OPERATION AND MAINTENANCE OF THE FRIEDSAM MEMORIAL CAROUSEL IN CENTRAL PARK, MANHATTAN – Other – PIN# M10-73-C-CL – DUE 03-01-10 AT 5:00 P.M. – Pursuant to Section 1-14 of the Concession Rules of the City of New York (Concession Rules), the New York City Department of Parks and Recreation (“Parks”) intends to enter into negotiations for a license agreement for the operation and maintenance of the Friedsam Memorial Carousel, which is located inside Central Park, west of the Center Drive at 65th Street in Manhattan (licensed premises). In addition, the concessionaire will also be allowed to operate up to three (3) mobile vending units for the sale of food and beverages and one (1) mobile vending unit for the sale of gifts and souvenirs at the licensed premises.

The concession will have a six (6) month term with six (6) one-month renewal options, exercisable upon the mutual agreement of Parks and the concessionaire. Parks anticipates that the initial concession term will begin approximately March 24, 2010 and will expire approximately September 23, 2010. The concession will operate pursuant to a license issued by Parks; no leasehold or other proprietary right is offered. As compensation to the City, Parks anticipates receiving flat monthly fee of approximately \$7,500.

Parks has determined that it is not practicable nor advantageous to award a concession by competitive sealed bidding or competitive sealed proposals due to the existence of a time-sensitive situation where a concession must be awarded quickly because the existing concession agreement was recently terminated. The license agreement negotiated pursuant to Section 1-14 of the Concession Rules is intended to be a short-term solution designated to ensure continuity of service to the public, a continued revenue stream for the City, and proper maintenance and upkeep of the Friedsam Memorial Carousel, an important icon of Central Park, while Parks develops a Request for Proposals (RFP) to solicit a long term concessionaire for the licensed premises.

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of federal, state, and local laws and executive orders requiring affirmative action and equal employment opportunity.

Potential concessionaires should contact Joel Metlen, Deputy Director of Concessions, at (212) 360-1397 or via email at joel.metlen@parks.nyc.gov for instructions and information concerning how they may express interest in the proposed concession and/or how they may obtain additional information concerning the proposed concession.

To ensure Parks' consideration of any "expressions of interest" resulting from this notification please contact Mr. Metlen by March 1, 2010. Mr. Metlen may also be contacted with any questions and/or correspondence relating to the potential concession award. Parks will evaluate any proposals received in response to this notice on the basis of compensation to the City, operating experience in the industry, including any work with City agencies, or access to individuals and/or firms with such expertise, planned operations and maintenance, and financial capability. Where applicable, Parks may condition the award of this concession upon the successful completion of VENDEX Questionnaires (Vendor and Principal Questionnaires) and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10 percent ownership interest in the submitting vendor (including a parent company), may be required to complete VENDEX Questionnaires (Principal Questionnaire by any person and Vendor Questionnaire for any entity with at least a 10 percent ownership interest in the submitting vendor).

The New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the proposal process should inform the Comptroller's Office of Contract Administration, 1 Centre Street, Room 835, New York, New York 10007. This office may be reached at (212) 669-2323.

OPERATION AND MAINTENANCE OF A FERRY SERVICE AND DOCK AT RANDALL'S ISLAND, MANHATTAN – Other – PIN# M104-F-M – DUE 03-01-10 AT 5:00 P.M. – Pursuant to Section 1-14 of the Concession Rules of the City of New York (Concession Rules), the New York City Department of Parks and Recreation ("Parks") intends to enter into negotiations for a license agreement for the operation and maintenance of a ferry service and dock at the northeastern corner of the Harlem River Event site, adjacent to Icahn Stadium, Block 1819, Lot 50, Randall's Island, Manhattan (Licensed Premises).

The concession will provide for one (1) fifty-nine day term, commencing on April 8, 2010 and expiring on June 6, 2010. The concession will operate pursuant to a license issued by Parks; no leasehold or other proprietary right is offered. As compensation to the City, Parks anticipates that the concessionaire will perform approximately \$8,000 in capital improvements to the Licensed Premises.

Parks has determined that it is not practicable or advantageous to award a concession by competitive sealed bidding or competitive sealed proposals due to the existence of a time-sensitive situation where a concession must be awarded quickly because the existing concession agreement was recently terminated. The license agreement negotiated pursuant to Section 1-14 of the Concession Rules is intended to be a short-term solution to provide ferry service to Randall's Island to accommodate an increased amount of people traveling there for a series of performances by Cirque Du Soleil, scheduled to take place from April 8, 2010 to June 8, 2010.

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of federal, state, and local laws and executive orders requiring affirmative action and equal employment opportunity.

Potential concessionaires should contact Evan George, Revenue Project Manager, at (212) 360-3495 or via email at evan.george@parks.nyc.gov for instructions and information concerning how they may express interest in the proposed concession and/or how they may obtain additional information concerning the proposed concession.

To ensure the consideration by Parks of any "expressions of interest" resulting from this notification please contact Mr. George by March 1, 2010. Mr. George may also be contacted with any questions and/or correspondence relating to the potential concession award. Parks will evaluate any proposals received in response to this solicitation on the basis of compensation to the City, the intended use of the licensed premises by the proposed concessionaire, proposed concessionaire's previous demonstrated ability to perform the service that is required and the proposer's financial capability. Where applicable, Parks may condition the award of this concession upon the successful completion of VENDEX Questionnaires (Vendor and Principal Questionnaires) and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10 percent ownership interest in the submitting vendor (including a parent company), may be required to complete VENDEX Questionnaires (Principal Questionnaire by any person and Vendor Questionnaire for any entity with at least a 10 percent ownership interest in the submitting vendor).

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby adopts the amendments to section 102-01 of subchapter B of Chapter 100 of Title 1 of the Official Compilation of the Rules of the City of New York, regarding violation reclassification.

This rule was first published on December 28, 2009 and a public hearing thereon was held on February 1, 2010.

Dated: February 4, 2010 /s/
New York, New York Robert D. LiMandri
Commissioner

Subdivision (j) of Section 102-01 of Subchapter B of Chapter 100 of Title 1 of the Rules of the City of New York is amended by adding, in numerical order, new entries relating to New York City Administrative Code Section 28-116.1 and Building Code Section 3303.7.3 to read as follows:

Section 1

Section of Law	Classification	Violation Description
28-116.1	Class 2	Failure of permit holder to provide inspection access to and/or expose ongoing construction or work on an

active and permitted worksite.

Section 2

Section of Law	Classification	Violation Description
BC 3303.7.3	Class 1	Smoking at construction/demolition site.

Section of Law	Classification	Violation Description
BC 3303.7.3	Class 2	Smoking at construction/demolition site.

Section of Law	Classification	Violation Description
BC 3303.7.3	Class 2	Failure to post No Smoking signs at construction/demolition sites per Fire Code.

Statement of Basis and Purpose

The foregoing rule amendment is proposed pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043(a) of the New York City Charter. In accordance with the below, the Department proposes to add these new infractions to Subdivision (j) of 1 RCNY 102-01 and the Department's Penalty Schedule in order to adequately and effectively enforce the related laws.

Section 1

The amendment to Section 102-01 of the Department's rules results from the inadequacy and/or omission of penalties that exist where Department inspectors are denied access to observe ongoing work at active construction sites. Without penalties specific to the provision, Section 116.1 of Title 28 cannot be effectively enforced.

Department inspectors are often denied access to ongoing work at construction sites during random visits designed to ensure that work is being performed in accordance with the code and within the scope of the permit. These denials of access often go without penalty, potentially conceal illegal work and often require subsequent follow-up inspections or other enforcement mechanism, such as a Stop Work Order, in order to compel an inspection.

The intent of the new infraction is to create a disincentive to a permit holder's denial of access to Department inspections of ongoing work on an active permit.

Section 2

The amendments to Section 102-01 of the Department's rules result from the enactment of Local Law 36 of 2009 which was enacted on June 29, 2009 and became effective on August 28, 2009.

Local Law 36 of 2009, which prohibits smoking at construction sites, amends BC Section 3303 of the New York City Building Code by adding a new section BC 3303.7.3, prohibiting smoking at all construction and demolition sites, and requires "No Smoking" signs to be posted in accordance with the provisions of Section 310 of the New York City Fire Code and any rules promulgated thereunder.

It is well established that construction and demolition sites are dangerous places where flammables and combustible materials and substances are often stored and used. Over the years, smoking has been identified as the root cause of many construction fires. The Department's intention is to make a clear statement to the construction industry that smoking is dangerous and intolerable at construction and demolition sites.

In furtherance of the many outreach and enforcement efforts which have been ongoing at these sites throughout the City over the past, the Department is adding three new infractions to the Penalty Schedule. Such violations will be issued to the general contractor, subcontractor or permit holder in charge and control of the construction or demolition site.

COURT NOTICE MAP FOR GRACE ASPHALT PLANT

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at <http://nyc.gov/selltonyc>

- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
