**City of New York  
Community Development Block Grant – Disaster Recovery  
(CDBG-DR)**

**Proposed Amendment 12 to Action Plan**

**NOTE:** This notice provides an update to the notice originally published on September 23, 2016. The public hearing originally scheduled for October 17th, 2016, at Coney Island Hospital, has been rescheduled to October 20th, 2016. See below for more information.

**Overview**

The City of New York ("City" or "NYC") is the recipient of \$4.214 billion of Community Development Block Grant – Disaster Recovery (CDBG-DR) funding from the U.S. Department of Housing and Urban Development (HUD) to assist in disaster recovery and rebuilding efforts resulting from Hurricane Sandy. The City's approved CDBG-DR Action Plan details how the City plans to spend the grant on eligible Hurricane Sandy disaster recovery and rebuilding activities.

Any change greater than \$1 million in funding committed to a certain program, the addition or deletion of any program, or change in eligibility criteria or designated beneficiaries of a program constitutes a substantial amendment and such amendment will be available for review by the public and approval by HUD.

The City is publishing proposed Amendment 12 for public comment. Amendment 12 proposes the following changes:

**General**

- Reallocates funding across program areas to fund the completion of the Build it Back and Business Loan and Grant Programs.
- Note: Funding transferred to Housing from other recovery categories will be fully replaced with other City funds. All current planned projects will move forward without delays or gaps in funding or have already been completed. Sources of funding will consist of City Capital dollars committed as part of the September 2016 Capital Commitment Plan (\$350 million) and certain disaster response expenses, incurred by the City in prior fiscal years, that are no longer being reimbursed with CDBG-DR funding (\$150 million).
- Updates need assessments and funding justifications to reflect the reallocation of funds.
- Updates program descriptions where needed, to provide clarifying detail or current project status and information.

**Housing**

- Reallocates \$500 million to the Single Family Build it Back program to serve all eligible applicants.
- Updates Single Family Build it Back program description, explaining program pathways, additional benefits and needs assessment.
- Reduces Temporary Disaster Assistance Program (TDAP) allocation by \$10 million to reflect eligible population needs.
- Creates a new program benefit for TDAP to allow arrears payments to be made to landlords on behalf of beneficiaries that experience a gap in subsidy while transitioning from the program to Section 8 rental assistance.
- Reallocates \$9 million to NYCHA's Program Allocation from the City's Planning and Administration funding.
- Creates a new workforce development program targeting NYCHA residents.

**Business**

- Reallocates \$10 million to the Hurricane Sandy Business Loan and Grant Program to serve all eligible applicants.
- Reallocates \$12 million from the Restoration of Saw Mill Creek Marsh and \$15 million from the Rockaways Commercial Corridor Resiliency programs to fund needs in other program areas. Both programs will move forward with other sources of funding, including Capital funds the City is providing as part of the September 2016 Capital Commitment Plan.
- Updates the program description of the Coney Island Resiliency Improvements program, which was formerly referred to as the Coney Island Green Infrastructure Improvements program.

**Infrastructure and Other City Services (IOCS)**

- Updates the overall IOCS allocation from \$755 million to

\$419 million in order to fund needs in other program areas. CDBG-DR funding has been reduced across all IOCS program areas, however, projects previously identified either have already occurred and will now be funded with City funds instead of CDBG-DR, including Capital funds the City is providing as part of the September 2016 Commitment Plan. (Note: A version of this notice appearing in some newspapers on September 23, 2016 incorrectly indicates that the remaining IOCS allocation is \$434 million.)

- Reorganizes chapter to clarify where CDBG-DR funds have been committed and removes detail for programs that are no longer anticipated to receive CDBG-DR funding.

**Coastal Resiliency**

- Reallocates \$152 million from the Coastal Protection program to fund needs in other program areas. Components of the Raise Shorelines project and the Red Hook Integrated Flood Protection System will move forward with Capital funds the City is providing as part of the September 2016 Capital Commitment Plan. A portion of the Raise Shorelines Program will continue to be funded with CDBG-DR.

**Planning and Administration**

- Describes efforts to apply lessons learned and to develop tools for preparedness for future disasters.

**The comment period on the proposed CDBG-DR Action Plan Amendment 12 is now open. Comments must be received no later than October 24, 2016, at 11:59 P.M. ### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement

Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)  
 Department for the Aging (DFTA)  
 Department of Consumer Affairs (DCA)  
 Department of Corrections (DOC)  
 Department of Health and Mental Hygiene (DOHMH)

THE CITY OF NEW YORK  
THE DEPARTMENT OF CITY PLANNING

**THE DEPARTMENT OF HOUSING PRESERVATION AND DEVELOPMENT  
NOTICE OF PROPOSED SUBSTANTIAL AMENDMENT TO THE 2015 CONSOLIDATED PLAN ONE-YEAR ACTION PLAN**

TO ALL INTERESTED AGENCIES, COMMUNITY BOARDS, GROUPS, AND PERSONS:

In accordance with 24 CFR 91.505 of the U.S. Department of Housing and Urban Development (HUD) Consolidated Plan regulations regarding amendments, the City of New York announces the public comment period for the substantial amendment to the City's 2015 Consolidated Plan One-Year Action Plan HOME Investment Partnerships (HOME) programmatic activities.

The public comment period will begin on October 12, 2016 and extend thirty (30) days to November 10, 2016.

The amendment to New York City's 2015 HOME-funded activities entails the reallocation of funds between two existing programs: the HOME Tenant-Based Rental Assistance Program (HOME TBRA) and the HOME-funded Supportive Housing Program (SHP). The amendment also revises the proposed accomplishments for each program reflective of the reallocation of funds. Specifically, the amendment shows that \$17,000,000 of HOME TBRA funding will be transferred to the SHP to support additional new construction projects for affordable housing units. \$3,000,000 of the originally allocated \$20,000,000 in the City's 2015 HOME Program funding remains with the TBRA program, better reflecting the needs of the overall 2015 HOME Program Year (Calendar 2015).

Copies of the amended 2015 Consolidated Plan One-Year Action Plan - Addendum: HOME Investment Partnerships Program will be made available on October 12, 2016 and can be obtained at the Department of City Planning Bookstore, 120 Broadway, 31st Floor, New York, NY 10271 (Mondays 10:00 A.M. until 12:00 NOON with walk-ins from 10:00 A.M. until 11:00 A.M., and Wednesdays from 1:00 P.M. until 3:00 P.M. with walk ins from 2:00 P.M. until 3:00 P.M.). Section 1. Employer Pick-up of Additional Member Contributions of Covered Employees.

- a. The City, through the Office of Payroll Administration, shall pick up the Additional Member Contributions required of the Covered Sanitation Employees pursuant to the Elections on and after the effective date of the Elections and shall do so by reducing the salary of each of the Covered Sanitation Employees by that amount which each such Covered Employee is required to contribute under the Elections. The Additional Member Contributions so picked up shall be paid by the City in lieu of the Additional Member Contributions to be paid by Covered Employees pursuant to the Elections and shall be treated as employer contributions solely for the

purposes of determining Federal income tax treatment under Section 414(h) of the United States Internal Revenue Code.

- b. No Covered Employee whose Additional Member Contributions are required to be picked up pursuant to this Order shall have any right to elect that such pick up, with accompanying deduction from the compensation of such Covered Employee as prescribed by subdivision a of this section, shall not be effectuated.
c. Subject to the provisions of Subdivision a and b of this section, for all other purposes, this Order does not alter:
i. the obligation of such Covered Employee to pay New York State and New York City income and/or wages or earnings truces and the withholding of such taxes;
ii. the determination of the amount of any retirement allowance or other pension fund benefit payable to or on account of such Covered Employee or any other pension fund right, benefit or privilege of such Covered Employee; or
iii. the inclusion of the Additional Member Contributions picked up pursuant to this section as part of the employee compensation of such Covered Employee and such Covered Employee's gross compensation (as it would be in the absence of a pick-up program applicable to him or her hereunder).

Section 2. Effective Date. This Order shall take effect immediately.
