PETER F. MEYER, Auctioneer.

THE FRANCHISE OF FERRY, AS MORE particularly hereinafter described, will be offered for sale by the Commissioner of Docks at public auction to the highest bidder, at Pier "A," Battery place, at 12 o'clock noon on

WEDNESDAY, NOVEMBER 23, 1904.

for a term of ten years from May 1, 1904.

To and from the foot of Broadway in the Borough of Brooklyn, The City of New York, across the waters of the East river or Sound, from and to the foot of East Twenty-third street, in the Borough of Manhattan, The City of New York, together with the wharf property belonging to The City of New York, assigned to be used in connection with and for the purposes of said ferry.

TERMS AND CONDITIONS OF SALE.

The lease will be sold subject to the approval of the terms thereof by the Commissioners of the Sinking Fund.

No bid will be received which shall be less than the upset price—namely, for the first term, five per cent. (5%) of the gross receipts of said ferry, to be not less than fifteen thousand dollars (\$15,000) per annum for the said franchise, together with the wharf property belonging to the City.

The purchaser will be required at the time of the sale to pay, in addition to the auctioneer's fee

(viz. \$50), to the Department of Docks and Ferries, \$3,750 as security for the execution of the lease, which \$3,750 will be applied to the payment of the rent first accruing under the lease when executed, or will be forfeited to the Department if the purchaser refuses or neglects to execute the lease, with good and sufficient surety to be approved by the Commissioner of Docks within ten days after being notified that the lease is prepared and ready for execution at the office of the Department of Docks and Ferries, Pier "A," North river, foot of Battery place.

A surety or guaranty company, duly authorized by law to act as surety, to be approved by the Commissioner of Docks, will be required under the lease to enter into a bond or obligation jointly and severally with the lessee in the sum of double the annual rent, for the faithful performance of all the covenants and conditions of the lease.

The lease will contain the usual covenants and conditions, in conformity with the provisions of law and the ordinances of the Board of Aldermen relative to ferries, and shall provide that the lessee will maintain and operate the ferry during the whole term, and will provide ample accommodations in the way of safe and capacious boats and sufficiency of trips; that if at any time during the term hereof the Commissioner of Docks, or the person or persons then performing the duties now exercised by the Commissioner of Docks, shall be of the opinion that the boat or boats furnished by the party of the second part, or that the number of trips do not conform to the requirements of this lease, he may direct the party of the second part to make such improvements, construct such new boat or boats, or increase the number of trips as in his opinion the service demands; and in the event of the failure of the party of the second part to comply with such directions within a reasonable time, a commission shall be appointed, composed of the Mayor, the President of the Borough of Brooklyn and the Commissioner of Docks, on behalf of the City, and three other persons selected by the party of the second part, which commission shall be known as the Arbitration Commission, and in case of their failure to agree as to the improvements to be made in the service, they shall appoint a seventh person to act as umpire, and if they are unable to agree within five days upon such umpire, then, at the request of either of the parties hereto, he shall be appointed by the Presiding Justice of the Appellate Division of the Supreme Court of the State of New York, First Department, and the decision of four of said seven persons so selected shall be conclusive and binding upon both of the parties to this lease; also conditions that the lessee shall dredge the ferry slips, etc., as required by the Commissioner of Docks; that during the term of the lease they will erect and build, at their own expense, and will at all times well and sufficiently repair, maintain and keep in good order, all and singular the floats, racks, fenders, bridges and other fixtures of the landing places, and in the event of any damage to the bulkheads or piers from collision by the ferryboats or otherwise, from any accident or negligence on their part, they will immediately repair and restore said wharf property to its previous condition free of cost to The City of New York; that if at any time during the term of the lease the Commissioner of Docks shall require any of the wharf property used for ferry purposes in order to proceed with the water front improvements in the vicinity of the ferry landing, the said lessee shall surrender and vacate the premises without any claim upon the city for any damages whatever, upon written notice being given to the lessee three months in advance of the intention of said Commissioner; the said notice shall, by terms of description, or by reference to the plans and specifications of the proposed work of improvement, specify the character of the alterations and improvements to be made in regard to said water front, affecting the property and rights hereby authorized to be demised, and upon receiving such notice the lessee may elect to terminate the lease of said ferry privilege or franchise by serving notice of such election upon the Commissioner of Docks within one month after receiving such notice from the Commissioner of Docks of his intention to improve the water front in the vicinity of the ferry landing; also that in case only a portion of said wharf property shall be required for the purposes aforesaid, then a reasonable reduction will be made from the rent reserved by said lease; that sworn returns of the amounts of ferry receipts shall be made to the Commissioner of Docks when required by said Commissioner, and that the books of accounts of the ferry shall be subject to the inspection of said Commissioner, or to any persons designated by him in writing.

The lease will contain a covenant providing that upon the expiration or sooner termination of the said term of ten years the lessee may, and upon demand in writing, by the Commissioner of Docks, or other proper officer or department of The City of New York thereto duly authorized, shall, at the cost and expense of the lessee, forthwith and at the utmost practicable speed, wholly remove from the premises herebefore described, buildings, platforms, floats, bridges, ferry racks, piling and fixtures which shall have been erected or placed by the lessee, its successors or assigns, upon or within the limits of the wharf property leased, so that there shall be in the slip adjacent to the hereinbefore described wharf property used for the purposes of said ferry, and in every part thereof, from the bulkhead out, at least ten feet of water at mean low water.

The rates of ferrage and charges for vehicles and freight shall not exceed the rates now charged on the present ferry.

The lessee shall provide such lifeboats, floats, rafts and life-preservers as may be directed by the Commissioner of Docks.

The form of the lease which the purchaser shall be required to execute can be seen at the office of the Commissioner of Docks.

The right to reject all bids is reserved, if deemed by the Commissioner of Docks to be for the best interests of the City so to do.
