The balance of moneys standing to the credit of the Public Administrator and the Comptroller on the first day of January, 1880, in the Importers and Traders' National Bank, was the sum of fifty-eight thousand five hundred and forty-seven dollars and eighty-four cents (\$58,547.84); and in the Continental National Bank, the sum of twenty-nine thousand nine hundred and ninety-five dollars and ninety-four cents (\$29,995.94); making together the sum of eighty-eight thousand five hundred and forty-three dollars and seventy-eight cents (\$88,543.78); which includes interest allowed by said banks on deposits.

The total amount of moneys which came into the hands of the Public Administrator during the year 1879 was the sum of eighty-two thousand two hundred and twenty-six dollars and fifty-three cents (\$82,226.53); and the amount distributed by him for expenses, payments to creditors and to next of kin, was the sum of ninety-four thousand eight hundred and forty-nine dollars and seventy-nine cents (\$94,849.79).

The total amount paid into the City Treasury during the year 1879 was the sum of seven thousand five hundred and seventy-one dollars and nine cents (\$7,571.09); being for commissions and intestate estates.

When the undersigned took possession of his office he found that the account of the Public Administrator and Comptroller with the Guardian Savings Institution showed a balance due from that bank of fourteen thousand two hundred and thirty-three dollars and sixty cents (\$14,233.60).

The undersigned has made diligent effort to collect the amount from the receivers of the said Institution, without success, and in consequence thereof a large number of estates cannot be finally closed. The above fact has been included in each of my previous annual statements.

Dated, New York, January 14, 1880.

ALGERNON S. SULLIVAN, Public Administrator.

The City of New York, until 9 o'clock A. M. of Friday the 6th day of February, 1880. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Dry Goods, Hardware, Leather and Findings, Crockery and Lumber," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates it deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department, but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for his faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept or contract within forty-eight (48) hours after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and re-let as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimate.

Bidders will state the price for each article by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

TO CONTRACTORS.

PROPOSALS FOR BUILDING A RIP-RAP EMBANKMENT, WITH RUBBLE WALL ON TOP THEREOF, AND WOODEN PLATFORM IN FRONT OF THE SAME, FROM SIXTIETH STREET TO SIXTY-FIRST STREET, EAST RIVER.

SEALED PROPOSALS FOR BUILDING A RIP-RAP EMBANKMENT, WITH RUBBLE WALL ON TOP THEREOF, AND WOODEN PLATFORM IN FRONT OF THE SAME, FROM SIXTIETH STREET TO SIXTY-FIRST STREET, EAST RIVER, indorsed as above, and with the name or names of the person or persons presenting the same, and the date of presentation, and addressed to "The President of the Department of Docks," will be received at this office until 12 o'clock M., of

FRIDAY, JANUARY 30, 1880,

at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be well prepared for the business, and the bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of two thousand dollars.

The Engineer's estimate of the nature, quantities, and extent of the work is as follows:

Class 1. Rip rap stone for embankment, deposited in place, about 6,000 cubic yards.
Class 2. Rubble wall built upon the embankment, about 372 cubic yards.

Class 3. Wooden platform in front of the rubble wall. This item will require the following quantities:
About 104 square piles.
5 oak fender piles.
5 mooring posts, of pine or spruce.
43 half-round or hickory fenders.
Yellow pine sawed timber, viz.:

12" x 12" about 15,216 feet, B. M.	
10" x 12" " 4,730 "	
7" x 12" " 91 "	
6" x 12" " 72 "	
5" x 12" " 2,512 "	
5" plank " 25,100 "	
Total sawed yellow pine, about 59,752 "	

—measured in the work.

NOTE.—The above bill of timber is exclusive of extra lengths required for scars, laps, etc., and of waste. File shoes of cast and wrought iron combined, as per plan, about, 3,442 lbs.

1½" and 1" wrought-iron screw bolts, wrought-iron washers, chain, and staples, about, 250 "

25" x ¾", 22" x ¾", 18" x ¾", 14" x ¾", 12" x ¾", 11" x ¾", 10" x ¾", and 10" x ½" square wrought-iron spike-pointed dock bolts, about 3,800 "

The superficial area of this platform will be about 5,361 square feet.

The foregoing are the quantities which have been estimated approximately for the construction of the work. They form, however, no part of the contract, and persons bidding are cautioned that neither the Department of Docks nor the Corporation of the City of New York is to be held responsible that any of them shall strictly obtain in the construction of the work, and bidders are required to examine the plans and the premises, and to judge for themselves of the quantity and other circumstances affecting the cost of the work.

The time allowed for the completion of all the work is three months from the date of the contract; and the damages to be paid by the contractor for each day that the contract, or any part thereof, may be unfulfilled after the time fixed for fulfillment has expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at fifty dollars per day.

Bidders will state in their proposals the prices for each separate class above specified of the work to be done in conformity with the annexed specifications, by which the bids will be tested. These prices are to cover the expenses of furnishing all the necessary materials and labor and the performance of all the work set forth in the annexed agreement.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures. Should the bidder or bidders neglect or refuse to accept or contract within forty-eight (48) hours after written notice that the same has been awarded to him or their bid or proposal, or if, after acceptance, he or they should refuse or neglect to execute the contract and give the proper security for forty-eight hours after notice that the same is ready for execution, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and re-let, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state that fact; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for his faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in these proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 6 of chapter 574, Laws of 1871, and by section 27 of chapter VIII. of the Revised Ordinances of the City of New York.

if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered are to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, it deemed for the interest of the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the work, is annexed.

Bidders are requested, in making their bids, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.
