ECONOMIC DEVELOPMENT CORPORATION

■ SOLICITATION

PIER 11, ATLANTIC BASIN ANCHOR TENANT SUB-LEASE
- Request for Proposals - PIN# 9322 - Due 8-10-23 at 11:59 P.M.

New York City Economic Development Corporation (“NYCEDC” or “EDC”), is seeking qualified proposals for the disposition and development by an anchor tenant of an approximately 160,000 square foot shed space (the “Shed Space”), and approximately 55,970 square foot open space (the “Open Space”) on Pier 11 (collectively the “Site”) in Red Hook, Brooklyn. The Site is part of a larger parcel, owned by the Port Authority of New York and New Jersey (The Port Authority) and leased to NYCEDC, spanning Pier 11 and Pier 12, located on Atlantic Basin in a configuration that is, generally, parallel to and west of Imlay Street, and between the Red Hook Container Terminal to the north and Pier 12 to the west.

The Site is an asset in NYCEDC’s PortNYC group, which oversees City-Owned assets at or near port assets across the five-boroughs, including marine cargo terminals, rail facilities, cruise terminals, ferry

landings, DockNYC sites, and aviation facilities. Through this request for proposals (“RFP”) NYCEDC, is seeking plans to maximize the Site for flexible industrial warehousing and maritime operations.

Located in an M2-1 zoning area, the uses stipulated in the lease include light manufacturing, industrial warehousing, distribution, commercial maritime activities, and/or offshore wind innovation and R&D uses (which include but are not limited to testing and piloting of maritime-dependent technologies). No proposals will be considered which deviate from these uses, and, while these uses are proscriptive, we encourage proposals which offer innovative ways to reimagine these uses for the 21st century freight and industrial economy, including taking trucks off the road and other methods of greening more traditional freight distribution.

The selected respondent (“Awardee”), is anticipated to be offered the opportunity to use the site via a long-term sublease (the “Agreement” or “Sublease”) for an initial term of ten (10) years with two (2) options to renew at ten (10) years each and one (1) two-to five (2-5) year option, for a total term of 32-35 years. The term of the sublease cannot extend past the term of the Master Lease with The Port Authority, which expires December 2058. Any and all capital improvements required by the agreement will be the responsibility and at the cost of the Awardee and should be identified in the proposal described below. Entry into any lease agreement is expected to be subject to, and contingent upon, the successful selection of an Awardee(s) and receipt of all necessary approvals and permits related to the use and full operation of the facility.

NYCEDC, plans to select a qualified respondent on the basis of factors stated in the RFP which include but are not limited to: the quality of the proposal and consistency with project goals; experience of key staff identified in the proposal; financial ability to support the site; a capital improvement plan; an environmental sustainability plan, and an MWBE Participation plan.

It is the policy of NYCEDC to comply with all Federal, State and City Laws and regulations which prohibit unlawful discrimination because of race, creed, color, national origin, sex, age, disability, marital status and other protected category and to take affirmative action in working with contracting parties to ensure certified Minority and Women-Owned Business Enterprises (MWBEs) share in the economic opportunities generated by NYCEDC’s projects and initiatives. Please refer to the Equal Employment and Affirmative Compliance for Construction Contracts Appendix in the RFP.

This project has Minority and Women Owned Business Enterprise (“M/WBE”) participation goals, and all respondents will be required to submit an M/WBE Participation Proposal with their response. To learn more about NYCEDC’s M/WBE program, visit <http://edc.nyc/opportunity-mwbe>. For the list of companies who have been certified with the New York City Department of Small Business Services as M/WBE, please go to the <https://sbsconnect.nyc.gov/certification-directory-search/>.

NYCEDC established the Contract Financing Loan Fund programs for Minority, Women and Disadvantaged Business Enterprise (M/W/DBE) interested in working on public construction projects. Contract Financing Loan Fund facilitates financing for short-term mobilization needs such as insurance, labor, supplies and equipment. Bidders/subcontractors are strongly encouraged to visit the NYCEDC website, at <http://edc.nyc/opportunity-mwdb>, to learn more about the program.

HRO will negotiate directly with Carrera Management Group, LLC, to provide subject matter expertise and close out system development services for the Build it Back Program.

Carrera Management Group, LLC (d/b/a H2Bravo) has been a vendor to HRO since it was awarded a Competitively Sourced NA in 2018 (82618N8203KXL) for Subject Matter Expert (SME) consulting. Due to COVID and staffing shortages, HRO has relied on H2Bravo and extended their contract through 12/2022. As explained in the attached memo, the administrative burden of closeout will continue until 2025 and HRO does not have appropriate staffing to support closeout. It is not practicable or advantageous to use CSB because of timing and the loss of institutional knowledge from our existing vendor. Additionally H2Bravo’s pricing is has been reviewed to be cost reasonable, further ensuring that direct negotiation with an existing vendor is the best value for the City.
