DEPARTMENT OF PUBLIC PARKS

DEPARTMENT OF PUBLIC PARKS, 36 UNION SQUARE, NEW YORK, October 28, 1882.

TO IRON BRIDGE BUILDERS.

PROPOSALS FOR BUILDING THE SUPERSTRUC-TURE OF THE MADISON AVENUE BRIDGE OVER THE HARLEM RIVER.

OVER THE HARLEM RIVER. SEALED BIDS OR ESTIMATES FOR THE ABOVE work, indorsed "Estimate for Building Superstruc-ture of Madison Avenue Bridge;" also with the name of the person or persons making the same, and date of the presentation, will be received from iron bridge builders only, at the office of the Department of Public Parks, No. 36 Union Square, New York City, until half-past nine o'clock A.M., on Saturday, the eleventh day of Novem ber, 1882, at which place and hour the bids will be publicly opened by the Board of Commissioners of the said Department, and read, and the award of the con-tract will be made as soon thereafter as practicable. The adequacy and sufficiency of the security offered is subject to the approval of the Comptroller of the City of New York. The person or persons to whom the contract may be awarded will be required to attend at the office of the said Department, with the surfeits offered by him or them, and execute the contract within five days after written notice that the same has been awarded to his or their bid or estimate, and that the surfeits offered by him or them have been approved by the Comptroller; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, and thereupon the work will be re-advertised and relet, and so on until the contract be accepted and executed. N.B.—The prices must be written in the bid, and also stated in figures, and all estimates will be considered as informal which do not contain hids for all items called for to the Corporation, and thereupon the work will be re-advertised and relet, and so on until the contract be accepted and executed. M. B.-The prices must be written in the bid, and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items called for in these proposals, or which contain bids for items not called for herein. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or con-tract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation upon debt or con-tract, or who is a defaulter, as surety or otherwise, upon adh, their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also, that such bid or estimate is made without any connection with any other person making a bid or esti-mate for the same purpose; and that it is in all respects fair and without collusion or fraud; and also that no member of the Comporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing of the party making such estimate, that the several matters therein stated are in all respects true. When more than one person is interested in the estimate, the verification must be made by all the parties interested. Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or the person making the bid or estimate, they will, on its

being so awarded, become bound as his sureties for its faithful performance ; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath, or same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the pr:posals, over and above all his debts of every and otherwise ; that he has offered himself as surety, in good faith, and with an intention to execute the bond required by law.

The engineer's estimate of work and materials by which the bids will be tested is as follows to with

on work in fixed spans-Nos. 1,	2, 4 and	15:
Riveted wrought-iron work	450,000	lbs.
Nests of rollers	1,500	**
Lateral rods, etc	4,500	**
Rolled I beams, 8 in. deep	80,000	**
Wrought - iron corrugated		
floor-plates	110,000	**
Bolts, plates, fixed aprons		**

Castings..... 40,000 "

- 694,500 lbs Iron work in swing span, exclusive of gear-

980,500 lbs. 1,675,000 lbs.

DEFARTMENT OF DOCKS, 117 AND 119 DUANE STREET, NEW YORK, October 31, 1882.

(No. 173.) PROPOSALS FOR ESTIMATES FOR DREDGING AT THE FOOT OF WEST FORTY-FOURTH STREET, NORTH RIVER.

ESTIMATES FOR DREDGING FOR THE SITE fourth street, North river, and on both sides thereof, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Depart-ment, Nos. 117 and 119 Duane street, in the City of New York, until 12 o'clock M. of

York, until 12 o'clock M. of TUESDAY, NOVEMBER 14, 1882, at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practi-cable after the opening of the bids. Any person making an estimate for the work, shall fur-nish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

Its presentation, and a submerie of the work to which the relates. The bidder to whom the award is made shall give se-chirty for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Five Thousand Dollars. The Engineer's estimate of the quantity of maternal necessary to be dredged, in order to secure at the premises mentioned the depth below mean low water named in the specifications, is 60,000 cubic yards. N. B. — As the above mentioned quantity, though stated with as much accuracy as is possible, in advance, is approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received :

The instrumeter only, on the following express conditions, which shall apply to and become part of every estimate received:
I just. Ridders must satisfy themselves by personal examination of the location of the proposed dredging, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not, at any tum eafter the submission of an estimate, dispute or complain of the above statement of quantity, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.
a. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor per cubic yard to be specified by the lowest bidder, shall be due or payable for the entire work.
The work to be done under the contract is to be commenced within five days after the date of the contract, and the entire work is to be fully completed on or before the toth day of February, 1883, and the damages to be paid by the contract or each day that the contract may be unfulfilled after the time fixed for fulfillment has expired, Sundays and holidays not to be excepted, are, by a clause m the contract, including and so be deposited, shall not be paid tor.
All the material excavated is to be removed by the contractor, and deposited, in all respects, according to any any arise through delay, from any cause, in the performing of the work thereunder.
Bidders will state in their estimates a price per cubic ward to the fulfilment of the contract, including any claus the fulfilment of the contract, which shall be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfilment of the contract, including any claus that may arise through delay, from any cause, in the performing of the work th

advertised and relet, and so on until it be accepted and executed. Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also, that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each estimate shall be accompanied by the consent.

The orriginate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of busi-ness or residence, to the effect, that if the contract be awarded to the person or persons making the estimate, they will, upon its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York, any difference between the sum to which said person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done, by which the bids are tested. The con-ant fination, in writing, of each of the persons signing the sent above mentioned shall be accompanied by the bath of affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to the approval of the Comptroller of the City of New York, after the award is made and prior to the signing of the contract. approval of the Comproller of the City of New York, after the award is made and prior to the signing of the contract. No estimate will be received or considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comproller, or money to the amount of five per centum of the amount of security required for the futthful performance of the contract. Such check or noney must not be inclosed in the scaled envelope con-taining the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been avarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal ; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him. Bidders are informed that no deviation from the speci-fications will be allowed, unless under the written in-structions of the Engineer-in-Chief.

NOVEMBER 11, 1882.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or other-wise, upon any obligation to the Corporation. The right to decline all the estimates is reserved, if deemed for the interest of the Corporation of the City of New York. Bidders are requested, in making their bids or esti-mates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department. Dated New York, October 31, 1882. WILLIAM LAIMBEER, JACOB VANDERPOEL, JOHN R. VOORHIS, Commissioners of the Department of Docks.
