RD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL, New YORK, February 27, 1890.

The Hons. Hugh J. Grant, Mayor ; William H. Clark, Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works, the city officers designated by section 66 of the New York City Consolidation Act, met this day. The Supervisor of the City Record presented contracts for stationery, as follows :

THE CITY RECORD.

They were approved and signed by the Mayor, Counsel to the Corporation and Commissioner of Public Works.

The Supervisor of the City Record reported that, although he had not signed, and the Mayor, Counsel to the Corporation and Commissioner of Public Works had not approved a voucher for an advertising bill since January 1, 1890, he had discovered that charges had been made in the Comptroller's Office against the CITY RECORD appropriation for advertising for the current year.

He said that he had not estimated the appropriation with a view to its being used to meet advertising bills generally, but only such as were authorized by the Mayor, Corporation Counsel and Commissioner of Public Works to be incurred, and that the result of its use as a general fund would undoubtedly be a deficit at the end of the year.

On motion of Commissioner Gilroy, the Supervisor was directed to communicate with the Comptroller, requesting him to state the ground upon which he had treated the appropriation in question as one for general advertising purposes.

The salary lists for the month of February, representing \$1,311.33, were audited, and ordered to be transmitted to the Comptroller for payment.

Bills of Martin B. Brown, to the amount of \$9,925.03, chargeable against the appropriation of 1889, were acted upon in a similar manner.

The meeting was then adjourned.

W. J. K. KENNY, Secretary.
