BOARD OF STREET OPENING AND IMPROVEMENT.

The Board of Street Opening and Improvement met, pursuant to call, in the Mayor's Office, at 2 P. M., on Wednesday, January 21, 1880.

Upon a call of the roll the following were ascertained to be present: Edward Cooper, Mayor; Richard A. Storrs, Deputy Comptroller; Allan Campbell, Commissioner of Public Works; John J. Morris, President of the Board of Aldermen.

The following authorization was presented by the Deputy Comptroller:

CITY OF NEW YORK,
FINANCE DEPARTMENT, COMPTROLLER'S OFFICE,
January 20, 1880.

Pursuant to the provisions of section 32 of chapter 335 of the Laws of 1873, I hereby designate and authorize Richard A. Storrs, Deputy Comptroller, to possess every power and perform all and every duty belonging to the office of Comptroller of the City of New York, on Wednesday and Thursday, the 21st and 22d days of January, 1880, for the reason that on those days I shall be absent from the Comptroller's Office.

JOHN KELLY, Comptroller.

Which was directed to be recorded on the minutes.

The minutes of the meeting held December 16, 1879, were read and approved.

James F. Wenman, President of the Department of Public Parks, then appeared and took part in the meeting.

The Secretary presented a paper signed by the members of the Board, acknowledging that they had received due and timely notice of the present meeting, which was ordered on file.

The Secretary also notified the Board that he had caused to be inserted in the CITY RECORD a notice, signed by all the members, that they proposed to lay out and open West Fifty-third street, from the Tenth avenue to the Eleventh avenue, and West Fifty-fourth street, from the Tenth avenue to the established bulkhead line on the Hudson river, and would lay their proposed action before the Board of Aldermen on or after January 27, 1880.

The Mayor presented the following communication, which was ordered on file.

To the Board of Street Opening and Improvement of the City of New York:

GENTLEMEN—The undersigned, owners of property, respectfully petition that Washington street be extended from Little West Twelfth street to West Fourteenth street, so as to run parallel with the Ninth and Tenth avenues, in the manner shown on the accompanying diagram.

We respectfully submit that this improvement should be made for the following among other reasons:

Washington street, which is almost exclusively devoted to business purposes, and on which there is a great amount of travel, terminates abruptly in a short, narrow street (Little Twelfth), and there is no suitable way of entrance to or exit from its northern end, which its importance as a business street requires. If it is extended to Fourteenth street, a distance of only two blocks, it will then terminate in a large, wide, and extensive thoroughfare.

There is no suitable or sufficient way of access to or departure from the new market which has just been established on the Fort Gansevoort property at Washington and Little West Twelfth streets. The streets that now lead to the market are very narrow, are encumbered with car tracks and filled with obstructions, and do not afford sufficient means of communication with it. It is proposed also to establish a ferry from the foot of West Fourteenth street to Jersey City, and the probabilities are that it will be in operation in a short time. Inasmuch as the inauguration of the market and the ferry will tend to largely increase the travel and business in this locality, an avenue such as the proposed improvement would make would be a public necessity.

If extended in accordance with annexed diagram it will not be necessary to tear down or remove any buildings, as the land which it is proposed to take consists of vacant lots. A large item of expense will thereby be saved.

The proposed extension will not alter or interfere with any existing house or lot lines. An objection of considerable consequence is thus avoided.

If undertaken at once, the cost of this improvement will be small, and the consequent expense to the property owners trivial.

Your petitioners therefore urgently request that immediate action be taken by your Board.

Very respectfully yours,

Resolved, That the Board of Street Opening and Improvement deem it to be for the public interest to lay out and open, and they propose to lay out and open a street to extend from the northerly side of Little West Twelfth street to the southerly side of West Fourteenth street, the easterly line of such street to be parallel with the Ninth avenue and four hundred and twenty-five (425) feet west of the westerly line of Ninth avenue, and the westerly line of such street to be five hundred (500) feet west of the westerly line of Ninth avenue and parallel thereto.

The Chairman put the question upon the said resolution, which was adopted by the following vote:

Affirmative—The Mayor, the Deputy Comptroller, the Commissioner of Public Works, the President of the Department of Public Parks, and the President of the Board of Aldermen.

The Mayor also offered the following resolution for adoption:

Resolved, That the proposed action of the Board of Street Opening and Improvement, as stated in the foregoing resolution, be laid before the Board of Aldermen, and that the same be published for ten days in the CITY RECORD.

JURORS.

NOTICE
IN RELATION TO JURORS FOR
STATE COURTSOFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, June 1, 1879.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrolment notice," requiring them to appear before me this year. (Whether liable or not, such notices must be answered in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

The bid or estimate must be verified by the oath in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates it deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, will be furnished at the office of the Department.

Dated New York, January 12, 1880.

TO CONTRACTORS.

PROPOSALS FOR BUILDING A RIP-RAP EMBANKMENT, WITH RUBBLE WALL ON TOP THEREOF, AND WOODEN PLATFORM IN FRONT OF THE SAME, FROM SIXTIETH STREET TO SIXTY-FIRST STREET, EAST RIVER.

SEALED PROPOSALS FOR BUILDING A RIP-RAP EMBANKMENT, WITH RUBBLE WALL ON TOP THEREOF, AND WOODEN PLATFORM IN FRONT OF THE SAME, FROM SIXTIETH STREET TO SIXTY-FIRST STREET, EAST RIVER, and with the name or names of the person or persons presenting the same, and the date of presentation, and addressed to "The President of the Department of Docks," will be received at this office until 12 o'clock M., of

FRIDAY, JANUARY 30, 1880.

at which time and place the bids will be publicly opened by the head of said Department and read. The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be well prepared for the business, and the bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of two thousand dollars.

The Engineer's estimate of the nature, quantities, and extent of the work is as follows:

Class 1. Rip rap stone for embankment, deposited in place, about 6,000 cubic yards.

Class 2. Rubble wall built upon the embankment, about 372 cubic yards.

Class 3. Wooden platform in front of the rubble wall. This item will require the following quantities:

About 104 spruce piles.

5 oak fender piles.

5 mooring posts, of pine or spruce.

43 half-round or hickory fenders.

Yellow pine sawed timber, viz.:

12" x 12" about 15,216 feet, B. M.

10" x 12" " 4,730 " "

7" x 12" " 91 " "

6" x 12" " 72 " "

5" x 10" " 2,542 " "

3" plank " 28,100 " "

Total sawed yellow pine, about 50,751 " "

—measured in the work.

NOTE.—The above bill of timber is exclusive of extra lengths required for scarfs, laps, etc., and of waste.

Pile shoes of cast and wrought iron combined, as per plan, about, 3,442 lbs.

1 1/2" and 1" wrought-iron screw bolts, wrought-iron washers, chain, and staples, about, 260 "

26" x 3/4", 22" x 3/4", 18" x 3/4", 12" x 3/4", 11" x 3/4", 10" x 3/4", and 10" x 1/2" square wrought-iron spike-pointed deck bolts, about 3,800 "

The superficial area of this platform will be about 5,361 square feet.

The foregoing are the quantities which have been estimated approximately for the construction of the work. They form, however, no part of the contract, and persons bidding are cautioned that neither the Department of Docks nor the Corporation of the City of New York is to be held responsible that any of them shall strictly obtain in the construction of the work, and bidders are required to examine the plans and the premises, and to judge for themselves of the quantity and other circumstances affecting the cost of the work.

The time allowed for the completion of all the work is three months from the date of the contract; and the damages to be paid by the contractor for each day that the contract, or any part thereof, may be unfulfilled after the time fixed for fulfillment has expired, Sundays and holidays not to be excepted, are, by a clause in the contract, fixed and liquidated at fifty dollars per day.

Bidders will state in their proposals the prices for each separate class above specified of the work to be done in conformity with the annexed specifications, by which the bids will be tested. These prices are to cover the expenses of furnishing all the necessary materials and labor and the performance of all the work set forth in the annexed agreement.

Bidders will write out the amount of their estimate for doing this work, in addition to inserting the same in figures.

Should the lowest bidder or bidders neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if, after acceptance, he or they should refuse or neglect to execute the contract and give the proper security for forty-eight hours after notice that the same is ready for execution, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their proposals their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested, the proposal shall distinctly state that fact; also that the bid is made without any connection with any other person making any estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which proposals must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation any difference between the sum to which said person or persons would be entitled on its completion and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the city of New York, and is worth the amount of the security required for the completion of the contract, and stated in these proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 6 of chapter 574, Laws of 1871, and by section 27 of chapter VIII. of the Revised Ordinances of the City of New York,

if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered are to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No proposal will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The right to decline all the proposals is reserved, if deemed for the interest of the Corporation.

The form of the agreement, including specifications, and showing the manner of payment for the work, is annexed.

Bidders are requested, in making their bids, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.
