Statement of Basis and Purpose of Final Rule

The Environmental Control Board (ECB) held a Public Hearing on June 15, 2010 on various amendments to ECB's Buildings Penalty Schedule II, found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York. Neither written comments nor oral testimony were presented.

Specifically, the Board has amended the definition of "Aggravated Penalties of the second order "Agg II." The purpose of this amendment is to clarify the Aggravated II definition, to include conditions that pose significant potential risks of serious injuries or fatalities but may not have resulted in such serious injuries or fatalities.

In Sections 2, 3, 4, and 5 of the rule, the Board has added five new charges to ECB's Buildings Penalty Schedule II, found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York to enforce various regulations pertaining to concrete infractions. The addition of these charges, which reflect the range of penalties set forth in section 28-202.1 of the New York City Administrative Code, will allow the Department of Buildings to enforce adequately and effectively the Building Code and rules with respect to procedures and requirements for concrete testing and concrete testing laboratories. The violations on which these new charges are based are as follows:

Section 28-406.1 of the Administrative Code requires concrete testing to be conducted by a licensed concrete testing laboratory.

New York City Building Code Section 1704.4 requires special inspections and verifications for concrete construction.

New York City Building Code Section 1905.6.3.2 requires cylinders for strength tests to be molded and laboratory cured. The contractor is responsible for providing a field storage curing facility and for monitoring the temperature.

1 RCNY 5-02 of the rules of the Department of Buildings outlines the qualifications and requirements for a director of concrete testing laboratories and his or her responsibilities for selecting and maintaining qualified staff. It requires these laboratories to conduct tests in accordance with listed standards and to submit reports in a form acceptable to the Department of Buildings. It also outlines procedures for testing and curing of concrete specimens.

1 RCNY 101-07 of the rules of the Department of Buildings defines and outlines general requirements as well as qualifications for all approved testing and inspection agencies under the New York City Building Code. This includes requirements for proper record keeping and cooperation during investigations.

In Section 6 of the rule, the Board has added four new charges to ECB's Buildings Penalty Schedule II, found in Section 3-103 of Subchapter G of Chapter 3 of Title 48 of the Rules of the City of New York, to enforce adequately and effectively Local Law 58 of 2009. This law sets out painting requirements for standpipe and sprinkler systems. It became effective on March 2, 2010. The law is retroactive for existing buildings, however, such buildings had an additional 3 months (until June 2, 2010) to come into compliance.

Local Law 58 amended sections 903 and 905 of the Building Code by adding new sections 903.6 and 905.11. Section 903.6 governs the painting of dedicated sprinkler piping and requires that such painting be certified as completed in accordance with sub-sections 903.6.1 through 903.6.5. Section 905.11 governs the painting of dedicated standpipes and handles of valves, and requires that such painting be certified as completed in accordance with sub-sections 905.11.1 through 905.11.6.

The law provides that dedicated standpipe, sprinkler piping and standpipe valve handles be painted red. Dedicated sprinkler valve handles must be painted green, and combination standpipe and sprinkler valve handles must be painted yellow. In addition, all portions of exposed sprinkler risers and cross connections, as well as all exposed portions of the standpipe systems and handles of valves serving both sprinkler and standpipe systems in completed buildings in existence on the effective date of this law must be painted in accordance with the sections above.

PUBLIC NOTICE OF A CONCESSION OPPORTUNITY FOR THE OPERATION, MANAGEMENT AND MAINTENANCE OF A PEDESTRIAN PLAZA LOCATED ON WILLOUGHBY STREET BETWEEN PEARL STREET AND ADAMS STREET

DASKALAKIS

BOROUGH OF BROOKLYN

Pursuant to the Concession Rules of the City of New York, the Department of Transportation ("DOT") intends to enter into a concession for the operation, management, and maintenance of a pedestrian plaza located on Willoughby Street between Pearl Street and Adams Street in Brooklyn ("Licensed Plaza"), including through DOT-approved events, sponsorships, and subconcessions including but not limited to providing for the sale of any of the following: prepared food, flowers, locally grown produce or locally manufactured products, merchandise (such as souvenirs or T-shirts) that helps brand or promote the neighborhood or the concessionaire, and other similar merchandise.

Subconcessions would be awarded based on solicitations issued by the concessionaire in the basic form of Request for Proposals or Request for Bids, subject to DOT's prior written approval of both solicitation and award.

The concession agreement will provide for one (1) five-year term, with four (4) one-year renewal options. The renewal options shall be exercisable at DOT's sole discretion.

DOT has identified the MetroTech Business Improvement District as a potential concessionaire, but DOT will consider additional expressions of interest from other potential not for profit concessionaires for the operation, management, and maintenance of the Licensed Plaza. In order to qualify, interested organizations should be active in the neighborhood of the Licensed Plaza and have demonstrated experience in the management, operation and maintenance of publicly accessible facilities, including but not limited to programming/events management and concession or retail operation/management.

Not for profit organizations may express interest in the proposed concession by contacting Andrew Wiley-Schwartz, Assistant Commissioner for Public Spaces, by email at awileyschwartz@dot.nyc.gov or in writing at 55 Water Street, 9th Floor, New York, NY 10041 by July 13, 2010. Mr. Wiley-Schwartz may also be contacted with any questions relating to the proposed concession by email or by telephone at (212) 839-6678.

Please note that the New York City Comptroller is charged with the audit of concession agreements in New York City. Any person or entity that believes that there has been unfairness, favoritism or impropriety in the concession process should inform the Comptroller, Office of Contract Administration, 1 Centre Street, New York, New York 10007, telephone number (212) 669-2323.

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at http://nyc.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the $\it CR$.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
