CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
August 22, 1893.

To the Honorable the Board of Aldermen:

The Committee on Finance, to whom was referred the assessment rolls of the estates, real and personal, subject to taxation, of and within the City and County of New York, for the year 1893, together with a communication from the Comptroller of the City of New York, transmitting to the Board of Aldermen the Final Estimate made and adopted by the Board of Estimate and Apportionment for said year 1893, accompanied by his certificate of the amount of the appropriations authorized by law to be raised by tax in and for the said year 1893 respectfully submits the following

#### REPORT :

The assessed valuation of the real and personal estates subject to taxation within the City and County of New York, for the year 1893, as shown by the assessment rolls submitted to the Board of Aldermen by the Commissioners of Taxes and Assessments and referred on July 3, 1893, amounts to the sum of one thousand nine hundred and thirty-three million five hundred and eighteen thousand five hundred and twenty-nine dollars (\$1,933,518,529), which sum is a net increase of one hundred and five million two hundred and fifty-four thousand two hundred and fifty-four dollars (\$105,254,254), over the amount of the assessed valuation for the preceding year, 1892.

As shown by the Comptroller's certificate, submitted to the Board of Aldermen, and referred on May 23, 1893, the aggregate amount of the appropriations included in the Final Estimate for the year 1893, made and adopted by the Board of Estimate and Apportionment on the 31st day of December, 1892, is thirty-seven million four hundred and forty-four thousand one hundred and fifty-four dollars and sixty-eight cents (\$37,444,154.68), from which sum is deducted the sum of \$3,000,000 for and on account of the estimated revenues of the General Fund available for the reduction of taxation in said year 1893, and also the sum of \$266,725.13 added thereto by the Board of Estimate and Apportionment by a resolution adopted April 7, 1893, as per certificate of the Comptroller, leaving the sum of thirty-four million one hundred and seventy-seven thousand four hundred and twenty-nine dollars and fifty-five cents (\$34,177,429.55), as the amount to be raised by tax under the Final Estimate, as adopted by the Board of Estimate and Apportionment on December 31, 1892.

By section 830 of the New York City Consolidation Act of 1882, the Board of Aldermen is directed to provide for deficiencies in the actual product of taxes that may arise from insolvencies, discounts or rebates for prompt payment, errors in assessed valuations, etc., as follows:

"Section 830. It shall be the duty of the said Board of Aldermen to include in any and every ordinance or resolution passed by them, imposing and levying taxes for any purpose or purposes authorized by law, such sum in addition to the aggregate amount required for such purpose as they shall deem necessary, not exceeding three per cent. of said aggregate amount, to provide for deficiencies in the actual product of the amount imposed and levied therefor."

Your Committee has conferred with the Comptroller in regard to the amount that will be required to provide for and meet such deficiencies as may occur in the actual product of the taxes to be imposed and levied in and for the year 1893, and it has concluded to recommend that the sum of eight hundred and forty-five thousand two hundred and sixty-one dollars and five cents (\$845,261.05) be added to and included in the sum necessary to be raised by tax for the support of the government of the City and County of New York, and for other purposes, as authorized and provided by law, which sum is less than three per centum of the amount so required to be raised by tax, after deducting the estimated amount of the revenues of the General Fund for the reduction of taxation, the addition of which sum makes the total amount of taxes to be imposed and levied upon the real and personal estate subject to taxation within the City and County of New York, in and for the said year 1893, the sum of thirty-five million twenty-two thousand six hundred and ninety dollars and sixty cents (\$35,022,690.60).

Section 11 of Article VIII. of the Constitution of the State of New York provides as follows: "The amount hereafter to be raised by tax for county or city purposes in any county containing a city of over one hundred thousand inhabitants, or any such city of this State, in addition to providing for the principal and interest of existing debt, shall not in the aggregate exceed in any one year two per centum of the assessed valuation of the real and personal estate of such county or city, to be ascertained as prescribed in this section in respect to county or city debt."

As the assessed valuation of the real and personal estate of and within the City and County of New York, for the year 1893, is \$1,933,518,529, and two per centum of this sum is \$38,670,370, the total amount of the tax to be raised for city and county purposes for the year 1893, after providing for the principal and interest of existing city and county debt, and deducting also the amount of the State Tax to be raised in said year 1893, is less than the limit prescribed by the State Constitution, as shown by the following statement:

Amount of taxes to be raised as per Final Estimate, adopted December 31, 1892... \$34,177,429.55

Amount added for deficiencies..... \$845,261.05

Total..... \$35,022,690.60

Deduct—  
State Taxes..... \$3,554,458.33  
Principal of the City Debt, as per Final Estimate for 1893..... 1,499,021.10  
Interest on the City Debt, as per Final Estimate of 1893..... 4,948,582.09

Remainder..... \$25,020,629.08

This sum of \$25,020,629.08 is less than two per centum of the said assessed valuation of the real and personal estate of the City and County of New York, subject to taxation for the year 1893, which percentage amounts, as above stated, to the sum of \$38,670,370, leaving a very large margin within the limitation of taxes prescribed by the provision of the State Constitution above cited.

Sections 3 and 8 of chapter 361 of the Laws of 1881 provide as follows:

"Section 3. Every corporation, joint stock company or association whatever, now or hereafter incorporated or organized under any law of this state, or now or hereafter incorporated or organized by or under the laws of any other state, or country, doing business in this state, except savings banks and institutions for savings, life insurance companies, banks and foreign insurance companies, and manufacturing corporations carrying on manufacture within this state, which exception shall not be taken to include gas companies or trust companies, shall be subject to and pay a tax, as a tax upon its corporate franchise or business, into the treasury of the state annually, etc."

"Section 8. The corporations, joint stock companies and associations mentioned in this act as taxable shall hereafter be exempt from assessment and taxation for state purposes, except upon their real estate and as herein provided; but they shall in other respects be liable to assessment and taxation as heretofore."

The total amount of the assessed valuation of the personal estate of corporations, joint stock companies or associations, doing business in the City of New York, which are found to be exempt

under this statute from assessment and taxation on their personal estate for "State purposes" in the year 1893, as appears by a detailed statement thereof on file in the Finance Department, is eighty-six million nine hundred and thirty-three thousand three hundred and six dollars (\$86,933,306).

The above-cited provision of law requires, therefore, a special rate of tax to be imposed upon the personal estates of corporations which are exempt from taxation for State purposes, differing from and less than the general tax rate upon real and personal estate subject to taxation for city and county purposes.

The total amount of taxes to be raised in 1893 is as follows:	
Total appropriations as per Final Estimate, December 31, 1892.....	\$37,444,154.68
Deduct amount of Estimated Revenues of General Fund as per	
Final Estimate, December 31, 1892.....	\$3,000,000.00
Amount added by resolution of Board of Estimate and Apportionment, April 7, 1893.....	266,725.13
	3,266,725.13
Amount to be added for deficiencies as above stated.....	\$34,177,429.55
	845,261.05
Total amount of tax.....	\$35,022,690.60

The rates of taxation which will produce this sum are a general rate upon the valuation of real and personal estate, subject to taxation for all city and county purposes, and a special rate upon the valuation of the personal estate of corporations exempt from taxation thereon for State purposes, as follows:

General rate for City and County purposes :	
Valuation, \$1,846,585,223 at 1.82 per cent.....	\$33,607,851.05
Special rate for corporations :	
Valuation, \$86,933,306 at 1.6275 per cent.....	1,414,839.55
Total tax.....	\$35,022,690.60

An ordinance to impose the taxes and fix the rates of taxation which will produce the total amount of taxes required to be raised in and for the year 1893, for the objects and purposes therein set forth, is respectfully submitted herewith for the approval and adoption of the Board of Aldermen.

AN ORDINANCE to provide the necessary means for the support of the Government of the City of New York and the Board of Education, and for the payment of the quota of the State taxes, and for other purposes, pursuant to the provisions of law, in and for the year 1893.

The Mayor, Aldermen and Commonalty of the City of New York do ordain as follows:

Section 1. There shall be and is hereby imposed and levied upon the estates, real and personal, subject to taxation of and within the City and County of New York, the sum of thirty-four million one hundred and seventy-seven thousand four hundred and twenty-nine dollars and fifty-five cents (\$34,177,429.55), so imposed and levied by this ordinance, is that portion of the amount appropriated for such purposes as estimated by the Board of Estimate and Apportionment of said city and county in its Final Estimate for the fiscal year 1893, made and adopted on Saturday, December 31, 1892, amounting in the aggregate to thirty-seven million four hundred and forty-four thousand one hundred and fifty-four dollars and sixty-eight cents (\$37,444,154.68), remaining after deducting therefrom the sum of three million dollars (\$3,000,000) supplied by the General Fund for the reduction of taxation, and also the sum of two hundred and sixty-six thousand seven hundred and twenty-five dollars and thirteen cents (\$266,725.13) transferred to the General Fund by a resolution of the Board of Estimate and Apportionment, April 7, 1893, under chapter 186, Laws of 1893, as stated by the Comptroller of the City of New York, in a communication dated May 23, 1893, submitted to the Board of Aldermen on the same date; together with his certificate of the amount of the appropriations made in the Final Estimate for the said year 1893, copies of which communication and certificate, and of the said Final Estimate, are as follows:

CITY OF NEW YORK—FINANCE DEPARTMENT,  
COMPTROLLER'S OFFICE,  
May 23, 1893.

To the Honorable the Board of Aldermen of the City of New York:

Section 212 of the New York City Consolidation Act of 1882 provides as follows: "It shall be the duty of the Comptroller of said city to prepare and submit to the Board of Aldermen at least four weeks before their annual meeting, in each and every year, for the purpose of imposing the annual taxes, a statement setting forth the amounts by law authorized to be raised by tax in that year, on account of the corporation of the City of New York, or for city purposes within said city; and also an estimate of the probable amount of receipts into the city treasury during the then current year, from all sources of revenue of said general fund, including surplus revenues from the sinking fund available in accordance with law, other than the surplus revenues of the sinking fund for the payment of the city debt, and the said Board of Aldermen are hereby authorized and directed to deduct the total amount of such estimated receipts from the aggregate amount of all the various sums which by law they are required to order and cause to be raised by tax in said year for the purposes aforesaid, and to cause to be raised by tax only the balance of said aggregate amount, after making such deduction."

In pursuance of the foregoing provision of law, I have the honor to submit to your Honorable Body a statement setting forth in detail the amount by law authorized and required to be raised by tax in and for the year 1893, on account of the Corporation of the City of New York, or for city purposes within said city, as follows:

The Final Estimate of the amounts required to pay the expenses of conducting the public business of the City and County of New York, in each Department and branch thereof, and of the Board of Education, for the fiscal year 1893, as adopted by the Board of Estimate and Apportionment on Saturday, December 31, 1892, for which appropriations were made, aggregating the sum of thirty-seven million four hundred and forty-four thousand one hundred and fifty-four dollars and sixty-eight cents (\$37,444,154.68), in which estimate is included such sum as is necessary for the payment of interest on the bonds of the said City and County which becomes due and payable within said year which is not otherwise provided for; also such sum as is necessary to be raised by tax to pay the principal of any bonds and stocks which become due and payable during the said year which is not otherwise provided for; also the amount to be raised by tax annually, which with the accumulations of interest thereon will be sufficient to redeem the stocks and bonds issued to provide for the supply of water, pursuant to the provisions of section 11 of article VIII. of the Constitution of the State of New York, as amended in 1884; also the amount appropriated to charitable institutions required by law, and also so much as may be necessary to pay the proportion of the State tax required to be paid by the City and County of New York in said year 1893.

The amount of estimated receipts, together with unexpended balances of appropriations, as ascertained by the Board of Estimate and Apportionment in making the Final Estimate for the present year, was fixed at \$3,000,000. This amount has been increased by the addition of \$266,725.13, transferred to the General Fund, pursuant to the provisions of chapter 186, Laws of 1893, making a total of \$3,266,725.13, which is to be deducted from the aggregate amount of the Final Estimate.

### ARMORY BOARD.

ARMORY BOARD—OFFICE OF THE SECRETARY,  
No. 280 BROADWAY,  
NEW YORK, September 8, 1893.

PROPOSALS FOR ESTIMATES FOR FURNISHING MATERIALS AND WORK IN THE ERECTION OF AN ARMORY BUILDING ON THE EASTERN SIDE OF MADISON AVENUE, EXTENDING FROM NINETY-FOURTH TO NINETY-FIFTH STREET, NEW YORK CITY.

PROPOSALS FOR ESTIMATES FOR FURNISHING materials and work in the erection of an Armory Building on the eastern side of Madison avenue, extending from Ninety-fourth to Ninety-fifth street, City and County of New York, will be received by the Armory Board at the MAYOR'S OFFICE, CITY HALL, UNTIL 10:30 O'CLOCK A. M. OF THE 4TH DAY OF OCTOBER, 1893, at which time and place they will be publicly opened and read by said Board.

Any person making an estimate for the above work shall furnish the same in a sealed envelope to the President of said Armory Board, indorsed "Estimate for Furnishing Materials and Work in the erection of an Armory Building on the eastern side of Madison avenue, extending from Ninety-fourth to Ninety-fifth street," and also with the name of the person or persons presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, in the amount of FIFTY THOUSAND (\$50,000) DOLLARS.

Bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the estimate, and shall not at any time after the submission of an estimate dispute or complain of the statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work to the satisfaction of the Armory Board, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the prices therefor to be specified by the lowest bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the whole of the work to be done, in conformity with the approved form of contract and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay from any cause in the performing of the work thereunder.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on until it is accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work; and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion, and that which said Corporation or the Armory Board may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of TWENTY-FIVE HUNDRED DOLLARS (\$2,500). Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Board, who has charge

of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned by the Comptroller to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him by the Comptroller.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to this Department or to the Corporation of the City of New York.

The auctioneer's fees (\$25) on each lot or parcel must be paid by the purchasers thereof respectively at the time of sale.

Dated NEW YORK, August 30, 1893.

MICHAEL T. DALY,

Commissioner of Public Works

COMMISSIONER'S OFFICE,  
ROOM 6, NO. 32 CHAMBERS STREET,

## TO CONTRACTORS.

BIDS OR ESTIMATES, INCLOSED IN A sealed envelope, with the title of the work and the name of the bidder indorsed thereon, also the number of the work as in the advertisement, will be received at this office on Monday, October 2, 1893, until 12 o'clock M., at which place and hour they will be publicly opened by the head of the Department.

NO. 1. FOR REMOVAL OF OLD GATE-HOUSE AT TENTH AVENUE AND ONE HUNDRED AND NINETEENTH STREET AND CONSTRUCTION OF NEW GATE-HOUSE AND CONNECTIONS.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contracts awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must NOT be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 10, No. 32 Chambers street.
