ASSESSMENT COMMISSION.

NO. 27 CHAMBERS STREET,
THURSDAY, July 28, 1881—2 o'clock P. M. }

The Commission created by chapter 550 of the Laws of 1880, to revise, vacate, or modify assessments for local improvements in the City of New York, met pursuant to adjournment.

Present—Commissioners Edward Cooper (Chairman), Allan Campbell, George H. Andrews, and Daniel Lord, Jr.

The Clerk presented copies of the CITY RECORD and "Daily Register" of July 27 and 28, 1881, showing due publication of notices

The Chairman, Commissioner Cooper, presented the following decision:

In the matter of the objections of Martha McIntosh, to the assessment for Eighty-fifth street paving, from Fifth avenue to Avenue A; confirmed July 3, 1875.

As this case involves the same state of facts which arose in the matter of Brandon, decided on May 10, 1881, we think, for the reasons given at that time, that the assessment on the petitioner's lot, designated on the assessment list by block number 376, Ward number 17, should be reduced from \$345.53 to \$164.72.

The Chairman put the question whether the decision as presented shall stand as the decision of the Commissioners.

Which was decided in the affirmative, a majority of all the Commissioners voting in favor thereof, viz.:

Affirmative—Commissioners Cooper, Campbell, Andrews, and Lord—4.

Commissioner Campbell presented the following decision:

In the matter of the objections of John H. Riker and Bernard Reilly et al. to the assessment for Seventy-fifth street, regulating, grading, etc., from Fifth avenue to East river; confirmed February 5, 1875.

It appears by the evidence presented in these cases that the fair value of the work done was less by eighteen per cent. than the amount charged in the assessment. The charges against the property of the petitioners for this improvement is therefore reduced in that proportion, which will make the assessment on Riker's property \$1,019.65 in place of \$1,243.47, and the assessment on Reilly's property \$432.02 in place of \$526.84.

The Chairman put the question whether the decision as presented shall stand as the decision of the Commissioners.

Which was decided in the affirmative, a majority of all the Commissioners voting in favor thereof, viz.:

Affirmative—Commissioners Cooper, Campbell, Andrews, and Lord—4.

On motion of Commissioner Campbell the following bill, presented by the Clerk, was approved, and ordered to be transmitted to the Finance Department for payment, viz.:

"The Daily Register," \$60.75, for advertising, from May 4 to July 28, 1881, inclusive.

On motion of Commissioner Andrews, the Commission then adjourned.

JURORS.

NOTICE
IN RELATION TO JURORS FOR
STATE COURTS

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, July 1, 1880.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their

duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

County Court-house (Chambers street entrance).

HEADQUARTERS
FIRE DEPARTMENT CITY OF NEW YORK,
155 AND 157 MERCER STREET,
NEW YORK, July 28, 1881.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING AND
constructing a Floating Engine and Fire Pumps for the same, will be received by the Board of Commissioners at the head of the Fire Department, at the office of said Department, Nos. 155 and 157 Mercer street, in the City of New York, until 10 o'clock A. M. Wednesday, August 10, 1881, at which time and place they will be publicly opened by the head of said Department and read.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

Separate estimates must be made for constructing and furnishing the Floating Engine complete, without the Fire Pumps, and for the Fire Pumps alone.

Bidders are requested to state, additionally, for what amount per frame they will increase or decrease length of hull and deck house from dead flat forward, in case increased or decreased length should be required.

The Floating Engine and Fire Pumps are to be completed and delivered in two hundred and ten (210) days after the date of the contract.

For information as to the amount and kind of work to be done, bidders are referred to the specifications and drawings, which form part of these proposals.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty-five (25) dollars per day.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract for forty-eight (48) hours after written notice that the same has been awarded to his or their bid or estimate, or, if, after acceptance, he or they should refuse or neglect to execute the contract and give proper security within five days after notice that the contract is ready for execution, he or they will be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, and so on until it be accepted and executed.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made, and prior to the signing of the contract.

No estimate will be received or considered after the hour named.

No estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of two and one-half per centum of the amount of the estimate. All such deposits, except that of the successful bidder, will be returned to the persons making the same

within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

For information as to the amount and kind of work to be done, bidders are referred to the specifications, which are annexed to and form part of these proposals, and the plans, which can be seen at the office of said Department.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty dollars per day.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract for five days after written notice that the same has been awarded to him or their bid or estimate, or if, after acceptance, he or they should refuse or neglect to execute the contract and give proper security, for five days after notice that the contract is ready for execution, he or they will be considered as having abandoned it, and the contract will be readvertised and relet, and so on, until it be accepted and executed.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made, and prior to the signing of the contract.

Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons to whom the contract is to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

vertisement for at least ten days in two of the daily news-
papers, and in the CITY RECORD, printed and published in
said city, respectively, that unless the same shall be paid
to him at his office on or before the first day of December,
in any such year, he will immediately thereafter proceed
to collect such unpaid taxes, as provided in the following
section of this act:

Section 2. If any such tax shall remain unpaid on the
said first day of December, it shall be the duty of the said
Receiver of Taxes in said city to charge, receive, and collect
upon such tax so remaining unpaid on that day, in addi-
tion to the amount of such tax, one per centum on the
amount thereof; and to charge, receive, and collect upon
such tax so remaining unpaid on the first day of January
thereafter, interest upon the amount thereof at the rate of
seven per centum per annum, to be calculated from the
day on which said assessment-rolls and warrants shall
have been delivered to the said Receiver of Taxes to the
date of payment.

The same rate of interest shall be so charged and col-
lected upon any tax levied in the year eighteen hundred
and eighty, remaining unpaid at the date of the passage of
this act.

Section 3. All existing provisions of law which impose a
charge and require the collection of interest at the rate of
twelve per centum per annum upon arrears of taxes on
real and personal estate within the City of New York,
upon arrears of assessments for local improvements and
street openings in said city, and upon arrears of Croton
water rents in said city, are hereby repealed; and in lieu
of such charge of interest at the rate of twelve per centum
per annum, there shall be charged and collected by the
officer authorized to collect and receive any such arrears
of taxes and assessments and Croton water rents, interest
upon the amount thereof at the rate of seven per centum
per annum, to be calculated for the same period as inter-
est at the rate of twelve per centum per annum is now re-
quired by law to be calculated thereon. This provision
shall apply to taxes, assessments, or Croton water rents
remaining unpaid and due, for the non-payment of which
the lands and tenements liable therefor shall be hereafter
sold at public auction as now provided by law; provided,
however, that nothing in this act shall be construed to
affect the rights of purchasers at sales for taxes, assess-
ments, or Croton water rents, heretofore made, or to
authorize the redemption of lands and tenements from
sales heretofore made for any lesser sums than the sums
collectible for such redemption under the provisions of
existing laws.

Section 4. It shall be the duty of the Comptroller of the
City of New York to give public notice, by advertisement,
for at least ten days, in the CITY RECORD, printed and
published in said city, immediately after the confirmation
of any assessment for a local improvement or street open-
ing in said city, that the same has been confirmed
specifying the title of such assessment and the date of its
confirmation by the Board of Revision and Correction of
Assessments in proceedings for local improvements, and

by the Supreme Court in proceedings for street openings,
and also the date of entry in the record of titles of assess-
ments kept in the Bureau for the Collection of Assessments,
and of Arrears of Taxes and Assessments, and of Croton
water rents, notifying all persons, owners of property
affected by any such assessment, that, unless the amount
assessed for benefit on any person or property shall be
paid within sixty days after the date of said entry of any
such assessment, interest shall thereafter be collected
thereon as provided in the following section of this act,
and all provisions of law or ordinance requiring any other
or different notice of assessments and interest thereon are
hereby repealed.

Section 5. If any such assessment shall remain unpaid
for the period of sixty days after the date of entry thereof
in the said record of titles of assessments, it shall be the
duty of the officer authorized to collect and receive the
amount of such assessment, to charge, collect, and receive
legal interest thereon, at the rate of seven per centum per
annum, to be calculated from the date of such entry to
the date of payment.

Section 6. This act shall take effect immediately.
