For electronic bid submissions, please note the following procedures:

Bid submissions must be sent via electronic mail ("The Bid Submission Email") to DCPSubmissions@schools.nyc.gov (the "Bid Submission Email Address"). Bid Submissions sent to any other email address will be disregarded. The subject line of your Bid Submission Email must include the solicitation number and the name of the submitting vendor (e.g., **B5923** - Enter Company Name). Please attach the completed Request for Bids and the Bid Blank documents to the Bid Submission Email as separate files. Please name the bid blank attachment "Bid Blank" and the completed Request for Bids attachment "RFB."

If the files accompanying your bid submission are too large to be transmitted as email attachments, please include in the first line of your Bid Submission Email a link to a Microsoft OneDrive folder containing all of your bid-related documents. Please note that if you are using OneDrive, do not attach any documents to the Bid Submission Email. Further, please include a separate folder within your OneDrive folder which includes the separate bid blank file. Please name this folder and the bid blank file "Bid Blank." The name of your OneDrive folder must match the subject line of your bid submission, and your OneDrive folder must not contain any files unrelated to the Bid Submission.

Guidance for first-time Microsoft One-Drive Users:

Microsoft OneDrive ("OneDrive") is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those bid submission documents which are too large to transmit via electronic mail:

1. Conduct an internet search for "Microsoft OneDrive;"
2. Navigate to the official Microsoft website and sign up for a free account;
3. Once you have created a folder for the solicitation whose name matches the subject line of your Bid Submission Email, upload the documents relevant to your bid submission in this folder.
4. Create a share link for this folder;
5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted

(e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and

6. Include the link which you have created as the first line of your Bid Submission Email.

The Bid opening will be conducted virtually via Microsoft Teams on **April 24, 2026, from 11:00 A.M.** Bidders who have submitted their Bid Submission Email by the Bid Submission Deadline will receive a reply to their Bid Submission Email with a link to be able to view a livestream of the Bid opening online. If you do not receive a confirmation email of the DOE's receipt of your electronic bid submission, please email: Gabriel Soriano at GSoriano@schools.nyc.gov.

For hard copy (paper) bid submissions, please follow the below instructions:

Further to prior instructions regarding submissions of bids. In addition to electronic submission via email, Bidders may choose to hand deliver their bid packages to NYC DOE at any time prior to the Bid Due Date/Time. If you plan to submit a paper bid, you must provide notice by e-mailing DCPSubmissions@schools.nyc.gov, including "Paper Submission Request for Solicitation # **B5923**" in the subject line, at least three (3) business days in advance of the anticipated date and time and place you or your agent plan to arrive at 65 Court Street, Brooklyn, NY 11201, Room 1201 to drop off your bid. Bidders should include in their notification e-mail the name of the person who will be delivering the bid or advise that the Bid Package will be arriving by messenger. Bidders who fail to provide advance notification of intent to hand-deliver a bid, risk not having anyone receive the bid. FedEx, UPS, USPS, or other common delivery services will be accepted.

Please continue to check the DOE website and/or Vendor Portal for updates.

EXECUTIVE ORDER No. 13

February 6, 2026

PROTECTING NEW YORKERS FROM ABUSIVE IMMIGRATION ENFORCEMENT

WHEREAS, the City of New York is committed to protecting all New Yorkers, regardless of immigration status, by ensuring public safety, safeguarding City property, and protecting personal identifying information; and

WHEREAS, public safety is strengthened by encouraging all New Yorkers to engage with and have trust in the institutions dedicated to their protection; and

WHEREAS, the aggressive tactics that certain non-local law enforcement agencies use in pursuing civil immigration enforcement actions, commonly without a judicial warrant, hinder public safety by creating a culture of fear around interacting with City employees, including local law enforcement agencies such as the New York City Police Department, the Department of Correction, and the Department of Probation, and by deterring New Yorkers from accessing City services and participating in various types of proceedings affecting public welfare; and

WHEREAS, New York City Administrative Code section 4-210 prohibits non-local law enforcement from accessing non-public areas of City property, including shelters and schools, without a judicial warrant, except when duly authorized by City personnel or in case of an emergency; and

WHEREAS, New York City has enacted laws to ensure that New Yorkers can access City services and report crimes without fear of their information being turned over to non-local law enforcement agencies; and

WHEREAS, in addition, the federal government has sought the cooperation of local jurisdictions in disclosing identifying information possessed by the jurisdiction, and in situations where the local jurisdiction has not voluntarily complied with such requests, the federal government has tried to use legal process to compel the jurisdiction's compliance; and

WHEREAS, the federal government has sought to collect locally-maintained data concerning many groups of people, including, but not limited to, data concerning immigrant communities and data concerning gender affirming medical care; and

WHEREAS, the City of New York has a compelling interest in safeguarding the security of the identifying information it maintains; and

WHEREAS, the City of New York has an obligation to take all steps to uphold its laws, facilitate New Yorkers' unhindered access to City services, and discourage unjust and dangerous non-local law enforcement practices;

NOW, THEREFORE, by the power vested in me as Mayor of the City of New York, it is hereby ordered:

Section 1. Definitions. For purposes of this Order, the following terms have the following meanings:

- a. "City lots" means vacant lots, parking lots, or garages leased or owned by the City of New York and over which the City has operational control;

f. "Judicial warrant" means a warrant issued by a judge appointed pursuant to Article III of the United States Constitution or a federal magistrate judge appointed pursuant to 28 U.S.C. § 631, or any successor provision, or by a court of the state of New York, that authorizes a law enforcement officer to take into custody the person who is the subject of such warrant or to conduct a search or otherwise enter the premises at issue in accordance with the terms of the warrant.

ACS, DOC, DOHMH, DOP, DSS, and NYPD shall immediately conduct a review and audit of all internal policies, guidelines, and protocols related to communication, cooperation, and coordination with non-local law enforcement agencies charged with immigration enforcement and submit a report to the Mayor within ninety (90) days of the date of this Order, by no later than May 7, 2026. - d. The use of such lots for such purpose furthers the purpose or mission of a city agency;
- e. Exigent circumstances exist; or
- f. The use of such lots for such purpose is otherwise required by law.

§ 4. Rule of Construction with Other Laws. Provisions of section 3 of this Order shall not be deemed to affect the interpretation or application of Administrative Code sections 4-210 and 10-178 and shall be construed consistently with such sections.
