HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City's PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete. Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. 82626B0023-BWT-JOC-26-SE JOB ORDER CONTRACT FOR NORTH PLUMBING - Competitive Sealed Bids - PIN# 82626B0023 - Due 3-10-26 at 10:00 A.M.

The work under this contract is for Electrical work under a series of small to medium size construction projects at various Bureau of Wastewater Treatment (BWT) facilities within the South Region (Newtown Creek, North River, Oakwood Beach, Port Richmond, and Red Hook Wastewater Resource Recovery Facilities areas). In addition to large capital construction projects, BWT has an ongoing need to accomplish smaller, straight forward construction projects at its facilities. Without Job Order Contracts, for each such project, the BWT must prepare complete contract documents and execute the required steps through the competitive bid process. Procuring the construction through this traditional design-bid-build process takes considerable time. Many of the projects are essential to maintain the operation of BWT facilities. The considerable time it takes to get contracts in place can jeopardize the continuation of service and, in some cases, permit the problem to worsen and result in additional costs. This Job Order Contract allows BWT to accomplish the much-needed projects in a fraction of the time while paying competitive prices for the work.

RENT REASONABLENESS 80625N008 - Negotiated Acquisition - Other - PIN# 80625N0008 - Due 2-20-26 at 5:00 A.M.

Pursuant to Section 3-04(b)(2)(i)(D) and 3-04(b)(2)(iii) of the Procurement Policy Board Rules, the Department of Housing Preservation and Development (HPD) intends to enter into a Negotiated Acquisition contract with Nan McKay and Associates Inc., located at 1810 Gillespie Way, Suite 202, El Cajon, CA 92020. This contract is for the provision to provide rent reasonableness calculations. The contract term will be from 7/1/2024 - 6/30/2029 with options to renew for additional time. The ePIN for this award is 80625N0008 and the proposed budget is \$315,803.00.

HPD recently facilitated two prior solicitations using the competitive small purchase method for rent reasonableness on October 24, 2024, and February 19, 2025, in which only a single vendor- Nan McKay submitted a response. HPD requires a vendor that can comply with federal HUD regulations, provide a customized interface for managing rent reasonableness and allow the agency to automate and process bulk rent reasonableness transactions. HPD has thereby determined that a limited number of vendors are available and able to provide the work under these circumstances, and competition was determined inadequate. Additionally, the procurement process has experienced an unforeseen delay due to internal resource constraints, such as staffing shortages, and administrative processing backlogs within the agency. Given this, along with the urgent need to maintain compliance and continuity of operations, HPD is requesting to procure these services through means of Negotiated Acquisition.

THIS NOTICE IS FOR INFORMATIONAL PURPOSES ONLY.

Vendors can express interest in responding to a future procurement to provide these services by sending such request via email to ITContracts@hpd.nyc.gov.

Compelling need for goods, services exists and cannot be timely met via competitive sealed bidding or competitive sealed proposals.
