologies. EPA’s Tier IV Exhaust Emission Standards are described in Table 1 of the EPA’s Clean Air Nonroad Diesel Rule Fact Sheet, EPA420-F-04-032, May 2004, available at http://www.epa.gov/nonroad-diesel/2004fr/420f04032.htm.

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
