No. 1927.

Simon Baruch, M. D.—Letter of Appreciation for Honor Conferred in Naming Public Bath for Him.

No. 51 West 70th Street, New York, Nov. 1st, 1917.

To the President of the Board of Aldermen of the City of New York, City Hall, N. Y.:
Dear Sirs—Now that the resolutions passed by your honorable Board to give my name to the Bath at No. 326 Rivington Street have been executed, I ask the privilege of giving expression to a deep sense of appreciation of your generosity in thus perpetuating my work.

It is given to few men to see with their own eyes the consummation of their labors for the public weal. It is given to fewer men to obtain such recognition as has been my good fortune to receive from your honorable body.

The tablet which has been placed upon the building to commemorate your generous act contains a legend which will, I hope, be of great service to the toilers of this city. It states, in imperishable bronze, "Health is wealth, frequent baths promote health." Now "he who runs may read" how useful cleanliness of body is to those who literally earn their bread in the sweat of their brow! The great City of New York stands at the head of all municipalities in the world in offering to all comers opportunity for cleanliness absolutely without cost.

It may be of historical interest to your honorable Board to learn from the enclosed photographic reproductions of original letters in my possession that the Board of Aldermen of the City of New York passed at my suggestion and on the motion of Alderman Henry Flagenheimer, on May 12th, 1891, a resolution to appropriate \$25,000 for constructing a bath-house under a committee of reputable citizens. The purpose of this movement was to offer to the toilers ample opportunity for keeping clean. As stated in III this enterprise was frustrated by "some of the friends of the Free Bath Movement," which, in response to my appeal before the Social Science Convention in Saratoga in 1890 for public bath-houses, was started by some dilettante philanthropists, but failed.

You will note how thoroughly in accord your predecessor in office was with my propaganda for Free Municipal Bath-houses, which to my sorrow was, for the above mentioned reason, delayed seven years. Our own City was thereby deprived of the honor of building the first Free Municipal Bath-house in the world, but the City which is under your government offers to-day a larger number of baths at a smaller cost of maintenance than does any other city in the world. Yours very truly,

SIMON BARUCH, M. D.

Petition to Name Park Adjoining St. John's Lutheran Church, on Fulton Avenue, Between 169th and 179th Streets, Martin Luther Park.

To the Honorable the Board of Aldermen, City Hall, New York City:

Gentlemen—Throughout our country there is a desire at present to celebrate the four hundredth anniversary of the Reformation in a worthy manner. In order that our community may have a lasting visible memorial of this event, the undersigned respectfully request your honorable Board to name the small park adjoining St. John's Lutheran Church on Fulton Avenue, between 169th and 170th Streets (known as Fulton Avenue Park, but to our knowledge never officially named), "Martin Luther Park."

The Lutheran congregations throughout the country will greatly appreciate such a measure, and our Catholic fellow citizens will surely have nothing to say against it, as four stately city parks bear the names: St. Mary's, St. James, St. Nicholas and St. Gabriel's Park. Respectfully,

THE MARTIN LUTHER MEMORIAL ASSOCIATION, Hermann V. Letkemann, Chairman; William H. Seibert, Treas.; Carl F. Haas, Sec'y, 220 Tremont Ave., N. Y. City.

The undersigned are in favor of naming the park Martin Luther Park:

The City Club—Urging Approval of General Order No. 386, an Ordinance Relating to Hacks, Cabs and Taxicabs, and Particularly to Definitions.

Executive Offices, The City Club of New York, 55 West 44th Street, November 13, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City of New York, City Hall, Manhattan:

My dear Sir—On behalf of the City Club I write to urge the approval by your Honorable Board of Int. No. 1833, General Order No. 386, an ordinance in relation to hacks, cabs and taxicabs, and particularly to definitions. The purpose of this ordinance is to bring within the operation of the general taxicab ordinance those vehicles now operating from railroad stations and steamship piers and which are charging rates of fare in excess of the legal rates prescribed by the general ordinance.

The present definition limits the rates of fare to those vehicles for which public patronage is solicited upon the streets. Because of this weakness in the present law we have permitted private concerns to obtain exclusive privileges from railroad and steamship corporations and to extort excessive fares from the public. Such a practice makes the protection of our taxicab ordinance little more than a farce to a large portion of the travelling public. If it is right that the citizens should be protected against exorbitant charges for service offered to them on the City streets, it is equally proper that such protection should be extended to them and to visitors upon their arrival at the stations or piers about the City.

The ordinance before your Honorable Board offers an opportunity to correct this omission. We submit that as a means of protecting the public from extortionate charges, it deserves the unqualified approval and enactment at the hands of your Honorable Board. Respectfully submitted,

THE CITY CLUB OF NEW YORK, by WAYNE D. HEYDECKER, Committee Secretary.

Which was ordered on file.

Hon. FRANK L. DOWLING, President of the Board of Aldermen, City of New York: Dear Sir—Pursuant to the provisions of section 383 of the Greater New York Charter, and opinion of the Corporation Counsel, dated January 15, 1908, based thereon, I have designated James Butler, Assistant Commissioner of Public Works, to act as Member of the Board of Aldermen of The City of New York, in and for the President of the Borough of Queens, at a meeting of the Board of Aldermen advertised to be held in the City Hall, Borough of Manhattan, New York City, on this date, at 1.30 p. m. The President laid before the Board the following communication from the Commissioner of Docks:

No. 1931.

Commissioner of Docks—Request for Authority to Contract for Work on Pier at Foot of West 44th Street, Without Public Letting.

The City of New York, Department of Docks and Ferries, Office of the Commissioner, Pier A. North River, October 30, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, New York:

Dear Sir—On May 31, 1917, communication was forwarded to you, asking approval for an additional expenditure of \$5,163.48 on Contract 1401, Class 2, Supplementary, entered into with Holbrook, Cabot & Rollins Corporation. I understand that the communication cannot be found in your office and am therefore sending herewith a copy thereof with request that same be given attention.

Yours very truly, RICHARD C. HARRISON, Acting Commissioner of Docks.

Department of Docks and Ferries, Pier "A," North River, May 31, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, Manhattan:

Dear Sir—Under date of June 9, 1914, the Board of Aldermen adopted a resolution authorizing and empowering the Commissioner of Docks to execute a contract with Holbrook, Cabot & Rollins Corporation, for certain excavation work and construction of slip and pier walls northerly of the pier at the foot of West 44th Street, North River, Borough of Manhattan, and the construction of temporary sewers thereat, without public letting, at a total expenditure of not more than \$202,109.72.

There has been certified against this appropriation Contract No. 1401; Class 2, supplementary, amounting to \$199,629.52, or \$2,480.20 less than the authorization.

The Chief Engineer of this department reports that an additional expenditure of \$7,643.68 will be required to complete the work over the amount certified as above, or \$5,163.48 in excess of the amount authorized by your resolution of June 9, 1914.

The above mentioned sum of \$202,109.72 was taken from the fund "C. D. D.—4K, Construction of Pier at West 46th Street and the Slips Adjacent Thereto"; in this fund there is an unencumbered balance of \$32,611.37, which is sufficient to meet all the requirements.

I request that the resolution of June 9, 1914, be amended, and that I be authorized to expend without public letting the additional sum of \$5,163.48 in connection with the work being performed by Holbrook, Cabot and Rollins Corporation under Contract No. 1401, Class 2, supplementary. This sum, together with balance of \$2,480.20 remaining from your previous authorization, will make the amount of \$7,643.68, which as above stated will be required to complete the work.

Yours very truly,

R. A. C. SMITH, Commissioner of Docks.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 16, article 2 of chapter 659 of the Laws of 1910 (Inferior Criminal Courts Act), hereby recommends to the Board of Aldermen an increase in the number of Associate Justices in the Court of Special Sessions, in addition to those heretofore provided, as follows:

Title.	Rate per Annum.	Number of Incumbents.

A true copy of resolution adopted by the Board of Estimate and Apportionment November 9, 1917.
JOSEPH HAAG, Secretary.

City of New York, Board of Estimate and Apportionment, Bureau of Personal Service, November 7, 1917.

To the Board of Estimate and Apportionment:

Gentlemen—On October 29, 1917, the Board of Justices of the Court of Special Sessions (Adult Court) adopted the following resolution:

Pursuant to chapter 659, Laws of 1910, article 2, section 16 thereof, we, the undersigned Justices of the Court of Special Sessions of the City of New York, are of the opinion that the business of the said court, exclusive of the business of the Children's Court, is such as to require an increase in the number of Associate Justices.

In connection therewith the Bureau of Personal Service reports as follows:

"Purpose—To establish a grade of position, in addition to those heretofore established, Associate Justice at \$9,000 per annum.

"Finding—Section 16, article 2 of chapter 659 of the Laws of 1910, provides: 'Whenever two-thirds in number of the justices of the said court shall transmit to the board of estimate and apportionment a certificate signed by them that in the opinion of said justices the business of said court is such as to require an increase in the number of associate justices of said court, the board of aldermen of the city of New York may, upon the recommendation of the board of estimate and apportionment, subject to the veto of the mayor, by ordinance or ordinances, provide for an increase in the number of said justices, and such additional justices shall be appointed for two, four, six, eight or ten years, as the expiration of the terms of justices holding office shall require, in order that as nearly as may be an equal number of justices shall be appointed every two years. The successor of each justice shall be appointed for the full term of ten years.'

"In relation to the above resolution the Chief Justice states that the administrative duties of the Chief Justice had become so voluminous and extensive that it is almost impossible to attend to them and at the same time sit as a Trial Judge. At the present time there are eleven Justices in the court, nine sitting in the three trial parts, one holding probation court and one on vacation. The courts are open during the summer months. It has been found necessary in the past, due to sickness, to invariably recall the Justice then on vacation, and at times it has been necessary to call upon the Chief City Magistrate for an assignment of one or more Magistrates to aid in clearing up the calendar. This was particularly true a short time ago when it became necessary to organize a special part of the court at the request of the District Attorney, in order to clear up the Brooklyn calendar, then far behind."

Recommendation—In view of the above report the Committee recommends that the Board of Estimate and Apportionment recommend to the Board of Aldermen that provision be made for an increase for one additional Associate Justice, pursuant to the provisions of section 16, article 2 of chapter 659, Laws of 1910 (Inferior Criminal Courts Act), by the adoption of the attached resolution. Respectfully,
WILLIAM A. PRENDERGAST, Comptroller; JOHN PURROY MITCHEL, Mayor; LEWIS H. POUNDS, President, Borough of Brooklyn; Committee on Salaries and Grades.

In connection with the foregoing communication Alderman Delaney offered the following resolution, which, on his motion, was made a General Order for the day. Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held November 9, 1917:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 16, article 2 of chapter 659 of the Laws of 1910 (Inferior Criminal Courts Act), hereby recommends to the Board of Aldermen an increase in the number of Associate Justices in the Court of Special Sessions, in addition to those heretofore provided, as follows:

Title.	Rate per Annum.	Number of Incumbents.
Associate Justice	\$9,000 00	One

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution and fixes the salary of said position as set forth therein.

The President laid before the Board the following communication from the Department of Water Supply, Gas and Electricity:

No. 1936.

Commissioner of Water Supply, Gas and Electricity—Request for Authority to Provide by Open Market Order for Protection of the City's Water Supply.

The City of New York, Department of Water Supply, Gas and Electricity, Office of the Commissioner, Municipal Building, New York, November 12, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen:

Dear Sir—At the request of the Mayor, the Governor has assigned a militia force to guard the water supply system. I am informed that some 1,500 men have been detailed for this service. Most of them are located along the Catskill aqueduct, from the city line to Ashokan, a distance of some 90 miles. This department has been advised by the military authorities that to enable them properly to guard the aqueduct it is essential that the city provide

- (a) Lights to illuminate culverts and other structures;
- (b) A telephone system, to permit checking of men on post and to afford facilities for promptly calling for assistance, if required;
- (c) Iron gratings and screens at culverts, to retard access to them by those disposed to do them injury.

We have discussed this matter with representatives of the Mayor, the Comptroller and the Corporation Counsel, and all agree that the contracts for the necessary construction work and for subsequent maintenance of lighting and telephone lines, and for the construction and installation of the culvert screens should be made by this department.

In view of the urgency of prompt action, I request authority to make provision, without the formality of public letting, for the installation of electric or other form of lighting equipment, telephone equipment, and gratings for culverts and similar structures, to an amount not exceeding \$167,000. The present approximate estimates are:

For electric and other forms of lighting.....	\$130,000 00
For telephone installation	30,000 00
For gratings at culverts and similar structures	7,000 00

Total

A draft of the necessary resolution is transmitted herewith. Respectfully,
WILLIAM WILLIAMS, Commissioner.

Resolved, That the Commissioner of Water Supply, Gas and Electricity be and is hereby empowered to provide by open market orders the necessary electrical service, telephone service and such supplies and equipment as may be deemed necessary by the military authorities for the proper protection of the water supply system of the City of New York, without the formality of advertising for competitive bids for such services and equipment, in an amount not to exceed one hundred and sixty-seven thousand dollars (\$167,000), to be apportioned as follows:

For electric and other forms of lighting.....	\$130,000 00
For telephone installation	30,000 00
For gratings at culverts and similar structures.....	7,000 00

Alderman McCann moved that the resolution contained in the foregoing paper be adopted.

The President put the question whether the Board would agree with said motion. Which was unanimously decided in the affirmative by the following vote:

The President laid before the Board the following communication from the Bureau of Personal Service:

No. 1937.

Bureau of Personal Service—Answer in Compliance with Request of October 23, 1917, Asking for Information Relative to Items Contained in the Budget for 1918.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Personal Service, November 8, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen:

Sir—In compliance with resolution No. 1914, adopted by the Board of Aldermen Tuesday, October 23, 1917, permit me to transmit herewith the information requested:

"Resolved, That the Bureau of Personal Service of the Board of Estimate and Apportionment be requested to submit to the Board of Aldermen a statement showing the number of employees and amounts involved in the increase of rates in the Budget for 1918, with names and titles of positions by departments, as follows:

- "1. For employees whose salaries are at present below \$1,560 per annum.
- "2. For employees whose salaries are at present \$1,560 or above. Also the titles and salaries involved in the establishment of new positions placed in the Budget for 1918."

In order that the members of the Board of Aldermen may have clearly before them the names of the individual employees for whom the Board of Estimate and Apportionment intended increases in compensation, I have deemed it advisable to include the names of the employees of the New York Public Library, the Brooklyn Public Library and the Queens Borough Public Library, also other than the teaching staff of the Board of Education, the College of the City of New York and Hunter College.

I have included lists of new positions in the various departments, giving the number, title and salary or rate of compensation of each new position.

Increases in salary for the uniformed forces of the Police Department, Fire Department, Street Cleaning Department and for policemen paid on the rolls of the Health Department and the Tenement House Department were provided for by groups, and it has not been thought necessary to list by name members of these forces.

Respectfully,
Which was ordered on file.

GEORGE L. TIRRELL, Director.

The President laid before the Board the following communication from the Commissioner of Public Charities:

No. 1938.

Commissioner of Public Charities—Request for Authority to Purchase Dry Goods Without Public Letting.

Department of Public Charities of the City of New York, Municipal Building, Tenth Floor, November 9, 1917.

Re Request for Permission to Purchase Dry Goods in the Open Market.

To the Honorable the Board of Aldermen, City Hall, New York:

Gentlemen—Request is hereby made for permission to purchase about \$18,500 worth of dry goods in the open market without public letting. This will enable us to purchase at once articles which are urgently needed and which we have been unable to secure up to this time because of our inability to secure Special Revenue Bond Funds. It is made possible at this time because of a transfer of funds being made from other departments to this department.

The items which we proposed to purchase consist of about 28,000 yards of muslin, which is to be used in the manufacture of sheets and pillow cases, etc., which are urgently needed; 10,000 yards of toweling, which is to be made up into towels necessary for the use of the patients and also to be used in the operating rooms; 1,000 yards of denim, 15,000 yards of flannelette, 5,000 yards of otis check, 5,000 yards of golf cloth and 1,500 yards of gray flannel.

It is important that all of the above items be secured as soon as possible. If we were obliged to contract for these items it would cause a delay of several weeks, and by giving us permission to purchase them in the open market, it will enable us to adjust the shortage that exists in our bedding and clothing, and add to the comfort of the patients cared for by the department. Very sincerely yours,

F. W. FISKE, Acting Commissioner.

In connection with the foregoing communication Alderman McCann offered the following resolution, which, on his motion, was made a Special Order for the day.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioner of Public Charities be and he is hereby authorized and empowered to purchase dry goods, in the open market without public letting, to an amount not to exceed eighteen thousand five hundred dollars (\$18,500).

The President put the question whether the Board would agree with said motion. Which was unanimously decided in the affirmative by the following vote:

Affirmative—Aldermen Bassett, Bent, Burns, Burden, Browne, Cardani, Cassidy, Cole, Collins, Colne, Cox, Crane, Cunningham, Curley, Daly, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Falconer, Farley, Ferguson, Ferrand, Florea, Gaynor, Gilmore, Glennon, Goetz, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Quinn, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Silberstein, Smith, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; the Vice-Chairman—67.

The President laid before the board the following communication from the Commissioner of Public Charities:

No. 1939.

Commissioner of Public Charities—Suggesting an Amendment to the Code in Relation to Certain Appointments in Department.

Department of Public Charities of The City of New York, Municipal Building, Tenth Floor, November 7, 1917.

To the Honorable the Board of Aldermen:

Gentlemen—Owing to present conditions, due to the war, which has practically

exhausted the supply of physicians, nurses and other hospital help, it is almost impossible to fill vacancies in necessary positions in our hospital and institutional service if we are to be confined to full-fledged citizens of the United States. Furthermore, we have been informed by the Municipal Civil Service Commission of the decision of the Appellate Division of the Supreme Court and of the intention of the Civil Service Commission to rigidly enforce the law, which would make it necessary for us to drop all persons now employed in this Department who are not citizens.

It has always been the policy of this Department to employ citizens in preference to non-citizens wherever it is possible to do so. In spite of our efforts to secure citizens we find there are 34 nurses, of approximately 110, in the Kings County Hospital who are not citizens; 52 nurses, of 90, in City Hospital who are not citizens; 39 nurses, of 88, in Metropolitan Hospital who are not citizens, and in our tuberculosis wards in Metropolitan Hospital we find that there are 51 attendants used as practical nurses who are not citizens, of a total number of 76; in Cumberland Street Hospital there are 18 non-citizens out of 30 nurses; 4 of 12, at Coney Island Hospital, and so on throughout all the institutions of this Department. Not only does this percentage apply to nurses but to the pupil nurses in our training schools who, at present, are about our only source of supply for trained nurses. It also applies to other help who are absolutely necessary in the operation of our hospitals.

If the present ordinance is rigidly enforced, as we have been given to understand it will be by the Municipal Civil Service Commission, and it becomes necessary to drop these people, it will be impossible for us to operate many of the wards of our hospitals, for, as shown in our efforts to fill vacancies, it is quite impossible to find citizens who will take the jobs. To close our hospital wards would be opposed to public interests, and not only would constitute a menace to the present or possible patients, but also would be a menace to the community at large, through the release of a large number of tuberculosis patients, who would be compelled to return to their homes, where they would be a constant menace of infection to children and others who would be exposed.

In view of the above facts your earnest consideration and attention are requested, with a view of amending the present ordinance, at least for the period of the war, whereby it may be possible to employ and retain employees in the hospital or institutional service of this City without the present required qualifications of citizenship.

The following amendment to chapter 16, article 1, section 1 of the Code of Ordinances of the City of New York is respectfully proposed:

"No person not a citizen and an actual resident and dweller, in good faith, in the State of New York shall be eligible to appointment or employment in any of the departments, boards, bureaus or branches of the government of the City except in institutions for the care of the sick and infirm, etc."

Note—The matter in italics is new.

A remedy is also suggested, provided the above proposed amendment is not satisfactory, that the present difficulty might be overcome by requiring all those employed or to be employed to take out first papers as a declaration of intent to become citizens. As this is a matter of immediate importance your prompt action is earnestly requested. Very truly yours,

JOHN A. KINGSBURY, Commissioner.

The President laid before the Board the following communication from the President, Borough of Richmond:

No. 1940.

President, Borough of Richmond—Request for Special Revenue Bonds, \$250, to Clean Out Sludge Tanks at Richmond County Jail.

The City of New York, Office of the President of the Borough of Richmond, Bureau of Public Buildings and Offices, Borough Hall, New Brighton, New York City, November 8, 1917.

Board of Aldermen, City Hall, New York, Mr. P. J. SCULLY, Clerk:

Dear Sir—I herewith respectfully request that resolutions be adopted by your Honorable Board, directing the Comptroller to issue special revenue bonds to the amount of \$250, to clean out sludge tanks at the Richmond County Jail. It is very urgent that this work be done as soon as possible, as the overflowing of these tanks would threaten the health of the inmates of the jail. Yours very respectfully,

HENRY P. MORRISON, Acting President of the Borough of Richmond.

City of New York, Borough of Manhattan, Marcus M. Marks, Municipal Building, July 10, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, New York City:

Dear Sir—Request is hereby made for an issue of special revenue bonds in the amount of \$25,000, to repair street pavements over openings made by the Department of Water Supply, Gas and Electricity.

The limited amount allowed in the budget this year for such purposes is now entirely exhausted, owing to the unprecedented conditions arising in the destruction of street pavements due to water mains on account of the increased pressure of the new Catskill water supply. The repairs to these pavements are urgent inasmuch as the destruction has been so complete as to entirely close off the highway.

This appropriation is to be applied to repair pavement which has already been destroyed and will provide for anticipated disturbances.

Your early consideration will oblige, very truly yours,

RALPH FOLKS, Acting President, Borough of Manhattan.

City of New York, Board of Estimate and Apportionment, Bureau of Contract Supervision, Municipal Building, July 16, 1917.

No. 1783—President, Borough of Manhattan—Request for Issue of Special Revenue Bonds, \$25,000, to Repair Street Pavements.

Hon. FRANCIS P. KENNEY, Chairman, Committee on Finance, Board of Aldermen:

Sir—In accordance with your request that the above matter be investigated, the Bureau of Contract Supervision reports as follows:

There was allowed in the 1917 budget the sum of \$12,000 for repairs to street pavements where said pavements had been disturbed, pursuant to orders issued by the Department of Water Supply, Gas and Electricity.

This office requested in their budget for 1917 a total of \$13,000, or \$1,000 more than the amount allowed.

The expenditures from this account are primarily for the replacement of pavement which has been disturbed in repairing leaks to water mains. During the current year the number of breaks in mains have been unusually large, both in number and in character. A statement of the number of orders that have been certified by the Department of Water Supply, Gas and Electricity to the Bureau of Highways, Borough of Manhattan, from January 1 to July 11, 1917, shows a total estimated expenditure of \$16,262.76, itemized as follows:

<i>Asphalt.</i>	
100th St. and Central Park West—Break, 255 square yards	\$343 18
Columbus Ave. and 100th St.—Break, 176 square yards	528 00
5th Ave. and 40th St.—Break, 250 square yards	762 33
80th St. and Park Ave.—Break, 66.7 square yards	227 10
70th St., between West End Ave. and river—Lay new, 228.5 square yards	571 25
228 W. 41st St.—Break, 111.2 square yards	248 00
Regular openings in borough—1,157.9 square yards	3,393 82
<i>Wood.</i>	
490 Eighth Ave.—Break, 62.8 square yards	199 70
6th Ave., between 44th and 48th Sts.—Break, 700 square yards	1,967 00
2d Ave. and 79th St. (special contract)—Break, 850 square yards	3,400 00
Regular openings in borough—360.9 square yards	1,298 18
<i>Granite in Guarantee.</i>	
Regular openings in borough—48.4 square yards	141 70
<i>Cement Sidewalks.</i>	
80th St. and Park Ave.—Break, 550 square feet	137 50
Regular openings in borough—8,500 square feet	2,040 00
<i>Bluestone Sidewalks.</i>	
Regular openings in borough—2,350 square feet	117 50
<i>Mastic Sidewalks.</i>	
Regular openings in borough—335 square feet	167 50
Total	\$15,542 76
About 3,000 square feet cement sidewalk destroyed, for which no orders have been drawn	720 00
	\$16,262 76

Since this request was received, additional damage has occurred and it is believed that a considerable amount of this work will recur during the balance of the year, owing to the higher pressure incident to the introduction of the Catskill Water under high pressure.

This account appears in the budget of the President, Borough of Manhattan, under the heading of Contract or Open Order Service, Code 424TS, General Repairs, and is subdivided on the books into ten items, the item in question being Item F. On July 14, 1917, there was an unencumbered balance of tax levy funds amounting to approximately \$90,000, out of a total of \$125,865. However, this unencumbered balance was appropriated for sewer repairs and public building repairs and represents the amount of work that has not yet been undertaken by the Borough authorities.

The amount requested, \$25,000, is believed to be sufficient to cover any possible needs that may occur during the remainder of the year.

Respectfully,

TILDEN ADAMSON, Director.

Resolved, That copies of this petition be sent to each member of the Board of Aldermen with the hope that our appeal for assistance will be recognized and our request granted.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, N. Y. C.:
Dear Sir—Request is hereby made for an issue of Special Revenue Bonds in the amount of \$25,000 to provide funds for repairing sidewalks in this Borough during the remainder of the year.

A recent ordinance of the Board of Aldermen requires that the City shall repair all broken and defective sidewalks which were heretofore repaired by the owner of the property, and if upon failure so to do were repaired by the City and the expense of the work was assessed and became a lien against the property.

In order to carry out the provisions of the new ordinance funds will have to be provided, and as there are no balances available in any of this year's appropriations I respectfully request that Special Revenue Bonds be provided. An appropriation will be asked for in the 1918 budget to provide funds for next year.

Yours very truly RALPH FOLKS, Acting President, Borough of Manhattan.

Report of the Committee on Finance in Favor of Filing Request of the Commissioner of Plant and Structures for Special Revenue Bonds, \$2,600, for Purpose of Making Change in Municipal Garage, Brooklyn.

The Committee on Finance, to which was referred on October 16, 1917 (Minutes, page 59), the annexed request of the Commissioner of Plant and Structures for special revenue bonds, \$2,600, for the purpose of making changes in the Municipal Garage in the Borough of Brooklyn, respectfully

Department of Plant and Structures, City of New York, Municipal Building, Manhattan, N. Y., October 9, 1917.

To the Honorable the Board of Aldermen of The City of New York:

Gentlemen—This Department received notice from the Fire Department under date of May 9, 1917, that certain changes should be made in order to render safe the premises located at 21-23 Concord Street, Brooklyn, and used as a Municipal Garage, with the request that such conditions be corrected.

This Department has made a number of changes, but as certain of the changes were estimated to cost about \$2,600, and as no funds were available for these changes, a request was forwarded to the Board of Estimate and Apportionment on June 26, 1917, asking that it provide the funds for making these changes.

On September 21, 1917, the Board of Estimate and Apportionment denied the request for such funds, and suggested that said funds be provided either by special revenue bonds, under the provisions of subdivision 8 of section 188 of the Greater New York Charter, or by appropriations in the budget for the year 1918.

I would therefore request your Honorable Board to adopt a resolution requesting the Board of Estimate and Apportionment to authorize the issue of special revenue bonds to the amount of \$2,600, for the purpose of making the changes in the Municipal Garage, in order to conform to the requirements of the Fire Department.

Respectfully,

F. J. H. KRACKE, Commissioner.

City of New York, Board of Estimate and Apportionment, Bureau of Contract Supervision, Municipal Building, October 26, 1917.

No. 1890—Commissioner of Plant and Structures—Request of Special Revenue Bonds, \$2,600, for the Purpose of Making Changes in the Municipal Garage in the Borough of Brooklyn.

Hon. FRANCIS P. KENNEY, Chairman, Finance Committee, Board of Aldermen:

Sir—On October 9, 1917, the Commissioner of Plant and Structures requested special revenue bonds in the sum of \$2,600 for making changes in the Municipal Garage to conform to the requirements of the Fire Department.

I have caused this matter to be taken up with the Department of Plant and Structures and with the Fire Department. The Bureau of Fire Prevention has informally indicated that some of the violations placed on the Municipal Garage will probably be materially modified by recent changes in the regulations and that part of the proposed work may not have to be done.

I will, therefore, defer action on the matter so that the Commissioner of Plant and Structures may amend his request to conform to the new regulations.

Very truly yours,

TILDEN ADAMSON, Director.

Department of Parks, Litchfield Mansion, Prospect Park, Borough of Brooklyn, New York City, October 20, 1917.

To the Honorable Board of Aldermen, City Hall, Manhattan:

Gentlemen—Supplementing my previous request of July 16, 1917, to your honorable Board for the issuance of revenue bonds in the amount of \$1,000, \$500 of which is to reimburse account No. 1298, Educational and Recreational Supplies, and \$500 to reimburse account No. 1301, General Plant Supplies, it is necessary at this time to modify our previous request which has not as yet been acted upon by your Board, on account of the exceedingly high prices which this Department has been compelled to pay for purchases made from these accounts. It will be necessary to change our former request to the amount of fifteen hundred dollars (\$1,500), seven hundred dollars (\$700) to reimburse account No. 1298, Educational and Recreational Supplies, and eight hundred dollars (\$800) to reimburse account No. 1301, General Plant Supplies.

I would urgently request immediate action by your Board on these funds, as it will be impossible for the Department to make further necessary purchases from these accounts which have been exhausted and are urgently needed to carry on the work.

Very truly yours,

RAYMOND V. INGERSOLL, Commissioner.

City of New York, Board of Estimate and Apportionment, Bureau of Contract Supervision, Municipal Building, November 12, 1917.

No. 1921—Deputy Comptroller—Transmitting Proposed Form of Resolution in Connection with Celebration of Completion of Catskill Aqueduct.

Hon. FRANCIS P. KENNEY, Chairman, Committee on Finance, Board of Aldermen:

Sir—On November 1, 1917, you requested a detailed report on the above mentioned matter and in accordance therewith I submit the following facts:

On December 22, 1916, the Mayor, acting upon the request of representatives of some of the leading commercial bodies of the City, appointed a committee of 750 to be known as the Mayor's Aqueduct Celebration Committee to arrange the public celebration of the completion of the new Catskill Aqueduct, which cost in the neighborhood of \$140,000,000.

The above mentioned committee arranged various exercises and concerts in connection with the celebration. I give below briefly a list of these exercises:

On October 12, 1917, official exercises were held in City Hall which included a report of the Board of Water Supply to the Mayor, and also a number of addresses made by the Mayor and other people. Exercises were also at the Reservoir at Central Park, which included the acceptance by the Mayor of a \$10,000 fountain given to the City by a public spirited citizen. A pageant was held which was participated in by many thousands of school children. In the evening an official dinner was held at the Waldorf-Astoria, and official medals were bestowed to members of the Board of Water Supply and others. The dinner itself, however, was paid by private subscriptions.

Music festivals were held in the five boroughs at which prominent singers were heard. Circulars and pamphlets were sent to 15,000 clergymen of all denominations, giving them material for religious observances. Exhibition of pictures of the Aqueduct were sent to public schools for display. Competitive essays or compositions were written for prizes, the latter being two small copies of the official medal in bronze offered to each school. Art, scientific and historical exhibitors have been arranged in thirty-six different institutions of the city. These exhibitions cover a period of several months and are still going on.

From information obtained from the Secretary of this Committee the expenses of the celebration will approximate \$17,000. The principal items thereof are as follows:

Printing	\$2,609 93
Bunting, etc.	371 89
Banners and Flags	231 00
Bands and Orchestra	3,635 00
Costumes	120 25
To W. F. Hamilton, for furnishing certain scenic and mechanical effect, properties and decorations used for pageant, "The Good Gift of Water," including services of the designer and his assistants	3,500 00
Engraved plates, printing and envelopes	754 15
Services of singers and others at concerts	1,120 90
Services of D. C. French, modeling of official medal	1,000 00
Medals—11 silver, 11 leather cases, 1,200 medals for public schools, 340 letters and 32 photographs	1,105 50
Expenses of sub-committee on music	690 00
Expenses and services of secretary	1,250 00

The Comptroller requests approval of an expenditure of \$25,000 for the purpose

of defraying the expenses of the above mentioned celebration, in accordance with section 39 of the Greater New York Charter, which reads in part as follows:

"* * * No money shall be expended for any celebration, procession, funeral ceremony, reception or entertainment of any kind or on any occasion, unless by the vote of four-fifths of all the members of the Board of Aldermen. * * *"

From the information obtained it appears that \$17,000 will cover the expenses of the celebration. Very truly yours,
TILDEN ADAMSON, Director.

Report of the Committee on Public Letting in Favor of Filing Request of the President of the Borough of Manhattan for Authority to Purchase Wood Paving Blocks Without Public Letting.

The Committee on Public Letting, to which was referred on October 23, 1917 (Minutes, page 161), the annexed request of the President of the Borough of Manhattan for authority to purchase wood paving blocks without public letting, respectfully

REPORTS:

That the Committee has been informed that a sufficient supply of blocks has been obtained. It, therefore, recommends the request be placed on file.

JOHN McCANN, MICHAEL J. HOGAN, C. AUGUSTUS POST, ALEXANDER S. DRESCHER, WM. P. McGARRY, PETER SCHWEICKERT, EDWARD W. COX, Committee on Public Letting.

City of New York, Borough of Manhattan, President of the Borough, Municipal Building, October 19, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen:

Dear Sir—Permission is hereby requested to purchase by open market order, without public letting, a quantity of wood paving blocks at a cost not to exceed \$3,500.

The blocks are required for immediate use for repairs to street pavements and the work in some instances is so urgent and necessary that further delay in making the repairs would develop serious conditions.

The necessity for immediate purchase of these wood blocks is due to the fact that the Contractor to whom the contract was awarded on May 21, 1917, for furnishing them has failed to make any deliveries and there is not now sufficient time to advertise and make a new contract.

Your favorable consideration is respectfully requested. Yours very truly,

MARCUS M. MARKS, President, Borough of Manhattan.

(Minutes, page 184), a request of the Board of Education for authority to purchase two auto-trucks without public letting (Int. No. 1906 contains five separate requests; the above is the fourth), respectfully

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Committee on Supplies of the Board of Education be and hereby is authorized and empowered to purchase in the open market, without public letting, two auto-trucks to be used by the New York School Lunch Committee for the transportation of food from the central kitchen to the associate schools, at a cost not to exceed four thousand five hundred dollars (\$4,500).

REPORTS:

That the Committee has been advised of the impossibility of obtaining bids for these wheels under existing market conditions and as the need is urgent it recommends the adoption of the accompanying resolution.

The City of New York, Department of Docks and Ferries, Office of the Commissioner, Pier A, North River, October 23, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, Manhattan:

Dear Sir—The Department is at the present time without available spare propeller wheels for the Staten Island ferryboats. Owing to the unsettled condition of the market it has been impossible to secure bids to furnish these wheels by contract. On September 21, 1917, the Department invited bids but received no offers. Since that time a very careful canvass of the manufacturing concerns of the country has been made with the result that we have received an offer from the Bethlehem Steel Company to furnish four propeller wheels on a direct departmental order for \$7,500. This offer is subject to immediate acceptance. Your authority is respectfully requested to award an order for four propeller wheels of the Staten Island ferryboat type to the Bethlehem Steel Company at the price of \$7,500 without public letting.

Respectfully yours,

RICHARD C. HARRISON, Acting Commissioner of Docks.

Report of the Committee on Public Letting in Favor of Adopting Resolution to Authorize the Commissioner of Public Charities to Make Repairs to the Steamer "Bronx" Without Public Letting.

REPORTS:

That, as there is urgent need for these repairs, it recommends the adoption of the accompanying resolution.

Resolved, That, in pursuance of the provisions of section 419 of the Greater New York Charter, the Commissioner of Public Charities be and he is hereby authorized and empowered to enter into contract with James Tregarthen & Sons Company, without public letting, for repairs to the steamer "Bronx," at a cost not to exceed three thousand four hundred and eighty-seven dollars and fifty cents (\$3,487.50).

Re Contract with James Tregarthen & Sons Co.

To the Honorable the Board of Aldermen, New York City:

Gentlemen—We request permission of your Honorable Board to enter into contract with James Tregarthen & Sons Company for \$3,487.50 for repairs to the steamer "Bronx," without public letting. The United States Steamboat Inspection Service of the Department of Commerce filed a violation and ordered the vessel tied up until certain work was done to the hull, hose, engine and machinery. I invited bids for this work and the amount above mentioned was the lowest bid received.

It is very urgent that these repairs be completed at the earliest possible moment, as it is now necessary for us to charter a boat at \$90 per day in order to care for the services of the department. Very truly yours,

JOHN A. KINGSBURY, Commissioner.

Central Purchase Committee—Request for Permission to Purchase Coal, Without Public Letting, for Various Departments.

City of New York, Central Purchase Committee, Municipal Building, October 19, 1917.

Honorable Board of Aldermen, City Hall, New York City:

Gentlemen—Request is hereby made for permission to purchase without public letting, coal required for consumption during the months of January, February and March, 1918, by the following departments: Bellevue and Allied Hospitals, Department of Public Charities, Department of Correction, Department of Health, Fire Department, Police Department, Department of Plant and Structures, Department of Street Cleaning, Department of Parks, Manhattan and Richmond; Department of Parks, Bronx; Department of Parks, Brooklyn; Department of Parks, Queens; Department of Docks and Ferries, Department of Water Supply, Gas and Electricity, Armory Board.

The situation which has compelled us to seek this permission since April of this year persists and it is extremely doubtful that bids will be received from reliable dealers if we are required to advertise. If the permission is granted at this time the successful bidders will be required to deliver coal in accordance with a specification assuring the City of a good quality. Purchases made in accordance with the permission granted by your Honorable Board throughout this year have been of great advantage to the City and it is desired that this advantage may be secured toward the early months of the coming year. Respectfully yours,

LEONARD M. WALLSTEIN, Secretary, Central Purchase Committee.

City of New York, Central Purchase Committee, Municipal Building, October 22, 1917.

Honorable Board of Aldermen, City Hall, N. Y.:

Gentlemen—Referring to the attached request for permission to purchase without public letting coal, I beg to state that the Corporation Counsel has rendered an opinion to the effect that the Board of Aldermen at this time may waive public letting on the schedule for coal which is to be paid for out of appropriations for 1918.

Owing to the extraordinary coal conditions which have developed in the past few days, it is urgent that we secure bids immediately. We therefore ask that your Honorable Board grant this permission at your meeting to-morrow, Tuesday, October 23, 1917. Respectfully yours,

CENTRAL PURCHASE COMMITTEE, F. X. A. PURCELL, Acting Director.

Resolved, That, in pursuance of the provisions of section 409 of the Greater New York Charter, the Central Purchase Committee be, and it is, hereby authorized and empowered to purchase, without public letting, coal required for consumption during

the months of January, February and March, 1918, by the following departments: Bellevue and Allied Hospitals, Departments of Public Charities, Correction and Health, Fire Department, Police Department, Departments of Plant and Structures, Street Cleaning, Parks—Manhattan and Richmond, Parks—The Bronx, Parks—Brooklyn, Parks—Queens, Docks and Ferries, Water Supply, Gas and Electricity, and the Armory Board.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Bassett, Bent, Burns, Burden, Browne, Cardani, Cassidy, Cole, Collins, Colne, Cox, Crane, Cunningham, Curley, Daly, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Falconer, Farley, Ferguson, Ferrand, Florea, Gaynor, Gilmore, Glennon, Goetz, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Quinn, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Silberstein, Smith, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; President Van Name, by Henry P. No. 1790—Commissioner of Parks, Brooklyn: Request for Special Revenue Bonds, \$1,000.00, to Meet Estimated Deficiencies in Certain Accounts.

Hon. FRANCIS P. KENNEY, Chairman, Committee on Finance, Board of Aldermen:

Sir—In accordance with your request that the above matter be investigated, the Bureau of Contract Supervision reports as follows:

This request was made on July 16, 1917, when some funds were still available in the accounts for which bonds are requested, but it was evident that the balance in each account would be insufficient to carry the department during the remainder of the year.

Owing to the adjournment of your Board for the summer this request was not acted on, and as no other funds were available and as it was necessary to keep the department in operation, supplies, such as toilet paper, water, ice, bathing supplies, axle grease, kerosene, have been purchased, for which vouchers aggregating approximately \$1,000.00 are held in the department awaiting an appropriation of funds.

Additional sums will also be required in the accounts to carry the department through the remainder of the year.

The Commissioner has, therefore, revised his request to read as follows:

Code 1298 Educational and Recreational Supplies.....	\$700 00
Code 1301 General Plant Supplies	800 00
	<hr/>
	\$1,500 00

There are no funds available in the department for transfer to these accounts at this time and it is improbable that any balances will be left in any accounts for transfer at the end of the year. Very truly yours,

TILDEN ADAMSON, Director.

The President put the question whether the Board would agree with said report and adopt such resolution:

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Bassett, Bent, Burns, Burden, Browne, Cardani, Cassidy, Cole, Collins, Colne, Cox, Crane, Cunningham, Curley, Daly, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Falconer, Farley, Ferguson, Ferrand, Florea, Gaynor, Gilmore, Glennon, Goetz, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Quinn, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Silberstein, Smith, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; President Van Name, by Henry P. REPORTS:

That having examined the subject, it believes these funds to be necessary, and recommends the adoption of the accompanying resolution.

Resolved, That in pursuance of the provisions of Subdivision 8 of Section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of six thousand five hundred and fifty dollars (\$6,550), the proceeds whereof to be used by the Board of Trustees of Bellevue and Allied Hospitals for the purpose of meeting anticipated deficiencies all obligations contracted for hereunder to be incurred on or before December 31, 1917.

Bellevue and Allied Hospitals, Office of the Board of Trustees, 1st Avenue and 26th Street, New York, September 27, 1917.

Hon. FRANK A. DOWLING, President, Board of Aldermen, City Hall, New York:

Sir—Under date of May 26, 1917, the Trustees of Bellevue and Allied Hospitals requested the Board of Aldermen to authorize an issue of special revenue bonds in the sum of \$360,750, to meet the anticipated deficits in the appropriations for 1917. No action was taken on some of the items as the needs were not considered urgent at the time. A review of the accounts indicates that there is now an urgent need for additional funds in the following accounts:

Code No. 2071—Forage and Veterinary Supplies	\$550 00
Code No. 2076—Refrigerating Supplies	1,000 00
Code No. 2086—Materials	5,000 00

The Trustees therefore request your Board to authorize an issue of special revenue bonds to meet the anticipated deficits in these appropriations. The deficit is due to inadequate appropriations granted in these codes and also the increased cost of supplies. Respectfully,

J. K. PAULDING, Secretary, Board of Trustees.

No. 1865—Board of Trustees, Bellevue and Allied Hospitals—Request for Special Revenue Bonds to Meet Anticipated Deficiencies.

Hon. FRANCIS P. KENNEY, Chairman Finance Committee, Board of Aldermen:

Sir—As requested in your communication of October 4, 1917, I have caused an examination to be made into the request of Bellevue and Allied Hospitals for \$6,550, in special revenue bonds to meet deficiencies in various appropriations for the year 1917, as mentioned below:

Code No. 2071, Forage and Veterinary Supplies.....	\$550 00
--	----------

The appropriation made for this purpose was exhausted on September 15, due to the increased cost of forage, particularly oats. Based upon present prices and the consumption for the first nine months of the year, or about \$150 per month, it is quite probable that the department will require about \$550 for the rest of the year.

Code No. 2076, Refrigerating Supplies.....	\$1,000 00
--	------------

The balance in this fund early in September was approximately \$970. The depletion of this account is attributed to the increased cost of Aqua Ammonia and Anhydrous Ammonia, and also to the advanced cost of ice delivered to Harlem, Gouverneur and Neponset Hospitals. Based upon experience for the first nine months of the year, the department will require \$897 for Aqua and Anhydrous Ammonia and Calcium Chloride, besides \$1,542 for ice to be delivered to Neponset, Harlem, Gouverneur and Fordham Hospitals. It therefore appears that the \$1,000 requested is necessary.

Code 2086, Materials	\$5,000 00
----------------------------	------------

The appropriation made for materials is exhausted. The department has submitted about 140 items of materials which it is stated will be required for the rest of the year. An examination has been made and it has been found that the items requested are not in stock.

Pending the completion of the examination, it is suggested that the Board of Aldermen grant the request. Respectfully,

TILDEN ADAMSON, Director.

The President put the question whether the Board would agree with said report and adopt such resolution:

Which was decided in the affirmative by the following vote:

Report of the Committee on Finance in Favor of Adopting Resolution to Authorize an Issue of Special Revenue Bonds, \$12,000, to Replenish Account, "Donations to Spanish War Veterans."

The Committee on Finance, to which was referred on October 16, 1917 (Minutes, page 58), the annexed request of the Commissioner of Public Charities for Special Revenue Bonds, \$12,000, to replenish the account "Donations to Spanish War Veterans," respectfully

REPORTS:

That, having examined the subject and basing its conclusions on the annexed report of the Bureau of Contract Supervision, it recommends the adoption of the accompanying resolution.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of twelve thousand dollars (\$12,000), the proceeds whereof to be used by the Commissioner of Public Charities for the purpose of replenishing the account "Donations to Spanish War Veterans," all obligations contracted for hereunder to be incurred on or before December 31, 1917.

FRANCIS P. KENNEY, F. H. STEVENSON, CHARLES P. COLE, CHARLES DELANEY, JOHN T. EAGAN, FRANK A. CUNNINGHAM, MICHAEL STAPLETON, Committee on Finance.

Department of Public Charities of The City of New York, Municipal Building, Tenth Floor, October 9, 1917.

To the Honorable the Board of Aldermen, City Hall, New York:

Gentlemen—Request is hereby made for an authorization of special revenue bond funds in the sum of \$12,000 to meet an anticipated deficiency in the account Code 1989, Donations to Spanish War Veterans.

It was estimated early in the year that we would need \$46,000 in addition to our original appropriation of \$20,000 to enable us to take care of the requests for relief of Spanish War veterans and their families.

On March 25 we requested an authorization of \$20,000. This was granted by you early in April.

Again on June 14 it was necessary for us to request an additional \$26,000. An authorization was made in the sum of \$16,000 in July.

We are basing our request upon our experience for the present year. At the present time there is a balance of \$8,573.50 in this account, and at the present rate of the requests for relief this amount will last only until the first of November.

In view of the above, may I request that this matter be given early consideration. Very truly yours,

JOHN A. KINGSBURY, Commissioner.

City of New York, Board of Estimate and Apportionment, Bureau of Contract Supervision, Municipal Building, October 22, 1917.

No. 1888—Commissioner of Public Charities—Request for Special Revenue Bonds, \$12,000, to Replenish Account "Donations to Spanish War Veterans."

Hon. FRANCIS P. KENNEY, Chairman, Finance Committee, Board of Aldermen:

Sir—The Bureau of Contract Supervision, to which you referred this request on October 18, 1917, reports thereon as follows:

The budget of the Department of Charities for the year 1917 included an appropriation of \$20,000 under "Code 1989, Donations to Spanish War Veterans." Additional appropriations of special revenue bonds of \$20,000 and \$16,000 on May 4, 1917, and August 14, 1917, respectively, make the total of appropriations for this code up to the present time \$56,000.

On October 19, 1917, there had been expended \$54,515.50 of this amount, leaving a balance on hand of \$1,484.50. The rate of expenditure averages approximately \$5,800 per month. For the balance of the year it is estimated that \$12,000 will be necessary to provide for the care of Spanish War Veterans.

The appropriation should be made available as soon as possible. Respectfully,

TILDEN ADAMSON, Director.

The President put the question whether the Board would agree with said report and adopt such resolution:

Report of the Committee on Finance in Favor of Adopting Resolution to Authorize an Issue of Special Revenue Bonds, \$6,000, for the Hire of Labor—President, Borough of Manhattan.

The Committee on Finance, to which was referred on September 25, 1917 (Minutes, page 225), the annexed request of the President of the Borough of Manhattan for Special Revenue Bonds, \$13,000, for hire of labor, horses and carts, respectfully

REPORTS:

That, having examined the subject, it believes the funds to be necessary for the purpose of continuing the labor force for the balance of the year.

It therefore recommends that the accompanying resolution be adopted. Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of six thousand dollars (\$6,000), the proceeds whereof to be used by the President of the Borough of Manhattan for the purpose of hire of labor for the remainder of the year 1917.

FRANCIS P. KENNEY, ROBERT L. MORAN, SAMUEL J. BURDEN, CHARLES DELANEY, FRANCIS P. BENT, F. H. STEVENSON, WM. P. KENNEALLY, MICHAEL STAPLETON, Committee on Finance.

City of New York, President of the Borough of Manhattan, Municipal Building, September 19, 1917.

Hon. FRANK L. DOWLING, President, Board of Aldermen, City Hall, Manhattan:

Dear Sir—Request is hereby made that the Board of Aldermen, pursuant to the provisions of subdivision 8 of Section 188 of the Greater New York Charter, recommend to the Board of Estimate and Apportionment an issue of special revenue bonds to the amount of \$13,000—\$10,000 for labor at \$3.00 per day and \$3,000 for horses and carts at \$3.50 per day—in order to provide funds to continue the forces at present engaged in the work of cleaning sewer basins for the remainder of the year. On September 1, 1917, there was an indicated deficit of \$12,000 in our line for laborers and of \$3,660 in the line for horses and carts, if the present force is continued for the remaining four months of this year.

During the year 1916 our forces removed 24,000 cubic yards of material from sewer basins in the Borough of Manhattan, as compared with 18,000 cubic yards in previous years. During the present year, up to September 1st, we have removed 19,771 cubic yards, and if this rate continues until the end of the year, we will have removed a total of about 36,000 cubic yards.

It is extremely important that the forces be not reduced and that there be no let-up in this particular branch of the work. It requires all our efforts to keep abreast of the work as it develops, and if the force is reduced, it is only a question of days until serious complaints of stopped basins will be made.

The latter part of the year 1916 we were granted an allowance of \$6,000 of special revenue bonds for this identical purpose. In our budget for the year 1917 an amount sufficient to carry on the work in a proper manner was requested, but the budget examiners and the budget sub-committee ruled that our budgetary allowance could not be made on the basis of the revenue bond issue of 1916, but that if the increased amount of work continued, revenue bonds could be obtained for this purpose.

The additional work is due to the increased amount of flushing of streets done by the Department of Street Cleaning. We are required to remove from the basins material which in former years was swept up and carted away by the Street Cleaning Department's carts.

It is respectfully requested that immediate attention be given to this application.

Very truly yours, MARCUS M. MARKS, President, Borough of Manhattan.

The President put the question whether the Board would agree with said report and adopt such resolution:

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Bassett, Bent, Burns, Burden, Browne, Cardani, Cassidy, Cole, Collins, Colne, Cox, Crane, Cunningham, Curley, Daly, Delaney, Diemer, Dixon, Donnelly, Dostal, Dunn, Drescher, Eagan, Falconer, Farley, Ferguson, Ferrand, Florea, Gaynor, Gilmore, Glennon, Goetz, Gutman, Hatch, Haubert, Heyman, Hilkemeier, Hogan, Kenneally, Kenney, McCann, McCourt, McGarry, McGillick, McManus, Martin, Moore, Mullen, O'Rourke, Palitz, Quinn, Roberts, Robitzek, Ryan, Schmitz, Schweickert, Silberstein, Smith, Stapleton, Stevenson, Tolk, Trau, Walsh, Williams, Wirth, Wise; President Van Name, by Henry P.
