The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- · Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA)
Department of Consumer Affairs (DCA)
Department of Corrections (DOC)

Department of Health and Mental Hygiene (DOHMH)

Department of Homeless Services (DHS)

Department of Probation (DOP)

Department of Small Business Services (SBS)

Department of Youth and Community Development (DYCD)

When and where is the Hearing? ECB will hold a public hearing on the proposed rule. The public hearing will take place at 2:00 P.M. on June 15, 2015. The hearing will be in the ECB Conference Room located at 66 John Street, $10^{\rm th}$ Floor, New York, NY 10038.

the hearing. You must tell us if you need a sign language interpreter. You can tell us by mail at the address given above. You may also tell us by telephone at 212-436-0708. You must tell us by June 8, 2015.

A few days after the hearing, a transcript of the hearing and copies of the written comments will be available to the public at ECB, 66 John Street, New York, NY 10038.

What authorizes ECB to make this rule? Section 1049-a of the City Charter authorizes ECB to make this proposed rule. This proposed rule was not included in ECB's regulatory agenda for this Fiscal Year because it was not contemplated when ECB published the agenda.

Where can I find the ECB's rules? The ECB's rules are in title 48 of the Rules of the City of New York.

What rules govern the rulemaking process? ECB must meet the requirements of Section 1043(b) of the City Charter when creating or changing rules. This notice is made according to the requirements of Sections 1043(b) and section 1049-a of the City Charter.

Statement of Basis and Purpose of Proposed Rule

Hand Delivery of Hearing Officer Decisions and Orders The Environmental Control Board (ECB) is proposing to amend sections 48 RCNY 3-57, 3-71 and 3-73 of its rules of procedure. The proposed changes will allow for service by ECB of hearing officer decisions and orders by hand delivery or by mail.

ECB's current rule, 48 RCNY 3-57, requires ECB to serve decisions and orders on all parties but is silent as to how decisions are served. However, sections 3-71 and 3-73 refer to "mailing" of decisions and orders. Currently, ECB serves all decisions and orders by mail. To reduce costs, provide an additional service option, and to further clarify when the time to appeal begins to run, ECB is amending the rule to allow for both mailing and hand delivery of decisions and orders.

The amendment to 48 RCNY 3-57 also requires amending sections 3-71 and 3-73 of ECB's rules because, as stated above, those rules currently only refer to "mailing" of decisions and orders.

Delivery of Cease and Desist Orders and Notices of Special Hearing by Regular Mail

ECB is also amending 48 RCNY 3-91 to allow ECB to serve Cease and Desist Orders and Notices of Special Hearing by regular mail instead of by certified mail, return receipt requested. The Board issues a Cease and Desist order after the Department of Environmental Protection (DEP) has issued a respondent a notice of violation or several notices of violation, ECB has found the respondent in violation and the respondent has failed to correct the condition for which the violation was issued. The Cease and Desist Order requires the respondent to appear at a special hearing or have the equipment that is the subject of the violation sealed.

ECB has determined based on experience that service of these orders by certified mail is not needed since the DEP also serves these orders by delivering them to respondents at the address where the equipment at issue to be sealed is located. Furthermore, ECB records show that the United States Postal Service returns many of these mailings to ECB because respondents fail to go to the post office to pick them up. Finally, ECB rules provide for prompt hearing (post-sealing special hearing) should equipment be sealed based on a failure to appear at a pre-sealing hearing.

New material is underlined.
[Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise

Section 1. Subdivision (a) of section 3-57 of chapter 3 of title 48 of the Rules of the City of New York is amended to read as follows:

(a) Hearing Officer's Recommended Decision and Order. As soon as possible after conclusion of the hearing, the hearing officer shall prepare a recommended decision and order. The hearing officer's decision shall set forth findings of fact and conclusions of law, and it shall set forth the hearing officer's reasons for findings on all material issues. If the charges contained in the notice of violation are upheld, the hearing officer shall prepare an order setting forth the penalty, and if the board is authorized by law to impose remedial relief or other sanction, the relief or sanctions recommended. Statement of Basis and Purpose

Local Law 69 (LL 69) of 2013 holds the manufacturers of refrigerant-containing appliances responsible for the lawful recovery of refrigerants from appliances disposed of by residents. Since the enactment of LL 69, the Department of Sanitation (DSNY) has adopted amendments to Chapter 17 of Title 16 of the Rules of the City of New York. DSNY's rules:

- Establish the registration requirements for "responsible parties," meaning the a brand owner or manufacturer of refrigerantcontaining appliances;
- Describe the obligations of responsible parties, including the requirement to indicate whether they will establish their own recovery program, participate with other responsible parties in a recovery program, or partake in DSNY's recovery program;

- · Establish fees associated with DSNY's refrigerant recovery program, and describe the required information that must be contained in the biannual bill sent by DSNY to a responsible
- Create a process by which a responsible party can challenge DSNY's biannual bill;
- Establish annual reporting requirements for responsible parties who establish their own or participate with other responsible parties in refrigerant recovery programs;
- · Establish violations and fines for failing to comply with certain requirements of the proposed rule
- Establish a violation, punishable by a fine of \$500, for any responsible party who disposes of a refrigerant-containing appliance without arranging for the lawful recovery of the appliance's refrigerants, as provided by LL 69; and
- Establish that enforcement proceedings may be brought as civil actions or in a proceeding before the Environmental Control Board (ECB).

To enforce the amendments to Chapter 17 of Title 16 of the Rules of the City of New York related to the proper disposal of refrigerants, ECB is proposing to amend its Sanitation Penalty Schedule to create penalties for violations of these rules.

ECB's authority for these rules is found in Chapter 4-E of Title 16 of the Administrative Code of the City of New York and Sections 1043(a) and 1049-a of the New York City Charter.

New material is underlined. [Deleted material is in brackets.]
