## Zoning for Coastal Flood Resiliency

The New York City Department of City Planning (DCP), is proposing a zoning text amendment, Zoning for Coastal Flood Resiliency (ZCFR), to update the Special Regulations Applying in Flood Hazard Areas (Article VI, Chapter 4). ZCFR would improve upon and make permanent the relevant provisions of the current temporary zoning rules, and provide homeowners, business owners, and practitioners who live and work in the City's floodplain the option to design or otherwise retrofit buildings to: (a) reduce damage from future coastal flood events, (b) be resilient in the long-term by accounting for climate change, and (c) potentially save on long-term flood insurance costs. In addition, it would allow resiliency improvements to be more easily incorporated on waterfront sites at the water's edge and in public spaces, as well as provide zoning regulations to help facilitate the City's long-term recovery from the COVID-19 pandemic and other future disasters. ZCFR would mostly affect New York City's current one percent annual and 0.2 percent annual chance floodplains. However, select provisions would be applicable Citywide (affecting all five boroughs and the City's 59 community districts. ZCFR also includes updates to other sections of the New York City Zoning Resolution (ZR), including the Special Regulations Applying in the Waterfront Area (Article VI, Chapter 2) and provisions within various Special Purpose Districts.

This hearing will be recorded for public transparency and made available on Borough President Adams' YouTube channel, One Brooklyn.

### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget. Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS) Department for the Aging (DFTA) Department of Consumer Affairs (DCA) Department of Corrections (DOC) Department of Health and Mental Hygiene (DOHMH) Department of Homeless Services (DHS) Department of Probation (DOP) Department of Small Business Services (SBS) Department of Youth and Community Development (DYCD) Housing and Preservation Department (HPD) Human Resources Administration (HRA) Office of the Criminal Justice Coordinator (CJC)

**What rules govern the rulemaking process?** The Conflicts of Interest Board must meet the requirements of Section 1043 of the City Charter when creating or changing rules. This notice is made according to the requirements of Section 1043 of the City Charter.

### STATEMENT OF BASIS AND PURPOSE

In accordance with the mandate of City Charter § 2603(c)(4) for the Board to review all its advisory opinions and initiate rulemaking to adopt those with "interpretative value in construing provisions" of Chapter 68, the Board has been reviewing the 29 advisory opinions it has issued concerning public servants' acceptance of gifts. In connection with this comprehensive review, the Board proposes to update Board Rules § 1-01(e), the exception to the "Valuable Gifts Rule" that permits a public servant to accept gifts of meals when conducting City business, in light of the Board's almost 30 years of experience administering these rules.

Existing Board Rules § 1-01(e) has not provided sufficient guidance to public servants as to whether they could accept food offered to them during or after meetings attended in connection with the performance of their City duties. This rule has proven to be so over-inclusive that it has been difficult to provide meaningful guidance, with its multiple and seemingly overlapping provisions. As practice has demonstrated, the situations described are not a realistic reflection of the actual situations in which public servants often find themselves.

In proposed Board Rules § 1-01(e), the Board would replace existing Board Rules § 1-01(e)'s scenario-based analysis with a simple rule permitting public servants to accept free meals or refreshments at a meeting attended in the course of and for the purpose of conducting City business provided that four specific criteria are met. First, the public servant cannot accept meals or refreshments that they have solicited, such as by suggesting that a vendor order food for a City meeting. Second, the meal or refreshments must be available to all people participating in the meeting or event without additional charge. Third, the meal or refreshments may not be separable from the meeting at which the City business is being conducted. This means, for example, that the public servant cannot accept the meal if it would take place after the meeting's City purpose has been concluded; nor, also by way of example, can they accept refreshments offered at an event around the corner from the office where City business is being conducted.

Finally, the meeting at which the City business is being conducted cannot have been scheduled for the purpose of obtaining the meal or refreshments, such as by scheduling the meeting to take place at a restaurant over lunch or dinner. This particular revision codifies the Board's oft-given informal advice that public servants should not accept free meals at meetings except under limited circumstances, thus avoiding the practice of a vendor scheduling an important "meeting" to negotiate the terms of a City contract over dinner or cocktails or of a legitimate meeting "running long" so that a developer can continue the business discussion while hosting the public servant at an expensive restaurant. See COIB v. Tuller, COIB Case No. 2015-428 (2016); COIB v. Secreto, COIB Case No. 2015-428a (2016); COIB Case No. 2015-428b (2016) (three NYPD Chiefs each paid fines of \$1,500 in connection with their receipt of gifts of meals from the Queens Library President and CEO with whom they dealt as part of their NYPD duties).

New material is underlined.

Section 1. Section 1-01(e) of Chapter 1 of Title 53 of the Rules of the City of New York is REPEALED and new a Section 1-01(e) is added to read as follows:

- (e) <u>Meals and Refreshments at Meetings</u>
  - (1) For the purposes of Charter § 2604(b)(3) and Charter § 2604(b)(5), a public servant may accept free meals or refreshments otherwise prohibited as valuable gifts at a meeting attended in the course of and for the purpose of conducting City business, provided that:
    - i. the public servant did not solicit the meal or refreshments;
    - <u>ii.</u> the meal or refreshments are available to all participants without charge;
    - iii. the meal or refreshments are not separable from the meeting at which the City business is being conducted; and
    - iv. the meeting at which the City business is being conducted was not scheduled for the purpose of obtaining the meal or refreshments.

### STATEMENT OF BASIS AND PURPOSE

The Board proposes to amend Board Rules § 1-08 to include all public universities of the United States and its states and territories, not only the State University of New York ("SUNY") and the City University of New York ("CUNY").

Board Rules § 1-08, effective on January 20, 2019, lists a subset of entities that are not "firms" and at which public servants may take positions without requiring a waiver of Charter § 2604(a)(1), which generally prohibits a public servant from having an ownership interest or position in a firm that is engaged in business dealings with the City. Since promulgating this rule, the Board has received a number of inquiries as to whether public servants would require a waiver to hold positions as adjunct professors at nearby public universities such as Rutgers, the State University of New Jersey. The Board proposes to expand the list of entities in Board Rules § 1-08 beyond CUNY and SUNY to include domestic public university systems, thus treating these public universities in the same way as all other domestic government institutions pursuant to Board Rules § 1-08(a)(1). This amendment would permit a public servant to teach a class as an adjunct professor, or take any kind of second job, at those public universities without requiring a waiver of Charter § 2604(a)(1). The inclusion of domestic public universities would be consistent with the Board's historic handling of SUNY and CUNY as entities that are not "firms" as defined in City Charter § 2601(11).

Request for Expressions of Interest: Security Deposit Alternatives EPIN: 80620SDRFEI1228

The City of New York ("City") Department of Housing Preservation and Development ("HPD") and Housing Development Corporation ("HDC"), are seeking to identify entities for consideration as Security Deposit Alternative Providers ("Providers"), to offer their alternatives ("Products"), to renters leasing newly-constructed City- and/or HDC-sponsored affordable housing. These Products are financial services that allow renters to pay a portion of their security deposit value instead of the full amount at the time of lease-up.

A list of pre-qualified Providers will be developed from this RFEI ("Pre-Qualified list"). Once the Pre-Qualified list is established, developers of City- and HDC-sponsored affordable housing can voluntarily choose one or more Providers, to offer security deposit alternatives, to renters leasing units in their developments.

The RFEI is now available on the HPD website (https://www1.nyc.gov/ site/hpd/services-and-information/rfps-rfqs-rfqs.page). The RFEI contains a detailed description of the program, eligibility criteria and application requirements.

Interested parties, may submit questions, about this Request for Expressions of Interest, via email, to securitydeposits@hpd.nyc.gov. Questions by email, will be due, Monday, January 25, 2021, at 4:00 P.M., and the Agency will provide a written summary of the questions and responses, to all interested parties in advance of the application deadline for the initial Pre-Qualified List. Thereafter, questions will be answered periodically.

Applications received by Monday, February 15, 2021, at 4:00 P.M., will be considered by the HPD and HDC, for inclusion on the initial

Pre-Qualified List. After the first round of reviews, applications will be accepted on a rolling basis, and both agencies anticipate that the Pre-Qualified List will be updated periodically.

People with disabilities requiring special accommodation, should contact HPD's Disability Services Facilitator, at accessibility@hpd.nyc.gov.
