## IV. EEO, Diversity, Inclusion and Equity Initiatives for FY 2023

Please describe your progress this quarter in implementing the primary goals in Section IV of your Agency Diversity, Equity, Inclusion and EEO Plan for FY 2023.

### A. Workforce:

Please list the **Workforce Goal(s)** included in *Section IV: Diversity, Equity, Inclusion and EEO Initiatives for FY 2023*, which you set/declared in your FY 2023 Diversity, Equity, Inclusion and EEO Plan (e.g., underutilization, workforce planning, succession planning and diverse applicant pool, among others).

1. [ DCEI partners with other NYPD Bureaus to develop integrated strategies for employee development, engagement, retention, and advancement. We facilitate Department-wide outreach and awareness initiatives for NYPD personnel regarding best practices in organizational equity and inclusion. This model has also been used for employee outreach and to provide employees a voice in other areas as well, including police reform touchpoints and organizational practices that may serve as barriers to underrepresented/marginalized communities (race groups, those who identify as women, those who identify as LGBTQIA+).]

❖ Please describe the steps that your agency has taken to meet this goal. Include actions taken to establish your agency as a leading service provider to the citizens of New York City focused on diversity, equity and inclusion, while reflecting the variety of communities that are served. **What steps were taken to evaluate effectiveness of these actions?**

DCEI will be evaluating the effectiveness of this goal by analyzing the number of successful partnerships towards our initiatives.

Q1: DCEI alongside the Police Commissioner's Office Liaison Unit, is working on creating a LGBTQIA+ Resource Map and App. Also planning a gender identity educational video.

Q2: In October, the NYPD launched a new LGBTQIA+ Resource Map App. The app will be available on all NYPD smartphones giving NYPD personnel in the field access to LGBTQIA+ community centers, advocacy organizations, shelters and other critical resources. Additionally,

## [NYPD] FY 2023 Diversity, Equity, Inclusion and Equal Employment Quarterly Report

the Police Commissioners Office Liaison Unit released a series of Training videos regarding the LGTQIA+ community on the following topic: LGBTQIA+ Terminology, LGBTQIA+ Gender Identity, LGBTQIA+ Pronouns and LGBTQIA+ Transitioning. These videos were made available to all NYPD Members of Service via the NYPD Portal Page.

Q3: DCEI is partnering with the Office of Professional Development (OPD) on leadership development training. DCEI is looking to work with internal and external stakeholders in developing a pay parity plan.

### 2. [Mentoring Program]

The nine (9) month program is designed to assist NYPD employees in making the best of their careers early on, and also provides career guidance for those seeking to advance within the Department. The Mentoring Unit serves as an additional resource in the Department’s goal to support and develop its employees. The Path to Mentorship nine-month program connects leaders in the NYPD with high-potential employees from underrepresented groups to invest in their personal and professional goals by using their skills, experience, and network to drive their growth. Participants meet monthly to receive resources, training, and engagement with Department leaders to help foster growth, leadership, and a feeling of inclusion in the NYPD. Training and presentations include resume building, leadership in the NYPD, time management and strategic planning, and a strength finder’s assessment. The monthly meetings also allow mentors and mentees an opportunity to meet face-to-face to create a plan to work toward the mentee’s goals. The mentorship program curriculum has 3 phases: 1) Establishing the Relationship and Setting Direction 2) Facilitating Mentee Growth 3) Reflecting on the Mentorship Experience and Assessing Progress. The mentoring program will be evaluated at fixed intervals. Mentoring pairs will be evaluated at the 3-month and 6-month mark. Program evaluations will be conducted from the start of the program to the end of the program, with a focus on participation, satisfaction, retention, process efficiencies, and efficacy. During the check-in, if a mentor or mentee is found not to be engaged in the program, the mentoring unit will conduct a follow-up to determine feasibility of continuance in the program. The mentoring unit will pair mentors/mentees with an appropriate MOS from the applicants not selected for the program. An annual report is

# [NYPD] FY 2023 Diversity, Equity, Inclusion and Equal Employment Quarterly Report

produced at the conclusion of the program to provide information about the program activities, statistical analysis, and effectiveness of the program.

❖ Please describe the steps that your agency has taken to meet this goal. Include actions taken to establish your agency as a leading service provider to the citizens of New York City focused on diversity, equity and inclusion, while reflecting the variety of communities that are served. **What steps were taken to evaluate effectiveness of these actions?**

DCEI will be evaluating several indicators to determine effectiveness such as: 1) the number of mentor/mentee applications. 2)The mentor/mentee transfer frequency. 3) Mentee command disciplines. 4) Mentee promotional exam results 5) MOS feedback

Q1: The official kickoff to the mentoring program will occur in October with a kickoff off event for mentors and mentees.
