ONLINE SURPLUS AUCTION – Demonstration Project – Testing or experimentation is required - PIN# 1200236 – DUE 12-23-11 AT 4:00 P.M. – The Department of Citywide Administrative Services (DCAS), Office of Surplus Activities (OSA) intends to enter into negotiations with The Public Group, LLC to conduct a demonstration project for online surplus property auctions. PIN# 1200236. The City of New York does not currently have the capability to conduct online surplus property auctions and if, as the result of the pilot auctions, it is determined that online auctions will generate additional revenue and/or other benefits to DCAS, the project will be deemed a success. If successful, DCAS intends to acquire online surplus auction capability through a competitive solicitation. Any firm which believes that it can provide online surplus property auction capability is invited to send a letter, by December 23, 2011, addressed to: Carol Green, Assistant Commissioner, Department of Citywide Administrative Services, Office of Citywide Purchasing, 1 Centre Street, 18th Floor, New York, NY 10007. Letters must be received by 4:00 P.M. on December 23.

AGENCY RULES

BUILDINGS

NOTICE

NOTICE OF ADOPTION OF RULE

NOTICE IS HEREBY GIVEN, pursuant to the authority vested in the Commissioner of the Department of Buildings by Section 643 of the New York City Charter and in accordance with Section 1043 of the Charter, that the Department of Buildings hereby adopts the addition of section 3616-05 to subchapter Q of Chapter 3600 of Title 1 of the Official Compilation of the Rules of the City of New York, regarding exemption from Fire Department connection requirements.

This rule was first published on October 28, 2011 and a public hearing thereon was held on December 2, 2011.

Dated: December 8, 2011 /s/
New York, New York Robert D. LiMandri
Commissioner

Statement of Basis and Purpose

This rule amendment is promulgated pursuant to the authority of the Commissioner of Buildings under Sections 643 and 1043 of the New York City Charter.

Pursuant to Section Q104.1 of the New York City Building Code, this rule establishes the technical standards for the installation of fire department connections as per NFPA 13R, *Standard for the Installation of Sprinkler Systems in Residential Occupancies up to and Including Four Stories in Height*, 2002 edition, for purposes of applying such referenced standard in the City of New York in relation to sprinkler system design.

The original standard, as modified and adopted, requires fire department connections for sprinkler systems designed for Group R-2 and R-3 occupancies in accordance with the standard. This rule removes the requirement for Group R-3 one- and two-family dwellings as such connections are not used under standard operating procedures of the Fire Department of New York City. The removal of this requirement also reduces an unnecessary cost burden on one- and two-family homeowners.

The fire department connections for sprinkler systems are typically used by the fire department to increase the water pressure within a sprinkler system. However, for one- and two-family dwellings, the domestic water supply can provide adequate pressure to the sprinkler system, and the fire department will not use the fire department connections even if they are provided in sprinkler systems serving one- or two-family dwellings. The rule reduces the cost burden on these homeowners by removing the requirement to install fire department connections within the sprinkler system.

Subchapter Q of chapter 3600 of Title 1 of the Rules of the City of New York is amended by adding a new section 3616-05, to read as follows:

§3616-05 National Fire Protection Association ("NFPA") 13R amendment relating to exemption from Fire Department connection requirements in one- and two-family residential buildings.

Pursuant to Section 28-103.19 of the New York City Administrative Code, paragraph 6.6.4 of NFPA 13R-02, as modified by Section Q104.1 of the New York City Building Code, is amended by adding language at the end of the paragraph to read as follows:

Exception: Fire department connection is not required for installations in one- and two-family dwellings.

Name, Description and Location of Proposal:

Zone Green Text Amendment

The New York City Department of City Planning (DCP) is proposing zoning map and text amendments (collectively referred to as the "proposed actions") with citywide applicability. This proposal seeks to modernize the Zoning Resolution to remove impediments to the construction and retrofit of greener buildings. Buildings can be designed to save money for owners and tenants, provide a healthier environment, reduce the burden on city infrastructure, and support our ecology. But green building features are sometimes discouraged or even prohibited by existing zoning regulations. The proposal will give owners more choices for the investments they can make to save energy, save money, and improve environmental performance. This proposal will help bring our buildings into the 21st century while protecting the character and quality of life of our neighborhoods.

The proposed actions include the following components:

- Energy-efficient building walls: Well insulated exterior walls reduce heating and cooling demands, lowering home heating bills and summer air conditioning bills. But zoning today sometimes prohibits adding insulation to the exterior of existing buildings or penalizes thicker walls.

The proposal will allow existing buildings to add external insulation within the property line while exempting it from floor area calculations and yard regulations. This typically adds about four inches of wall thickness, but up to eight inches would be allowed to encourage highly efficient retrofits. For new buildings whose walls are substantially more efficient than required by code, up to eight inches of wall thickness could be exempted from floor area, encouraging high-performance buildings without changing the amount of usable space in the building.

- Sun control devices: These horizontal or vertical projections can help reduce air-conditioning needs and lighting bills by providing glare-free natural light, while adding interest to the building facade. Zoning today often does not allow sun control devices to project over required open areas.

The proposal: Above the ground floor, allow sun control devices and awnings to project 2'-6" over required open areas, but not to cover more than 30 percent of the facade from which they project.

- Solar energy: Solar power can provide pollution-free energy for electricity or hot water, reducing utility bills and carbon emissions. Today, zoning does not allow solar installations above the maximum permitted building height.

The proposal: Allow solar panels on flat roofs anywhere below the parapet, regardless of building height. Taller solar installations would be subject to limits on roof coverage and height. On sloping roofs, panels would be allowed to be flat-mounted (less than 18" high).

- Other rooftop equipment: In a dense city where space is at a premium, rooftops can serve a wide

range of purposes, including managing stormwater, providing recreation space, or generating renewable energy. In addition, systems such as boilers and cogeneration facilities can be safer and more efficient when located on roofs. Key building systems such as stair and elevator bulkheads must also be located on roofs. However, zoning districts with contextual height limits restrict the space available for these systems above the maximum building height.

The proposal: Allow low-lying features such as green roofs, recreational decks, and skylights anywhere below the parapet, regardless of building height. A guardrail no more than 30% opaque would be allowed up to 3'6" above the top surface of the roof. Greater volume, similar to what is already allowed in many Special Districts, would be allowed above the maximum building height to accommodate modern bulkheads, with requirements for setback and screening of equipment.

- Rooftop greenhouses: Greenhouses on industrial, commercial and school buildings can enable year-round local food production and provide valuable educational opportunities within a dense urban environment. Unfortunately, limitations on floor area or building height have constrained opportunities for these facilities.

The proposal: By certification of the Chair of the City Planning Commission, a greenhouse would be exempt from floor area and height limits, provided that it is located on top of a building that does not contain residences or sleeping accommodations. These greenhouses must not exceed 25 feet in height, must set back six feet from the roof edge, and must include practical measures to limit water and energy consumption.

- Wind energy: Wind energy generation in New York City makes the most sense where winds are consistent – on taller buildings and near the waterfront. Today, small wind turbines are allowed if they do not exceed a building height limit.

The proposal: On buildings taller than 100 feet, a wind turbine assembly may rise up to 55' above the rooftop (including the pole and rotor), provided it is set back at least 10 feet from any property line. In addition, free-standing or building-mounted turbines would be allowed in commercial developments near the waterfront. Installations must follow all requirements from the Department of Buildings.

The analysis year for the proposed actions is 2021.

Statement of No Significant Effect:

The Environmental Assessment and Review Division of the Department of City Planning, on behalf of the City Planning Commission, has completed its technical review of the Environmental Assessment Statement, dated December 8, 2011, prepared in connection with the ULURP Application (Nos. N12013ZZRY). The City Planning Commission has determined that the proposed action will have no significant effect on the quality of the environment.

Supporting Statement:

The above determination is based on an environmental assessment which finds that:

- No significant effects on the environment which would require an Environmental Impact Statement are foreseeable.

This Negative Declaration has been prepared in accordance with Article 8 of the Environmental Conservation Law 6NYCRR part 617.

Should you have any questions pertaining to this Negative

Declaration, you may contact Celeste Evans at (212) 720-3321.

Date: December 9, 2011

| 161-71 86 Avenue, Queens | 116/11 | November 18, 2008 to Present |

Authority: SRO, Administrative Code §27-2093

Before the Department of Buildings can issue a permit for the alteration or demolition of a single room occupancy multiple dwelling, the owner must obtain a "Certification of No Harassment" from the Department of Housing Preservation and Development ("HPD") stating that there has not been harassment of the building's lawful occupants during a specified time period. Harassment is conduct by an owner that is intended to cause, or does cause, residents to leave or otherwise surrender any of their legal occupancy rights. It can include, but is not limited to, failure to provide essential services (such as heat, water, gas, or electricity), illegally locking out building residents, starting frivolous lawsuits, and using threats or physical force.

The owner of the building identified above has applied for a Certification of No Harassment. If you have any comments or evidence of harassment at this building, please notify HPD at CONH Unit, 100 Gold Street, 3rd Floor, New York, NY 10038 by letter postmarked not later than 30 days from the date of this notice or by an in-person statement made within the same period. To schedule an appointment for an in-person statement, please call (212) 863-5277, (212) 863-8211 or (212) 863-8298.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

COMMON ABBREVIATIONS USED IN THE CR

The CR contains many abbreviations. Listed below are simple explanations of some of the most common ones appearing in the CR:

| | |
|--------|---|
| ACCO | Agency Chief Contracting Officer |
| AMT | Amount of Contract |
| CSB | Competitive Sealed Bid including multi-step |
| CSP | Competitive Sealed Proposal including multi-step |
| CR | The City Record newspaper |
| DP | Demonstration Project |
| DUE | Bid/Proposal due date; bid opening date |
| EM | Emergency Procurement |
| FCRC | Franchise and Concession Review Committee |
| IFB | Invitation to Bid |
| IG | Intergovernmental Purchasing |
| LBE | Locally Based Business Enterprise |
| M/WBE | Minority/Women's Business Enterprise |
| NA | Negotiated Acquisition |
| OLB | Award to Other Than Lowest Responsive Bidder/Proposer |
| PIN | Procurement Identification Number |
| PPB | Procurement Policy Board |
| PQL | Pre-qualified Vendors List |
| RFEI | Request for Expressions of Interest |
| RFI | Request for Information |
| RFP | Request for Proposals |
| RFQ | Request for Qualifications |
| SS | Sole Source Procurement |
| ST/FED | Subject to State and/or Federal requirements |

KEY TO METHODS OF SOURCE SELECTION

The Procurement Policy Board (PPB) of the City of New York has by rule defined the appropriate methods of source selection for City procurement and reasons justifying their use. The CR procurement notices of many agencies include an abbreviated reference to the source selection method utilized. The following is a list of those methods and the abbreviations used:

| | |
|---------|--|
| CSB | Competitive Sealed Bidding including multi-step <i>Special Case Solicitations/Summary of Circumstances:</i> |
| CSP | Competitive Sealed Proposal including multi-step |
| CP/1 | Specifications not sufficiently definite |
| CP/2 | Judgement required in best interest of City |
| CP/3 | Testing required to evaluate |
| CB/PQ/4 | |
| CP/PQ/4 | CSB or CSP from Pre-qualified Vendor List/Advance qualification screening needed |
| DP | Demonstration Project |
| SS | Sole Source Procurement/only one source |
| RS | Procurement from a Required Source/ST/FED |
| NA | Negotiated Acquisition <i>For ongoing construction project only:</i> |
| NA/8 | Compelling programmatic needs |
| NA/9 | New contractor needed for changed/additional work |
| NA/10 | Change in scope, essential to solicit one or limited number of contractors |

| | |
|-------|--|
| NA/11 | Immediate successor contractor required due to termination/default <i>For Legal services only:</i> |
| NA/12 | Specialized legal devices needed; CSP not advantageous |
| WA | Solicitation Based on Waiver/Summary of Circumstances (<i>Client Services/CSB or CSP only</i>) |
| WA1 | Prevent loss of sudden outside funding |
| WA2 | Existing contractor unavailable/immediate need |
| WA3 | Unsuccessful efforts to contract/need continues |
| IG | Intergovernmental Purchasing (award only) |
| IG/F | Federal |
| IG/S | State |
| IG/O | Other |
| EM | Emergency Procurement (award only): An unforeseen danger to: |
| EM/A | Life |
| EM/B | Safety |
| EM/C | Property |
| EM/D | A necessary service |
| AC | Accelerated Procurement/markets with significant short-term price fluctuations |
| SCE | Service Contract Extension/insufficient time; necessary service; fair price <i>Award to Other Than Lowest Responsible & Responsive Bidder or Proposer/Reason (award only)</i> |
| OLB/a | anti-apartheid preference |
| OLB/b | local vendor preference |
| OLB/c | recycled preference |
| OLB/d | other: (specify) |

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.

SAMPLE NOTICE:

POLICE

DEPARTMENT OF YOUTH SERVICES

■ SOLICITATIONS

Services (Other Than Human Services)

BUS SERVICES FOR CITY YOUTH PROGRAM – Competitive Sealed Bids – PIN# 056020000293 – DUE 04-21-03 AT 11:00 A.M.
