<u>Self-service storage facilities in designated areas within</u> <u>Manufacturing Districts</u>

On #zoning lots# in designated areas within #Manufacturing Districts# as shown on the maps in APPENDIX J (Designated Areas Within Manufacturing Districts) of this Resolution, the City Planning Commission may permit, for a #self-service storage facility#, a modification, or waiver of the #industrial ground floor#, as required in Section 42-121 (Use Group 16D self-service storage facilities), provided the Commission finds that:

* *

- (a) the #zoning lot# is appropriate for such #self-service storage facility use#, considering the economic development objectives of the City; and
- (b) it is impractical to provide an #industrial ground floor# as defined in Section 42-121 (Use Group 16D self-service storage facilities) on such #zoning lot#.

In making this determination, the Commission may consider the following:

- (1) the size and configuration of the #zoning lot# and its suitability to establish an #industrial ground floor# as defined in Section 42-121;
- (2) the design and layout of loading berths, interior column spacing, floor to floor height and other relevant physical characteristics in an existing #building# and its suitability for #industrial ground floor uses#;
- (3) the accessibility of the #zoning lot# to an arterial highway, or a designated truck route; the width of the existing #streets# providing access to the #zoning lot# and the ability of such #streets# to handle the traffic generated for such #industrial ground floor uses#;
- (4) recent trends and levels of investment in the surrounding area for such #industrial ground floor uses# within the last five calendar years;
- (5) the potential for conflict between such #industrial ground floor uses# and existing #uses# in the surrounding area;
- (6) the proximity of the #zoning lot# to rail and bus transit to serve employees; and
- (7) the need to undertake environmental remediation work on the #zoning lot#.

The Commission may impose additional terms and conditions to ensure the compatibility of a #self-service storage facility# with the surrounding area.

On Wednesday, August 23, 2017, in the Manhattan Municipal Building, Mezzanine level, 1 Centre Street, New York, NY 10007 (access through the North Entrance), a public hearing is being held by the City Planning Commission in conjunction with the above ULURP hearing to receive comments related to a Draft Environmental Impact Statement (DEIS) concerning an application by the New York City Department of City Planning (DCP). DCP proposes a zoning text amendment to establish restrictions on new self-storage facilities within Industrial Business Zones to ensure that their development does not unduly limit future siting opportunities for industrial uses. The proposed restrictions would apply within newly established "Designated Areas" in Manufacturing districts, which largely coincide with Industrial Business Zones (IBZs).

The public hearing will also consider a modification to the zoning text amendment (ULURP No. 170425 (A) ZRY). Written comments on the DEIS are requested and will be received and considered by the Lead Agency until Tuesday, September 5, 2017.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 17DCP119Y.

The land use actions necessary to facilitate the development of the Sendero Verde Site, subject to a concurrent related application proposed by HPD (the "Sendero Verde – East 111th Street" Proposal), include: a zoning map amendment, zoning text amendment, UDAAP designation, disposition of City-owned property, acquisition of a portion of the disposition area by the City, a large-scale general development (LSGD) special permit, and a City Planning Commission certification to waive retail continuity requirements.

The public hearing will also consider a modification to the zoning text amendment (ULURP No. N 170359 (A) ZRM).

Written comments on the DEIS are requested and would be received and considered by the Lead Agency until Tuesday, September 5, 2017.

This hearing is being held pursuant to the State Environmental Quality Review Act (SEQRA) and City Environmental Quality Review (CEQR), CEQR No. 17DCP048M.

NOTICE OF PUBLIC HEARING ON THE DRAFT ENVRIONMENTAL IMPACT STATEMENT

The Office of the Deputy Mayor for Housing and Economic **Ďeveľopment**

Bedford Union Årmory Project

NOTICE IS HEREBY GIVEN that a public hearing will be held as detailed below for the Bedford Union Armory Project. The purpose of the public hearing is to provide the public with the opportunity to comment on the Draft Environmental Impact Statement (DEIS), which received a Notice of Completion on May 19, 2017.

The public hearing has been scheduled for Tuesday, September 19, 2017, at 10:00 A.M., and will be held at the New York City Department of City Planning, Spector Hall, 22 Reade Street, New York, NY, 10007, in conjunction with the City Planning Commission's citywide public hearing pursuant to ULURP. Translation services will be accommodated upon request at a minimum five business days before the public hearing.

Comments on the DEIS will be accepted until 5:00 P.M., on Friday, September 29, 2017, and may be submitted at the public hearing, or to the contact person below.

The New York City Economic Development Corporation (NYCEDC) in coordination with Bedford Courts LLC, (the Applicant, is seeking a series of discretionary approvals to facilitate the redevelopment of the historic Bedford Union Armory, located at 1555 Bedford Avenue (Block 1274, Lot 1), in the Crown Heights neighborhood of Brooklyn (the "Project Site"), into an approximately 542,393 gross square feet (gsf) three-building mixed-use development. Specifically, the redevelopment would result in approximately 390 residential dwelling units (DUs), including approximately 177 affordable DUs; up to 48,997 gsf of office space; up to 18,122 gsf of academic space; approximately 72,252 gsf of community facility space; and a minimum of 118 parking spaces (the "Proposed Development"). Should the18,122 gsf of academic space be determined infeasible, 25 additional DUs (including 14 affordable DUs) would be incorporated into the Proposed Development in lieu of the 18,122 gsf of academic space and associated office space (approximately 8,278 gsf).

The Applicant is seeking discretionary approvals including the disposition of City-Owned property, zoning map and text amendments, and special permits to facilitate the Proposed Development (the "Proposed Actions"). The analysis build year for this project is 2020.

The DEIS analyzed the potential environmental impacts of the Redevelopment Project and disclosed the potential for significant adverse impacts with regard to: historic resources, transportation (traffic), and construction (traffic and noise). The DEIS identified measures and/or potential measures that would fully or partially mitigate most significant adverse impacts; some impacts would remain unmitigated. Between DEIS and Final Environmental Impact Statement (FEIS), potential mitigation measures are being studied further to determine whether they are feasible and whether any significant adverse impacts would remain unmitigated. The DEIS considered alternatives to the Proposed Actions that included a NoAction Alternative and a No Unmitigated Significant Adverse Impacts Alternative.

Copies of the Final Scope of Work, the DEIS, and the Notice of Completion may be obtained by any member of the public from:

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

To sign up for training on the new system, and for additional information about HHS Accelerator, including background materials, user guides and video tutorials, please visit www.nyc.gov/hhsaccelerator
