HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs) released Fall 2013 and later, vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. To establish this, the City of New York is using the innovative procurement. method, as permitted and in accordance with Section 3-12 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"). The new process will remove redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding will be more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

RFPs to be managed by HHS Accelerator are listed on the NYC Procurement Roadmap located at

http://www.nyc.gov/html/hhsaccelerator/html/roadmap/road map.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Deputy Mayor for Health and Human Services, is governed by an Executive Steering Committee of Agency Heads who represent the following Committee of Agency Heads who represent the followin NYC Client and Community- based Services Agencies: Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS)

Statement of Basis and Purpose of Rule

New York City residents and visitors rely heavily on the public transportation network to move around the city. This network of buses, subways, commuter rail, and paratransit vehicles, along with taxis and other for-hire vehicles (FHVs) regulated by the New York City Taxi and Limousine

Commission (TLC), is a critical component of the City's economy and contributes immeasurably to New Yorkers' quality of life.

Unfortunately, much of this network is out of reach for the tens of thousands of wheelchair users who live in NYC. The MTA's Access-A-Ride paratransit service provides an advanced registration system that enables a passenger in a wheelchair to be picked up and dropped off virtually anywhere in the city for the price of a bus or subway ride; however, the service is not available for the type of "ondemand," spontaneous trips commonly taken in taxis.

Expanding wheelchair users' access to taxi service is an important undertaking for the City of New York. The City has a special interest in ensuring that individuals who use wheelchairs have mobility options that enable them to travel between meetings, medical appointments, errands, and social engagements with the same speed and spontaneity nonwheelchair users enjoy. For several years TLC has been working to expand access to taxicabs for wheelchair users:

- Initial Accessible Medallion Sales. Before 2004, there were few accessible taxis. In 2004, the City sold its first 81 "accessible medallions." These medallions could only be used on vehicles that are wheelchair accessible. In 2006 through 2008, the City sold a total of 150 additional accessible medallions, bringing the total to 231 accessible medallions.
- lacktriangleAccessible Dispatch Pilot Program. In 2008, the City launched a two-year accessible dispatch pilot program. This program enabled a passenger to request that an accessible taxicab be dispatched to his or her location. Although the pilot program had relatively low utilization rates and long wait-times, it was effective in providing the information TLC and the industry needed to design a more effective permanent dispatch program.
- $Permanent\ Accessible\ Dispatch\ Program.$ Employing lessons learned from the accessible dispatch pilot program and broad stakeholder input, in 2012 TLC launched a permanent accessible dispatch program for taxicabs. This program has been successful since its inception; its success is expected to continue as additional wheelchair accessible taxicabs enter service.
- Additional Accessible Medallion Sales. In December 2011 Governor Cuomo signed legislation authorizing the TLC to sell 2,000 additional accessible medallions. In November 2013. TLC sold the first 200 accessible medallions. The remainder of the 2,000 accessible medallions will be sold over the next several years.

Continuing this progress, the rules proposed here will phase in 7,500 additional accessible taxis during the next several years by amending the vehicle requirements for certain taxicabs so that at least 50% of NYC taxicabs operating with unrestricted medallions must be wheelchair-accessible by 2020. This proposed rule implements a settlement in an action entitled The Taxis for All Campaign, et. Al., v. New York City Taxi and Limousine Commission, Case No. 11-cv 0237 (GBD) pending in the United States District Court for the Southern District of New York.

Specifically, these rules require the following:

Beginning on the "Accessible Conversion Start Date," which will be either (1) when there is a vehicle available that meets both TLC's standards for accessible taxicabs and the requirements for alternative fuel taxicabs set forth in the Administrative Code, or (2) January 1, 2016 (whichever is earlier):

Unrestricted minifleet medallion owners:

- May each submit a Fleet Owner Accessibility Plan to TLC containing a schedule for how he or she will convert at least 50% of the unrestricted medallions he or she controls to accessible medallions by 2020.
 - Unrestricted minifleet medallion owners submitting a plan have some flexibility to decide how to phase accessible vehicles into their fleets. TLC expects many owners will phase accessible vehicles in as their existing vehicles reach their retirement ages.
 - 0 To ensure progress towards a 50%accessible fleet, these plans must provide that at least every other unrestricted minifleet medallion under an owner's control must be hacked up with an accessible vehicle until at least 50% of the owner's unrestricted medallions are being used with accessible vehicles.
- Who choose not to submit a Fleet Owner Accessibility Plan or whose plan is not approved by the Chairperson are still required to convert at least 50% of their unrestricted minifleet medallions to accessible vehicles by 2020. In these cases, all of an owner's unrestricted minifleet medallions hacking up with new vehicles must do so with accessible vehicles until at least 50% of the owner's unrestricted minifleet medallions are being used with accessible vehicles.

Accessible minifleet medallion owners:

- Must continue to use their medallions with accessible vehicles.
 - When an owner owns both accessible minifleet medallions and unrestricted minifleet medallions, accessible

medallions do not count towards the owner's meeting his or her 50% accessibility requirement for unrestricted medallions.

Independent medallion owners:

- Who have not been personally driving their taxicabs in compliance with TLC owner-driver requirements for the preceding two years must hack up with accessible vehicles on the next occasion that they hack up new vehicles.
- Who have been driving their medallions in compliance with TLC owner-driver requirements for the preceding two years have no requirement to hack up with accessible vehicles.
- Who own accessible independent medallions must continue to operate accessible vehicles regardless of whether they meet TLC owner-driver requirements.

Minifleet and independent alternative fuel medallion owners:

 Will not have a requirement to hack up accessible vehicles.

These rules also contain provisions preventing owners from transferring medallions without providing a plan for continued compliance with accessibility conversion requirements.

These rules will go into effect, following adoption by the Commission, on the date on which the settlement in the above-referenced litigation takes effect. The rules also provide:

 All new drivers must receive wheelchair passenger assistance training beginning on June 1, 2014, and all current drivers must receive such training beginning at their renewals following the effective date, but no later than one year following the effective date.

These rules are authorized by Section 2303 of the Charter and Section 19-503 of the Administrative Code of the City of New York

New material is underlined.
[Deleted material is in brackets.]

Section 1. Section 54-04(n)(1) of Title 35 of the Rules of the City of New York is amended to read as follows:

(1) Training Must be Approved by Commission. In order to become a driver of an Accessible Taxicab or an Accessible Street Hail Livery, a Driver must attend a Commission-approved training course regarding Wheelchair Passenger assistance (Note: this requirement does not apply to a Paratransit Driver operating an Accessible Street Hail Livery). Beginning on June 1, 2014, any Applicant for a new Taxicab Driver's License must attend and complete the training course as a condition of licensure. Beginning on the Accessible Conversion Start Date, any Applicant for a renewal Taxicab Driver's License must attend and complete the training course as a condition of licensure. Every holder of a Taxicab Driver's License must have completed the training by no later than one year after the Accessible Conversion Start Date as a condition of continued licensure.

Section 2. Subdivisions (a) through (n) of section 58-03 of Title 35 of the Rules of the City of New York are relettered subdivisions (b) through (o), subdivisions (o) through (pp) are relettered subdivisions (q) through (rr), and new subdivisions (a) and (p) are added, to read as follows:

- (a) Accessible Conversion Start Date is the date which is the earlier of (1) the date on which there is an Accessible Taxicab Model that meets the specifications of Section 67-05.2 of these Rules and the requirements of §19-533 of the Administrative Code, as certified by the Chairperson, or (2) January 1, 2016. To the extent possible, the Chairperson will place a notice of the Accessible Conversion Start Date on the Commission's Web site at least 60 days prior to the Accessible Conversion Start Date.
- (p) Fleet Owner is a person who owns or a group of persons who own an interest in more than one Minifleet or an Agent managing one or more such Minifleets on behalf of an Owner or group of Owners.

Section 3. Title 35 of the Rules of the City of New York is amended by adding a new section 58-50, to read as follows:

§58-50 Accessible Medallion Conversion.

- (a) Accessible Vehicle Hack-up: All Minifleet Medallions Generally
- (1) This subdivision (a) applies only to any Unrestricted Minifleet Medallions which are **not** covered by an approved accessibility conversion plan for a Fleet Owner as set forth in subdivision (b).
- (2) Following the Accessible Conversion Start Date, any Unrestricted Medallion for which a new vehicle is placed into service must be Hacked-up with an Accessible Taxicab meeting the requirements of Section 67-05.2 of these Rules, unless at least 50% of the Unrestricted Minifleet Medallions owned by such Minifleet are Hacked-up with an Accessible Taxicab meeting the requirements of Section 67-05.2 of these Rules
- (b) Accessible Vehicle Hack-up: Fleet Owner Plans. Fleet Owner Plans. On or before December 31, 2014, a Fleet Owner may file an accessibility conversion plan with the Chairperson and must institute such plan following the Chairperson's written approval. No plans will be accepted after December 31, 2014, and vehicles must be Hacked-up as provided in paragraph (a) if no plan is submitted. Any such plan must include all of the following:

(1) The plan must identify all Unrestricted Medallions covered by such plan; the plan must not include Accessible Medallions or Alternative Fuel Medallions owned by the Fleet Owner as of the date of filing.

- (2) The plan must identify which Medallions will be Hackedup with Accessible Taxicabs and the date by which such Hackup will occur.
- (3) The plan must provide that at least every other new vehicle Hacked-Up as a Taxicab with any of the Fleet Owner's Unrestricted Medallions must be an Accessible Taxicab meeting the requirements of Section 67-05.2 of these Rules beginning on the Accessible Conversion Start Date until at least 50% of the Fleet Owner's Unrestricted Medallions covered by the plan are Hacked-up as Accessible Taxicabs.
- (4) The plan must demonstrate that at least 50% of the Fleet Owner's Unrestricted Medallions as covered by the plan will be Hacked-up as Accessible Taxicabs no later than January 1, 2020.
- (5) A Fleet Owner will be permitted to Hack-up Taxicabs only in compliance with an approved accessibility conversion plan and the Medallions covered by the plan will only be permitted to Hack-up Taxicabs as provided in the plan.
- (6) If a Fleet Owner seeks to transfer any Minifleet Medallion(s) subject to a plan, in addition to meeting all other Medallion transfer requirements contained in this Chapter, such Fleet Owner must also provide either:
- (i) A modification to the plan providing that the Transferee will Hack-up the Medallion(s) to be transferred as part of the Fleet Owner's original plan, or
- (ii) A modification to the plan eliminating the transferred Medallion(s) from the Plan but providing a means by which the total number of Minifleet Medallions Hacked-up as Accessible Taxicabs as provided in the revised plan and the number Hacked-up by the new Owner of the Medallion(s) is not less than the total number of Minifleet Medallions that were to be Hacked-up as Accessible Taxicabs under the prior plan. The Chairperson will deny any revised plan and any Medallion transfer that would have the effect of reducing the number of Vehicles Hacked-up as Accessible Taxicabs.

(c) Accessible Vehicles Hacked-up.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nvc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

ACCO

CSB

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

 $OLB/d \quad other: (specify)$

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
