FISA-OPA values the importance of a diverse workforce. Our Agency Head and EEO officer review CEEDS data and workforce reports on a quarterly basis before submitting the Agency’s quarterly EEO report. For the 2nd quarter of FY 2023, FISA-OPA posted discretionary positions to recruitment sources and our Agency will diligently continue to address any underutilization of job groups identified. The CEEDS reports for the 2nd quarter indicate that FISA still needs to address underutilization of Black and Hispanics in the Managers group, Hispanics in the Paraprofessionals group, and also the underutilization of Females in the Managers, Paraprofessionals and Science Professionals groups. While OPA was able to rectify underutilization of Blacks in the Clericals group and Hispanics in the Managers group, OPA now needs to address the underutilization of Blacks in the Science Professionals group and Females in the Clerical Supervisors group.

On 10/6/2022, 11/3/2022 and 12/01/2022, FISA-OPA’s Administration Unit distributed Notices of Open and Upcoming Civil Service Examinations to all staff members. The email distributions also contained the Agency’s Human Resources contact information, should staff members have questions or wish to discuss their City career-related goals.
