No. 1716.

Being an appeal of certain taxpayers for the same amount of appropriation for concerts in parks and at recreation centres in 1915 as in prior years.

Which was ordered on file.

COMMUNICATIONS FROM CITY, COUNTY AND BOROUGH OFFICERS.

The Vice-Chairman laid before the Board the following communication from the Commisssioner of Bridges:

No. 1717.

Commissioner of Bridges—Communication in Relation to the Installation of a Safety Device on the Elevators in the New Municipal Building, Saying That a Test Has Been Made and Shown to Be Entirely Practicable.

Department of Bridges, City of New York, Municipal Building, Manhattan, N. Y., April 27, 1915.

To the Honorable the Board of Aldermen of The City of New York, City Hall, New York City:

Gentlemen—By resolution adopted on February 9, 1915, you requested me to apply a device or devices on the several elevators in the Municipal Building, to the end that—after report made by me, based upon a reasonable test—in your final action on Ordinance No. 1071 entitled, "An Ordinance regulating the construction, operation and maintenance of elevators in The City of New York," you may be informed how practical is the idea embraced in said ordinance.

Under date of March 18, 1915, I advised you that after a conference between your Committee on Buildings and this office, had on February 26, 1915, an installation of a device was made and completed for test purposes on elevator No. 11 of the Municipal Building, from top to bottom of the shaft. Also I advised you that this elevator was in regular passenger service to all floors between the street floor and floor twenty-four, both inclusive; that the installation was made at no expense to The City of New York, and that a notice had been posted at every landing and in the car informing persons using the car that the elevator was so equipped. Further, I recommended to your Honorable Board the desirability of an inspection of the test installation by your representatives.

Elevator No. 11, so equipped, has been in continuous service since March 18, 1915, and under the observation of an inspector representing this office. No complaints of any nature as to the operation of the device have been received.

On April 6, 1915, all of the members of your Honorable Board who desired to witness the test were given an opportunity to do so, and a number of them availed themselves of this opportunity.

In view of the fact that this test has now been under observation for six weeks, during which time the operation of the car has been automatically controlled in the manner as contemplated in the proposed Ordinance No. 1071, and the elevator has given entire satisfaction in point of operation, I submit that the test has shown the idea to be entirely practicable.

The inspector has this day been withdrawn from the car and the test concluded.

Respectfully, F. J. H. KRACKE, Commissioner.

Which was referred to the Committee on Buildings.

The Vice-Chairman laid before the Board the following communication from the District Attorney of Queens County:

No. 1718.

District Attorney, Queens County—Request for Special Revenue Bonds, $2,000, for the Purchase of Equipment.

District Attorney's Office, Queens County, N. Y., Long Island City, April 27th, 1915.

Hon. GEORGE MCANENY, *President, The Board of Aldermen,* City of New York:

Dear Sir—I hereby request the issuance of special revenue bonds to the amount of $2,000 for the purchase of equipment for this office. The 1915 budget appropriation for Purchase of Equipment (Code. No. 3539) was $400. There is now a balance of only $5.17 in this fund, while at present we have bills aggregting $21 chargeable to this fund which cannot be forwarded to the Comptroller for audit because of the small balance in Code No. 3539. Other equipment will be needed from time to time during the remainder of the year, and I wish to have installed at an early date a flat filing system in steel cabinets for the filing of Magistrates' informations, indictments, exhibits, etc., in all cases before, during and after trial. Such a system of filing is absolutely necessary for the proper conduct of the office, and I do not consider the amount herein asked for to be in excess of what will be required for these purposes for the remaining eight months of 1915. Yours very truly,

DENIS O'LEARY, District Attorney.

Which was referred to the Committee on Finance.

The Vice-Chairman laid before the Board the following communications from the Board of Estimate and Apportionment:

No. 1719.

Board of Estimate and Apportionment—Certified Copy of Resolution Authorizing Issue of $17,500 Corporate Stock for Construction, Etc., of Civil Prison, Long Island City, Queens.

City of New York, Board of Estimate and Apportionment, Office of the Secretary, Municipal Building, May 4, 1915.

To the Honorable the Board of Aldermen:

Gentlemen—I transmit herewith certified copies of three resolutions adopted by the Board of Estimate and Apportionment April 30, 1915, relative to the issues of corporate stock, as follows:

Cal. No. 178. Authorizing the issue of $17,500 corporate stock for the construction and equipment, including architect's fees, of a civil prison in Long Island City, Queens, under the jurisdiction of the President, Borough of Queens.

Cal. No. 179. Authorizing the issue of $2,800 corporate stock for the purchase and erection of a mangle in the laundry at the Metropolitan Hospital, Blackwells Island, under the jurisdiction of the Department of Public Charities.

Cal. No. 180. Authorizing the issue of $2,500 corporate stock for the interior equipment of the new offices of the Surrogate and County Clerk of Queens County, under the jurisdiction of the President, Borough of Queens.

I also transmit herewith copies of reports of the Committee on Corporate Stock Budget relative thereto. Respectfully,

JAMES MATTHEWS, Assistant Secretary.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, hereby approves of the issue of corporate stock of The City of New York to an amount not exceeding seventeen thousand five hundred dollars ($17,500), to provide means for the construction and equipment, including architect's fees, of a civil prison in Long Island City in the Borough of Queens, under the jurisdiction of the President of the Borough of Queens, and that when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller be and is hereby authorized to issue said corporate stock of The City of New York in the manner provided by section 169 of the Greater New York Charter, maturing not more than fifteen (15) years after date of issue, the proceeds thereof to the amount of the par value of the stock to be applied to the purposes aforesaid; provided, however, that no part of the proceeds of the corporate stock herein authorized shall be available until after the Board of Estimate and Apportionment has approved forms of contract, plans, specifications and estimates of cost pertaining to the same, and that no part of such proceeds shall be used for the payment of fees of any architect, engineer or expert until after a contract with such architect, engineer or expert has been approved by said Board, and that no part of the proceeds of corporate stock herein authorized shall be used for the payment of any salary or wage of departmental employees, except after approval by said Board and in accordance with the schedules to be approved by said Board.

A true copy of resolution adopted by the Board of Estimate and Apportionment April 30, 1915. JAMES MATTHEWS, Assistant Secretary.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Contract Supervision, March 5, 1915.

To the Board of Estimate and Apportionment:

Gentlemen—On December 4, 1914, you referred to the Corporate Stock Budget Committee, a communication dated November 24, 1914, from the Mayor, presenting for consideration of the Board a request from the October Grand Jury of Queens County for an appropriation for the erection of a new building for a Civil Jail.

The Sheriff of Queens County at present occupies three rooms in the City Prison, one for the office of the Warden, one in which the prisoners are fed, and another, containing three cots, as the prison. These accommodations have proved to be entirely inadequate, as there have been times when five or six prisoners had to be accommodated, and when it has been necessary for the Sheriff to borrow mattresses and covering from the City Prison and to have some of the prisoners sleep on the floor.

Section 346 of the Prison Law provides that male and female prisoners are to be kept separate. There are at present five Orders of Commitments for females which the Sheriff is unable to enforce, because of the lack of separate prison accommodations.

The Department of Corrections is desirous of securing immediate possession of the rooms which are now being used as a Civil Jail. It is intended to use a portion of this space for persons who are addicted to the use of drugs. This separation of drug prisoners from others who are confined, is required under the Boylan Law.

On April 22, 1914, the Chief Inspector of the State Commission of Prisons reported that the jail facilities of the Civil Jail of Queens County were utterly inadequate and recommended that a new jail be provided.

It is estimated by the President of the Borough of Queens, under whose jurisdiction the prison will be constructed, that the cost of the building and improvements will be $30,000.

This estimate was based on a three-story building with provision for twenty-four cells. The jail census of the Sheriff's office indicates that the cell capacity of the proposed building is excessive. A two-story building, providing for twelve cells, so constructed that by the use of movable partitions all or any number of these cells could be used for female prisoners, would amply provide for the needs of the Sheriff. Such a building can be constructed on the proposed site between the Queens County Court House and the City Prison, of a design to harmonize architecturally with the surrounding buildings, for $17,500, including architect's fees and necessary equipment.

We recommend the adoption of the attached resolution appropriating funds in this amount. Respectfully,

WM. A. PRENDERGAST, Comptroller; GEORGE McANENY, President, Board of ALDERMEN; LEWIS H. POUNDS, President, Borough of Brooklyn; DOUGLAS MATHEWSON, President, Borough of The Bronx, Corporate Stock Budget Committee.

No. 1720.

Board of Estimate and Apportionment—Certified Copy of Resolution Authorizing Issue of $2,800 Corporate Stock for Purchase and Erection of Mangle in Laundry at Metropolitan Hospital, Blackwells Island.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, hereby approves of the issue of corporate stock of The City of New York to an amount not exceeding two thousand eight hundred dollars ($2,800), to provide means for the purchase and erection of a mangle in the laundry at the Metropolitan Hospital, Blackwells Island, under the jurisdiction of the Department of Public Charities, and that when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller be and is hereby authorized to issue said corporate stock of The City of New York in the manner provided by section 169 of the Greater New York Charter, maturing not more than fifteen (15) years after date of issue, the proceeds thereof to the amount of the par value of the stock to be applied to the purposes aforesaid; provided, however, that no encumbrance or expenditure by contract shall be made against the proceeds of corporate stock herein authorized, nor shall bids upon such contracts be advertised for, until after approval by the Board of Estimate and Apportionment of the plans, specifications, estimates of cost and forms of such contracts which shall be submitted to said Board by the Commissioner of Public Charities, nor shall any architect, engineer, expert or departmental employee be engaged or employed as a charge against such proceeds, except after approval by said Board of such employment and of the fee or wage to be paid by preliminary and final contract, voucher or budget schedule which are to be similarly submitted, unless in the case of departmental employees such employment is in accordance with schedules approved by said Board.

A true copy of resolution adopted by the Board of Estimate and Apportionment, April 30, 1915. JAMES MATTHEWS, Assistant Secretary.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Contract Supervision, March 25, 1915.

To the Board of Estimate and Apportionment:

Gentlemen—On March 5, 1915, you referred to the Committee on Corporate Stock Budget a communication from the Commissioner of Public Charities dated March 1, 1915, requesting a corporate stock authorization of $2,800 to provide for the purchase of a new mangle for the laundry at the Metropolitan Hospital, Blackwells Island.

There are at present two mangles in this laundry. One of these machines has been in use many years; it is obsolete, wasteful in the consumption of steam and labor to operate. It is the intention of the department to replace this mangle by one of more modern construction.

A recent count of the amount of goods washed at this laundry in one week showed that of a total of 22,867 pounds (dry weight), three-quarters were towels, sheets and miscellaneous flat pieces, which are ironed upon mangles. The output and cost of operation of the laundry is therefore to a great extent limited by the capacity of these machines. Another mangle is necessary for a reduction in the cost of operation and to maintain the output of this laundry.

We recommend the adoption of the attached resolution approving the issue of corporate stock to the amount of $2,800 for the purpose aforesaid.

Respectfully, WM. A. PRENDERGAST, Comptroller; GEORGE McANENY, President, Board of Aldermen; LEWIS H. POUNDS, President, Borough of Brooklyn; DOUGLAS MATHEWSON, President, Borough of The Bronx; Corporate Stock Budget Committee.

No. 1721.

Board of Estimate and Apportionment—Certified Copy of Resolution Authorizing Issue of $2,500 Corporate Stock for Interior Equipment of New Offices of Surrogate and County Clerk, Queens County.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 47 of the Greater New York Charter, as amended, hereby approves of the issue of corporate stock of the City of New York to an amount not exceeding two thousand five hundred dollars ($2,500), to provide means for the interior equipment of the new offices of the Surrogate and County Clerk of Queens County, under the jurisdiction of the President of the Borough of Queens, and that when authority therefor shall have been obtained from the Board of Aldermen the Comptroller be and is hereby authorized to issue said corporate stock of the City of New York in the manner provided by section 169 of the Greater New York Charter, maturing not more than fifteen (15) years after date of issue, the proceeds thereof to the amount of the par value of the stock to be applied to the purpose aforesaid; provided, however, that no encumbrance or expenditure by contract shall be made against the proceeds or corporate stock herein authorized, nor shall bids upon such contracts be advertised for until after approval by the Board of Estimate and Apportionment of the plans, specifications, estimates of cost and forms of such contracts which shall be submitted to said Board by the President of the Borough of Queens, nor shall any architect, engineer, expert or departmental employee be engaged or employed as a charge against such proceeds, except after approval by said Board, of such employment and of the fee or wage to be paid by preliminary and final contract, voucher or budget schedule, which are to be similarly submitted, unless in the case of departmental employee, such employment is in accordance with schedules approved by said Board.

A true copy of resolution adopted by the Board of Estimate and Apportionment April 30, 1915. JAMES MATTHEWS, Assistant Secretary.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Contract Supervision, March 30, 1915.

To the Board of Estimate and Apportionment:

Gentlemen—On March 5, 1915, you referred to the Corporate Stock Budget Committee a communication from the President of the Borough of Queens, dated March 1, 1915, requesting $10,500 in corporate stock to provide metal partitions, steel counters and other permanent steel equipment for the new offices of the County Clerk and Surrogate of Queens County, and suggesting the rescindment of $3,000 in the original authorization for the construction of the building and the purchase of filing cases.

The President urges the necessity for prompt action upon this request, as the new building is nearing completion; the lease of temporary quarters will very shortly expire and some time will be occupied in the manufacture of the articles requested.

In order to make the building suitable for occupancy by the County Clerk and Surrogate it is necessary to install certain counters, a judge's bench, jury box and other permanent equipment.

The following is a list of the equipment requested, all steel:

Item.	Articles.
1.	Combined Judge's bench and witness stand, including railings and platform.
2.	Special table, 10 feet by 2 feet by 31 inches.
3.	Special Clerk's table, 42 inches by 30 inches by 31 inches.
4.	Stenographer's table, 42 inches by 30 inches by 31 inches.
5.	Jury box; no seatings.
10.	Combination case, Deputy's office.
11.	Combination case, general office.
24.	Counter, partition and entrance door, Surrogate's general office.
25.	Counter in lobby.
28, 29.	Two roller shelf cases.
30, 31 and 32.	Surrogate's library cases.
34.	Double-face roller shelf case, Naturalization Bureau.
35.	Roller shelf case, Naturalization Bureau.
37 to 40.	Four standing desks, 8 feet 3 inches by 46 inches by 34 inches.
42.	Check desk, Naturalization Bureau.
42½.	Check desk, Clerk's general office lobby.
43, 44 and 45.	Counter partition and door, forming a lobby in Naturalization Bureau.
46.	Cupboard case in storage room.
47.	Double-faced counter, Clerk's office.
47½ and 48.	Counter front, counter interior and door.
49.	Counter front, counter interior partition and two doors.
50 to 53.	Mesh or cage work.
54 to 61.	Eight cases, reader's room partition and doors.
62-65.	Four reader's tables.

(The omitted numbers were not used.)

The Bureau of Contract Supervision ascertained that certain equipment abandoned in the Hall of Records, New York County, by the Tax Department would be suitable for the purposes of the request.

Items 24, 34, 43, 44, 45, 47½ and 48 were provided for by transferring this equipment. It will cost approximately sixteen hundred dollars to remove and re-erect this equipment; this cost will be met by tax funds. The value of the requested equipment which this will replace approximates $3,500, indicating a saving of about $2,000. It will also be available about sixty days sooner than if manufactured.

At the request of the same Bureau, item 47 has been eliminated by the County Clerk.

Items 54 to 61 inclusive, metal partitions, were estimated to cost $1,490. Tile and plaster partitions can be built at a cost of $600, which is recommended.

Items 1, 2, 3, 4, 5, 37, 38, 39, 40, 62, 63, 64, 65, consisting of the judges bench, jury box and clerks' tables are not used for the storage of records and are recommended to be constructed of wood.

These changes reduce the estimated cost of the necessary equipment to $5,500.

The Surrogate and County Clerk are performing their duties under a handicap due to poor office facilities. The new building is ready for the installation of the equipment requested.

On July 17, 1911, your board approved the authorization of $100,000 in corporate stock "to provide means for the construction of a fireproof building and purchase of steel filing cases for Queens County records for the use of the Surrogate and County Clerk of Queens County, under the jurisdiction of the President of the Borough of Queens." On March 25, 1915, there was an approximate balance available of $3,000 in this fund, which the Borough President believes is not applicable to the above request, under the terms of the resolution.

We recommend that $3,000 of the 1911 authorization be made available by the amendment of the authorizing resolution, for the purposes of the request; and that an additional authorization of $2,500 be approved for the interior equipment of the building.

The adoption of the attached resolutions will effect these recommendations.

Respectfully,

WM. A. PRENDERGAST, Comptroller; GEORGE McANENY, President, Board of Aldermen; LEWIS H. POUNDS, President, Borough of Brooklyn; DOUGLAS MATHEWSON, President, Borough of The Bronx; Corporate Stock Budget Committee.

(Note—The matter of an issue of $3,000 corporate stock, recommended in the above report, was laid over for one week, May 7, 1915.)

Which were severally referred to the Committee on Finance.

Board of Estimate and Apportionment—Certified Copy of Resolution Relative to Establishment of Grade of Position of Janitor, Public School 97, Manhattan, and Fixation of Rates of Compensation for Care of Crotona Athletic Field, Under Jurisdiction of Department of Education.

City of New York, Board of Estimate and Apportionment, Office of the Secretary, Municipal Building, May 4, 1915.

To the Honorable the Board of Aldermen:

Gentlemen—I transmit herewith certified copies of four resolutions adopted by the Board of Estimate and Apportionment April 30, 1915, relative to the establishment of grades of positions in various departments, as follows:

	Department and Position.	Rate Per Annum.	Incumbents.
Cal. No. 34.	Education—Janitor of P. S. 97, Manhattan, at rates set forth in resolution; fixation of rates of compensation for care of Crotona Athletic Field.		
Cal. No. 36.	Police—Architectural Draftsman	$1,950	1
Cal. No. 42.	Court of Special Sessions—Telephone Operator	$600	..
Cal. No. 184.	Office of the President, Borough of Manhattan—Laboratory Assistant	$600, $720, $840, $960, $1,080	Unlimited

I also enclose copies of reports of the Committee on Salaries and Grades relative thereto. Respectfully, JAMES MATTHEWS, Assistant Secretary.

Whereas, By opinions of the Corporation Counsel as of June 28 and July 30, 1910, the Comptroller was advised that the payment of salaries of janitors in the Department of Education was illegal unless such salary shall have been established under the provisions of section 56 of the Greater New York Charter; and

Whereas, The Special Committee on Janitorial Compensation and the Committee on School Inquiry, Board of Estimate and Apportionment, submitted a joint report on March 27, 1913, which contained detailed suggestions and recommendations for the reorganization of the janitorial force of the Board of Education; therefore, be it

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen, pending action by the Board of Education on the aforesaid report, the compensation of janitors in the Department of Education be fixed temporarily and until further modified, in accordance with the following list:

Janitor, Public School 97, Manhattan, to be effective February 23, 1915, per month	$150 00
Janitor, Public School 97, Manhattan, to be effective March 15, 1915, per annum	3,936 00

Compensation for care of Crotona Athletic Field, as follows:

April 1 to October 31, per month	$125 00
November 1 to March 31, per month	60 00

A true copy of resolution adopted by the Board of Estimate and Apportionment April 30, 1915. JAMES MATTHEWS, Assistant Secretary.

City of New York, Board of Estimate and Apportionment, Municipal Building, Committee on Education, April 20, 1915.

To the Board of Estimate and Apportionment:

Gentlemen—On April 14, 1915, the Board of Education requested establishment, pursuant to the provisions of Section 56 of the Greater New York Charter, of rates of compensation for the janitor of Public School 97, Manhattan, and also for the care of the Crotona Athletic Field, The Bronx. In connection therewith we report as follows:

For new Public School 97, Manhattan, a temporary rate of $150 per month is requested for the janitor assigned to the building to prepare for its opening, to take effect February 23, 1915, and a regular rate of $3,936 per annum, based upon the adopted measurement schedule, to take effect March 15, 1915, the date on which the school was fully occupied by pupils.

For the care of the Crotona Athletic Field, The Bronx, the following rates of compensation are requested:

April 1 to October 31	$125 per month
November 1 to March 31	60 per month

The present rates of compensation fixed for this field are:

May 1 to September 30	$125 per month
October 1 to April 30	60 per month

Under the present schedule of compensation the janitor in charge of the field employs two assistants for five months and one assistant for the remaining seven months. Inasmuch as the field is actively being used for a period of seven months in each year, April 1 to October 31, the proposed rates will permit the janitor to employ the two assistants for seven months and one assistant for the remaining five months.

We recommend the adoption of the attached resolution granting the request.

Respectfully,

WM. A. PRENDERGAST, Comptroller; GEORGE McANENY, President, Board of Aldermen; Committee on Salaries and Grades.

Board of Estimate and Apportionment—Certified Copy of Resolution Relative to Establishment of Grades of Positions of Laboratory Assistants, at Various Rates, in the Office of President, Borough of Manhattan.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the office of the President of the Borough of Manhattan, of the grades of position, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.	Number of Incumbents.
Laboratory Assistant	$600 00	Unlimited
Laboratory Assistant	720 00	Unlimited
Laboratory Assistant	840 00	Unlimited
Laboratory Assistant	960 00	Unlimited
Laboratory Assistant	1,080 00	Unlimited

A true copy of resolution adopted by the Board of Estimate and Apportionment, April 30, 1915. JAMES MATTHEWS, Assistant Secretary.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Standards, April 17, 1915.

To the Board of Estimate and Apportionment:

Gentlemen—Under date of March 12, 1915, the President of the Borough of Manhattan requested the establishment of certain grades of positions in his office: The Bureau of Standards reports thereon as follows:

"In the office of the Borough President the only grade established for Laboratory Assistant is $900. The present request is for the creation of two additional grades, $750 and $1,050, respectively. The rate proposed in the tentative specifications of the Bureau of Standards for Laboratory Assistant are $600, $720, $840, $960, $1,080. Two of the proposed rates closely approximate the rates requested."

In view of the above report we recommend the adoption of the attached resolution establishing the proposed rates of the Bureau of Standards, Respectfully,

WM. A. PRENDERGAST, Comptroller; O. GRANT ESTERBROOK, Acting President, Board of Aldermen.

Board of Estimate and Apportionment—Certified Copy of Resolution Relative to Establishment of Grade of Position of Architectural Draftsman, $1,950 Per Annum, Police Department.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Police Department of the grade of position, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.	Number of Incumbents.
Architectural Draftsman	$1,950 00	One

A true copy of resolution adopted by the Board of Estimate and Apportionment, April 30, 1915. JAMES MATTHEWS, Assistant Secretary.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Standards, April 22, 1915.

To the Board of Estimate and Apportionment:

Gentlemen—On April 7, 1915, the Police Commissioner requested establishment in his Department, pursuant to the provisions of section 56 of the Greater New York Charter, of the position of Architectural Draftsman, at $1,950 per annum. The request was referred to the Committee on Salaries and Grades. The Bureau of Standards reports thereon as follows:

"The budget of 1915 made provision for the employment of two Inspectors of Buildings, at $1,800 per annum each, for the purpose of supervising and examining into repairs, etc., of police station houses. After investigation it has been found that a more suitable incumbent for the duties to be performed could be obtained by transfer from another City Department.

"It is proposed to transfer to the position Mr. Byron P. Wilson, now employed as an Architectural Draftsman, at $1,800 in the office of the President of the Borough of Brooklyn, to which he was appointed on May 1, 1907. The incumbent will be required to prepare plans, specifications and estimates of cost for alterations and repairs and for new buildings for the Police Department, and in addition to supervise and examine into the alterations and repairs. This work is along the lines now performed by Mr. Wilson.

"According to the proposed specifications of the Bureau of Standards, the work to be performed falls within Grade 3 of the Architect Group, with compensation ranging from $2,280 to $3,420 per annum.

"To provide the $1,950 necessary, the two positions of Building Inspectors, at $1,800 per annum allowed in the 1915 budget are to be abolished.

"One salary increase of $150 is involved."

In view of the foregoing facts, we believe that the request is a well merited one and that better results will be obtained by the employment of Mr. Wilson. We recommend therefore the adoption of the attached resolution providing for the establishment of the position of Architectural Draftsman, at $1,950 per annum. Respectfully,

WM. A. PRENDERGAST, Comptroller; GEORGE McANENY, President, Board of Aldermen; Committee on Salaries and Grades.

Board of Estimate and Apportionment—Certified Copy of Resolution Relative to Establishment of Grade of Position of Telephone Operator, at $600 Per Annum, in Court of Special Sessions.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Court of Special Sessions of the grade of position, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.
Telephone Operator	$600 00

A true copy of resolution adopted by the Board of Estimate and Apportionment April 30, 1915. JAMES MATTHEWS, Assistant Secretary.

City of New York, Board of Estimate and Apportionment, Municipal Building, Bureau of Standards, April 20, 1915.

To the Board of Estimate and Apportionment:

Gentlemen—On April 15, 1915, the Chief Justice of the Court of Special Sessions requested authorization to fill a vacant position of Telephone Operator at $750 per annum. The Bureau of Standards reports thereon as follows:

"The request of the Chief Justice is for authorization, pursuant to the provisions of Resolution IIc of the 1915 budget, to fill a position of Telephone Operator at $750. The position is a new one allowed in the 1915 budget. It is proposed to fill the position by transferring Helen Boyle, a Telephone Operator in the Department of Charities, to the place. Miss Boyle's present salary is $480 per annum. The duties of the position fall within the Telephone Operator Group, Grade 1, of the proposed standard specifications, with a minimum salary of $600. No salary grade at $600 for the position has been established for the court. An increase in salary is involved by reason of the request, but no increase in appropriation."

In view of the facts stated in the report of the Bureau of Standards, we recommend the adoption of the attached resolution recommending to the Board of Aldermen, pursuant to the provisions of section 56 of the Charter, the establishment of the position of Telephone Operator at $600 per annum for the court, in order to permit the filling of the position at the minimum salary rate under the proposed standard specifications in accordance with resolution 2C of the budget for 1915. Respectfully,

WM. A. PRENDERGAST, Comptroller; GEORGE McANENY, President, Board of Aldermen; Committee on Salaries and Grades.

Which were severally referred to the Committee on Salaries and Offices.

REPORTS OF STANDING COMMITTEES.

Report of Committee on Buildings—

No. 1654—(G. O. No. 639).

Report of the Committee on Buildings in Favor of Adopting Ordinance Amending the Building Code in Relation to Excavations and Foundations.

The Committee on Buildings, to which was referred on April 13, 1915 (Minutes, page 148), the annexed ordinance containing the section of the Building Code relative to Excavations and Foundations, respectfully

REPORTS:

That it held a public hearing on this provision of the Code on April 29th, at which some criticisms were made and suggestions offered. The Committee has carefully considered the several criticisms and suggestions and has revised the ordinance in a manner which it believes will meet with general approval.

It therefore recommends that the accompanying substitute ordinance be adopted.

SUBSTITUTE.

AN ORDINANCE to amend article 12, chapter 5 of the Code of Ordinances of The City of New York.

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Article 12, chapter 5 of the Code of Ordinances of The City of New York is hereby amended to read as follows:

Article 12.

Excavations and Foundations.

Section 230. Excavations.
231. Soil, bearing capacity.
232. Foundations, generally.
[233. Pile foundations.
234. Foundation walls.
235. Isolated piers.
236. Grillage beams.
237. Pressure under footings.]
233. *Footings.*
234. *Foundation piers and caissons.*
235. *Pile foundations.*
236. *Foundation walls.*
237. *Retaining walls.*

§ 230. Excavations. 1, Safeguarding generally. All excavations [for buildings] *within the building line* shall be properly guarded and protected so as to prevent the **same from becoming dangerous** to life or limb and shall be [sheath] *sheet*-piled, *braced or shored* where necessary to prevent the adjoining earth from caving in *and to safely sustain any wall, building or structure that may be dependent on such earth for its support,* by the person [or persons] causing the excavation [s] to be made.

2. *When* [R]retaining wall *required.* When an excavation is made on any lot, the person making the same or causing it to be made shall build, at his [or their] own cost and expense, *except as may be provided in article 11 of this chapter,* a retaining wall to support the adjoining earth; and such retaining wall shall be carried to the height of the adjoining earth, and be properly protected by coping. [The thickness of a retaining wall at its base shall be in no case less than one-fourth of its height.]

3. Support of adjoining walls. *a. When excavation exceeds ten feet.* Whenever an excavation of either earth or rock for building or other purposes [shall be] *is* intended to be, or shall be carried to the depth of more than 10 feet below the curb, the person [or persons] causing such excavation to be made shall at all times, from the commencement until the completion thereof, if afforded the necessary license to enter upon the adjoining land, and not otherwise, at his [or their] own expense, preserve any adjoining or contiguous wall [or walls], *building or* structure [or structures] from injury, and support the same by proper foundations, so that the said wall [or walls], *building or* structure [or structures] shall be and remain practically as safe as before such excavation was commenced, whether the said adjoining or contiguous wall [or walls], *building or* structure [or structures are] *is* down more or less than 10 feet below the curb. If the necessary license is not accorded to the person [or persons] making such excavation, then it shall be the duty of the owner refusing to grant such license to make the adjoining or contiguous wall [or walls], *building or* structure [or structures] safe, and *to* support the same by proper foundations so that *the* adjoining excavation[s] may be made; and *such owner* shall be permitted to enter upon the premises where such excavation[s] *is to* [may] be made *when necessary* for that purpose [, when necessary].

b. When excavation does not exceed ten feet. If such excavation [shall] *is* not [be] intended to be, or shall not be, carried to a depth of more than 10 feet below the curb, the owner [or owners] of [such] *any* adjoining or contiguous wall [or walls], *building or* structure [or structures] shall preserve the same from injury, and so support the same by proper foundations that it or they shall be and remain practically as safe as before such excavation was commenced, and *when necessary for the purpose* shall be permitted to enter upon the premises where such excavation is [being] *to be* made [for that purpose, when necessary]. *In case such adjoining or contiguous wall, building or structure, however, is so located that the curb to which it is properly referred is at a higher level than the curb to which the excavation is referred, such part of any necessary underpinning or foundation as may be due to the difference in curb levels shall be made and maintained at the joint expense of the person causing the excavation to be made, and the owner of such wall, building or structure.*

4. Support of party wall. In case an adjoining party wall is intended to be used by the person [or persons] causing the excavation to be made and such party wall is in good condition and sufficient for the uses of the [adjoining building] *existing and proposed buildings* [then and in such case] the person [or persons] causing the excavation[s] to be made, shall, at his [or their] own expense, preserve such party wall from injury and support the same by proper foundations, so that said party wall shall be and remain practically as safe as before the excavation was commenced.

5. Superintendent of buildings may act. If the person whose duty it shall be *under the provisions of this chapter to properly guard and protect an excavation, or to prevent adjoining earth from caving in, or* to preserve or protect any wall [or walls], *building or* structure [or structures] from injury, shall neglect or fail so to do after having had a notice of 24 hours from the superintendent of buildings, such superintendent may enter upon the premises and employ such labor, and furnish such materials and take such steps as, in his judgment, may be necessary to make [the

same] *such wall, building or structure* safe and secure, or to prevent the same from becoming unsafe or dangerous, at the expense of the person [or persons] whose duty it is to keep the same safe and secure. *The City of New York or any person* [Any party] doing the said work, or any part thereof, under and by direction of a superintendent of buildings, may bring and maintain an action against the person [or persons] last herein referred to, to recover the value of the work done and materials furnished, in and about the said premises, in the same manner as if he had been employed to do the [said] work by the said person [or persons].

§ 231. Soil, bearing capacity. 1. Indicative statement required. [Plans filed in a bureau of buildings shall be accompanied by] *Applications for permits for new buildings, and, when necessary, for alterations to existing buildings shall contain* a statement of the character of the soil at the level of the footings.

2. Presumptive capacities. [Where no] *In the absence of a satisfactory* test of the sustaining power of the soil [is made], different soils, excluding mud, [at the bottom of the footings], shall be deemed to safely sustain the following loads to the superficial foot, namely: [soft clay, 1 ton per square foot; ordinary clay and sand together, in layers, wet and springy, 2 tons per square foot; loam, clay or fine sand, firm and dry, 3 tons per square foot; very firm, coarse sand, stiff gravel or hard clay, 4 tons per square foot, or as otherwise determined by the superintendent of buildings.]

Soft clay	1 *ton,*
Wet sand	2 *tons,*
Firm clay	2 *tons,*
Sand and clay, mixed or in layers	2 *tons,*
Fine and dry sand	3 *tons,*
Hard dry clay	4 *tons,*
Coarse sand	4 *tons,*
Gravel	6 *tons,*
Soft rock	8 *tons,*
Hard pan	10 *tons,*
Medium rock	15 *tons,*
Hard rock	40 *tons.*

In case the soil under the footings of any one building is partly rock and partly yielding soil, the bearing capacity of the yielding soil shall be taken at not more than one-half of the capacity otherwise allowed.

3. [Tests may be required.] *Soil tests. When a doubt arises as to the safe sustaining power of the soil upon which a building is to be erected, the superintendent of buildings may order borings to be made, or he may direct the sustaining power of the soil to be tested in accordance with the methods established by the rules of the superintendent of buildings, by and at the expense of the owner of the proposed building.* Where a test is made of the sustaining power of the soil the superintendent of buildings shall be notified so that he may be present in person or by representative. The record of the test shall be filed in the bureau of buildings. [When a doubt arises as to the safe sustaining power of the earth upon which a building is to be erected, the superintendent of buildings may order borings to be made, or direct the sustaining power of the soil to be tested by and at the expense of the owner of the proposed building].

§ 232. Foundations, generally. 1. [Constructing] *General requirements.* Every building, except buildings erected upon solid rock or [buildings erected] upon wharves [and] *or* piers on the water front, shall have foundations of brick, *or other approved masonry,* [stone], iron [,] *or* steel, [or concrete] laid not less than four feet below the surface of the earth, on the solid ground or level surface of rock, or upon piles or ranging timbers when solid earth or rock is not found.

2. [Restrictions as to loads. When foundations are carried down through earth by piers of stone, brick or concrete in caissons, the loads on same shall be not more than 15 tons to the square foot when carried down to rock; 10 tons to the square foot when carried down to firm gravel or hard clay; 8 tons to the square foot in open caissons or sheet pile trenches when carried down to rock.

3.] Protection of metal work. Where metal is incorporated in or forms part of a foundation, it shall be thoroughly protected from rust by paint, asphaltum, concrete, or by such materials and in such manner as may be approved by the superintendent of buildings. [When footings of iron or steel for columns are placed below the water level, they shall be similarly coated, or inclosed in concrete, for preservation against rust.]

§ 233. *Footings.* 1. *Materials. The footings of foundation walls shall consist of footing stones, concrete, reinforced concrete construction or steel grillages. Wood footings may be used if they are entirely below the permanent water level.*

2. *Footing stones. Footing stones shall not be less than 2 by 3 feet, they shall be not less than 8 inches in thickness for walls, nor less than 10 inches in thickness under piers, columns or posts. Footing stones shall be well bedded and laid crosswise, edge to edge.*

3. *Concrete footings. Concrete footings shall be not less than 12 inches thick, except that for frame buildings the thickness may be not less than 8 inches.*

4. *Steel grillages.* [§ 236. Grillage beams. Grillage beams of wrought iron or steel] *When grillage beams,* resting on a proper concrete bed [may be], *are* used [. Such beams must], *they shall* be provided with separators and bolts *and shall be* inclosed and filled solid between with concrete [, and of such sizes and so arranged as to transmit with safety the superimposed loads].

5. [§ 237.] Pressure under footings. *For* [T] the leads exerting pressure under the footings of foundations [in buildings more than 3 stories in height are to be computed as follows:

a. For warehouses and factories, they are to be the full dead load and the full live load established by § 54 of this chapter.

b. In stores and buildings for light manufacturing purposes they are to be the full dead load and 75 per cent. of the live load established by § 54 of this chapter.

c. In churches, school houses and places of public amusement or assembly, they are to be the full dead load and 75 per cent. of the live load established by § 54 of this chapter.

d. In office buildings, hotels, dwellings, apartment houses, tenement houses, lodging houses and stables, they are to be the full dead load and 60 per cent. of the live load established by § 54.] *the full dead loads and the figured live loads on the lowest tier of columns, piers or walls shall be taken. For this purpose the reduced live loads permitted by subdivision 7 of § 53 of this chapter may be used.*

6. *Design.* Footings shall be so designed that the loads *they sustain per unit of area shall* [will] be as nearly uniform as possible and [not in excess of the safe] *within the* bearing capacit[y]*ies* of [the] soil*s* [, as] established by [§ 231 of this chapter] *this article, and that the stresses in the materials shall not exceed those fixed by this chapter. In proportioning the areas of footings for any building the dead loads alone shall be considered, provided, however, that in no case shall the pressure under the footings as determined in subdivision 5 of this section, exceed the safe load on the soil established by this article.*

§ 234. *Foundation piers and caissons. The foundations of any building may be carried down to rock or hard pan by isolated piers of approved masonry or reinforced concrete, or by open or pneumatic caissons, so designed that the working stresses in the materials and the loads on the rock or hardpan do not exceed those established by this chapter.*

§ [233] 235. Pile foundations. 1. General requirements. Piles intended to sustain a wall [, pier or post] *or building, or any part thereof,* [shall be spaced not more than thirty-six or less than twenty inches on centers, and they] shall be driven to a solid bearing, if practicable to do so, [and the number of such piles shall be sufficient to support the superstructure proposed] *and the method of driving shall be such as not to impair their strength. No pile or group of piles shall be loaded eccentrically. Any type of pile construction not provided for in this section shall meet such requirements as may be prescribed by the rules of the superintendent of buildings.* [No pile shall be used of less dimensions than 5 inches at the small end and ten inches at the butt for short piles, or piles 20 feet or less in length, and 12 inches at the butt for long piles, or piles more than 20 feet in length. No pile shall be weighted with a load exceeding 40,000 pounds.]

2. *Wood piles. a. Quality and size. Wood piles shall be of approved timber, sound and straight. The diameter at the point shall be not less than 6 inches. The diameter at the butt shall be not less than 10 inches for piles not over 25 feet in length, and not less than 12 inches at the butt for piles of greater length.*

b. Allowable loads. [When a pile is not driven to refusal, its] *The* safe sustaining power [shall be determined by the following formula:] *of any wood pile in tons shall be taken as* [T]*twice* the weight of the hammer in tons multiplied by the height of the fall in feet, divided by [least] *the average* penetration of *the* pile [under the last blow] in inches *under the last five bloows,* plus one, *when a drop hammer is used for driving, and as twice the weight of the hammer in tons multiplied by the height of the fall in feet, divided by the average penetration in inches under the last five blows, plus one-tenth, when a steam hammer is used for driving, provided that the driving has reached such a point when successive blows produce approximately equal penetration. No wood pile, however, shall be weighted with a load exceeding 20 tons.* [The superintendent of buildings shall be notified of the time when such test piles will be driven, that he may be present in person or by representative.]

c. Construction. The minimum clear distance between wood piles shall be not less than 24 inches. The tops of [all] *wood* piles shall be cut off below the [lowest] *permanent* water [line] *level.* [When required, concrete shall be rammed down in the interspaces between the heads of the piles to a depth and thickness of not less than 12 inches and for 1 foot in width outside of the piles.] When ranging and capping timbers are laid on piles for foundations, they shall be of hard wood not less than 6 inches thick and properly joined together, and their tops laid below the [lowest] *permanent* water [line] *level.*

d. [2] Meadow land construction[s]. *When* [W]wood piles [may be] *are* used [for the foundations] under frame buildings built over the water or on salt meadow land, [in which case the piles] *they* may project above the water a sufficient height to raise the building above high tide, and the building may be placed directly thereon without other foundation.

3. *Concrete piles. a. Concrete filled steel tubes. For piles consisting of steel tubes filled with concrete, the tubes shall have a diameter of 9 inches or more and a thickness of not less than 5-16 of an inch. The ends of each tube shall be faced perpendicular to its axis. Splices shall be of an approved design and not more than one splice shall be used in the total length of the pile. The length of any such pile shall not exceed forty times the inside diameter of the tube. Such piles shall be driven to a full bearing on rock. The allowable load on any such pile shall not exceed 500 lbs. per square inch on the concrete and 7,500 lbs. per square inch on the steel, provided that in computing the effective area of the steel the outer 1-16-inch of thickness shall be deducted from the thickness of the tube. No interior steel reinforcement shall be used.*

b. Piles moulded before driving. Concrete piles moulded and cured before driving shall not be provided with more than 4 per cent. of longitudinal reinforcement. The diameter or lateral dimension of such a pile shall be not less than 8 inches at the foot and shall not average less than 12 inches in the length of the pile. The length shall not exceed twenty times the average diameter when the pile is driven to rock nor forty times the average diameter in any case. When driven to rock the allowable load on any such pile shall not exceed 500 lbs. per square inch on the concrete at the average cross-section and 6,000 lbs. per square inch on the longitudinal reinforcement. If driven to rock, the foot shall be provided with a metal shoe.

c. Piles moulded in place. Concrete piles cast in place shall be so made and placed as to insure the exclusion of any foreign matter, and to secure a perfect full-sized shaft. The average diameter of any such pile in place shall be not less than 11 inches and the diameter of the foot shall be not less than 6 inches. The length shall not exceed thirty times the average diameter. The allowable load shall not exceed 350 lbs. per square inch on the concrete.

d. Allowable loads. When concrete piles are not driven to rock they shall be treated as friction piles and their carrying capacities shall be determined by test in accordance with rules established by the superintendent of buildings; but the stresses herein given for the materials composing them shall not be exceeded in any case.

e. Concrete. The concrete for concrete piles shall be mixed in the proportion of 1 part Portland cement to not more than 2 parts of clean, coarse sand, and 4 parts of broken stone or gravel of a size passing through a 1-inch ring, with sufficient water to produce a plastic or viscous consistency.

4. *Tests. When any doubt exists as to the safe sustaining power of piles upon which a building or structure is to be supported, the superintendent of buildings may order a test of the same to be made at the expense of the owner of the proposed building or structure or the person causing the piles to be driven. The record of every such test shall be filed in the bureau of buildings.*

§ [234] 236. Foundation walls. 1. [Material and thickness.] *Definition. Foundation walls shall be construed to include all walls and piers built below the curb level or the nearest tier of beams to the curb, which serve as supports for walls, piers, columns, or other structural parts of a building or structure.*

2. *Materials.* Foundation walls shall be built of [stone, brick, Portland cement concrete, iron or steel] *approved masonry, reinforced concrete or steel protected by masonry. All masonry foundation walls shall be laid in cement mortar.*

3. *Thickness.* If built of rubble stone, [or Portland cement concrete, they] *foundation walls* shall be at least 8 inches thicker than the walls next above them [to a depth of 12 feet below the curb level; and for every additional 10 feet, or part thereof, deeper, they shall be increased 4 inches in thickness], *but not less than 18 inches in any case.* If built of brick, *concrete or hollow building blocks,* they shall be [increased] *at least* 4 inches thicker than the walls next above them [to a depth of 12 feet below the curb level; and for every additional 10 feet, or part thereof, deeper, they shall be increased 4 inches in thickness], *but not less than 12 inches thick in any case. For each additional 10 feet, or part thereof, below the depth of 12 feet below the curb level, the thickness shall be increased 4 inches.*

[2. Footing or base courses. The footing or base course shall be of stone or concrete, or both, or of concrete and stepped up brickwork, of sufficient thickness and area to safely bear the weight to be imposed thereon. If the footing or base course be of concrete, the concrete shall not be less than 12 inches thick. If of stone, the stones shall not be less than 2 by 3 feet, and at least 8 inches in thickness for walls, and not less than 10 inches in thickness if under piers, columns or posts; the footing or base course, whether formed of concrete or stone, shall be at least 12 inches wider than the bottom width of walls, and at least 12 inches wider on all sides than the bottom width of said piers, columns or posts. If the superimposed load is such as to cause undue transverse strain on a footing projecting 12 inches, the thickness of such footing is to be increased so as to carry the load with safety. For small structures and for small piers sustaining light loads, the superintendent of buildings may, in his discretion, allow a reduction in the thickness and projection for footing and base courses herein specified. All base stones shall be well bedded and laid crosswise, edge to edge. If stepped up footing of brick are used in place of stone, above the concrete, the offsets, if laid in single courses, shall each not exceed 1½ inches, or if laid in double courses, then each shall not exceed 3 inches, offsetting the first course of brickwork, back one-half the thickness of the concrete base, so as to properly distribute the load to be imposed thereon.]

4. *Brick. When brickwork in foundation walls is stepped up from the footings, the offsets, if laid in single courses, shall not exceed 1½ inches, or if laid in double courses, shall not exceed 3 inches.*

5. *Stone. Rubble stone masonry, unless built in dressed, level courses, shall not be used for buildings exceeding 75 feet in height.*

6. *Hollow building blocks. Foundation walls of hollow building blocks may be used only when the upper walls are of frame or hollow building block construction. The hollow spaces in the blocks shall be filled, as the construction progresses, with concrete of not less than 1 part of cement to 9 parts of aggregate.*

[§ 235. Isolated piers. If, in place of continuous foundation wall, isolated piers are built to support the superstructure, where the nature of the ground and the character of the building make it necessary, in the opinion of the superintendent of buildings, inverted arches resting on a proper bed of concrete, both designed to transmit with safety the superimposed loads, shall be turned between the piers. The thrust of the outer piers shall be taken up by suitable wrought iron or steel rods and plates.]

§ 237. *Retaining walls. All walls built to retain or support adjoining earth or rock, including foundation walls subjected to pressure from adjoining earth or rock, shall be constructed of approved masonry or reinforced concrete and so designed that in resisting the pressures to which they are subjected, including any water pressure that may exist, the working stresses of the materials shall not be exceeded, the soil shall not be overloaded and the stability of the wall shall be insured.*

Section 2. This ordinance shall take effect immediately.

AN ORDINANCE to amend Article 12, Chapter 5, of the Code of Ordinances of The City of New York.

Be It Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Article 12, Chapter 5, of the Code of Ordinances of The City of New York is hereby amended to read as follows:

ARTICLE 12.
Excavations and Foundations.

Section 230. Excavations.
231. Soil, bearing capacity.
232. Foundations, generally.
[233. Pile foundations.
234. Foundation walls.
235. Isolated piers.
236. Grillage beams.
237. Pressure under footings.]
233. *Footings.*
234. *Foundation piers and caissons.*
235. *Pile foundations.*
236. *Foundation walls.*
237. *Retaining walls.*

§ 230. Excavations. 1. Safeguarding generally. All excavations [for buildings] *within the building line* shall be properly guarded and protected so as to prevent the same from becoming dangerous to life or limb and shall be [sheath] *sheet*-piled where necessary to prevent the adjoining earth from caving in, by the person [or persons] causing the excavation[s] to be made.

2. *When* [R]*retaining wall required.* When an excavation is made on any lot, the person making the same or causing it to be made shall build, at his [or their] own cost and expense, *except as may be provided in Article 11 of this chapter,* a retaining wall to support the adjoining earth; and such retaining wall shall be carried to the height of the adjoining earth, and be properly protected by coping. [The thickness of a retaining wall at its base shall be in no case less than one-fourth of its height.]

3. Support of adjoining walls. *a. When excavation exceeds ten feet.* Whenever an excavation of either earth or rock for building or other purposes [shall be] *is* intended to be, or shall be carried to the depth of more than 10 feet below the curb, the person [or persons] causing such excavation to be made shall at all times, from the commencement until the completion thereof, if afforded the necessary license to enter upon the adjoining land, and not otherwise, at his [or their] own expense, preserve any adjoining or contiguous wall [or walls], *building or* structure [or structures] from injury, and support the same by proper foundations, so that the said wall [or walls], *building or* structure [or structures] shall be and remain practically as safe as before such excavation was commenced, whether the said adjoining or contiguous wall [or walls], *building or* structure [or structures are] *is* down more or less than 10 feet below the curb. If the necessary license is not accorded to the person [or persons] making such excavation, then it shall be the duty of the owner refusing to grant such license to make the adjoining or contiguous wall [or walls], *building or* structure [or structures] safe, and *to* support the same by proper foundations so that adjoining excavations may be made ; and *such owner* shall be permitted to enter upon the premises where such excavation[s] *is to* [may] be made *when necessary* for that purpose [,when necessary].

b. When excavation does not exceed ten feet. If such excavation [shall] *is* not [be] intended to be, or shall not be, carried to a depth of more than 10 feet below the curb, the owner [or owners] of [such] *any* adjoining or contiguous wall [or walls], *building or* structure [or structures] shall preserve the same from injury, and so support the same by proper foundations that it or they shall be and remain practically as safe as before such excavation was commenced, and *when necessary for the purpose* shall be permitted to enter upon the premises where such excavation is [being] *to be* made [for that purpose, when necessary]. *In case such adjoining or contiguous wall, building or structure, however, is so located that the curb to which it is properly referred is at a higher level than the curb to which the excavation is referred, such part of any necessary underpinning or foundation as may be due to the difference in curb levels shall be made and maintained at the joint expense of the person causing the excavation to be made and the owner of such wall, building or structure.*

4. Support of party wall. In case an adjoining party wall is intended to be used by the person [or persons] causing the excavation to be made and such party wall is in good condition and sufficient for the uses of the [adjoining building] *existing and proposed buildings* [then and in such case] the person [or persons] causing the excavation[s] to be made, shall, at his [or their] own expense, preserve such party wall from injury and support the same by proper foundations, so that said party wall shall be and remain practically as safe as before the excavation was commenced.

5. Superintendent of buildings may act. If the person whose duty it shall be *under the provisions of this chapter to properly guard and protect an excavation, or to prevent adjoining earth from caving in, or* to preserve or protect any wall [or walls], *building or* structure [or structures] from injury, shall neglect or fail so to do after having had a notice of 24 hours from the superintendent of buildings, such superintendent may enter upon the premises and employ such labor, and furnish such materials and take such steps as, in his judgment, may be necessary to make [the same] *such wall, building or structure* safe and secure, or to prevent the same from becoming unsafe or dangerous, at the expense of the person [or persons] whose duty it is to keep the same safe and secure. *The City of New York or any person* [Any party] doing the said work, or any part thereof, under and by direction of a superintendent of buildings, may bring and maintain an action against the person [or persons] last herein referred to, to recover the value of the work done and materials furnished, in and about the said premises, in the same manner as if he had been employed to do the [said] work by the said person [or persons].

§ 231. Soil, bearing capacity. 1. Indicative statement required. [Plans filed in a bureau of buildings shall be accompanied by] *Applications for permits for new buildings, and, when necessary, for alterations to existing buildings shall contain* a statement of the character of the soil at the level of the footings.

2. Presumptive capacities. [Where no] *In the absence of a satisfactory* test of the sustaining power of the soil [is made], different soils, excluding mud, [at the bottom of the footings], shall be deemed to safely sustain the following loads to the superficial foot, namely: [soft clay, 1 ton per square foot; ordinary clay and sand together, in layers, wet and springy, 2 tons per square foot; loam, clay or fine sand, firm and dry, 3 tons per square foot; very firm, coarse sand, stiff gravel or hard clay, 4 tons per square foot, or as otherwise determined by the superintendent of buildings.]

Soft clay	1 *ton,*
Wet sand	2 *tons,*
Firm clay	2 *tons,*
Sand and clay, mixed or in layers	2 *tons,*
Fine and dry sand	3 *tons,*
Hard dry clay	4 *tons,*
Coarse sand	4 *tons,*
Gravel	6 *tons,*
Soft rock	8 *tons,*
Hard pan	10 *tons,*
Medium rock	15 *tons,*
Hard rock	40 *tons.*

In case the soil under the footings of any one building is partly rock and partly yielding soil, the bearing capacity of the yielding soil shall be taken at not more than one-half of the capacity otherwise allowed.

3. [Tests may be required.] *Soil tests. When a doubt arises as to the safe sustaining power of the soil upon which a building is to be erected, the superintendent of buildings may order borings to be made, or he may direct the sustaining power of the soil to be tested in accordance with the methods established by the rules of the superintendent of buildings, by and at the expense of the owner of the proposed building.* Where a test is made of the sustaining power of the soil the superintendent of buildings shall be notified so that he may be present in person or by representative. The record of the test shall be filed in the bureau of buildings. [When a doubt arises as to the safe sustaining power of the earth upon which a building is to be erected, the superintendent of buildings may order borings to be made, or direct the sustaining power of the soil to be tested by and at the expense of the owner of the proposed building.]

§ 232. Foundations, generally. 1. [Constructing] *General requirements.* Every building, except buildings erected upon solid rock or [buildings erected] upon wharves [and] *or* piers on the water front, shall have foundations of brick, *or other approved masonry,* [stone], iron [,] *or* steel, [or concrete] laid not less than four feet below the surface of the earth, on the solid ground or level surface of rock, or upon piles or ranging timbers when solid earth or rock is not found.

2. [Restrictions as to loads. When foundations are carried down through earth by piers of stone, brick or concrete in caissons, the loads on same shall be not more than 15 tons to the square foot when carried down to rock; 10 tons to the square foot when carried down to firm gravel or hard clay; 8 tons to the square foot in open caissons or sheet pile trenches when carried down to rock.

3.] Protection of metal work. Where metal is incorporated in or forms part of a foundation, it shall be thoroughly protected from rust by paint, asphaltum, concrete, or by such materials and in such manner as may be approved by the superintendent of buildings. [When footings of iron or steel for columns are placed below the water level, they shall be similarly coated, or inclosed in concrete, for preservation against rust.]

§ 233. *Footings.* 1. *Materials. The footings of foundation walls shall consist of footing stones, concrete, reinforced concrete construction or steel grillages. Wood footings may be used if they are entirely below the permanent water level.*

2. *Footing stones. Footing stones shall not be less than 2 by 3 feet, they shall be not less than 8 inches in thickness for walls, nor less than 10 inches in thickness under piers, columns or posts. Footing stones shall be well bedded and laid crosswise, edge to edge.*

3. *Concrete footings. Concrete footings shall be not less than 12 inches thick, except that for frame buildings the thickness may be not less than 8 inches.*

4. *Steel grillages.* [§ 236. Grillage beams. Grillage beams of wrought iron or steel] *When grillage beams,* resting on a proper concrete bed [may be], *are* used [. Such beams must] , *they shall* be provided with separators and bolts *and shall be* inclosed and filled solid between with concrete [, and of such sizes and so arranged as to transmit with safety the superimposed loads].

5. [§ 237.] Pressure under footings. *For* [T] *the* loads exerting pressure under the footings of foundations [in buildings more than 3 stories in height are to be computed as follows:

a. For warehouses and factories they are to be the full dead load and the full live load established by § 54 of this chapter.

b. In stores and buildings for light manufacturing purposes they are to be the full dead load and 75 per cent. of the live load established by § 54 of this chapter.

c. In churches, school houses and places of public amusement or assembly, they are to be the full dead load and 75 per cent. of the live load established by § 54 of this chapter.

d. In office buildings, hotels, dwellings, apartment houses, tenement houses, lodging houses and stables, they are to be the full dead load and 60 per cent. of the live load established by § 54.] *the full dead loads and the figured live loads on the lowest tier of columns, piers or walls shall be taken. For this purpose the reduced live loads permitted by subdivision 7 of § 53 of this chapter may be used.*

6. *Design.* Footings shall be so designed that the loads *they sustain per unit of area shall* [will] be as nearly uniform as possible and [not in excess of the safe] *within the* bearing capacit[y]*ies* of [the] soils [, as] established by [§ 231 of this chapter] *this article, and that the stresses in the materials shall not exceed those fixed by this chapter. In proportioning the areas of footings for any building the dead loads alone shall be considered, provided, however, that in no case shall the pressure under the footings as determined under subdivision 5 of this section, exceed the safe load on the soil established by this article.*

§ 234. *Foundation piers and caissons. The foundations of any building may be carried down to rock or hardpan by isolated piers of approved masonry or reinforced concrete, or by open or pneumatic caissons, so designed that the working stresses in the materials and the loads on the rock or hardpan do not exceed those established by this chapter.*

§ [233] 235. Pile foundations. 1. General requirements. Piles intended to sustain a wall [, pier or post] *or building, or any part thereof,* [shall be spaced not more than thirty-six or less than twenty inches on centers, and they] shall be driven to a solid bearing, if practicable to do so, [and the number of such piles shall be sufficient to support the superstructure proposed] *and the method of driving shall be such as not to impair their strength. No pile or group of piles shall be loaded eccentrically. Any type of pile construction not provided for in this section shall meet such requirements as may be prescribed by the rules of the superintendent of buildings.* [No pile shall be used of less dimensions than 5 inches at the small end and ten inches at the butt for short piles, or piles 20 feet or less in length, and 12 inches at the butt for long piles, or piles more than 20 feet in length. No pile shall be weighted with a load exceeding 40,000 pounds.]

2. *Wood piles. a. Quality and size. Wood piles shall be of approved timber, sound and straight. The diameter at the point shall be not less than 6 inches. The diameter at the butt shall be not less than 10 inches for piles not over 25 feet in length, and not less than 12 inches at the butt for piles of greater length.*

b. Allowable loads. [When a pile is not driven to refusal, its] *The* safe sustaining power [shall be determined by the following formula:] *of any wood pile in tons shall be taken as* [T]twice the weight of the hammer in tons multiplied by the height of the fall in feet, divided by [least] *the average* penetration of *the* pile [under the last blow] in inches *under the last five blows,* plus one, *when a drop hammer is used for driving, and as twice the weight of the hammer in tons multiplied by the height of the fall in feet, divided by the average penetration in inches under the last five blows, plus one-tenth, when a steam hammer is used for driving, provided that the driving has reached such a point when successive blows produce approximately equal penetration. No wood pile, however, shall be weighted with a load exceeding 20 tons.* [The superintendent of buildings shall be notified of the time when such test piles will be driven, that he may be present in person or by representative.]

c. Construction. The minimum clear distance between wood piles shall be not less than 24 inches. The tops of [all] *wood* piles shall be cut off below the [lowest] *permanent* water [line] *level.* [When required, concrete shall be rammed down in the interspaces between the heads of the piles to a depth and thickness of not less than 12 inches and for 1 foot in width outside of the piles.] When ranging and capping timbers are laid on piles for foundations, they shall be of hard wood not less than 6 inches thick and properly joined together, and their tops laid below the [lowest] *permanent* water [line] *level.*

d. [2] Meadow land construction [s], *When* [W]*wood* piles [may be] *are* used [for the foundations] under frame buildings built over the water or on salt meadow land, [in which case the piles] *they* may project above the water a sufficient height to raise the building above high tide, and the building may be placed directly thereon without other foundation.

3. *Concrete piles. a. Concrete-filled steel tubes. For piles consisting of steel tubes filled with concrete the tubes shall have a minimum inside diameter of 10 inches and a thickness of not less than 5-16 of an inch. The ends of each tube shall be faced perpendicular to its axis. Splices shall be of an approved design and not more than one splice shall be used in the total length of the pile. The length of any such pile shall not exceed forty times the inside diameter of the tube. Such piles shall be driven to a full bearing on rock. The allowable load on any such pile shall not exceed 500 lbs. per square inch on the concrete and 7,500 lbs. per square inch on the steel, provided that in computing the effective area of the steel the outer 1-16-inch of thickness shall be deducted from the thickness of the tube. No interior steel reinforcement shall be used.*

b. Piles moulded before driving. Concrete piles moulded and cured before driving shall not be provided with more than 4 per cent. of longitudinal reinforcement. The diameter or lateral dimension of such a pile shall be not less than 8 inches at the foot and shall not average less than 12 inches in the length of the pile. The length shall not exceed twenty times the average diameter when the pile is driven to rock nor forty times the average diameter in any case. When driven to rock the allowable load on any such pile shall not exceed 500 lbs. per square inch on the concrete at the average cross-section and 6,000 lbs. per square inch on the longitudinal reinforcement. If driven to rock, the foot shall be provided with a metal shoe.

c. Piles moulded in place. Concrete piles cast in place shall be so made and placed as to insure the exclusion of any foreign matter, and to secure a perfect full-sized shaft. The average diameter of any such pile shall be not less than 11 inches and the diameter at the foot shall be not less than 6 inches. The length shall not exceed thirty times the average diameter. The allowable load shall not exceed 350 lbs. per square inch on the concrete.

d. Allowable loads. When concrete piles are not driven to rock they shall be treated as friction piles and their carrying capacities shall be determined by test in accordance with rules established by the superintendent of buildings; but the stresses herein given for the materials composing them shall not be exceeded in any case.

e. Concrete. The concrete for concrete piles shall be mixed in the proportion of 1 part portland cement to not more than 2 parts of clean, coarse sand, and 4 parts of broken stone or gravel of a size passing through a 1-inch ring, with sufficient water to produce a plastic or viscous consistency.

4. Tests. When any doubt exists as to the safe sustaining power of piles upon which a building or structure is to be supported, the superintendent of buildings may order a test of the same to be made at the expense of the owner of the proposed building or structure or the person causing the piles to be driven. The record of every such test shall be filed in the bureau of buildings.

§ [234] 236. Foundation walls. 1. [Material and thickness.] *Definition. Foundation walls shall be construed to include all walls and piers built below the curb level or the nearest tier of beams to the curb, which serve as supports for walls, piers, columns, or other structural parts of a building or structure.*

2. *Materials.* Foundation walls shall be built of [stone, brick, Portland cement concrete, iron or steel] *approved masonry or steel protected by masonry. All masonry foundation walls shall be laid in cement mortar.*

3. *Thickness.* If built of rubble stone, [or Portland cement concrete, they] *foundation walls* shall be at least 8 inches thicker than the walls next above them [to a depth of 12 feet below the curb level; and for every additional 10 feet, or part thereof, deeper, they shall be increased 4 inches in thickness], *but not less than 18 inches in any case.* If built of brick, *concrete, or hollow building blocks,* they shall be [increased] *at least* 4 inches thicker than the walls next above them [to a depth of 12 feet below the curb level; and for every additional 10 feet, or part thereof, deeper, they shall be increased 4 inches in thickness], *but not less than 12 inches thick in any case. For each additional 10 feet, or part thereof, below the depth of 12 feet below the curb level, the thickness shall be increased 4 inches.*

[2. Footing or base courses. The footing or base course shall be of stone or concrete, or both, or of concrete and stepped up brickwork, of sufficient thickness and area to safely bear the weight to be imposed thereon. If the footing or base course be of concrete, the concrete shall not be less than 12 inches thick. If of stone, the stones shall not be less than 2 by 3 feet, and at least 8 inches in thickness for walls; and not less than 10 inches in thickness if under piers, columns or posts; the footing or base course, whether formed of concrete or stone, shall be at least 12 inches wider than the bottom width of walls and at least 12 inches wider on all sides than the bottom width of said piers, columns or posts. If the superimposed load is such as to cause undue transverse strain on a footing projecting 12 inches, the thickness of such footing is to be increased so as to carry the load with safety. For small structures and for small piers sustaining light loads, the superintendent of buildings may, in his discretion, allow a reduction in the thickness and projection for footing and base courses herein specified. All base stones shall be well bedded and laid crosswise, edge to edge. If stepped up footing of brick are used in place of stone, above the concrete, the offsets, if laid in single courses, shall each not exceed 1½ inches, or if laid in double courses, then each shall not exceed 3 inches, offsetting the first course of brickwork, back one-half the thickness of the concrete base, so as to properly distribute the load to be imposed thereon.]

4. *Brick. When brickwork in foundation walls is stepped up from the footings, the offsets, if laid in single courses, shall not exceed 1½ inches, or if laid in double courses, shall not exceed 3 inches.*

5. *Stone. Rubble stone masonry, unless built in dressed, level courses, shall not be used for buildings exceeding 75 feet in height.*

6. *Hollow building blocks. Foundation walls of hollow building blocks may be used only when the upper walls are of frame or hollow building block construction. The hollow spaces in the blocks shall be filled, as the construction progresses, with concrete of not less than 1 part of cement to 9 parts of aggregate.*

[§ 235. Isolated piers. If, in place of continuous foundation wall, isolated piers are built to support the superstructure, where the nature of the ground and the character of the building make it necessary, in the opinion of the superintendent of buildings, inverted arches resting on a proper bed of concrete, both designed to transmit with safety the superimposed loads, shall be turned between the piers. The thrust of the outer piers shall be taken up by suitable wrought iron or steel rods and plates.]

§ 237. *Retaining walls. All walls built to retain or support adjoining earth or rock, including foundation walls subjected to pressure from adjoining earth or rock, shall be so designed that in resisting the pressures to which they are subjected, the working stresses of the materials shall not be exceeded and that the resultant line of pressure shall fall within the middle third of the footings.*

Section 2. This ordinance shall take effect immediately.

Nos. 1512 and 1560.

Report of the Committee on Finance in Favor of Adopting Resolution for $4,950 Special Revenue Bonds for Salaries of Veterinarians, Department of Health.

The Committee on Finance to which was referred on March 9th and 16th, 1915 (Minutes, pages 1276 and 1605), original and amended request from the Board of Health for $10,000 Special Revenue Bonds for the purpose of employing additional veterinarians, respectfully

REPORTS:

That this request is for the purpose of employing men to carry out the provisions of an ordinance providing for a more extended inspection of the meat sold in the city than is now afforded. Under the provisions of the ordinance covering this subject it is proposed that a fee be collected from dealers which will at least equal the cost of the additional veterinarians asked for. In the ordinary course of events it will not be possible to secure this appropriation until about July 1st, and for this reason the Committee recommends that the accompanying resolution providing for one-half the sum asked for be adopted.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of four thousand nine hundred and fifty dollars ($4,950), the proceeds whereof to be used by the Department of Health for the purpose of employing veterinarians for meat inspection, as follows:

1 Veterinarian from July 1 to December 31, 1915, at $1,500 per annum....	$750 00
7 Veterinarians from July 1 to December 31, 1915, at $1,200 each per annum	4,200 00
	$4,950 00

Report of the Committee on Finance in Favor of Adopting Resolution for $3,500 Special Revenue Bonds for Repairs to House Occupied by the President of the College of The City of New York.

The Committee on Finance, to whom was rereferred on March 23, 1915 (Minutes, page 1683), a request from the Trustees of the College of The City of New York for $5,000 Special Revenue Bonds for repairs to house occupied by President of said institution, respectfully

REPORTS:

That having carefully examined the subject, it believes that the sum of $3,500 will be sufficient to cover the repairs required to put this residence in acceptable condition, and it therefore recommends that the accompanying resolution be adopted.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of three thousand five hundred dollars ($3,500), the proceeds whereof to be used by the Trustees of the College of The City of New York for the purpose of making repairs to the house of the President of said college, situated at No. 280 Convent Avenue. All obligations contracted for hereunder to be incurred on or before December 31, 1915.

No. 1661.

Report of the Committee on Finance in Favor of Adopting Resolution for $3,000 Special Revenue Bonds for Purchase of Two Motor Patrol Wagons by the Police Department.

The Committee on Finance, to which was referred on April 20, 1915 (Minutes, page 160), the attached request of the Police Commissioner for $3,000 special revenue bonds for purchase of two motor patrol wagons, respectfully

REPORTS:

That the details of this application are fully set forth in the letter of request. The Committee believes that the proposed purchase under the circumstances set forth is of distinct advantage to the City, and it therefore recommends that the accompanying resolution be adopted.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of three thousand dollars ($3,000), the proceeds whereof to be used by the Police Department for the purpose of purchasing two motor patrol wagons at $1,500 each. All obligations contracted for hereunder to be incurred on or before December 31, 1915.

City of New York, Police Department, Office of the Commissioner, April 17, 1915.

The Honorable the Board of Aldermen:

Gentlemen—It is respectfully requested that an issue of revenue bonds in the amount of $3,000 be authorized for the purpose of providing funds for the purchase of two motor patrol wagons.

The Department has an opportunity to purchase two wagons identical with those now in use in the Department, at a cost of $1,500 each. These two wagons were originally sold at $2,495 each to a police department of another city, but, because of some disagreement, they were refused upon delivery. Similar cars purchased by this Department two years ago cost $2,250 each.

The cars have been inspected by representatives of this Department, and were found to be in first class condition, one never having been used, and the other only for a day or two. They are to be subject to the usual manufacturers' guarantee.

Additional motor patrol wagons are needed in the Department, and I feel that advantage should be taken of this opportunity to obtain this equipment at the greatly reduced price. One motor patrol wagon will replace at lease three horse-drawn wagons, at a saving of approximately $5,500 annually (detailed statement attached hereto).

In case favorable action is taken on the above request, it is further requested that the expenditure of these funds be exempted from the requirements with respect to public letting. Respectfully, ARTHUR WOODS, Police Commissioner.

Report of the Committee on Finance in Favor of Adopting Resolution for $7,500 Special Revenue Bonds for Use of Park Commissioner, Borough of Brooklyn, for General Maintenance of Fort Hamilton Parkway.

The Committee on Finance, to which was referred on April 20, 1915 (Minutes, page 160), the attached request of the Commissioner of Parks for the Borough of Brooklyn for $7,500 special revenue bonds for general maintenance of Fort Hamilton Parkway, respectfully

REPORTS:

The details of this request and the reasons therefor are given in the letter of application. This Board has denied a transfer of this thoroughfare from the Park Department to the Borough President. Some provision must now be made for its upkeep. The Committee believes this request to be a reasonable one, and it therefore recommends that the accompanying resolution be adopted.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of seven thousand five hundred dollars ($7,500), the proceeds whereof to be used by the Department of Parks, Borough of Brooklyn, for the purpose of general maintenance of Fort Hamilton Parkway. All obligations contracted for hereunder to be incurred on or before December 31, 1915.

HENRY H. CURRAN, JOHN DIEMER, FRANK J. DOTZLER, F. H. STEVENSON, D. M. BEDELL, F. H. WILMOT, FRANCIS P. KENNEY, C. AUGUSTUS POST, Committee on Finance.

Department of Parks, Litchfield Mansion, Prospect Park, Borough of Brooklyn, New York City, April 19, 1915.

To the Honorable Board of Aldermen of The City of New York:

Gentlemen—Pursuant to provisions of subdivision 8, section 188 of the Charter, I respectfully request authorization of special revenue bonds to the amount of $7,500 for the general maintenance of Fort Hamilton Parkway, under jurisdiction of this Department.

When the budget for 1915 was prepared, the Board of Estimate and Apportionment took the position that this parkway ought to be turned over to the Borough President of Brooklyn. On this theory, the sum of $10,000 for its maintenance was deducted from our budget. On December 23rd, 1914, the Board of Estimate passed a resolution seeking to transfer the jurisdiction of Fort Hamilton Parkway, but in this action you honorable Board has not concurred.

This parkway is in a deplorable condition and requires immediate attention. We have been trying to make some semblance of a showing, but, with the limited funds at our disposal (our budget being $90,000 less than last year) it will be impossible to properly care for this street.

The items necessary for upkeep are as follows:

Teams and Carts	$2,500 00
Laborers	2,500 00
Highway Material	2,500 00

Trusting that your Board will take speedy action in this matter, I am,

Very truly yours, RAYMOND V. INGERSOLL, Commissioner.

The Vice-Chairman put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Bartscherer, Bedell, Benninger, Boschen, Bosse, Brush, Burns, Carberry, Carroll, Chorosh, Cole, Colne, Cunningham, Curran, Delaney, Diemer, Dixson, Donnelly, Dotzler, Dowling, Duggan, Dujat, Eichhorn, Ferguson, Ferrand, Eagan, Gaynor, Hogan, Igstaedter, Jacobson, Kenney, Lein, Levy, McCann, McCourt, McGarry, McNally, Milligan, Molen, Moore (Chas. Report of the Committee on Finance in Favor of Adopting Resolution for $350 Special Revenue Bonds for Use by City Clerk in Procuring Copies of Official Seal and Flag of the City.

The Committee on Finance, to which was referred on April 20, 1915 (Minutes, page 244), the annexed resolution for $350 Special Revenue Bonds for use by the City Clerk for the purpose of procuring copies of the official seal and flag of the City, respectfully

REPORTS:

That the City Clerk makes this request in pursuance of the provisions of the ordinance recently adopted, prescribing certain changes in the City seal and establishing a standard City flag.

The Committee recommends that the said resolution be adopted.

Resolved, That in pursuance of the provisions of Subdivision 8 of Section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of three hundred and fifty dollars ($350), the proceeds whereof to be used by the City Clerk and Clerk of the Board of Aldermen for the purpose of procuring a bronze model, die and duplicates of the official seal and four standards of the official flag of The City of New York in accordance with the provisions of ordinances approved under date of April 6, 1915. All obligations contracted for hereunder to be incurred on or before December 31, 1915.

Report of the Committee on Finance in Favor of Adopting Resolution for $2,000 Special Revenue Bonds to Be Expended by Trustees of the College of The City of New York for Expenses Incidental to Dedication of Lewisohn Stadium.

The Committee on Finance, to which was referred on April 27, 1915 (Minutes, page 251), a request from the Trustees of the College of the City of New York for $3,000 Special Revenue Bonds for the purpose of defraying the expenses incidental to the dedication of the Lewisohn Stadium, respectfully

REPORTS:

That, after a careful examination of this request, it believes that the sum of $2,000 will be sufficient to pay for the necessary incidental expenses in connection with this dedication, and it recommends that the accompanying resolution be adopted.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of two thousand dollars ($2,000), the proceeds whereof to be used by the Trustees of the College of the City of New York for the purpose of meeting expenses incidental to the dedication of the Lewisohn Stadium.

All obligations incurred hereunder to be contracted for on or before December 31, 1915.

Report of the Committee on Finance in Favor of Adopting Resolution for $93.90 Special Revenue Bonds for Reconciling Wages of an Electrician, Department of Health, During 1915.

The Committee on Finance, to which was referred on April 27, 1915 (Minutes, page 252), the annexed request of the Board of Health for $93.90 Special Revenue Bonds to be used during the year 1915 for the purpose of reconciling the wages of an electrician in said department, respectfully

REPORTS:

That the reasons for this request are set forth in the letter of application. For some reason this amount was not allowed in the 1915 budget, and as the man must be paid the Committee recommends that the accompanying resolution be adopted.

Resolved, That in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue Special Revenue Bonds to the amount of ninety-three 90-100 dollars ($93.90), the proceeds whereof to be used by the Department of Health for the purpose of reconciling the wages paid an electrician in said Department during the year 1915.

City of New York, Department of Health, Office of the Secretary, April 23, 1915.

Hon. P. J. SCULLY, *City Clerk,* City Hall, N. Y.:

Sir—I am forwarding a copy of a resolution adopted by the Board of Health March 30, 1915, requesting an issue of Special Revenue Bonds, under the provisions of subdivision 8 of Section 188 of the Greater New York Charter, in the sum of $93.90, to be used during the year 1915 for the purpose of reconciling the wages paid to an electrician in the employ of the Department of Health and the prevailing rate of wages for such position as established by the Board of Aldermen June 2, 1914, and approved by his Honor, the Mayor, June 6, 1914.

This electrician has been receiving wages at the rate of $4.50 per diem for a number of years and the prevailing rate was fixed by the Board of Aldermen on the date mentioned at $4.80 per diem.

Very truly yours, EUGENE W. SCHEFFER, Secretary.

The Vice-Chairman put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Bartscherer, Bedell, Benninger, Boschen, Bosse, Brush, Burns, Carberry, Carroll, Chorosh, Cole, Colne, Cunningham, Curran, Delaney, Diemer, Dixson, Donnelly, Dotzler, Dowling, Duggan, Dujat, Eichhorn, Ferguson, Ferrand, Eagan, Gaynor, Hogan, Igstaedter, Jacobson, Kenney, Lein, Levy, McCann, McCourt, McGarry, McNally, Milligan, Molen, Moore (Chas. Report of the Committee on Finance in Favor of Adopting Resolution for $103.70 Special Revenue Bonds for Deficiency in 1914 Telephone Accounts, Office of Board of Coroners, Borough of The Bronx.

The Committee on Finance, to which was referred on April 27, 1915 (Minutes, page 293), the annexed resolution for $103.70 to meet deficiency in telephone account for 1914, Board of Coroners, The Bronx, respectfully

REPORTS:

That an examination of the subject shows that the telephone service in question was necessary for the business of the office. It is impossible for the Coroners to secure a transfer to cover this amount in any way. The Committee, therefore, recommends that the said resolution be adopted.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of one hundred and three 70-100 dollars ($103.70), the proceeds whereof to be used by the Board of Coroners, Borough of The Bronx, for the purpose of meeting a deficiency in telephone service for the year 1914.

Report of the Committee on Finance in Favor of Adopting Resolution for $270 Special Revenue Bonds to Pay Salary of an Emergency Clerk, Office of the Board of Coroners, The Bronx.

The Committee on Finance, to which was referred on April 27, 1915 (Minutes, pagey 393) the annexed resolution for $270 Special Revenue Bonds, to pay the salary of a temporary clerk during the vacation period in 1915, in the office of the Board of Coroners, Borough of The Bronx, respectfully

REPORTS:

That the number of employees in this office is so small that it is impossible to provide vacations unless some provision is made for a temporary substitute. This course was followed in 1914, with the approval of the Board of Estimate and Apportionment. The Committee recommends that the said resolution be adopted.

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of two hundred and seventy dollars ($270), the proceeds whereof to be used by the Board of Coroners, Borough of The Bronx, for the purpose of paying salary of emergency clerk during the vacation period in June, July and August, 1915.

Report of the Committee on Finance in Favor of Adopting Ordinance for $6,075 Corporate Stock for Reconstruction and Extension of Pier at Foot of Fordham Street, City Island.

The Committee on Finance, to which was referred on April 27, 1915 (Minutes, page 253) the annexed resolution for $6,075 Corporate Stock for reconstruction and extension of a pier at the foot of Fordham Street, City Island, Borough of The Bronx, respectfully

REPORTS:

That an examination of this matter results in the belief that this work is an urgent necessity and that the amount of the appropriation is proper. The Committee, therefore, recommends that the accompanying ordinance be adopted.

AN ORDINANCE providing for an issue of Corporate Stock of The City of New York to an amount not exceeding six thousand and seventy-five dollars ($6,075), to provide means for the reconstruction and extension of the pier at the foot of Fordham Street, City Island, Borough of The Bronx, under the jurisdiction of the Department of Correction.

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution, adopted by the Board of Estimate and Apportionment April 23, 1915, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of Section 47 of the Greater New York Charter, as amended, hereby approves of the issue of corporate stock of the City of New York to an amount not exceeding six thousand and seventy-five dollars ($6,075), to provide means for the reconstruction and extension of the pier at the foot of Fordham street, City Island, Borough of The Bronx, under the jurisdiction of the Department of Correction, and that when

authority therefor shall have been obtained from the Board of Aldermen, the Comptroller be and is hereby authorized to issue said corporate stock of the City of New York in the manner provided by section 169 of the Greater New York Charter, the proceeds thereof to the amount of the par value of the stock to be applied to the purposes aforesaid.

Report of the Committee on Finance in Favor of Adopting Ordinance for $111,000 Corporate Stock for City's Share of Expenses of Bronx Parkway Commission.

The Committee on Finance, to which was referred on April 20, 1915 (Minutes, page 166), a resolution for $111,000 Corporate Stock for expenses of the Bronx Parkway Commission, respectfully

REPORTS:

That this is in connection with the regular work of the Commission. It is under a mandatory statute and the sooner it is passed the greater the saving in interest to the City. A list of the parcels covered by this appropriation has been obtained and is hereto attached. The Committee recommends that the accompanying ordinance be adopted.

AN ORDINANCE providing for an issue of Corporate Stock of The City of New York to an amount not exceeding one hundred and eleven thousand dollars ($111,000), being the City's share (three-quarters) of a total of one hundred and forty-eight thousand dollars ($148,000), to provide means for acquiring lands and interests therein, and defraying expenses incidental thereto by the Bronx Parkway Commission in connection with preserving the waters of the Bronx River from pollution.

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. The Board of Aldermen hereby approves of and concurs in the following resolution, adopted by the Board of Estimate and Apportionment April 16, 1915, and authorizes the Comptroller to issue Corporate Stock of The City of New York to the amount and for the purposes therein specified:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of Chapter 594 of the Laws of 1907, as amended by Chapter 757 of the Laws of 1913, hereby approves of the issue of corporate stock of The City of New York to an amount not exceeding one hundred and eleven thousand dollars ($111,000), being the City's share (three-quarters) of a total of one hundred and forty-eight thousand dollars ($148,000), to provide means for acquiring lands and interests therein, and defraying expenses incidental thereto, by The Bronx Parkway Commission in connection with preserving the waters of the Bronx River from pollution, and that when authority therefor shall have been obtained from the Board of Aldermen, the Comptroller be and is hereby authorized to issue said corporate stock of The City of New York in the manner provided by Section 169 of the Greater New York Charter, maturing not more than fifteen (15) years after date of issue, the proceeds thereof to the amount of the par value of the stock, to be applied to the purpose aforesaid.

Report of Committee on Public Health—

No. 1451.

Report of the Committee on Health, in Favor of Adopting Substitute Ordinance Providing for Inspection of Meat in The City of New York.

The Committee on Health, to which was referred on April 13, 1915 (Minutes, page 138), the annexed ordinance providing for inspection of meat in The City of New York, respectfully

REPORTS:

That, having again examined the subject, it believes certain unimportant amendments will more clearly express the intention of the Board with respect to this subject, and it, therefore, recommends that the accompanying substitute ordinance, No. 3, be adopted.

SUBSTITUTE NO. 3.

AN ORDINANCE to amend chapter 27 of the Code of Ordinances of The City of New York by adding thereto provisions relating to the proper inspection of meat.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. Chapter 27 of the Code of Ordinances of The City of New York is hereby amended by adding thereto the following new section, to read as follows:

1. *Inspection of meat. No carcasses or parts of the carcasses of cattle, calves, sheep, lambs, or swine, shall be offered for sale, sold, or given away in any public market in The City of New York until they shall, respectively, have been inspected and passed as fit for human food by a duly authorized inspector of the United States Government or a duly authorized inspector of the Health Department of The City of New York, or, in the case of parts of a carcass, unless such part shall have been cut from a carcass or part of a carcass which had previously been inspected and passed as hereinbefore provided.*

2. *Marking of; certificate. Such inspector of the Department of Health, upon finding such carcass or part of a carcass, as the case may be, fit for human food, shall proceed to mark such carcass or part of a carcass by branding or stamping thereon a number and the words "Department of Health" and "Inspected and Passed," together with the date of inspection and the name of the inspector, all set forth in conspicuous type in the following form:*

No.....

Department of Health.

Inspected and Passed.....
(Date) .....
(Name of Inspector).....

and such inspector shall also, upon branding or stamping such carcass or part of a carcass, deliver to the owner thereof or said owner's representative a certificate, which shall be substantially in the following form:

No.....

Department of Health.

(Brief description of carcass or part of carcass).....
(Place of Inspection).....
(Name of Dealer).....
Inspected and Passed.....
(Date) .....
(Name of Inspector).....;.....

Such brand or stamp marks, as well as such certificates, shall be consecutively numbered, and the number of the brand or stamp mark shall, in every instance, correspond with the number of the certificate.

3. *Certificate; number of; filing of. Every such certificate shall be made in triplicate form, and the inspector shall deliver the original to the owner of the carcass or part of a carcass to which such certificate relates or said owner's representative, and file a copy thereof, respectively, in the Department of Health and in the office of the Comptroller.*

4. *Certificate, fee for. For each carcass or part of a carcass thus marked and for which a certificate shall have been issued as hereinbefore provided, the owner thereof shall pay to The City of New York the sum of five cents, and all moneys shall be collected monthly by the Comptroller.*

5. *Carcass or part of, when deemed fit as human food. For the purpose of this ordinance, no such carcass or part of a carcass shall be deemed to have been inspected and passed as fit for human food by an inspector of the Department of Health unless such carcass or part of a carcass shall have been branded or stamped and a certificate shall have been issued, as hereinbefore provided.*

6. *Exceptions. The provisions of this odrinance shall not, however, apply to carcasses or parts of the carcasses of cattle, calves, sheep, lambs, or swine killed in any slaughter house in the City of New York conducted under a permit issued by the Board of Health.*

7. *Violations. Any person who shall violate or neglect to comply with any provision of this ordinance shall, upon conviction thereof, be punished by a fine of not more than one hundred dollars, or by imprisonment not exceeding thirty days, or by both such fine and imprisonment.*

Sec. 2. The table of section headings of chapter 27 of the Code of Ordinances of The City of New York is hereby amended to read as follows:

Reports of Committee on General Welfare—

No. 1487—(G. O. No. 640.)

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to the Transportation, Storage and Use of Explosives.

The Committee on General Welfare, to which was referred on March 1, 1915 (Minutes, page 1253), the annexed ordinance relating to the transportation, storage and use of explosives, respectfully

REPORTS:

That at the public hearing held on this subject no one appeared in opposition. There are some defects in form in this ordinance and the Fire Department, which is sponsor for same, has submitted an amended ordinance correcting these faults, which is hereto attached and which the Committee recommends be adopted.

SUBSTITUTE.

AN ORDINANCE to amend Article 4 of Chapter 10 of the Code of Ordinances relating to the Transportation, Storage and Use of Explosives.

Be it Ordained by the Board of Aldermen of the City of New York as follows:

Section 1. Subdivision 3 of section 61 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

3. *Nitro-glycerine.* 1. No person shall transport, store, keep, sell, deliver, use or have in his possession any liquid nitro-glycerine, nor shall any person store, transport or use between November 1st and March 15th any explosive which will freeze or deteriorate at a temperature higher than 10 degrees above zero F.; provided, that permits may be issued for the transportation and sale of nitro-glycerine in the form of tablets, pills or granules, in quantities not exceeding 10,000 pieces, containing no more than one-fiftieth of a grain each. No explosives containing nitro-glycerine, and not intended for use within the City, shall be stored or kept therein or landed at or upon any dock, pier or bulkhead thereof, *except as prescribed by the Fire Commissioner.*

Section 2. Subdivision 1 of section 64 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

1. *Permit.* No person shall carry or transport explosives through the streets except in a [wagon or in a motor] vehicle *propelled by animal or electrical power,* constructed and equipped in conformity with specifications approved by the Fire Commissioner, for which a permit shall have been issued.

Section 3. Subdivision 10 of section 64 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

10. *Route.* No vehicle containing explosives shall be driven, for more than one city block, along any street in the city over which there in an elevated railroad or under which there is a tunnel or subway for the transportation of passengers or freight, nor through a crowded street. Each vehicle shall be [drawn] *propelled* by [a horse or horses] *animal or electric power,* amply [able] *sufficient* to haul the load, and no unnecessary stops shall be made in transit. *All vehicles containing explosives, proceeding in the same direction, shall maintain a distance between them of one city block. No explosives shall be transported over or upon any bridge connecting the borough of Brooklyn or the borough of Queens with the borough of Manhattan.*

Section 4. Subdivision 4 of section 65 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

4. *Landing.* No person shall land or place explosives upon a dock, pier, bulkhead or other landing place. Explosives intended for use within the city shall be

transferred from the vessel making the delivery directly to a vehicle for transporting explosives, *at the docks or piers designated by the Fire Commissioner,* for which a permit has been issued under section 63 of this chapter. Explosives intended for shipment to points outside the city may be transferred from a vessel directly to another vessel lying at a city dock or pier, *designated by the Fire Commissioner,* provided the amount so transferred does not exceed 2,500 pounds. All such shipments in excess of 2,500 pounds *and not exceeding* 5,000 *pounds* must be transferred from vessel to vessel at a distance *of* not less than 1,000 feet from any city pier line.

Section 5. Section 66 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

Section 66. Report of deliveries. [Each] *No* holder of *a* permit under section 63 or section 64 of this chapter shall *deliver explosives to any person, firm or corporation not holding a permit from the Fire Commissioner. Each holder of such a permit shall* file with the [Fire] Commissioner, before 10 a. m. of each business day, a written statement, under oath, of all deliveries of explosives made by him on the preceding day, which shall contain the following information:

(a) Name and address of person to whom delivered;
(b) Date of delivery;
(c) Location of magazine where delivered;
(d) Name of person having charge of the magazine at which delivery was made;
(e) Number of pounds, name or brand, and character of explosives delivered at each magazine.

Section 6. Subdivision 5 of §63 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

5. *Construction.* All magazines, [except those of the 5th class,] *and the barricades surrounding them when required* shall be constructed [and provided with such safeguards to life and property as may be] *in accordance with plans and specifications* prescribed [or approved, in writing] *therefor* by the Fire Commissioner. [A magazine of the 5th class shall consist of a wooden box, properly constructed, with an interior capacity not to exceed 8 cubic feet; the frame work shall be 2 inches thick, lined on both sides throughout with ⅞-inch tongued and grooved boards; the spaces between linings to be packed with mineral wool, and the outside of box to be covered with sheet iron.]

Section 7. Subdivision 9 of §63 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

9. *Management.* A magazine shall at all times be kept clean and dry and free from grit; and before any repairs or alterations are made to any part thereof all explosives shall be carefully removed to a place of safety and the magazine thoroughly washed out. *In case a magazine floor becomes stained with nitro-glycerine it shall be well scrubbed with a stiff broom, hard brush or mop, using a solution of one-half gallon of wood alcohol and two pounds of sulphide of sodium so as to thoroughly decompose the nitro-glycerine.* All tools [and implements] used in making such repairs or alterations shall be of wood, or of copper, brass or other soft metal or material. In no case shall nails or screws be driven into a magazine in making repairs or alterations, nor into any material that has once formed a part thereof; and all wooden structural parts of a magazine, if discarded, shall be immediately burned at a safe distance therefrom. *No person shall store, place or keep any clothing, cotton waste or other article or thing in a magazine containing explosives, except a wooden mallet and a wooden wedge for the purpose of opening boxes of explosives, which shall be opened only with such implements. Magazine keepers and all other persons handling, storing or transporting explosives are prohibited from carrying matches or permitting matches to be brought to or near the place where explosives are handled, stored or transported.*

Section 8. Subdivision 8 of § 63 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

8. *Magazine-keepers.* No person holding a magazine permit shall store or keep explosives therein unless a person holding a certificate of fitness as a magazine keeper be continuously in charge thereof; provided, that a person holding a certificate of fitness as a blaster may also act as a magazine keeper for a magazine of the 5th class, under a special permit of the Fire Commissioner. He shall keep an accurate daily record of all explosives received at or delivered from the magazine under his charge, which shall show in detail how the explosives have been used or otherwise disposed of, and shall at all times be open to inspection by any inspector or member of the fire department. He shall first deliver from the magazine such explosives as have been longest therein. All magazines shall be kept locked, except when being inspected or when explosives are being placed therein or removed therefrom; and the magazine keeper shall at all times have the key thereof in his possession. He must care for and protect the magazine and its contents from interference by unauthorized persons, *and he must be constantly on the lookout for signs which would indicate leakage of nitro-glycerine from explosives under his charge, and all explosives in such condition must be the next used.* [The drawers of a magazine shall not be removed therefrom, nor used to carry explosives away from the magazine.] A magazine keeper shall not be required to perform any duty that will in any way interfere with his duties as set forth in this article.

Section 9. Subdivision 6 of §63 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

6. *Danger area.* A danger area shall be maintained around each magazine in proportion to the quantity of explosives contained therein; [and the extent of such danger area shall be stated in the permit]. The magazine keeper shall maintain such area clean and free from rubbish, dead grass, shrubbery and other obstructions, and prevent persons from loitering therein.

Section 10. Subdivision 12 of §63 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

12. *Storage Restrictions.* No person shall

(a) Place, keep or store in a magazine explosives in excess of [1,000 pounds, except under a special] *the amount stated in the permit therefor, except by special permission of the Fire Commissioner;* [; nor place, keep or store in any magazine explosives or blasting supplies in excess of the amount stated in the permit;]

(b) Place, keep or store black powder, blasting powder or smokeless powder in a magazine containing any other explosive, or in a magazine containing blasting caps, detonators or electric fuses;

(c) Place, keep or store in, or bring within 100 feet of a magazine of the 1st, 2d, 3d or 4th class containing explosives, [or containing] black powder, blasting powder or smokeless powder, any blasting caps, capped cartridge, detonator, [electric fuse,] or any other article or thing that is likely to cause an explosion by friction, shock, heat or otherwise, *or place or store dynamite or any other high explosive in any magazine which has previously contained black or blasting powder, without first obtaining the express permission of the Fire Commissioner.*

(d) Cap a cartridge within a radius of 100 feet of a magazine (except magazines of the fifth class), nor cap more cartridges than necessary for immediate use.

Section 11. Subdivision 3 of §63 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

3. *Posting permit. The* [A copy of the] permit issued for any magazine shall *at all times* be [conspicuously displayed on the outside thereof in a frame under glass.] *kept in the magazine and readily accessible for inspection.*

Section 12. Subdivision 3 of §69 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

3. *Firing.* [Except when blasting in a tunnel or subway, the roof of which is at least 10 feet below the surface of the ground, n] *No* persons shall explode a blasting charge by means of time, slow-burning or safety fuse, *nor* [or] by any means other than some form of electrical apparatus. [No person shall use more than one electric fuse in firing a blasting hole, except when loaded in separate charges.] *At least* [Three] 3 minutes [' notice] before firing [the] *a* blast [s shall be given by displaying a red flag on a staff not less than 10 feet high, set in a conspicuous place within 25 feet of the point where the charge is placed, and also by calling out the words "A blast" several times repeatedly and loud enough to be distincly heard at a distance of 200 feet from the point of discharge, and shall notify the occupants of all houses within 300 feet of the place of blasting, on the morning of each day upon which blasting shall be done.], *the blaster shall give warning thereof by causing a competent man, carrying a red flag, to be stationed at reasonable distance from the blast at each avenue of approach or point of danger. In tunnel or subway work, the blaster himself shall be the last man to leave the job after the loading is completed and the wires are connected, and the blaster only shall be permitted to throw in the electric switch to fire the blast. After the shot, the blasting wires shall be immediately disconnected from the switch, and the blaster, when returning to see the effect of the shot, shall also disconnect the lead wires at least 200 feet from the face of the tunnel, and shall restore such connections only when all the men have left the face of the tunnel after loading. A firing box or electric switch shall be placed on the firing line side of the tunnel, and shall always be kept locked except when pulling the switch. The connection between this box and the lines leading to the firing and electric light circuits shall be broken after each shot, and it shall be the duty of the certified blaster to see that this is done. The connection with lines used for lighting shall not be permanent, but before each shot the lead wires shall be carried across the tunnel from the shooting line to the electric light circuit. When a heading is to be fired only the cut holes and lifting holes are allowed to be loaded. The cut holes must be fired first. No heading is allowed to be fully loaded and fired at the same time. In open work the blaster may direct an assistant to pull the battery when he is assured that all proper preparations have been made and precautions taken for firing the blast. If an electric circuit is used for firing, the lead wires must be placed on the opposite side of the excavation from the wires used for lighting, and both lines of wire must be properly insulated.*

All electric apparatus of whatever nature used in blasting operations shall be kept locked and under the direct personal charge of the blaster.

Where two or more blasters are employed on the same job, each blaster shall sign with the magazine keeper for the amount of explosives removed, and the time when taken, and shall be responsible both for all the explosives used by him and for the prompt return to the magazine of any explosives not immediately used on the job.

Section 13. Subdivision 6 of §69 of Chapter 10 of the Code of Ordinances is hereby ammended to read as follows:

6. *Tamping.* Blasting charges shall be tamped only by means of wooden [tampers,] *tamping rods, and explosives shall be pressed or set into place by steady, even pressure only. All* [and by the application of direct pressure. Tamping by] strokes or blows *with the tamping rod are forbidden, and no tamping rod shall be used which is* [or with a rod or stick the end of which is in any way] frayed or split *at the end.* [is forbidden.]

Section 14. Subdivision 2 of §69 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

2. *Covering Blasts.* Immediately after loading and tamping the hole, and before firing the blast, the rock to be blasted shall be covered on all exposed sides with a strong woven matting of rope or wire at least 1½ inches in diameter, *and* [The matting shall then be covered with] at least 12 timbers, each 10 feet long and 10 inches in smallest diameter, held securely together by chains or by iron or steel cables at least ¾ of an inch in diameter. After the rock has been thus covered, the blast shall be fired without unnecessary delay. The inspector of blasting shall have authority to prescribe the amount and manner of application of the protective covering to be placed over blasts situated on the perpendicular or diagonal side of a rock, and over blasts for ditch-work, block-holes, manholes, pole-holes, electric wire subways, sewer and gas connections, gas and water-mains. The provisions of this subdivision shall not apply to blasting operations in a tunnel or subway when the blast is situated more than 100 feet from the mouth or opening to the tunnel and at least 10 feet [from] *below* the outer surface of the rock.

Section 15. Subdivision 7 of §69 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

7. *Unexploded charge.* Immediately after firing the blast, the blaster shall cause all debris to be removed, and shall thoroughly examine the rock *and the drill holes* to ascertain whether there remains any unexploded charge, *and until this is done no drills shall be set up.* In case a charge should fail to explode, *and the direction of its bore hole can be positively determined.* [the tamping shall not be removed, but] the old charge *may* [shall] be exploded by drilling a single hole at least twelve inches [away] *distant from and parallel with it,* which [last] *latter* hole shall then be loaded and fired in the manner prescribed *for any other bore hole* [in these regulations. When a blast fails to carry away the entire drill-hole, but leaves the lower part intact, no further drilling shall be done in that hole]. *In case the direction of the bore hole cannot be positively determined, then, by order of and under the direct supervision of the superintendent or walking boss only, the tamping may be cautiously removed by a licensed blaster down to a point near the explosive, by the use of a metal scraper or an air blowpipe, after which the partially emptied hole shall be loaded with a small starting charge, and detonated in the usual manner. While this work is being done all persons except the licensed blaster or the superintendent or walking boss, shall retire to a safe distance. In no case shall a charge which has failed to explode be drawn or otherwise removed from the blasting hole without the express permission of the fire commissioner. In case a blast shall fail to carry away the entire drill hole, and leaves the lower part intact, no further drilling shall be done in that hole.*

Section 16. Subdivision 4 of §67 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

4. *Magazines.* All magazines for which permits are issued for the storage of [electric fuses and] blasting caps shall be deemed to be magazines of the first class, and shall comply with all requirements governing magazines of *that* class[, except that they shall not be fitted with drawers or a heating compartment]. Such magazines shall not be permitted to contain more than 20,000 [10,000 electric fuses and 10,000] blasting caps *and* each [; and they] *such magazine* shall be continuously under the care of a person holding a certificate of fitness as a magazine keeper.

Section 17. Subdivision 3 of §67 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

3. *Delivery Wagons.* No person shall transport or carry through the streets any electric [fuses or] blasting caps in excess of [2,500] 5,000 [each, and] *nor shall the same to be carried* [except it be] in *any other than* a duly authorized [wagon] vehicle, which shall comply with all the requirements governing [wagons] *vehicles* for the transportation of explosives. No person shall place or carry or cause to be placed or carried, in or upon any [wagon] *vehicle* containing electric fuses or blasting caps, any other explosive.

Section 18. Subdivision 5 of §67 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

5. *Packing.* No person shall bring into, store, sell or transport within the city electric [fuses,] *blasting caps* except in cartons containing not more than 50 [fuses] each; and when packed in shipping cases such cases shall contain not more than 500 [fuses] *caps.* No person shall sell and deliver for use any electric fuses, except in original and unbroken cartons containing not more than 50 fuses each.

Section 19. Subdivision 2 of §67 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

2. *Storage.* No person shall bring into, transport, store, sell or deliver within the city any blasting caps, except when packed in tin boxes containing not more than 100 caps each. *No* [Holders] *holder* of *a* permit [s] for the storage and use of explosives issued in conformity with this chapter shall be allowed to store or keep [not] more than [500 electric fuses and 500] 1,000 blasting caps without [being required to obtain] a permit therefor; [provided such fuses] and blasting caps *in whatever quantity* shall be kept in a separate magazine at least 100 feet distant from any magazine containing explosives.

Section 20. Subdivision 1 of §68 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

1. *Permit.* No person shall transport, store or sell any black powder, blasting powder or smokeless powder [in quantities exceeding 2 pounds] without a permit.

Section 21. Section 69 of Chapter 10 of the Code of Ordinances is hereby amended by adding thereto a new subdivision, to be subdivision 8 thereof, to read as follows:

8. *Blasters' helpers. No person shall load holes in blasting operations except a person holding a certificate of fitness, provided, however, that while holes are being actually loaded, drillers and drill-helpers may act as blasters' helpers under the direct supervision and responsibility of the blaster.*

Section 22. Section 69 of Chapter 10 of the Code of Ordinances is hereby amended by adding thereto a new subdivision, to be subdivision 9 thereof, to read as follows:

9. *Small blasting jobs. A contractor for a small blasting job who holds a certificate of fitness as a blaster and has filed a bond in the penal sum of* $5,000, *conditioned as required in section* 58, *may, upon receiving the expressed permission of the fire commissioner, obtain a sufficient quantity of explosives for the blast (in no case exceeding five pounds) from a magazine not more than* 1,500 *feet from his job, and may carry them to such job in a manner satisfactory to the fire commissioner, and may load and shoot the holes as provided by these regulations. All explosives not used in the blast shall be immediately returned to the magazine from which obtained.*

Section 23. Subdivision 1 of §65 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

1. *Generally.* The commander, owner or owners of any vessel arriving in the port of New York, [and having more than 28 pounds of gunpowder or other explosive

on board shall, immediately upon arrival and before such vessel shall approach nearer than 300 yards of the pierline of the city, give written notice to the fire commissioner of the fact that such explosives are on said vessel. And all vessels, having on board or loading explosives exceeding 28 pounds, shall cause to be displayed at the masthead nearest the land, while remaining within the city, a red flag at least 5 feet square, and no vessel shall lie at a pier after sunset, having on board more than 28 pounds of explosives, without a permit from the commissioner, said permit to be issued for not exceeding 48 hours.] *carrying explosives or explosive material in excess of the amount required for the ship's own use for signalling and life saving purposes shall, before approaching nearer than 1,000 feet to any pier line of the city, obtain a permit therefor from the fire commissioner. The retention for more than 48 hours on board of any ship lying at a dock, pier or bulkhead within the city of any explosives, or explosive material in excess of the amount required for the ship's own use for signalling or life saving purposes, is prohibited.*

Section 24. Subdivision 3 of §64 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

3. *Drivers.* Each such vehicle shall be continuously in charge of two competent persons, each holding a certificate of fitness as a handler of explosives, and no other person shall be allowed in or upon such vehicle. No person in charge of a vehicle containing explosives shall smoke in or upon such vehicle; *nor* drive, *load or unload* the vehicle while intoxicated [; drive the vehicle or conduct himself], *or* in a careless or reckless manner [during its transit through the city; not load or unload the vehicle carelessly, recklessly or while smoking or intoxicated].

§25. Subdivisions 7 and 11 of §63 and subdivision 2 of §64 of article 4 of Chapter 10 of the Code of Ordinances are hereby repealed.

§26. This ordinance shall take effect immediately.

[to use and discharge, wholesale value over $10,]	
[single occasion	1,000 00]
[at various times within the same enclosure	2,000 00]

Section 2. Subdivision 2 of 990 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

2. *Conditions.* Such a permit may be issued upon the following conditions:

a. The manufactory shall not be situated nearer than 200 feet to any building not used in connection with such manufacture, or to any street, and not nearer than 50 feet to any building used for the storage of explosives or fireworks, nor nearer than 25 feet to any other building within the factory enclosure;

b. Premises where fireworks are manufactured shall be enclosed on all sides by a substantial fence, and all openings to such enclosure shall be fitted with suitable gates, which, when not locked, shall be in charge of a competent watchman, who shall have charge of the manufactory when it is not in active operation;

c. Premises where fireworks are manufactured shall have at least 3 fire hydrants placed in different parts of the enclosure, connected to an adequate supply of water under pressure, the hose to be sufficient to reach all parts of the buildings within the enclosure, and there shall at all times be kept, [within a distance of 5 feet of] *at each entrance to* each building inside such enclosure, at least 6 [5-gallon] 10-*quart* buckets, full of water, and at least 6 [5 gallon] 10-*quart* buckets full of sand;

d. The manufactory shall at all times be supplied with *some* adequate means of communication with the fire department, *by* [such as telephone or fire] alarm boxes, and shall be lighted only by incandescent electric lights;

e. A building used for the storage of explosives or for the storage of finished fireworks shall not be situated nearer than 300 feet to any building not used in connection with the manufacture of fireworks, or to any street[;].

Section 3. Subdivision 4 of § 92 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

4. *Extinguishers.* All holders of permits under this section shall keep on the premises covered by the permit, in a convenient location, at least 6 [5 gallon] 10-*quart* buckets of water and 6 [5-gallon] *ten quart* buckets of sand, fit and ready for use in case of fire.

Section 4. Subdivision 2 of § 92 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

2. *Permit.* No person shall store, [or] sell *or have in his possession any* fireworks without a permit; *nor sell any fireworks except for delivery to a point outside the city; nor deliver fireworks in the city except to a person holding a permit from the fire commissioner or to a common carrier for the purpose of delivering outside the limits of the city.*

Section 5. Subdivision 1 of § 95 of chapter 10 of the code of ordinances is hereby amended to read as follows:

1. [*Permits.*] *Prohibited.* No person shall use or discharge any fireworks within the city [without a permit].

Section 6. Subdivision 1 of § 92 of chapter 10 of the code of ordinances is hereby amended to read as follows:

1. *Certificate of registration.* No person shall transport, store or sell fireworks unless a certificate of registration of the name of the manufacturer thereof shall have been issued; provided, however, that certificates of registration shall not be required for fireworks manufactured under a permit issued in conformity with section [60] 90 of this article.

Section 7. Subdivision 6 of § 95 of chapter 10 of the code of ordinances is hereby amended to read as follows:

6. *Displays inside theatres and other buildings.* No person shall display any fireworks, flashlights, colored fire or open lights upon the stage of any theatre or other place of public amusement or assembly, *without a permit from the fire commissioner.*

Section 8. Subdivision 1 of § 93 of chapter 10 of the code of ordinances is hereby amended to read as follows:

1. *Storage, transportation or sale.* No person shall store, transport or sell within the city any of the following articles:

(a) Fireworks containing chlorates (except chlorate of potash and chlorate of barium), picrates, fulminates or any high explosive;

(b) Fireworks containing sulphur and chlorate in admixture;

(c) Bombardments or mandarins made of chlorate mixtures;

(d) Canes with chlorate mixtures;

(e) Cartridge exploders;

(f) Fireworks known as cannon salutes;

(g) Fireworks with match-heads or self-lighting ends, except ship signals;

(h) Fireworks containing red or white phosphorus;

(i) Explosive marbles;

(j) Compositions used for detonating purposes;

(k) *Toy torpedoes exceeding three-quarters of an inch in diameter.*

Section 9. Subdivision 2 of § 93 and subdivisions 2, 3, 4, 5(a), 5(b) and 7 of § 95 of article 6 of chapter 10 of the code of ordinances are hereby repealed.

Section 10. This ordinance shall take effect immediately.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to the Manufacture, Transportation and Sale of Matches.

The Committee on General Welfare, to which was referred on March 1st, 1915 (Minutes, page 1259), the annexed ordinance relating to the manufacture, transportation and sale of matches, respectfully

REPORTS:

That it held a public hearing at which this subject was considered, and no one appeared in opposition thereto. This ordinance, together with a number of others bearing on subjects along similar lines, has the backing of the Fire Department. In order to correct a few minor mistakes as to style a substitute ordinance has been submitted herewith, and the Committee recommends its adoption.

SUBSTITUTE.

AN ORDINANCE to amend section 102 of article 7 of chapter 10 of the Code of Ordinances, relating to the manufacture, transportation and sale of Matches.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. Subdivision 3 of §102 of chapter 10 of the Code of Ordinances, is hereby amended to read as follows:

3. *Mark.* No person shall store, transport or sell matches unless the box or container in which they are packed bears plainly marked on the outside thereof the name of the manufacturer, [the number of the certificate of approval, and the words "Approved Match, No. ...."] *or in the case of matches of foreign manufacture, the name of the importer or agent, and in every case a distinctive brand or mark or name.* No person shall place in a box or container marked as prescribed in this subdivision, any matches for which a certificate of approval shall not have been issued.

Section 2. Subdivision 1 of §102 of Chapter 10 of the Code of Ordinances, is hereby amended to read as follows:

1. *Certificate of Approval.* No person shall transport, store or sell any matches for which a certificate of approval shall not have been issued. The applicant for such certificate shall deposit with the fire commissioner a sample of the matches for which approval is requested, packed in the labeled boxes or containers in which such matches are to be sold, and no such application shall include more than one kind or type of match, *but several brands or names of the same kind or type of match may be included and a single certificate of approval therefor be issued.*

Section 3. Subdivision 5 of §102 of article 7 of chapter 10 of the Code of Ordinances is hereby repealed.

Section 4. This ordinance shall take effect immediately.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to Dry Cleaning and Dry Dyeing Establishments and to Sponging.

The Committee on General Welfare, to which was referred on March 1, 1915 (Minutes, page 1261), the annexed ordinance relating to dry cleaning and dry dyeing establishments, and to sponging, respectfully

REPORTS:

That at the public hearing at which this matter was considered no one appeared in opposition. The Fire Department has prepared a substitute ordinance, which is submitted herewith, which merely amends the form of the proposed ordinance. The Committee recommends that said substitute ordinance be adopted.

SUBSTITUTE.

AN ORDINANCE to Amend chapter 10 of the Code of Ordinances, Relating to Dry Cleaning and Dry Dyeing Establishments and to Sponging.

Be it ordained by the Board of Aldermen of the City of New York, as follows:

Section 1. Subdivision 3 of §178 of chapter 10 of the code of ordinances is hereby amended to read as follows:

3. *Supervision.* The operation of a dry cleaning or dry dyeing establishment shall be continuously under the care and supervision of a person holding a certificate of fitness as manager thereof. *The number of persons required to hold such certificates shall be determined by the fire commissioner and stated in the permit, but in no case shall there be required more than three.*

Section 2. Subdivision 2 of §177 of chapter 10 of the code of ordinances is hereby amended to read as follows:

2. *Settling tank.* At the close of each day, all volatile inflammable oils remaining in the [washing] *wash* tank *and extractors,* shall be transferred through continuous piping to [a settling] *an underground* tank [and each settling tank shall be installed and equipped in the same manner as prescribed in this article for a storage tank]. *Volatile inflammable oils in a dry cleaning and dry dyeing establishment shall not be kept outsde the dry cleaning room except in an approved storage system, and shall not be transferred except by pumping directly from an approved storage system.*

Section 3. Subdivision 3 of §179 of chapter 10 of the code of ordinances is hereby amended to read as follows:

3. *Artificial lighting.* No system of artificial lighting other than incandescent electric lights shall be installed in any [room or compartment wherein volatile inflammable oil is stored or used], *building used as a dry cleaning and dry dyeing establishment,* unless it be of a type for which a certificate of approval shall have been issued. All incandescent lights shall be fitted with keyless sockets and all electric switches and plugs shall be placed at least 4 feet above the floor. *All electric switches shall be placed outside the room containing wash tanks, and outside all drying rooms.*

Section 4. Subdivision 4 of §179 of chapter 10 of the code of ordinances is hereby amended to read as follows:

4. *Exposed flame or spark.* No stove, forge, torch [boiler, furnace] *or other device employing* flame or fire, [and no] *nor any* electric or other [appliance that] *apparatus which* is likely to produce an exposed spark, shall be [installed in any room or compartment in which volatile inflammable oil is stored or used] *allowed in any building used as a dry cleaning or dry dyeing establishment, unless it be placed in a room or compartment separated from the remainder of the building by a partition constructed of fire retarding material and provided with a self-closing fireproof door; provided, however, that electric motors may be of the fully enclosed type or provided with an approved type "A" (fire department specifications) motor enclosure; the terminal blocks also shall be protected. No boiler or furnace shall be located in any such dry-cleaning and dry-dyeing establishment unless separated from the remainder of the building by an unpierced fireproof wall consisting of solid masonry, or its equivalent, of at least 8 inches in thickness; provided, however, that where the construction of such unpierced wall shall be impracticable, the fire commissioner may permit such openings in the wall as may be necessary, and prescribe such protection therefor as in his judgment the particular case shall require.*

Section 5. Subdivision 5 of §179 of chapter 10 of the code of ordinances is hereby amended to read as follows:

5. *Carrying matches.* No person shall carry matches into any room or compartment in which volatile inflammable oil is used or stored, *and the person holding the certificate of fitness as the manager of the establishment shall be responsible for the enforcement of this section. He shall also see that all clothing intended to be dry cleaned is searched and all matches removed therefrom, before being brought into the compartments where volatile inflammable oils are stored or used.*

Section 6. Section 177 of chapter 10 of the Code of Ordinances is hereby amended by adding thereto 5 new subdivisions, to be subdivisions 5, 6, 7, 8 and 9 thereof respectively, to read as follows:

5. *Asbestos cloths or blankets. Each room or compartment in which a washing tank is located shall be equipped with one or more asbestos cloths or blankets to smother fire, the number and size of which shall be prescribed by the fire commissioner.*

6. *Portable containers. All portable containers used to convey goods from washers to extractors shall be equipped with rubber tired rollers, wooden or fibre rollers or wooden bottoms.*

7. *Extractors. All extractors shall be constructed so that the gasoline extracted shall flow by gravity through the pipe into the settling tank of an approved storage system.*

8. *Drying tumblers. Drying tumblers shall not be permitted in rooms containing wash tanks, and shall be independently connected with the outer air in the manner prescribed for drying rooms. In no case shall they be heated above 150 degrees Fahr.*

9. *Containers or devices. Proper containers or devices to prevent or extinguish fire may be prescribed by the fire commissioner, who may issue certificates of approval for such devices.*

§7. Subdivision 3 of §177 of article 13 and §§190 and 191 of article 14 of chapter 10 of the Code of Ordinances are hereby repealed.

§8. This ordinance shall take effect immediately.

Note—New matter in *italics;* old matter, in [], to be omitted.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to the Manufacture, Transportation, Storage, Sale and Use of Gases Under Pressure.

The Committee on General Welfare, to which was referred on March 1, 1915 (Minutes, page 1264), the annexed ordinance relating to the manufacture, transportation, storage, sale and use of gases under pressure, respectfully

REPORTS:

That it held a public hearing, at which this matter was considered, and but one person appeared in opposition. The Fire Department, which presented the original ordinance, has prepared a substitute which corrects a few unimportant details as to form, and this substitute the Committee recommends be adopted.

SUBSTITUTE.

AN ORDINANCE to amend Article 17 of Chapter 10 of the Code of Ordinances, Relating to the Manufacture, Transportation, Storage, Sale and Use of Gases Under Pressure.

Be it ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Section 210 of Chapter 10 is hereby amended to read as follows:

Section 210. Permit. No person shall compress, *generate,* store, or sell any acetylene, Blaugas, Pintsch gas or other gases and mixtures of gases *or transport through a pipe from one locality to another any gas, unless otherwise herein provided for,* [to] *at* a pressure [greater than] *exceeding* 6 pounds to the square inch, *or atmospheric air to a pressure exceeding 100 pounds to the square inch, nor in quantities exceeding a total container capacity of 30 cubic feet,* without a permit.

Section 2. Subdivision 2 of §211 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

2. Certificate of fitness. No gas shall be compressed *or generated* to a pressure greater than [6] 15 pounds to the square inch, unless [such compression be done] under the supervision of a person holding a certificate of fitness.

Section 3. Subdiviison 4 of §211 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

4. *Containers; certificate of approval.* No person shall transport, store or sell any gas compressed to a pressure greater than 15 pounds to the square inch, except it be contained in a metal tank, cylinder or other metal container, or of a type [for which a certificate of approval shall have been issued.] *approved by the fire commissioner or the interstate commerce commission.*

Section 4. Subdivision 1 of §211 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

1. *Capacity.* No person shall store *for sale* [tanks or cylinders containing] *any* gas compressed to a pressure greater than [15] 6 pounds to the square inch [aggregating more than 250 cubic feet] without a permit, *except the following:*

(a) Nitrous oxide or oxygen for use for medical or surgical purposes in quantities not exceeding a total container capacity of 5 cubic feet for both gases, and in containers none of which shall have a capacity exceeding 2.5 cubic feet;

(b) Combustible gases under pressure exceeding 15 pounds per square inch, such as Blaugas and acetylene, in quantities not exceeding 500 cubic feet gas measure and in containers none of which shall have a capacity exceeding 2.5 cubic feet.

(c) Non-combustible liquefied gases in quantities not exceeding a total container capacity of 1 cubic foot, and in containers none of which shall have a capacity exceeding 200 cubic inches.

No person shall use or store for use within the city any gas compressed to a pressure greater than 6 pounds to the square inch, without a permit, except;

(d) Non-combustible, non-liquefied gases, such as atmospheric air, oxygen, carbon dioxide, nitrous oxide, compressed to a pressure not exceeding 100 pounds to the square inch and in quantities not exceeding a total container capacity of 30 cubic feet;

(e) Non-combustible, non-liquefied gases, such as atmospheric air, oxygen, nitrous oxide, nitrogen, compressed to a pressure not exceeding 300 pounds to the square inch and in quantities not exceeding a total container capacity of 30 cubic feet, and in containers of which none shall have a capacity exceeding 6 cubic feet;

(f) Non-combustible, non-liquefied gases, such as atmospheric air, oxygen or nitrogen, compressed to a pressure exceeding 300 pounds to the square inch and in quantities not exceeding a total container capacity of 20 cubic feet, and in containers none of which shall have a capacity exceeding 2.5 cubic feet;

(g) Combustible, non-liquefied, non-absorbed gases, suh as hydrogen, illuminating gas, compressed to a pressure not exceeding 300 pounds to the square inch, and in quantities not exceeding a total container capacity of 30 cubic feet and in containers none of which shall have a capacity exceeding 6 cubic feet;

(h) Combustible, non-liquefied, non-absorbed gases, such as hydrogen, illuminating gas, compressed to a pressure exceeding 300 pounds to the square inch and in quantities not exceeding a total container capacity of 10 cubic feet, and in containers none of which shall have a capacity exceeding 2.5 cubic feet;

(i) Soda water tanks containing carbonic acid under pressure not exceeding 150 pounds to the square inch, and in quantities not exceeding a total container capacity of 20 cubic feet, and in containers none of which shall have a capacity exceeding 2 cubic feet;

(j) Absorbed acetylene, under pressure not exceeding 250 pounds to the square inch, and in quantities not exceeding a total container capacity of 10 cubic feet, and in containers none of which shall have a capacity exceeding 2.5 cubic feet;

(k) Non-combustible liquefied gases, except ammonia, such as nitrous oxide, carbonic acid, sulphur dioxide, chlorine, in quantities not exceeding a total container capacity of 12 cubic feet, and in containers none of which shall have a capacity exceeding 1.5 cubic feet. Anhydrous liquid ammonia not exceeding a total container capacity of 12 cubic feet, and in containers none of which shall have a capacity exceeding 5.5 cubic feet, except as otherwise provided in these regulations.

(l) Combustible, liquefied gases, such as blaugas, in quantities not exceeding a total container capacity of 8 cubic feet, and in containers none of which shall have a capacity exceeding 1.5 cubic feet.

Section 5. Subdivision 3 of §211 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

3. *Construction.* All tanks and cylinders used for the storage of gas under pressure shall be constructed of rolled, drawn or forged steel, and shall be either seamless, brazed, welded or rivited. [Each tank or cylinder used for the storage of gas under pressure, other than acetylene, shall be tested to withstand a pressure double that at which they are intended to be filled.] *Containers now in use and purchased hereafter for storing or transporting compressed gases, must be subjected at least once in 5 years to a uniform interior pressure test, in which the test pressure must be as follows:*

For containers for liquid carbonic acid, liquid nitrous oxide, or blaugas, 3,000 pounds to the square inch;

For containers for liquid anhydrous ammonia, not less than 430 pounds to the square inch;

For containers for liquid chlorine, not less than 400 pounds to the square inch;

For containers for liquid sulphur dioxide, not less than 250 pounds to the square inch;

For containers for compressed gases, not liquefied and not absorbed, not less than twice the charging pressure at 70° F., unless such test pressure should exceed 600 pounds, in which case the test pressure shall be not less than one and two-thirds times the charging pressure and 70° F.;

A cylinder must be condemned when it leaks, or when the permanent expansion exceeds 10 per cent. of the total expansion. When the charging pressure is less than 300 pounds to the square inch, it will not be necessary to measure the permanent expansion in quinquennial pressure tests provided the cylinder in question has previously passed this test. All containers used for storage and transportation of compressed gases under more than 15 pounds pressure to the square inch, must be plainly stamped with the date of the last test; for example, "9-13" for September, 1913. Containers that have not been tested and marked as prescribed herein must not be charged or transported until properly tested and marked.

Section 6. Subdivision 8 of §212 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

8. *Storage tanks.* All tanks and cylinders used for the storage of acetylene under pressure *having originally passed the required test shall be exempt from the quinquennial test, but* shall be designed and constructed to withstand a pressure of 1,200 pounds to the square inch without rupture, and to withstand a pressure of at least 550 pounds to the square inch without exhibiting strain beyond the point of usefulness. Each tank and cylinder used for the storage of acetylene under pressure shall be tested to withstand a pressure of 500 lbs. to the square inch; and no person shall generate, transport, store or sell acetylene in an apparatus, tank or other container in the construction of which unalloyed copper is used. No tank or cylinder containing acetylene in quantities aggregating more than 2,500 cubic feet shall be stored in any building except under a special permit. Acetylene contained in tanks or cylinders attached to vehicles and ready for use shall not be included in computing the quantity stored in any building.

Section 7. Subdivision 5 of §211 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

5. *Pressure gauge.* [Each tank or cylinder] *Containers* used for the storage of gas under pressure *of more than* 15 *pounds to the square inch* shall be provided with a pressure gauge, or with an opening to which such gauge may be attached, for determining the pressure of the gas in the [tank or cylinder and with a safety plug or plugs, which shall release at a temperature of 350° F.] *container. After January 1st, 1916, no container exceeding 12 inches in length, containing liquefied gases, gases in solution or other gases under a pressure of more than 15 pounds per square inch at 70° F., except anhydrous ammonia, shall be filled within the city, except for immediate export; nor shall any such filled cylinder be brought into the city unless it be equipped with a safety device or fusible plug of a type approved by the fire commissioner or interstate commerce commission, to prevent the explosion of a normally charged cylinder when placed in a fire.*

Section 8. Subdivision 6 of §211 of chapter 10 of the Code of Ordinances is hereby amended to read as follows:

6. *Stamped.* Each [tank or cylinder] *container* used for the storage *or transportation* of gas under pressure shall have plainly [stamped] *and permanently marked* thereon the name of the *original purchaser or* manufacturer, *or a mark by which the ownership or responsibility for filling the container can easily be established, and each container* [the tensile strength of the material used in the construction of the tank or cylinder, the year of manufacture, the name or kind of gas contained in the tank or cylinder; and] shall be identified by a serial number. *When containers are tested a complete record shall be kept thereof, and this record, or a certified copy thereof shall, upon reasonable notice and demand, be produced for the inspection of the interstate commerce commission or the fire commissioner.*

§9. Subdivision 7 of §211 of article 17 of chapter 10 of the code of ordinances is hereby repealed.

Section 10. This ordinance shall take effect immediately.

No. 1498—(G. O. No. 647)

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to the Storage of Nitro-cellulose Products.

The Committee on General Welfare, to which was referred on March 1, 1915 (Minutes, page 1268), the annexed ordinance relating to the storage of nitro-cellulose products, respectfully

REPORTS:

That at a public hearing held on this subject no one appeared in opposition. The Fire Department, which presented the original ordinance, has prepared for the Committee a substitute, correcting a few minor details, and this the Committee submits herewith and recommends be adopted.

SUBSTITUTE.

AN ORDINANCE to Amend Section 232 of Chapter 10 of the Code of Ordinances, Relating to the Storage of Nitro-Cellulose Products.

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Subdivision 3 of § 232 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

3. *Storage of raw material.* All nitro-cellulose products in the form of blocks, slabs, sheets, rods, tubes or other shapes to be used [as raw material] *for further manufacture,* shall be kept stored in a fireproof room or compartment, constructed in accordance with plans submitted to and approved by the fire commissioner, *and in all cases shall be provided with suitable ventilation.*

Section 2. This ordinance shall take effect immediately.

Note—New matter in *italics;* old matter, in brackets [ ], to be omitted.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to the Manufacture, Distillation, Rectification and Storage of Distilled Liquors, Spirits or Alcohols.

The Committee on General Welfare, to which was referred on March 1, 1915 (Minutes, page 1269), the annexed ordinance relating to the manufacture, distillation, rectification and storage of distilled liquors, spirits or alcohols, respectfully

REPORTS:

That a public hearing was held, at which this matter was considered, and that no one appeared in opposition thereto. The Fire Department, which prepared the original ordinance, has furnished the Committee with the substitute submitted herewith, which corrects a few minor details as to form, and which the Committee recommends be adopted.

SUBSTITUTE.

AN ORDINANCE to Amend Article 21 of Chapter 10 of the Code of Ordinances, Relating to the Manufacture, Distillation, Rectification and Storage of Distilled Liquors, Spirits or Alcohols.

Be it Ordained by the Board of Aldermen of The City of New York as follows:

Section 1. Article 21 of Chapter 10 of the Code of Ordinances is hereby amended by adding thereto a new section, to be section 253 thereof, to read as follows:

Section 253. Distillation or Rectification. No person shall distill or rectify liquors, spirits or alcohols in any room or compartment in which there is an open flame.

Section 2. The table of section headings of Article 21 of Chapter 10 is hereby amended to read as follows:

No. 1501—(G. O. No. 649)

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to Wholesale Drug Stores and Chemical Supply Houses.

The Committee on General Welfare, to which was referred on March 1, 1915 (Minutes, page 1270), the annexed ordinance relating to wholesale drug stores and chemical supply houses, respectfully

REPORTS:

That at the public hearing at which this ordinance was considered the only opposition was in relation to the somewhat large fee contemplated therein. The Fire Department has agreed to a reduction and has furnished the Committee with the accompanying substitute ordinance which covers this change and a few minor details as to form, and this substitute the Committee recommends be adopted.

SUBSTITUTE.

AN ORDINANCE to amend article 24 of chapter 10 of the Code of Ordinances, Relating to Wholesale Drug Stores and Chemical Supply Houses.

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Section 276 of chapter 10 is hereby amended to read as follows:

Section 276. Quantities of supplies allowed. No permit shall be issued for the storage in a wholesale drug store or drug and chemical supply house of any of the following substances in quantities greater than those set forth in the following schedule:

1. Explosives—	
Amyl nitrate in bottles	25 pounds
Amyl nitrate in pearls	100 gross
Carbon bisulphide	50 pounds
Collodions	100 pounds in all
Gases, liquefied:	
Anhydrous ammonia	2 cylinders
Carbon dioxide	2 cylinders
Nitrous oxide	2 cylinders
Oxygen	2 cylinders
Sulphide dioxide	2 cylinders
Nitroglycerine, 1 per cent. solution in alcohol	20 pounds
Picric acid	25 pounds
Soluble cotton	25 pounds in all
2. Volatile Inflammable Liquids (Insoluble)—	
Benzine, benzole or naphthas of any kind	150 gallons in all
Coal tar	1 barrel
Coal tar oils (heavy)	10 barrels
Crude petroleum	1 barrel
Ethyl chloride and other ethers	200 pounds in all
Ether, nitrous	100 pounds in 5-pound package or less
Ether, sulphuric	500 pounds
Rhigoline	2 dozen 1-pound tins
Varnishes, lacquers, etc	275 gallons in all
Wood creosote	5 barrels
3. Volatile Inflammable Liquids (Soluble)—	
Acetone	1 barrel
Alcohol, denatured	10 barrels
Alcohol, ethyl	10 barrels
Alcohol, methyl	10 barrels
Aldehyde, ethyl	5 gallons
4. Non-volatile inflammable liquids (insoluble).	
Amyl acetate	10 barrels
Amyl alcohol	10 barrels
Aniline oil	5 drums
Cumol	5 barrels
Essential oils	10,000 pounds in all
Kerosene	1 barrel
Nitrobenzole	5 drums
Terebene	100 pounds
Turpentine	10 barrels
Toluol	350 pounds
Xylol	100 pounds
5. Non-volatile inflammable liquids (soluble).	
Glycerine	5,000 pounds
6. Combustible solids.	
Metallic magnesium	100 pounds
Phosphorus	11 pounds
Phosphorus, red	11 pounds
Sulphur	25 barrels in all
7. Gums, resins, pitch, etc.	
Burgundy pitch	5,000 pounds
Camphor	8,000 pounds
Gum thus	5 barrels
Naphthaline	50 barrels in all
Pitch (coal tar pitch)	2 barrels
Resins, balsams and other varnish gums	8,000 pounds in all
Resin	5 barrels
Shellac	2,500 pounds
Stockholm tar	1,000 pounds
Tar refined (wood)	10 barrels
Venice turpentine	2,000 pounds
8. Combustible fibres and powders (vegetable).	
Cotton, absorbent	2,000 pounds
Cotton, batting	10 bales
Excelsior	25 bales
Flax	20 bales
Jute	25 bales
Lampblack	10 barrels
Lycopodium	2,000 pounds
Oakum	2 bales
Pulverized charcoal	10 barrels
Sawdust	15 bags
Straw, packing	10 bales
9. Dangerously corrosive acids.	
Anhydrous acetic	500 pounds
Carbolic	15,000 pounds
Glacial acetic	2,000 pounds
Hydrochloric	15 carboys
Hydrofluoric	500 pounds
Sulphuric	15 carboys
10. Acids.	
Chromic	100 pounds
Iodic	5 pounds
Nitric	3 carboys
Nitric, fuming	25 pounds
Periodic	2 pounds
11. Peroxides.	
Barium	2 casks
Calcium	100 pounds
Hydrogen, U. S. P.	5,000 pounds

Other hydrogen peroxides, over 3 per cent., not to exceed 15 per cent.	500 pounds
Potassium	10 pounds
Sodium	25 pounds
12. Chlorates.	
Barium	500 pounds
Other metallic	100 pounds in all
Potassium	1,000 pounds
Sodium	1,000 pounds
13. Perchlorates.	
Potassium	10 pounds
Other metallic perchlorates	10 pounds in all
14. Permanganates.	
Potassium	1,000 pounds
Sodium	100 pounds
Other metallic permanganates	100 pounds in all
15. Nitrates.	
Barium	1,200 pounds
Bismuth subnitrate	2,500 pounds
Cobalt	1,000 pounds
Copper	100 pounds
Iron, ferric	200 pounds
Mercury (mercuric)	100 pounds
Mercury (mercurous)	10 pounds
Potassium	2,000 pounds
Silver	50 pounds
Sodium	1,000 pounds
Strontium	1,200 pounds
Other metallic	500 pounds in all
16. Metallic oxides.	
Lead binoxide	25 pounds
Lead (litharge)	1,200 pounds
Lead (red)	500 pounds
Mercury; yellow precipitate (mercurous)	200 pounds
Mercury; red precipitate (mercuric)	100 pounds
Silver	10 pounds
17. Substances made dangerous by contact with other substances.	
Calcium carbide	60 pounds
Metallic potassium	5 pounds
Metallic sodium	5 pounds
All other metals of the alkalies or alkalone earths	5 pounds in all
Phosphides	10 pounds
Zinc dust	100 pounds

The fire commissioner may [by special supplementary permit] *in his discretion, and when no unusual hazard is presented thereby,* authorize the storage of greater quantities [of substances] than those [named] *set forth* in the foregoing schedule, or the storage of other substances not specified therein.

Section 2. Subdivision 2 of §277 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

2. *Liquids.* The storage of acids or liquid chemicals [so constituted that there is danger of explosion] *which may cause explosions* or combustion by [their] flowing into, upon, or among chemicals or other substances, shall be provided with safety catch basins or [other equivalent] *a similar* device, so that in case of the leakage of [containers of] such acids or liquids the same shall not constitute] *no* danger to life or property *will result.* Carboys containing nitric acid shall be stored only on brick, concrete or asphalt floors, and in a vault or vaults situated below the street level; and it shall be unlawful to permit sawdust, hay, excelsior, or any organic substance, or other acids or chemicals in close proximity to such carboys or stocks of nitric acid. A sufficient quantity of sand or infusorial earth shall be provided for absorbing all waste liquids from floors.

Section 3. Subdivision 1 of §274 of Chapter 10 of the Code of Ordinances is hereby amended to read as follows:

1. *Light.* No system of artificial lights, other than incandescent electric lights, shall be installed in a wholesale drug store or drug and chemical supply house, unless of a type for which a certificate of approval shall have been issued. Cellars and basements shall be provided with a sufficient number of incandescent lights to insure proper illumination throughout. Such lights shall be fitted with keyless sockets and shall be controlled by a switch or switches, located at or near the entrance to the cellar or basement on the grade floor, with a sign at such switch or switches reading "Control of Basement Lights." [The number of such lights and the location thereof shall be stated in the permit.] In addition to the lights herein provided for, there may be installed in the cellar or basement such number of individual incandescent lights with keyless sockets as may be required, provided they are controlled by an independent circuit.

Section 4. This ordinance shall take effect immediately.

Note—New matter in *italics;* old matter, in brackets [] to be omitted.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to the Storage of Packing Boxes, Cases and Barrels.

The Committee on General Welfare, to which was referred on March 1, 1915 (Minutes, page 1271), the annexed ordinance relating to the storage of packing boxes, cases and barrels, respectfully

REPORTS:

That a public hearing was held at which this subject was considered, and no one appeared in opposition thereto. The Fire Department, which presented the original ordinance, has furnished the accompanying substitute, which corrects a few minor details as to form, and this substitute the Committee recommends be adopted.

SUBSTITUTE.

AN ORDINANCE to Amend §25 of Chapter 12 of the Code of Ordinances Relating to the Storage of Packing Boxes, Cases and Barrels.

Be it Ordained by the Board of Aldermen of the City of New York as follows:

Section 1. Subdivision 2 of §25 of chapter 12 of the Code of Ordinances is hereby amended to read as follows:

2. *Restrictions.* No permit shall be issued for the storage of empty wooden packing boxes, cases or barrels in any *lot,* shed *or* inclosure [or other structure];

a. Which is not [substantially built of brick, concrete or other fire resisting material to a height not exceeding 18 feet] *enclosed by a substantial fence not less than* 10 *nor more than* 18 *feet in height* above the street level [and fitted with self-closing fireproof doors.] *If any building having an unpierced fire wall adjoins the enclosure no fence shall be required on the side of such building. The storage space shall be completely separated from any window or door openings of the wall of an adjoining building by a substantial fence of fire-retarding material of a height satisfactory to the Fire Commissioner, erected at least 6 feet from such opening and extended at least 6 feet on each side thereof and continued to the sides of the enclosure or carried to the walls of the building.*

No permit shall be issued authorizing the storage of empty wooden packing boxes or barrels in any building or structure the walls of which are not built of fireproof material except in sparsely populated districts.

b. Which is situated within 50 feet of the nearest wall of a building occupied as a hospital, school, theatre or other place of public amusement or assembly.

Section 2. Subdivision 3 of §25 of chapter 12 of the code of ordinances is hereby amended to read as follows:

3. [*Limitations.*] *Fire prevention.* No person shall pile empty wooden packing boxes, cases or barrels to a height greater than 6 inches below the top of the inclosing wall, required by subdivision 2 of this section, [nor shall any person pile or stack empty wooden packing boxes, cases or barrels within 4 feet of any window in an adjoining building]. *Excelsior, sawdust, paper and packing material shall be removed from the premises at least once daily; electric motors shall be enclosed in an approved manner; at least twelve water buckets of* 10 *quarts capacity shall be provided for every* 2,500 *square feet of floor surface, or in lieu thereof, hose of at least* 1 *inch in diameter, equipped with a nozzle of at least one-half inch in diameter, sufficient in length to reach all parts of the enclosure, and connected to an adequate water supply.*

Section 3. This ordinance shall take effect immediately.

Note—New matter in *italics;* old matter, in brackets [ ], to be omitted.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to the Storing or Keeping of Cotton, Flax, Hemp, Jute, Oakum, Straw, Hay, Moss, Husks, Etc.

The Committee on General Welfare, to which was referred on March 1, 1915 (Minutes, page 1271), the annexed ordinance relating to the storing or keeping of cotton, flax, hemp, jute, oakum, straw, hay, moss, husks, broom corn, seaweed, cotton and woolen rags, paper-stock, paper clippings, card board, sawdust, shavings, excelsior and other similar articles and substances, respectfully

REPORTS:

That the Committee held a public hearing at which this subject was considered, and no one appeared in opposition to the proposed ordinance. The Fire Department, which presented this ordinance, has prepared a substitute, which is herewith submitted, correcting a few minor details as to form. The Committee recommends the adoption of the said substitute ordinance.

SUBSTITUTE.

AN ORDINANCE to amend §24 of chapter 12 of the Code of Ordinances, relating to the storing or keeping of cotton, flax, hemp, jute, oakum, straw, hay, moss, husks, broom corn, seaweed, cotton and woolen rags, paperstock, paper clippings, cardboard, sawdust, shavings, excelsior and other similar articles and substances.

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Subdivision 2 of §24 of chapter 12 of the Code of Ordinances is hereby amended to read as follows:

2. *Permit required.* No person shall store or keep on hand in any [building or] *premises* any combustible fibre or material in excess of [2] 1 ton[s], without a permit from the commissioner. The annual fee for such a permit shall be for quantities of 10 tons or more $[50] 10; over 5 tons and less than 10 tons, $5; over [2] 1 ton[s] and less than 5 tons, $2.

Section 2. Subdivision 3 of §24 of chapter 12 of the Code of Ordinances is hereby amended to read as follows:

3. *Restrictions.* No permit shall be issued for such storage in any building or premises:

a. Situated within 50 feet of the nearest wall of a building occupied as a school, hospital, theatre or other place of public amusement or assembly;

b. Occupied as a tenement house, *or* hotel [, workshop or factory];

c. Of wooden construction, except in sparsely populated districts, where it shall be in the discretion of the commissioner;

d. Which is not equipped with a fire extinguishing system, approved by the fire commissioner;

e. Where paints, varnishes, or lacquers are manufactured stored or kept for sale;

f. Where dry goods or other highly inflammable materials are manufactured, stored or kept for sale;

g. Where matches, rosin, turpentine or any explosives are stored or kept.

Section 3. Article 2 of chapter 12 of the Code of Ordinances is hereby amended by adding thereto a new section, to be subdivision 6 of §24 thereof, to read as follows:

Section 24. Subdivision 6. Factories. The storage of combustible fibres in any building used as a factory or workshop [except where such combustible fibre enters into the article or material manufactured in such workshop or factory] is prohibited, unless such combustible fibre does not exceed 5 tons and is used and stored in a portion of the premises separated from the remainder of the building by walls, floors and ceilings, protected by fire retarding material and with all floor openings similarly protected and constructed in a manner approved by the fire commissioner. In no event shall more than one permit be granted for the storage of combustible fibre in a single building used as a factory or workshop.

Section 4. This ordinance shall take effect immediately.

Note—New matter in *italics;* old matter in brackets [], to be omitted.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Relating to Hazardous or Dangerous Industries, Trades, Etc., Requiring Storage, Sale or Use of Explosive Materials.

The Committee on General Welfare, to which was referred on March 1, 1915 (Minutes, page 1272), the annexed ordinance relating to hazardous or dangerous industries, trades, occupations or businesses requiring the storage, sale or use of any explosive, inflammable or combustible or other dangerous substance, article, compound or mixture, respectfully

REPORTS:

That at the public hearing at which this proposed ordinance was considered the objections raised were met by the Deputy Fire Commissioner in a manner which appeared to be satisfactory. The Fire Department, which presented the original, has submitted a substitute ordinance, which is attached hereto, and which the Committee recommends for adoption.

SUBSTITUTE.

AN ORDINANCE to amend Article 1 of Chapter 10 of the Code of Ordinances in relation to "Hazardous or Dangerous Industries," "Trades," "Occupations or Businesses Requiring the Storage, Sale or Use of Any Explosive, Inflammable or Combustible or Other Dangerous Substances, Article, Compound or Mixture."

Be It Ordained by the Board of Aldermen of the City of New York as follows:

§1. Article 1 of chapter 10 of the code of ordinances is hereby amended by adding thereto a new section to be section 10 thereof, to read as follows:

§10. *Hazardous industries. Except as otherwise provided in this chapter, no person shall conduct a hazardous or dangerous industry, trade, occupation or business, requiring the storage, sale or use of any explosives, inflammable, combustible or other dangerous substance, article, compound or mixture, without a permit, issued upon such conditions as are deemed by the fire commissioner necessary in the interest of public safety.*

Section 2. The table of section headings of Article 1 of Chapter 10 of the Code of Ordinances is hereby ammended to read as follows:

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Amending the Code Relating to Junk Dealers.

The Committee on General Welfare, to which was referred on April 6, 1915 (Minutes, page 76), the annexed ordinance amending section 123 of article 9 of chapter 14 of the Code of Ordinances of The City of New York, relating to "junk dealers," respectfully

REPORTS:

That this ordinance, which has the endorsement of the Police Commissioner, is for the purpose of including in the present ordinance such junk as is purchased from boats along the river front. The Committee believes that the ordinance is advisable and recommends its adoption.

AN ORDINANCE to amend Section One Hundred and Twenty-three of Article Nine of Chapter Fourteen of the Code of Ordinances relating to Junk Dealers.

Be it Ordained by the Board of Aldermen of the City of New York as follows:

Section 1. Section 123 of Article 9 of Chapter 14 of the Code of Ordinances of the City of New York is hereby amended to read as follows:

§ 123. Record of purchases. Every junk dealer shall keep a book in which shall be legibly written, at the time of every purchase, a description of every article so purchased, the name, residence and general description of the person from whom such purchase was made, [and] the day and hour of such purchase, *and, when the purchase consists of articles from a scow, coal-boat, lighter, tug or other vessel, the name of such scow, coal-boat, lighter, tug or other vessel, and the name and residence of the owner thereof,* and the book shall at all reasonable times be open to the inspection of any police officer, or the Mayor, the Commissioner or any inspector of licenses, or any magistrate, or any person duly authorized in writing, for such purpose, by the Commissioner or any magistrate, who shall exhibit such authorization to the dealer.

Section 2. This ordinance shall take effect immediately.

City of New York, Police Department, Office of the Commissioner, January 26, 1915.

Hon. HENRY CURRAN, *Board of Aldermen,* City Hall, New York:

Dear Sir—I am in receipt of a letter from the Secretary of the New York Boat-Owners' Association, Inc., in which, in behalf of his Association, he suggests that the Ordinance relating to Junk Dealers be amended in the following respect:

"That when rope, gear, part of cargo, etc., is purchased by the junkman from scows, coalboats, lighters, tugs, etc., the name of the boat and owner's address be recorded also."

From a police point of view, such an amendment would be admirable.

I am sending this to you, trusting that you or one of your Committees will consider the matter in all of its aspects. Yours very truly,

A. WOODS, Police Commissioner.

City of New York, Law Department, Office of the Corporation Counsel, Municipal Building, February 23, 1915.

Hon. HENRY H. CURRAN, *Board of Aldermen,* City Hall, N. Y.:

Dear Mr. Curran—I have received your letter dated January 28, 1915, which reads as follows:

"The following is a copy of a letter received from the Police Commissioner:

"'I am in receipt of a letter from the Secretary of the New York Boat-Owners' Association, Inc., in which, in behalf of his Association, he suggests that the Ordinance relating to Junk Dealers be amended in the following respect:

"'"That when rope, gear, part of cargo, etc., is purchased by the junkman from scows, coal-boats, lighters, tugs, etc., the name of the boat and owner's address be recorded also."

"'From a police point of view, such an amendment would be admirable.

"'I am sending this to you, trusting that you or one of your Committee will consider the matter in all of its respects.'

"Would you kindly have an ordinance drawn to meet this, and send it to me so that the Board may take it up?"

I am enclosing herewith copy of proposed ordinance, which I trust will meet your requirements. Sincerely yours,

(Enclosure) FRANK L. POLK, Corporation Counsel.

No. 1658.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Amending the Code in Relation to City Marshals.

The Committee on General Welfare, to which was referred on April 13, 1915 (Minutes, page 153), the annexed ordinance amending the Code of Ordinances in relation to the duties of City Marshals, respectfully

REPORTS:

This ordinance has the endorsement of the City Clerk, who is charged with the matter of providing badges for the City Marshals, and who believes that some statutory restriction should be prescribed to govern the matter of the return of badges by Marshals when their terms expire. The Committee recommends the adoption of the said ordinance.

AN ORDINANCE, to amend section 230 of Article 9 of Chapter 2 of the Code of Ordinances of The City of New York, relating to "City Marshals."

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Section 230 of Article 9 of Chapter 2 of the Code of Ordinances of The City of New York, relating to "City Marshals," is hereby amended to read as follows:

§ 230. City marshals; badges. The mayor is hereby authorized to prescribe the style, form and size of a badge to be known and designated as the city marshals' official badge, a description of which he shall file in the office of the city clerk. Each city marshal shall provide himself, at his own expense, with one of such badges, and shall wear the same at all times while engaged in the discharge of his duties. At all times, every city marshal shall display his badge, upon demand. *Upon cessation from duty as or upon the expiration of the term of a city marshal, he shall forthwith surrender his official badge to the city clerk, who is hereby authorized to refund the sum originally charged therefor.*

Sec. 2. This ordinance shall take effect immediately.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Amending the Code in Relation to Throwing Crockery or Glassware on City Beaches.

The Committee on General Welfare, to which was referred on April 13, 1915 (Minutes, page 153), the annexed ordinance amending the Code of Ordinances by adding thereto a new section making provision against the throwing of glassware or crockery on the city beaches and in the city parks, respectfully

REPORTS:

That after careful consideration of this proposed ordinance it believes it to be very necessary and it therefore recommends that the said ordinance be adopted.

AN ORDINANCE to amend chapter 27 of the Code of Ordinances, by adding thereto a new section, making provision against the throwing, casting, laying or depositing of bottles, crockery, glass or glassware upon any beach or other part of the water-front, or in any park.

Be it Ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Chapter 27 of the Code of Ordinance is hereby amended by adding thereto a new section, to be numbered §3-a thereof, to read as follows:

§3-a. *Beaches and other parts of the water-front to be protected against bottles, crockery, glass and glassware. No person shall throw, cast, lay or deposit a glass bottle or piece of crockery, nor any glass or glassware, or any part thereof, on any beach or other part of the water-front, or in any park of the city. A copy of this section, with a proper reference to the punishment provided for its violation by section 10 of this chapter, shall be conspicuously posted by the police commissioner on all beaches, and in all bathing houses thereon, and in all parks, and on all excursion boats plying the waters of the port of New York, during the months of May to October, inclusive, in each year.*

Section 2. This ordinance shall take effect immediately.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Amending the Code Relating to Street Fires and Fees Therefor.

The Committee on General Welfare, to which was referred on April 27, 1915 (Minutes, page 287), the annexed ordinance amending the Code of Ordinances relating to street fires and fees therefor, respectfully

REPORTS:

That it is informed by the Assistant Corporation Counsel that this ordinance is to correct some minor details which are not correctly set forth in the Code. The Committee recommends the adoption of the said ordinance.

AN ORDINANCE to amend article 1 of chapter 12 of the Code of Ordinances relating to street fires and the fees therefor.

Section 1. Section 6 of chapter 10 is hereby amended to read as follows:

Section 6. Street fires; permit required. No person shall kindle, build, maintain or use a fire upon any dock, pier or bulkhead; nor in or upon a street or vacant lot, without a permit from the fire commissioner. A permit to kindle, build, maintain and use a fire in or upon a public street for the purpose of conducting a trade or business may be issued by the fire commissioner upon an application giving such information as may be required by him, *and upon receipt of a fee of* $0.50; but no permit shall be issued to kindle, build, maintain or use *a* fire—

(a) Within 15 feet of a fire hydrant;

(b) Within 2 feet of the surface of any stone pavement;

(c) On or within 2 feet of the surface of any asphalt pavement, except for the purpose of repairing, removing or constructing the same.

A fire kindled, built and maintained under a permit issued in conformity with the provisions of this section shall be continuously under the care and direction of a competent person from the time it is kindled until it is extinguished.

Section 2. This ordinance shall take effect immediately.

Report of the Committee on General Welfare in Favor of Adopting an Ordinance Amending the Code Relating to Filling Pipes, Drawing Off Pipes and Vent Pipes of Storage Tanks for Volatile Inflammable Liquids.

The Committee on General Welfare, to which was referred on April 27, 1915 (Minutes, page 288), the annexed ordinance relating to filling pipes, drawing-off pipes and vent pipes, of storage tanks for volatile inflammable liquids, and to hydraulic storage systems, respectfully

REPORTS:

That it is informed by the Assistant Corporation Counsel that this proposed ordinance merely corrects a slight omission in the Code. It recommends that the said ordinance be adopted.

AN ORDINANCE to amend artlcle 9 of chapter 10 of the Code of Ordinances, relating to filling pipes, drawing-off pipes and vent pipes, of storage tanks for volatile inflammable liquids, and to hydraulic storage systems.

Section 1. Section 131, subdivision 13, is hereby amended to read as follows:

Section 131. Subdivision 13. *Tanks.* Each tank used for the storage of volatile inflammable oil shall be:

(a) Constructed of steel at least one-quarter of an inch in thickness, shall have a capacity of not more than 275 gallons, and shall, under test, stand a hydrostatic pressure of at least 100 pounds to the square inch.

(b). Coated on the outside with tar or other rust-resisting material, shall be set on a solid foundation, and shall be imbedded in and surrounded by at least 12 inches of Portland cement concrete.

(c) So set that the top or highest point thereof shall be at least 2 feet below the level of the lowest cellar floor of any building within a radius of 10 feet from the tank, and no tank for the storage of volatile inflammable oil shall be located under the sidewalk or beyond the building line.

[(d) Equipped with a filling pipe, a drawing-off pipe and a vent pipe; provided, however, that tanks installed as a part of an hydraulic storage system shall not be required to have a vent pipe.]

Report of Committee on Public Letting—

No. 1637.

Report of the Committee on Public Letting in Favor of Adopting Resolution to Authorize the Department of Public Charities to Purchase Equipment for Greenpoint Hospital.

The Committee on Public Letting, to which was referred on April 13, 1915 (Minutes, page 81), the annexed request of the Commissioner of Public Charities for authority to purchase certain items of equipment for the Greenpoint Hospital without public letting, respectfully

REPORTS:

That it has carefully considered this subject and believes that the request should be granted. It is important that this equipment be supplied at once so that the hospital may commence operation, and as the articles needed will be procured at practically the same or an even lower price than exactly similar equipment used in connection with the other hospitals has been obtained in the past, no strong reason exists for advertisement and the consequent delay entailed thereby. The Committee recommends that the accompanying resoluion be adopted.

Resolved, That, pursuant to section 419 of the Greater New York Charter, the Commissioner of Public Charities of The City of New York be and he hereby is authorized to purchase without public letting for the use of said Department the following items not exceeding the amounts set opposite each of the equipment of the new Greenpoint Hospital:

Beds	$2,500 00
X-Ray Apparatus	3,000 00
Operating Tables, etc	2,500 00
Furniture	4,500 00
Culinary Equipment	3,000 00
Hospital Apparatus	6,000 00
Fire Apparatus	1.500 00
Mattresses and Bedding	1,500 00

JOHN DIEMER, LOUIS JACOBSON, FRANK J. DOTZLER, EDWARD H. TAYLOR, JOHN McCANN, WILLIAM DUGGAN, Committee on Public Letting.

Alderman Diemer moved the acceptance of this report and adoption of said resolution.

The Vice-Chairman put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Bartscherer, Bedell, Benninger, Boschen, Bosse, Brush, Burns, Carberry, Carroll, Chorosh, Cole, Colne, Cunningham, Curran, Delaney, Diemer, Dixson, Donnelly, Dotzler, Dowling, Duggan, Dujat, Eichhorn, Ferguson, Ferrand, Eagan, Gaynor, Hogan, Igstaedter, Jacobson, Kenney, Lein, Levy, McCann, McCourt, McGarry, McNally, Milligan, Molen, Moore (Chas. Reports of Committee on Rules—

No. 1676.

Report of the Committee on Rules in Favor of Adopting Ordinance Amending the Code Relative to Advance Printing of Ordinances for Use of This Board.

The Committee on Rules, to which was referred on April 20, 1915 (Minutes, page 244), the annexed ordinance in favor of amending the provisions of Article 2 of Chapter 1 of the Code of Ordinances of The City of New York, respectfully

REPORTS:

That, having examined the subject, it believes the proposed increase to be necessary, because of the experience of the Board, which has found the demand for these official copies to at times far exceed the supply.

It therefore recommends that the said ordinance be adopted.

AN ORDINANCE amending Article 2 of Chapter 1 of the Code of Ordinances of The City of New York.

Be it ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Sec. 2 of Article 2 of Chapter 1 of the Code of Ordinances of The City of New York is hereby amended to read as follows:

Sec. 2. Adopted and approved ordinances. The clerk of the board of aldermen shall cause [500] *1,000* copies of each general ordinance to be published in separate leaflet form, consecutively numbered and paged in the form and style of the Session Laws of the State of New York, within 10 days after its approval by the mayor, or upon its taking effect without his approval or disapproval, or after reconsideration and readoption by the board of aldermen subsequent to his disapproval thereof, as provided by section 40 of the charter, as amended and supplemented. The clerk shall also cause to be compiled a proper index of all such general ordinances for the current calendar year and for each year thereafter, which shall be published, during the month of January of the succeeding year, in the CITY RECORD and as a pamphlet, the pages of which shall be of the same size as that of the leaflets containing such general ordinances.

Sec. 2. This ordinance shall take effect immediately.

Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Establish Various Grades in the Committee on City Plan of the Board of Estimate and Apportionment.

The Committee on Salaries and Offices, to which was referred on March 30, 1915 (Minutes, page 1718), the annexed resolution in favor of establishing various grades of positions in the office of the Board of Estimate and Apportionment, respectfully

REPORTS:

That President McAneny appeared before the Committee and explained that there was no change contemplated in the number of employees, but simply a change of titles, to comply with the regulations of the Municipal Civil Service Commission, the present titles not being in the exempt class. The intention is merely to have one incumbent in each grade, and the Committee recommends that the accompanying resolution, so worded, be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held March 26, 1915:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of Section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment, in the office of the Board of Estimate and Apportionment, of the grades of positions, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.
Consultant on City Planning	$5,000 00
Investigator on City Planning	3,000 00
Expert on Vital Statistics	1,500 00
	Rate Per Diem.
Transit Expert	$10 00

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution, with the words "for one incumbent only in each grade" inserted therein, and as so amended fixes the salary of said position as set forth therein.

W. W. COLNE, OSCAR IGSTAEDTER, JACOB WEIL, ANTHONY J. McNALLY, MICHAEL CARBERRY, D. M. BEDEL, CHARLES DELANEY, Committee on Salaries and Offices.

The President pro tem. put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Bedell, Benninger, Boschen, Bosse, Brush, Carberry, Carroll, Chorosh, Cole, Colne, Cunningham, Curran, Dixson, Donnelly, Dotzler, Dowling, Duggan, Dujat, Eichhorn, Ferguson, Ferrand, Eagan, Gaynor, Hogan, Igstaedter, Kenney, McCann, McCourt, McGarry, McNally, Milligan, Molen, Moore (Jesse D.), Moran, Mullen (Frank), Mullen (Jas. Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Establish Grades of Junior Draftsman in the Fire Department, $900, $1,020 and $1,140 Per Annum.

The Committee on Salaries and Offices, to which was referred on April 13, 1915 (Minutes, page 89), the annexed resolution in favor of establishing grade of position of Junior Draftsman in the Fire Department, respectfully

REPORTS:

That this position is to replace one entitled Architectural Draftsman, the work being more general in character than is covered by the existing title. As but one incumbent is desired by the department the Committee recommends the adoption of the accompanying resolution.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held April 9, 1915:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of Section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Fire Department of the grades of position, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.
Junior Draftsman	$900, $1,020 and $1,140

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution, with the words "for one incumbent only in each grade," inserted therein, and, as so amended, fixes the salaries of said positions as set forth therein.

W. W. COLNE, OSCAR IGSTAEDTER, JACOB WEIL, ANTHONY J. McNALLY, MICHAEL CARBERRY, D. M. BEDEL, CHARLES DELANEY, Committee on Salaries and Offices.

The President pro tem. put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Establish Grade of Stenographer and Typewriter, Police Department, at $1,560 Per Annum.

The Committee on Salaries and Offices, to which was referred on April 13, 1915 (Minutes, page 89), the annexed resolution establishing the grade of position of Stenographer and Typewriter in the Police Department, respectfully

REPORTS:

That this is an increase in salary of $360 per annum for an employee who has been in the service since 1909.

The Committee believes the increase to be warranted, but as the grade is intended for but one incumbent, recommends that the accompanying resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held April 9, 1915:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of Section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Police Department of the grade of position, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.
Stenographer and Typewriter	$1,560 00

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution with the words "for one incumbent only" inserted therein, and as so amended fixes the salary of said position as set forth therein.

Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Establish Grade of Secretary to Fourth Deputy Police Commissioner, at $1,800 Per Annum.

The Committee on Salaries and Offices, to which was referred on April 13, 1915 (Minutes, page 90), the anexed resolution establishing the grade of position of Secretary to the Fourth Deputy Police Commissioner at $1,800 per annum, respectfully

REPORTS:

That this is a new position. The Commissioner stated that the largely increased volume of work assigned to the Fourth Deputy made it necessary for him to have this assistant. The Committee believes that the Deputy Commissioner should be allowed this Secretary, and, therefore, recommends that the accompanying resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held April 9, 1915.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of Section 56 of the Greater New York Charter, hereby recommends to

the Board of Aldermen the establishment in the Police Department of the grade of position, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.	Number of Incumbents.
Secretary to Fourth Deputy Police Commissioner.....	$1,800 00	1

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution and fixes the salary of said position as set forth therein.

Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Establish Grade of Typewriting Copyist in the Office of Commissioner of Accounts, at $720 Per Annum.

The Committee on Salaries and Offices, to which was referred on April 13, 1915 (Minutes, page 91), the annexed resolution establishing the grade of position of Typewriting Copyist in the office of the Commissioner of Accounts, respectfully

REPORTS:

That this resolution is presented for the purpose of creating a permanent grade to do away with the practice of employing temporary Typewriting Copyists. This is a new grade in this office, being $120 per annum lower than one now in existence.

The Committee recommends that the accompanying resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held April 9, 1915:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of Section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the office of the Commissioners of Accounts, of the grade of position, in addition to those heretofore established, as follows:

Title of Position.	Rate Per Annum.
Typewriting Copyist	$720 00

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution and fixes the salary of said position as set forth therein.

W. W. COLNE, OSCAR IGSTAEDTER, JACOB WEIL, ANTHONY J. McNALLY, MICHAEL CARBERRY, D. M. BEDELL, CHARLES DELANEY, Committee on Salaries and Offices.

The President pro tem. put the question whether the Board would agree to accept said report and adopt said resolution.

Which was decided in the affirmative by the following vote:

Affirmative—Aldermen Bedell, Benninger, Boschen, Bosse, Brush, Carberry, Carroll, Chorosh, Cole, Colne, Cunningham, Curran, Dixson, Donnelly, Dotzler, Dowling, Duggan, Dujat, Eichhorn, Ferguson, Ferrand, Eagan, Gaynor, Hogan, Igstaedter, Kenney, McCann, McCourt, McGarry, McNally, Milligan, Molen, Moore (Jesse D.), Moran, Mullen (Frank), Mullen (Jas. Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Establish Grades of Statistician and Architectural Draftsman in the Police Department, for One Incumbent Each.

The Committee on Salaries and Offices, to which was referred on April 20, 1915 (Minutes, page 168), the annexed resolution establishing grades of position of Statistician at $1,500 per annum and Architectural Draftsman at $1,200 per annum in the Police Department, respectfully

REPORTS:

That the Department has a grade of Statistician at $1,800 but as it can obtain the services of a man at $1,500 it has asked for the lower grade. A Draftsman is needed to prepare plans for alterations on buildings occupied by the Department and $1,200 is considered a fair salary for this work.

But one incumbent in each grade was requested by the department, and the Committee, therefore, recommends that the accompanying resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held April 16, 1915.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Police Department of the grades of positions, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.
Statistician	$1,500 00
Architectural Draftsman	1,200 00

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution with the words "for one incumbent only in each grade" inserted therein, and, as so amended, fixes the salary of said position as set forth therein.

W. W. COLNE, OSCAR IGSTAEDTER, JACOB WEIL, ANTHONY J. McNALLY, MICHAEL CARBERRY, D. M. BEDELL, CHARLES DELANEY, Committee on Salaries and Offices.

The President pro tem. put the question whether the Board would agree to accept said report and adopt said resolution.

Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Establish Grade of Assistant Electrical Engineer in the Fire Department, at $1,800 Per Annum, for One Incumbent.

The Committee on Salaries and Offices, to which was referred on April 20, 1915 (Minutes, page 169), the annexed resolution establishing the grade of Assistant Electrical Engineer in the Fire Department at $1,800 per annum, respectfully

REPORTS:

That Secretary Fay appeared before the Committee and explained that this was merely a change of title in order to more clearly define the duties performed by the present incumbent, and does not include any change in salary.

The Committee recommends that the accompanying resolution be adopted.

Whereas, the Board of Estimate and Apportionment adopted the following resolution at a stated meeting held April 16, 1915.

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Fire Department of the grade of position, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.	Number of Incumbents.
Assistant Electrical Engineer	$1,800 00	One (1)

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution and fixes the salary of said position as set forth therein.

Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Establish Grade of Deputy Tax Commissioner, at $1,200 Per Annum, for Two Incumbents.

The Committee on Salaries and Offices, to which was referred on April 20, 1915 (Minutes, page 171), the annexed resolution to establish the grade of Deputy Tax Commissioner at $1,200 per annum, respectfully

REPORTS:

That this resolution is submitted at the request of the Tax Department for the purpose of providing for the retention in office at a commensurate salary of two men who have been actively employed for a number of years in the service, but who have now reached such an age that they are prevented from doing the class of work formerly assigned them but are still capable for duties of a more clerical nature in the office, to which it is proposed to assign them.

The Committee recommends that the accompanying resolution for two incumbents be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held April 16, 1915:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Department of Taxes and Assessments of the grade of position, in addition to those heretofore established, as follows:

Title.	Rate Per Annum.
Deputy Tax Commissioner	$1,200 00

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution, with the words "for two incumbents only" inserted therein, and as so amended fixes the salary of said position as set forth therein.

Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Fix Compensation of Certain Janitors, Department of Education.

The Committee on Salaries and Offices, to which was referred on April 20, 1915, (Minutes, page 171), the annexed resolution fixing the compensation of certain Janitors in the Department of Education, respectfully

REPORTS:

That it is informed that these rates have been figured on the usual measurement basis, and the Committee therefore recommends that the accompanying resolution be adopted.

Whereas, The Board of Estimate and Apportionment adopted the following resolution at a stated meeting held April 16, 1915.

Whereas, By opinions of the Corporation Counsel as of June 28 and July 30, 1910, the Comptroller was advised that the payment of salaries of Janitors in the Department of Education was illegal unless such salary shall have been established under the provisions of Section 56 of the Greater New York Charter; and

Whereas, The Special Committee on Janitorial Compensation and the Committee on School Inquiry, Board of Estimate and Apportionment, submitted a joint report on March 27, 1913, which contained detailed suggestions and recommendations for the reorganization of the Janitorial force of the Board of Education; therefore, be it

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of Section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen, pending action by the Board of Education on the aforesaid report, the compensation of Janitors in the Department of Education be fixed temporarily and until further modified, in accordance with the following list:

Janitor, Public School 26, The Bronx, for care of three portable buildings, per annum	$360 00
Janitor, Public School 69, Brooklyn, per annum, less $221.....	1,788 00
Janitor, Public School 97, Annex, Brooklyn, per annum.....	480 00
Janitor, Public School 16, Queens, per annum.....	3,156 00
Janitor, Public School 95, Queens, per annum.....	2,760 00

Resolved, That the Board of Aldermen hereby approves of and concurs in the above resolution and fixes the compensation of said positions as set forth therein.

MOTION WITH RESPECT TO REFERENCE OF A VETO.

With respect to a motion made that a veto of his Honor the Mayor be referred to Committee, the Acting Vice-Chairman held that such motion was not in order, inasmuch as section 40 of the Charter demanded that the Board shall proceed to reconsider and vote upon the same in a specific way. Whereupon Borough President Mathewson moved that the Clerk request of the Corporation Counsel an opinion as to the full intent of said section 40 of the Charter.

No. 633—Int. No. 1648.

Report of the Committee on Salaries and Offices in Favor of Adopting Resolution to Establish Various Grades of Positions in the Department of Correction.

The Committee on Salaries and Offices, to which was referred on April 13, 1915 (Minutes, page 92), a resolution to establish various grades of positions in the Department of Correction, respectfully

REPORTS:

That this is the first effort to establish grades to regulate the employment of the large number of very low paid helpers in the various institutions, and seems to have been calculated on a basis dictated by past experience in the employment of persons in these grades on a temporary rating. The number of incumbents is constantly shifting by reason of a number of causes easy to estimate in connection with such poorly paid positions, and it is impossible to tell just how many such assistants may be needed or may be obtained at any one time.

The Committee recommends the adoption of the accompanying resolution.

Whereas, the Board of Estimate and Apportionment adopted the following resolution at a stated meeting held April 9, 1915:

Resolved, That the Board of Estimate and Apportionment, pursuant to the provisions of Section 56 of the Greater New York Charter, hereby recommends to the Board of Aldermen the establishment in the Department of Correction of the grades of positions in addition to those heretofore established, as follows:

Title.	Rate of Compensation Per Annum.					
Prison Helper (male), with maintenance.....	$240	$270	$300	$330	$360	
Prison Helper (female), with maintenance.....	180	210	240	270	300	
Senior Prison Helper (male), with maintenance.	390	420	450	480		
Senior Prison Helper (female), with maintenance	330	360	390	420		
Prison Helper (male), without maintenance....	480	510	540	570	600	
Prison Helper (female), without maintenance...	420	450	480	510	540	
Senior Prison Helper (male), without maintenance	630	660	690	720

An Ordinance to Amend Chapter 5 of the Code of Ordinances of The City of New York.

By Alderman McNally (on behalf of the Committee on Buildings)—

AN ORDINANCE to Amend Chapter 5 of the Code of Ordinances of The City of New York.

Be it ordained by the Board of Aldermen of The City of New York, as follows:

Section 1. Chapter 5 of the Code of Ordinances of The City of New York is hereby amended by inserting therein an article, known as Article 4, Classification of Buildings, as follows:

Article 4.
Classification of Buildings.

Section 70. *Occupancy.*
71. *Construction.*
72. *When fireproof construction is required.*
73. *When ordinary construction is required.*

§ 70. Occupancy. 1. Classes designated. For the purposes of this chapter all buildings or structures coming under its provisions shall be classified, with respect to occupancy, as public buildings, residence buildings or business buildings, as hereinafter specified and defined. Unless special exception is made, every provision of this chapter applying to any building of a class shall apply to all buildings of that class.

2. Public buildings. Public buildings are buildings or parts of buidings in which persons congregate for civic, political, educational, religious or recreational purposes, or in which persons are harbored to receive medical, charitable or other care or treatment, or in which persons are held or detained by reason of public or civic duty, or for correctional purposes; including among others, court houses, schools, colleges, libraries, museums, exhibition buildings, lecture halls, churches, lodge rooms, dance halls, theatres, bath houses, hospitals, asylums, armories, fire houses, police stations, jail and passenger depot.

3. Residence buildings. Residence buildings are buildings or parts of buildings in which sleeping accommodations are provided, except such as may for other reasons be classed as public buildings, including among others dwellings, tenement houses, hotels, lodging houses, dormitories, convents, and studios and club houses having sleeping accommodations.

4. Business buildings. Business buildings are buildings or parts of buildings, which are not public or residence buildings, including among others, office buildings, stores, markets, restaurants, warehouses, freight depots, car barns, stables, garages, factories, laboratories, smoke houses, grain elevators and coal pockets.

5. Doubtful classification. In case any building is not specifically provided for, or where there is any uncertainty as to its classification, its status shall be fixed by a rule promulgated by the superintendent of buildings.

6. Mixed occupancy. Except as may be specifically provided for, nothing in this chapter shall prevent the occupancy of a building in any manner that would bring it within more than one of the classes established by this section. In cases of such mixed occupancy the provisions of this chapter applying to each class shall apply to such parts of the building as come within that class; and if there should be conflicting provisions, the requirements securing the greater safety shall apply.

§ 71. Construction. 1. Classes of construction. For the purposes of this chapter all buildings or structures coming under its provisions shall be classified, with respect to construction, as fireproof, non-fireproof and frame.

2. Fireproof. Buildings or structures which are constructed throughout of materials that will effectively resist the action of fire as more specifically provided in Article 17 of this chapter, and in which wood or other combustible material, so far as permitted by this chapter, is used only for window frames, sashes and doors with the trim around the same, and for other inside finish, flooring, sleepers, door bucks and grounds, are deemed to be fireproof.

3. Non-fireproof. Buildings or structures which do not conform to the requirements for fireproof buildings or structures as in this section provided, but which are enclosed with walls of approved masonry or reinforced concrete, and constructed otherwise in accordance with the provisions of this chapter, are deemed to be non-fireproof.

4. Frame. Buildings or structures of which the exterior walls or any parts thereof are of wood, or which do not conform to the requirements for fireproof or non-fireproof buildings, are deemed to be frame.

§ 72. When fireproof construction is required. 1. New buildings. Every building hereafter erected, as herein specified, shall be constructed fireproof, as follows:

a. Every public building over 20 feet high, in which persons are harbored to receive medical, charitable or other care or treatment, or in which persons are held or detained under legal restraint;

b. every other public building over 40 feet in height, or exceeding 5,000 square feet in area;

c. every residence building, except tenements, over 40 feet in height and having more than 15 sleeping rooms;

d. every tenement house exceeding six stories or parts of stories as provided in the Tenement House Law;

e. every residence building having more than 15 sleeping rooms and exceeding 2,500 square feet in area, unless divided by interior partition walls of approved masonry or reinforced concrete into sections of less than 2,500 square feet area;

f. every other residence building over 75 feet in height;

g. every garage within the fire limits; every garage within the suburban limits exceeding 600 square feet in area or 15 feet in height, or not located as provided in § 91 of this chapter; and every garage, outside these restricted areas, over 40 feet in height;

h. every business building used for a hazardous trade as indicated in §§ 171 and 212 of chapter 10 of this ordinance;

i. every building over four stories in height used as a factory as defined in the Labor Law;

j. every building or structure within the fire limits or the suburban limits used as a grain elevator or a coal pocket;

k. every business building over 75 feet in height;

l. every business building within the fire limits or the suburban limits exceeding, when located on an interior lot or when facing on only one street, an area of 7,500 square feet, or when facing on two streets an area of 12,000 square feet, or when facing on three or more streets an area of 15,000 square feet, provided that when any such building is equipped throughout with an approved system of automatic sprinklers, fireproof construction shall be required only when the areas exceed double those herein specified for the respective conditions, and provided also that when any such building is divided by approved interior fire walls, fireproof construction shall be required only when any undivided area exceeds 7,500 square feet. Buildings of greater areas than herein specified for the respective conditions may, considering location and purpose, be constructed non-fireproof by special permission of the superintendent of buildings, provided they do not exceed two stories in height.

2. *Alterations. a. By extending. When any building now existing is to be enlarged by extending it on any side so that the enlarged building would exceed the limits of height or area specified in subdivision 1 of this section for a new building, the extension or enlargement shall be constructed fireproof, provided that, in case the existing building is not of fireproof construction, the existing and new portions of the building shall be separated by fire walls.*

b. By raising in height. Every building now existing which is to be raised in height so as to exceed the limits of height specified in subdivision 1 of this section shall be of fireproof construction.

§73. *When ordinary construction is required.* 1. *New buildings. Except when fireproof construction is required by this article, or when frame construction is permitted by article 5 or 22 of this chapter, every building hereafter erected shall be of non-fireproof construction.*

2. *Alterations. Except when fireproof construction is required by this article, or when frame construction is permitted by articles 5 or 30 of this chapter, every building which shall hereafter be enlarged in any manner, shall be of non-fireproof construction.*

Section 2. Subdivision 3 of §251 of article 13, chapter 5 of the Code of Ordinances of The City of New York is hereby repealed, and subdivisions 4, 5 and 6 are renumbered 3, 4 and 5, respectively.

Section 3. Subdivision 1 of §350, article 17, chapter 5 of the Code of Ordinances of the City of New York is hereby amended to read as follows:

§350. Generally. 1. *Structural materials.* [Application. Every building hereafter erected or altered, to be used as a hotel, lodging house, school, theatre, jail, police station, hospital, asylum, institution for the care or treatment of persons, the height of which exceeds 36 feet 6 inches, and every other building, the height of which exceeds 75 feet, except as herein otherwise provided, shall be built fireproof; that is to say:

They] *Fireproof buildings* shall be constructed with walls of brick, stone, portland cement concrete, iron or steel, in which wood beams or lintels shall not be placed, and in which the floors and roofs shall be of materials provided for in §352 of this chapter.

Section 4. §370, article 18, chapter 5 of the Code of Ordinances of The City of New York is hereby repealed.

Section 5. This ordinance shall take effect July 1, 1915.

Which was referred to the Committee on Buildings.

Alderman McNally, Chairman of the Committee on Buildings, announced that a public hearing would be held on the above matter (No. 1730), on Thursday, May 20, 1915, at 2 o'clock P. M.

Resolution Requesting Issue of Special Revenue Bonds to Pay Expenses of Special Committee Appointed Under Resolution of December 22, 1914.

By Aldermen Squiers, Pendry, Carroll, Chorosh, Kochendorfer, Wendel and Robitzek--

Resolved, That, in pursuance of the provisions of subdivision 8 of section 188 of the Greater New York Charter, the Board of Estimate and Apportionment be and it is hereby requested to authorize the Comptroller to issue special revenue bonds to the amount of $10,000, the proceeds thereof to be used by the special Committee of this Board appointed pursuant to the resolution duly adopted by this Board on the 22nd day of December, 1914, for the purpose of paying its expenses incurred in conducting the inquiry provided for in the said resolution.

Which was laid over.

Alderman Robitzek moved that the Board do now adjourn.

The President pro tem. put the question whether the Board would agree with said motion.

Which was decided in the affirmative.

And the President pro tem. declared that the Board stood adjourned until Tuesday, May 11, 1915, at 1.30 o'clock p. m.

P. J. SCULLY, City Clerk, and Clerk of the Board of Aldermen.

DEPARTMENT OF FINANCE.

WARRANTS MADE READY FOR PAYMENT IN DEPARTMENT OF FINANCE WEDNESDAY, MAY 5, 1915.

Below is a statement of warrants made ready for payment on the above date, showing therein the Department of Finance voucher number, the dates of the invoices or the registered number of the contract, the date the voucher was filed in the Department of Finance, the name of the payee and the amount of the warrant.

Where two or more bills are embraced in the warrant, the dates of the earliest and latest are given, excepting that, when such payments are made under a contract, the registered number of the contract is shown in the place of the second invoice date.

Where the word "final" is shown after the name of the payee, payment will not be made until thirty days after the completion and acceptance of the work, but all of the other warrants mentioned will be forwarded through the mail unless some reason exists why payment is to be made in person, in which event written notice will be promptly given to the claimant.

In making a written or verbal inquiry at this office for any of the above mentioned warrants, it is requested that reference be made by the Department of Finance voucher number.

WILLIAM A. PRENDERGAST, Comptroller.

MUNICIPAL CIVIL SERVICE COMMISSION.

Notices of Examination.

PUBLIC NOTICE IS HEREBY GIVEN THAT applications will be received by the Municipal Civil Service Commission, Municipal Building, Manhattan, New York City, from

THURSDAY, MAY 6, 1915, TO THURSDAY, MAY 20, 1915,

for the position of

TYPEWRITER ACCOUNTANT, 3D GRADE (Temporary Service).

No applications delivered at the office of the Commission, by mail or otherwise, after 4 P. M. Thursday, May 20, 1915, will be accepted. Application blanks will be mailed upon request, provided a self-addressed stamped envelope or sufficient postage is enclosed to cover the mailing. The Commission will not guarantee the delivery of the same. *Applications forwarded by mail upon which full postage is not prepaid will not be accepted.*

Applicants must be citizens of the United States and residents of the State of New York.

The subject and weights of the examination are: Tabulation, 7; Arithmetic, 3; 70% required on tabulation and 70% general average is required.

A physical qualifying examination will be held. The minimum age is 18 years.

Typewriter Accountants are employed by the Department of Finance in scheduling tax payments, for five or six months each year, at a salary of fifty cents an hour; and they are employed by this department for two or three weeks each year, in the preparation of tax bills, at a compensation of one and one-quarter cents for each correct bill. Some of this work is performed at night.

The tabulation paper will be a test in the typewriting of data, including words and numbers, and in the addition of numbers on the adding attachment of the machine. The arithmetic will test the accuracy and rapidity of the candidate in making computations in addition, subtraction, multiplication and division. The arithmetic paper is not to be computed on the machine. There will be a time limit on the tabulation and a time limit on the arithmetic.

Each candidate will be required to furnish his own machine, and four registers or totalizers, with a capacity of $99,999.99 each. Separate eligible lists will be established for each type of standard machine with a standard adding attachment. Each candidate must state on his application the name of the machine he will use in the examination, subject to the approval of the Commission.

The Commission will not at any time, or in any way, be responsible for machines, nor will any allowance be made where they are missing, late in arriving, defective, or out of order, on the date of the examination.

No permanent appointments will be made from this eligible list.

The dates of the physical and the mental examinations will be announced later.

The requirement of paragraph 12 of Rule VII, that no person who has entered any examination for appointment to a competitive position and failed, or who has withdrawn from an examination, shall be admitted within nine months from the date of such examination to a new examination for the same position, is waived for this examination.

m6, 20 ROBERT W. BELCHER, Secretary.

PUBLIC NOTICE IS HEREBY GIVEN THAT applications will be received from

TUESDAY, MAY 4, 1915, TO TUESDAY, MAY 18, 1915,

for the position of

GARDENER (TEMPORARY WORK).

No applications delivered at the office of the Commission, by mail or otherwise, after 4 P. M. TUESDAY, MAY 18, 1915, will be accepted. Application blanks wil be mailed upon request, provided a self-addressed stamped envelope or sufficient postage is enclosed to cover the mailing. The Commission will not guarantee the delivery of the same. *Applications forwarded by mail upon which full postage is not prepaid will not be accepted.*

Applicants must be citizens of the United States and residents of the State of New York.

Candidates should have had practical experience in the various branches of gardening. Each candidate will be tested as to his practical knowledge of pruning, planting, seeding, the naming of plants and the use of gardening implements.

The subjects and weights of examination are: Experience, 4; Duties, 3; Practical Test, 3. A percentage of 70 is required in each subject.

Applications for this examination must be filed on a special blank, Form B. Experience blanks will be issued with the applications, and must be filed with the Commission at the time of filing applications. The experience paper will then be rated. Candidates receiving less than 70% on the Experience Paper or on the Practical Test will not be summoned for the Physical examination. Candidates failing to pass the Practical Test or the Physical Examination will not be summoned for the Mental examination.

The time and place for holding the physical and mental examinations and the Practical Test will be announced later.

Vacancies for Gardener occur from time to time in the various city parks. There are a number of vacancies for temporary appointment.

The usual salary is $2.00 and $3.00 per day. The minimum age is 21 years.

The requirement of paragraph 12 of Rule VII, that no person who has entered any examination for appointment to a competitive position and failed, or who has withdrawn from an examination, shall be admitted within nine months from the date of such examination to a new examination for the same position, is waived for this examination.

4. The work shall be begun and completed without delay, excepting where a limit of time is stated in the contract.

5. The work to be bid upon is as follows:

Item A—For doing all of the work required by the drawings and specifications for five tests.

Item B—For additional excavation in pits, including all sheet piling and other work necessary.

Item C—For the use of pig iron or other plant and all labor and superintendence for each calendar day consumed per test hole due to additional time occupied in testing beyond periods stated in Section 15 of the specifications.

Item D—For each test hole ordered in addition to Item A, complete with testing period.

6. All bids will be compared on the following basis: To the lump sum price in Item A shall be added value of 10 c. y. of additional excavation at the price named in Item B. The value of a 10 days' increase in the number of days required for testing at the price named in Item C. The total arrived at as above shall be considered the total of the bid by the basis of comparison.

7. Bidders must examine the premises, the form of contract, specifications and plan of the work on file in the office of the Board and assure themselves as to the actual conditions and not rely upon the estimates.

8. Bidders must conform to all statutes and City ordinances, and regulations, and procure and pay for all permits and inspection.

9. No bid will be accepted from any person in arrears or default to The City of New York for any reason.

10. The bidder will be required to show that he has the necessary facilities, experience, ability and resources to perform the work.

11. The unit prices shall not be unabalanced, and the Board reserves the right to accept, reject and select any bid.

DEPARTMENT OF FINANCE.

Corporation Sale of Lease.

CORPORATION SALE BY SEALED BIDS OF THE LEASE OF CERTAIN CITY REAL ESTATE.

UPON THE AUTHORIZATION OF THE Commissioners of the Sinking Fund, and pursuant to a resolution adopted by them at a meeting held April 21, 1915, the Comptroller of the City of New York will sell by sealed bids on

THURSDAY, MAY 13, 1915,

at 11 A. M., in Room 368, Municipal Building, Borough of Manhattan, the lease for a period of ten years from May 15, 1915, of the following described premises, situate, lying and being in the Borough of Manhattan, City of New York:

BEGINNING at a point distant 80 feet north of the north line of East 129th Street, said 80 feet being measured on a line drawn parallel with and 180 feet east of the east line of Third Avenue; running thence northerly on a curve deflecting to the left, whose radius is 287.17 feet, for a distance of 126.39 feet, to what would be the south line of East 130th Street, if said south line were extended easterly from 3rd Avenue in continuation of the present south line of East 130th Street; running thence easterly along the said south line of East 130th Street 12.80 feet to the south line of Exterior Street, as shown on the H. V. Southard map of 1858 and 1859; and running thence easterly along the south line of said Exterior Street 57.74 feet; and running thence southerly on a line drawn at right angles with the said south line of Exterior Street 5.78 feet; and running thence southerly on a line deflecting 24 degrees 51 minutes 10 seconds to the left from the last mentioned line 90.53 feet; and running thence westerly and parallel to the north line of East 129th Street 25 feet to the point or place of beginning.

The Comptroller will receive sealed bids for the lease of the said premises for the said period at the minimum or upset price of One thousand dollars ($1,000) per annum, payable quarterly in advance, and the said sale will be made upon the following terms and conditions:

The highest bidder will be required to pay twenty-five per cent. (25%) of the yearly rental at the time and place of sale; the amount so paid for one quarter's rent shall be forfeited if the successful bidder does not execute the lease when notified it is ready for execution.

He will also be required to give an undertaking in the amount of the annual rental bid, with sufficient sureties to be approved by the Comptroller, for the payment of the rent quarterly in advance, and for the performance of the terms and covenants of the lease.

No person shall be received as lessee or surety who is a delinquent on any former lease from the corporation, and no bid shall be accepted from any person who is in arrears to the corporation upon debt or contract, or who is a defaulter as surety or otherwise upon any obligation to the City, as provided by law.

The lease shall be in the usual form of leases of like property, and will contain, in addition to other terms, covenants and conditions, as follows:

First—A clause providing that the lessee shall pay the usual rates for water per meter measurements, and comply with the rules and regulations of the Department of Water Supply, Gas and Electricity.

Second—A clause providing that the lessee shall not make any alterations or improvements on the property except with the consent and approval of the Comptroller.

Third—A clause providing that during the term of the lease the lessee shall keep whatever buildings may be erected thereon in proper repair, both inside and outside, at his own cost and expense, and shall comply with all the laws and ordinances of the City of New York.

Fourth—A clause providing that during the term of the lease the lessee shall keep whatever buildings may be erected upon the premises in good and proper repair, and shall make all alterations and improvements thereto during the period of the lease, and that upon the expiration of the lease such repairs, alterations and improvements shall become the property of the City of New York.

Fifth—The lease to contain a privilege of renewal for an additional term of ten years at a rental to be fixed by arbitration.

The Comptroller shall have the right to reject any and all bids if deemed to be to the interest of the City of New York.

WM. A. PRENDERGAST, Comptroller of the City of New York.

Dated New York, April 30, 1915. m3,7

PUBLIC NOTICE IS HEREBY GIVEN PURsuant to law that at a meeting of the Board of Estimate and Apportionment, held April 16, 1915, the following petition was received:

BEFORE THE BOARD OF ESTIMATE AND APPORTIONMENT OF THE CITY OF NEW YORK.

In the Matter of the Application of THE JAY STREET CONNECTING RAILROAD for the consent of The City of New York to the construction and operation of its railroad in certain streets and highways in the Borough of Brooklyn, City of New York.

To the Board of Estimate and Apportionment of The City of New York:

The amended petition of THE JAY STREET CONNECTING RAILROAD respectfully shows:

I. Your petitioner is a corporation duly organized under and by virtue of the laws of the State of New York as a railroad for the transportation and carriage of freight for the general public, with its office and principal place of business at the foot of Jay Street, in the Borough of Brooklyn, City of New York. The certificate of incorporation of your petitioner was filed in the office of the Secretary of State, at Albany, October 9, 1909, and a certificate for an extension and the branches hereinafter set forth was filed in the office of the County Clerk of Kings County on the 5th day of April, 1915.

II. You petitioner received from the Public Service Commission, First District, a Certificate of Convenience and Necessity on December 20th, 1910, for the original route, and the consent of the local authorities of the City of New York in and by a contract authorized by the Board of Estimate and Apportionment of The City of New York, June 8, 1911, and signed and delivered June 29, 1911.

III. Your petitioner, therefore, asks for the right and privilege to construct, maintain and operate railroad tracks for the purpose of conveying goods, wares and merchandise only in the Borough of Brooklyn, City of New York, as follows:

MAIN TRACK.

A. One track beginning at a point on the easterly side line of Jay Street, about fifty-eight (58) feet northerly from the northerly side line of John Street; thence southwesterly for a distance of about one hundred and thirty (130) feet to a point on the southerly side line of John Street, situated about twenty (20) feet eight (8) inches westerly from the westerly side line of Jay Street.

Also two spurs or turnouts from said Track A, as follows:

(1) One spur or turnout beginning at a point in Track A, situated about seventy (70) feet from the southerly side line of John Street, measured along the centre line of Track A; thence southwesterly on a curve whose radius is one hundred and fifty (150) feet for a distance of fifty-three (53) feet to a point in John Street; thence continuing in a straight line distance of about thirty-nine (39) feet to a point in the southerly side line of John Street, which point is about fifty (50) feet six (6) inches from the westerly side line of Jay Street.

(2) One spur or turnout beginning at a point in the centre line of Track A, situated about fifty-five (55) feet from the southerly side line of John Street, measured along the centre line of Track A; thence southwesterly on a curve whose radius is one hundred and fifty (150) feet for a distance of fifty-five (55) feet to a point on the southerly side line of John Street, situated about ten (10) feet six (6) inches from the westerly side line of Jay Street.

EXTENSIONS.

B. Beginning at a point in main Track A, about eighty-five (85) feet from the southerly side of John Street, measured along the centre of main Track A; thence southwesterly along Jay Street to John Street; thence westerly along John Street to Adams Street; thence southerly along Adams Street and southwesterly across lands of The City of New York, lying under the Manhattan Bridge to Plymouth Street; thence westerly along Plymouth Street to the westerly line of Main Street.

C. Beginning in line of main Track A in Jay Street, and between John Street and the existing bulkhead at the foot of Jay Street and the East River; thence southerly along Jay Street to Plymouth Street; thence easterly along Plymouth Street to the westerly side of Bridge Street.

D. Beginning in the line of extension B hereinbefore described on Plymouth Street at or about the center line of the driveway on the westerly side of the Plaza under the Manhattan Bridge; running thence Easterly along Plymouth Street beyond the center line of Adams Street; thence curving southeasterly along the driveway on the easterly side of the Plaza under the Manhattan Bridge to Water Street, and thence easterly along Water Street to the Westerly side of Bridge Street.

CONNECTION.

And your petitioner further asks that the following proposed private switch connections be authorized:

Connections to Extension B: One (1) connection to the Arbuckle Sugar Refinery on the northerly side of John Street, about two hundred and sixteen (216) feet westerly from the westerly side of Jay Street; one (1) connection to E. W. Bliss Company's building on the easterly side of Adams Street, about one hundred and fifteen feet northerly from the northerly side of Plymouth Street, two (2) connections to Robert Gair Company's building on the easterly side of Main Street, about ten feet and twenty-eight feet, respectively, southerly from the southerly side of Plymouth Street; one connection to the Robert Gair Company's building on the southerly side of Water Street, about seventy-two feet easterly from the easterly side of Main Street; two (2) connections to the proposed Jay Street Terminal from the easterly side of Main Street, and crossing Main Street to the aforesaid terminal.

Connections to Extension C: One (1) connection to J. W. Masury Company's building on the south side of Plymouth Street, about ten feet westerly from the westerly side of Jay Street; one (1) connection to E. W. Bliss Company's building on the south side of Plymouth Street, about two hundred feet easterly from the easterly side of Jay Street; one (1) connection to the property of Kirkman & Son on the southeasterly corner of Plymouth and Bridge Streets, about sixteen (16) feet southerly from the southerly side of Plymouth Street.

Connections to Extension D: One (1) connection to the Grand Union Tea Company's building on the easterly side of Pearl Street, about twenty-three (23) feet southerly from the southerly side of Water Street; two (2) connections to a vacant lot owned by Kirkman and Son on the northeast corner of Bridge Street and Water Street; one (1) connection to E. W. Bliss Company's building on the driveway of the easterly side of the Plaza under the Manhattan Bridge, about twenty-four (24) feet southerly from the southerly side of Plymouth Street.

All of which tracks are shown upon the accompanying map entitled:

"Map and Profile showing main line, extensions and connections of The Jay Street Connecting Railroad to accompany amended application dated April 13th, 1915, of The Jay Street Connecting Railroad to the Board of Estimate and Apportionment."

Such other private switch connections as may be agreed upon from time to time with owners of private property abutting the railroad.

Your petitioner desires that the contract between it and The City of New York hereinbefore referred to shall be modified by omitting therefrom the tracks described in the said contract in paragraphs "B," "C," "D" and "E."

WHEREFORE, your petitioner prays:

1st: That the Board of Estimate and Apportionment of The City of New York will grant the consent of the municipal authorities to your petitioner to construct and maintain the main line extension and connections of and to your petitioner's railroad hereinbefore described and to operate the same by the power allowed by the Railroad Law of the State of New York; and

2nd: That the contract between your petitioner and The City of New York, dated June 8, 1911, and executed June 29, 1911, be amended by omitting therefrom the tracks described in paragraphs "B," "C," "D" and "E."

And your petitioner will ever pray.

Dated: April 13th, 1915.

THE JAY STREET CONNECTING RAILROAD, By WM. A. JAMISON, President.

STATE OF NEW YORK, City of New York, County of New York, ss.:

WILLIAM A. JAMISON, being duly sworn, says: That he is the President of THE JAY STREET CONNECTING RAILROAD, the petitioner herein; that he has read the foregoing petition and knows the contents thereof, and that the same is true of his own knowledge, except as to the matters therein stated to be alleged on information and belief, and as to those matters he believes it to be true.

Deponent further says that the reason this verification is not made by the petitioner is that it is a corporation; that deponent is the President thereof and makes the same from his personal knowledge and supervision of the affairs and business of said corporation.

NOTICE IS HEREBY GIVEN THAT AT THE meeting of the Board of Estimate and Apportionment, held on April 16, 1915, the following resolutions were adopted:

Whereas, the Board of Estimate and Apportionment is considering the advisability of amending the proceeding authorized by said board on June 13th, 1912, for acquiring title to Ferriss Street from Kaiser Street to Forest Parkway, Borough of Queens, so as to conform to a map or plan adopted by the Board of Estimate and Apportionment March 19, 1915, and approved by the Mayor March 24, 1915, changing the lines of said Ferriss Street in the block between Forest Parkway and Yarmouth Street in such a way as to conform with existing highways, and discontinuing Brandon Avenue, thereby materially modifying the area that will be benefited; the proposed amended proceeding providing for the acquisition of title to Ferriss Street from Columbia Avenue (Kaiser Street) to Forest Parkway as said Ferriss Street is now laid out upon the map or plan of the City of New York.

Resolved, that the Board of Estimate and Apportionment, in pursuance of the provisions of the Greater New York Charter, as amended, hereby gives notice that the following is the proposed modified area of assessment for benefit in this proposed amended proceeding:

Beginning at a point on a line bisecting the angle formed by the intersection of the prolongations of the southerly line of Ashland Street and the northerly line of Ferriss Street, as these streets are laid out between Ferry Street and Benedict Avenue, distant 100 feet westerly from the westerly line of Forest Parkway, the said distance being measured at right angles to Forest Parkway, and running thence eastwardly along the said bisecting line to the intersection with the prolongation of a line midway between Ashland Street and Ferriss Street, as these streets are laid out between Woodland Avenue and Columbia Avenue; thence eastwardly along the said line midway between Ashland Street and Ferriss Street and along the prolongations of the said line, to a point distant 100 feet easterly from the easterly line of Columbia Avenue; thence southwardly and parallel with Columbia Avenue to the intersection with a line midway between Elmwood Street and Blackford Street; thence westwardly along the said line midway between Elmwood Street and Blackford Street and along the prolongation of the said line, to the intersection with a line midway between Ocean View Avenue and Dennington Avenue; thence southwardly along the said line midway between Ocean View Avenue and Dennington Avenue to the intersection with a line bisecting the angle formed by the intersection of the prolongations of the southerly line of Ferriss Street and the northerly line of Jamaica Avenue, as these streets are laid out between Dennington Avenue and Benedict Avenue; thence westwardly along the said bisecting line to the intersection with a line midway between Ferry Street and Yarmouth Street; thence northwardly along the said line midway between Ferry Street and Yarmouth Street to the intersection with the prolongation of a line midway between Shipley Place and Windom Street, as these streets are laid out where they adjoin Forest Parkway on the east; thence westwardly along the sad line midway between Shipley Place and Windom Street and along the prolongations of the said line to the intersection with a line parallel with Forest Parkway and passing through the point of beginning; thence northwardly along the said line parallel with Forest Parkway to the point or place of begnning.

Resolved, that this Board consider the proposed modified area of assessment at a meeting of the Board to be held in the City of New York, Borough of Manhattan, in the City Hall, on Friday, May 14, 1915, at 10 o'clock a. m., and that at the same time and place a public hearing thereon will then and there be had.

Resolved, that the Secretary of this Board cause these resolutions and a notice to all persons affected thereby to be published in the CITY RECORD for ten days prior to the 14th day of May, 1915.

Dated, May 1, 1915.

JOSEPH HAAG, Secretary, Municipal Building. Telephone 4560 Worth. m1,12.

NOTICE IS HEREBY GIVEN THAT AT THE meeting of the Board of Estimate and Apportionment held on April 23, 1915, the following resolutions were adopted:

Whereas, the Board of Estimate and Apportionment on March 7, 1912, authorized a proceeding for acquiring title to the lands and premises required for the widening of Flatbush Avenue Extension between Concord Street and Nassau Street, Borough of Brooklyn, and directed that 50% of the entire cost and expense of the proceeding be borne and paid by the City of New York, and that the remainder thereof be assessed upon the property deemed to be benefited thereby and described in the resolution authorizing the proceeding; and

Whereas, the Board of Estimate and Apportionment is considering the advisability of reconsidering its action with respect to the distribution of the cost and expense of the proceeding, and of making a new determination concerning the same so as to place 50% of the entire cost and expense of the proceeding upon the City of New York; 12½% of the entire cost and expense upon an area described as District No. 1; 10% of the entire cost and expense upon an area described as District No. 2; 17½% of the entire cost and expense upon an area described as District No. 3; and 10% of the entire cost and expense upon an area described as District No. 4, which areas and districts are more particularly described and bounded as follows:

District No. 1 to bear 12½% of the entire cost and expense.

Comprises property designated on the maps of the Department of Taxes and Assessments for the year 1914 as Lots Nos. 9, 47 and 48, in Block No. 107; Lots Nos. 1, 2, 3, 5, 6, 7 and 9 in Block No. 108; and Lots Nos. 12, 13, 14, 15, 16, 17 and 18 in Block No. 118.

District No. 2 to bear 10% of the entire cost and expense.

Comprises the following area: Beginning at a point on the southerly line of Concord Street distant 25 feet easterly from the easterly line of Bridge Street, the said distance being measured at right angles to Bridge Street; and running thence southwardly and parallel with Bridge Street to a point distant 25 feet easterly from the easterly line of Flatbush Avenue Extension, said distance being measured at right angles to Flatbush Avenue Extension; thence southwardly and always distant 25 feet easterly from and parallel with the easterly line of Flatbush Avenue Extension to a point distant 100 feet northerly from the northerly side of DeKalb Avenue, the said distance being measured at right angles to DeKalb Avenue; thence westwardly and always distant 100 feet from and parallel with the northerly side of DeKalb Avenue to a point 25 feet westerly from the westerly side of Flatbush Avenue Extension, said distance being measured at right angles to Flatbush Avenue Extension; thence northwardly and always distant 25 feet westerly from and parallel with the westerly line of Flatbush Avenue Extension to the intersection with the southerly line of Concord Street; thence eastwardly along the southerly line of Concord Street to the point or place of beginning, excluding therefrom such land as is included in District No. 1.

District No. 3 to bear 17½% of the entire cost and expense.

Comprises the following area: Beginning at a point 25 feet easterly from the easterly side of Flatbush Avenue Extension, which point is also 100 feet northerly from the northerly side of DeKalb Avenue; and running thence southwardly and always distant 25 feet easterly from and parallel with the easterly line of Flatbush Avenue Extension and Flatbush Avenue to the intersection with the prolongation of a line distant 100 feet southerly from and parallel with the southerly line of Fourth Avenue, said distance being measured at right angles to Fourth Avenue; thence westwardly along the said line parallel with Fourth Avenue, and along the prolongation of the said line to a point distant 25 feet westerly from the westerly line of Flatbush Avenue, the said distance being measured at right angles to Flatbush Avenue; thence northwardly and always distant 25 feet westerly from and parallel with the westerly line of Flatbush Avenue and Flatbush Avenue Extension to a point 100 feet northerly from the northerly side of DeKalb Avenue, said distance being measured at right angles to DeKalb Avenue; thence eastwardly along a line distant 100 feet from and parallel with the northerly side of DeKalb Avenue to the point or place of beginning.

District No. 4 to bear 10% of the entire cost and expense.

Comprises the following area: Beginning at a point in the southerly line of Concord Street distant 150 feet easterly from the easterly line of Bridge Street, the said distance being measured at right angles to Bridge Street; and running thence southwardly and parallel with Bridge Street to a point distant 150 feet easterly from the easterly line of Flatbush Avenue Extension, the said distance being measured at right angles to Flatbush Avenue Extension; thence southwardly and always distant 150 feet easterly from and parallel with the easterly lines of Flatbush Avenue Extension and Flatbush Avenue to the intersection with a line distant 100 feet southerly from and parallel with the southerly line of Hanson Place, the said distance being measured at right angles to Hanson Place; thence westwardly along the said line parallel with Hanson Place to the intersection with the prolongation of a line distant 100 feet southerly from and parallel with the southerly line of 4th Avenue, the said distance being measured at right angles to 4th Avenue; thence westwardly along the said line parallel with 4th Avenue and along the prolongation of the said line to a point distant 150 feet westerly from the westerly line of Flatbush Avenue, the said distance being measured at right angles to Flatbush Avenue; thence northwardly and always distant 150 feet westerly from and parallel with the westerly lines of Flatbush Avenue and Flatbush Avenue Extension to the intersection with the southerly line of Concord Street; thence eastwardly along the southerly line of Concord Street to the point or place of beginning, excluding therefrom such land as is included in Districts Nos. 1, 2 and 3.

Resolved, that this Board consider the proposed action at a meeting of the Board to be held in the City Hall, Borough of Manhattan, City of New York, on Friday, May 14, 1915, at 10 o'clock a. m.

Resolved, that the Secretary of this Board cause these resolutions and a notice to all persons affected thereby that the proposed action will be considered at a meeting of the Board to be held at the aforesaid time and place, to be published in the City Record and in the Corporation Newspapers for ten days continuously, Sundays and legal holidays excepted, prior to the 14th day of May, 1915.

Dated May 1, 1915. Telephone, 4560 Worth.

COMMISSIONERS OF SINKING FUND.

Public Notice.

NOTICE IS HEREBY GIVEN THAT THE Commissioners of the Sinking Fund, pursuant to the provisions of Chapter 372 of the Laws of 1907, will hold a public hearing at 11.10 o'clock in the forenoon on Wednesday, May 19, 1915, in Room 16, City Hall, Borough of Manhattan, relative to the amendment to the new plan for the improvements of the waterfront and harbor of The City of New York, as adopted by the Commissioner of Docks November 21, 1911, and approved by the Commissioners of the Sinking Fund January 31, 1912, at Fresh Creek Basin, Jamaica Bay, Borough of Brooklyn, adopted by the Commissioner of Docks in accordance with law April 28, 1915, and transmitted to the Commissioners of the Sinking Fund for approval.

Technical description of proposed alteration and amendment to the new plan in the vicinity of Fresh Creek Basin, Jamaica Bay, Borough of Brooklyn:

The proposed alteration and amendment to the New Plan in the vicinity of Fresh Creek Basin, Jamaica Bay, consists in the establishment of a marginal street, wharf or place 300 feet in width between the easterly side of East 108th Street, the southerly side of Stanley Avenue, the westerly side of Louisiana Avenue and the established pierhead and bulkhead line and extending from the southerly side of Skidmore Avenue, northerly, easterly and southerly to a line distant 2,700 feet north of and parallel with the

established pierhead and bulkhead line along the northerly side of Jamaica Bay.

Also, the discontinuing of the marginal street, wharf or place adopted by the Commissioner of Docks November 21, 1911, and approved by the Commissioners of the Sinking Fund January 31st, 1912, along the northerly and easterly sides of Fresh Creek Basin.

Dated: April 28th, 1915.

JOHN PURROY MITCHEL, Mayor, and Chairman, Commissioners of the Sinking Fund.

m3,8

NOTICE IS HEREBY GIVEN THAT THE Commissioners of the Sinking Fund, pursuant to the provisions of Chapter 372 of the Laws of 1907, will hold a public hearing at 11.15 o'clock in the forenoon on Wednesday, May 19, 1915, in Room 16, City Hall, Borough of Manhattan, relative to the new plan for the improvement of the waterfront and harbor of the City of New York between Mill Basin and Fresh Creek Basin, Jamaica Bay, Borough of Brooklyn, adopted by the Commissioner of Docks in accordance with law April 28, 1915, and transmitted to the Commissioners of the Sinking Fund for approval.

Technical description of proposed new plan between Mill Basin and Fresh Creek Basin, Jamaica Bay, Borough Brooklyn:

1-A: The proposed New Plan consists in:

The estaablishment of a bulkhead line described as follows: Extending from a point in the pierhead and bulkhead line established by the Secretary of War along the northerly side of Mill Basin distant 1,000 feet west of the pierhead and bulkhead line established by the Secretary of War along the westerly side of Jamaica Bay; running thence northerly and along a line 1,000 feet west of and parallel with the established pierhead and bulkhead line along the westerly side of Jamaica Bay to an intersection with a line drawn 300 feet east of and parallel with the easterly side of Paerdegat Avenue South; thence northerly to an angle point in said parallel line opposite the angle point in the easterly line of Paerdegat Avenue South.

1-B: Beginning at a point in the pierhead and bulkhead line established by the Secretary of War along the easterly side of Paerdegat Basin where the same is intersected by a line drawn 1,000 feet north of and parallel with the pierhead and bulkhead line established by the Secretary of War along the northerly side of Jamaica Bay; running thence easterly and along said parallel line to the pierhead and bulkhead line established by the Secretary of War on the westerly side of Fresh Creek Basin.

2: The establishment of the proposed pierhead line extending from a point in the pierhead and bulkhead line established by the Secretary of War along the westerly side of Jamaica Bay distant 3,617.14 feet north of the pierhead and bulkhead line established by the Secretary of War along the northerly side of Mill Basin; running thence northwesterly to an angle point in the proposed bulkhead line above described opposite the angle point in the easterly line of Paerdegat Avenue South.

3: The establishment of proposed pierhead and bulkhead line extending from the angle point above described in the proposed bulkhead line opposite the angle point in the easterly side of Paerdegat Avenue South; running thence northerly and along a line distant 300 feet east of and parallel with the easterly side of Paerdegat Avenue South until the same intersects the pierhead and bulkhead line established by the Secretary of War along the westerly side of Paerdegat Basin.

4-A: The establishment of proposed area for waterfront improvement extending north from the northerly side of Mill Basin to the southerly side of Avenue "Z" and Paerdegat Avenue South and the 300-foot proposed marginal street, wharf or place to be hereinafter described and extending from the proposed bulkhead line first described westerly to Mill 15th Street and Channel Avenue (1,700 feet west of the proposed bulkhead line).

PUBLIC SERVICE COMMISSION.

Invitation to Contractors.

Part of the Culver Rapid Transit Railroad.

The Public Service Commission for the First District (hereinafter called the "Commission"), acting for and on behalf of The City of New York (hereinafter called the "City"), invites proposals to construct Section No. 2 of Route No. 49, a part of the Culver Rapid Transit Railroad.

The points within the City between which the said part is to run and the route or routes to be followed are briefly as follows:

SECTION No. 2. Beginning at a point in Gravesend Avenue, in the Borough of Brooklyn, about five hundred and twenty-five (525) feet south of the intersection of the center line of Gravesend Avenue and the southerly building line of Bay Parkway (Twenty-second Avenue) produced and extending thence southerly over and along Gravesend Avenue and Shell Road to a point in Shell Road about five hundred and twenty-five (525) feet south of the intersection of the center line of Gravesend Avenue and the southerly building line of Avenue X produced.

The general plan of construction calls for an elevated railroad.

The Contractor will not be required to provide or lay tracks or ties nor to do station finish work.

The work under the contract will include the care and support of buildings, vaults, sewers, pipes, railroads and other surface, subsurface and overhead structures, the maintenance of traffic and the restoration of pavements and other surfaces.

Bidders must examine the form of contract, the specifications and the contract drawings, must visit the location of the work and inform themselves of the conditions along the line of the work and make their own estimates of the facilities and difficulties attending the execution of the work.

A fuller description of the work and other requirements, provisions, details and specifications are given in the form of contract and in the contract drawings therein referred to. Copies of the forms of contract, bond and contractor's proposal and of the contract drawings may be inspected and purchased at the office of the Commission, No. 154 Nassau Street, Borough of Manhattan, New York City. The forms of contract, bond and contractor's proposal and the contract drawings are to be deemed a part of this Invitation.

Partial payments to the Contractor will be made monthly as the work proceeds as provided in the contract.

The Contractor must complete the work within eighteen (18) months from the delivery of the contract.

At the time of the delivery of the contract the Contractor must furnish security to the City by depositing a bond, cash or securities, in the sum of one hundred thousand dollars ($100,000). As further security fifteen per centum (15%) of the amounts certified from time to time to be due to the Contractor will be deducted until the amounts so deducted and retained shall equal ten per centum (10%) of the total estimated amount to be paid to the Contractor under the contract. Thereafter there shall be so deducted and retained for such purpose ten per centum (10%) of the amounts certified from time to time to be due to the Contractor.

Sealed bids or proposals will be received at the office of the Commission at No. 154 Nassau street, Borough of Manhattan, City of New York, until the 18th day of May, 1915, at twelve fifteen (12:15) o'clock p. m., at which time and place, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Proposals must be in the form prescribed by the Commission.

A statement, based upon the estimate of the Chief Engineer of the Commission, of the quantities of the various classes of the work and of the nature and extent as near as practicable of the work is to be found in the schedule in the form of contractor's proposal. The quantities given in such schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City on account of any excess or deficiency, absolute or relative, in the same, except as provided in the specifications and form of contract.

Every proposal must when submitted be enclosed in a sealed envelope endorsed *"Proposal for Constructing Part of Rapid Transit Railroad—Route No. 49, Section No. 2,"* and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. No proposal will be received unless accompanied by a separate certified check for twenty-five thousand dollars ($25,000), payable to the order of the Comptroller of the City and drawn upon a national or state bank or trust company satisfactory to the Commission and having its principal office in New York City. Such check must not be enclosed in the envelope containing the proposal.

The Unit Prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be rejected.

No proposal, after it shall have been deposited with the Commission, will be allowed to be withdrawn for any reason whatever.

The award of the contract will be made by the Commission as soon as practicable after the opening of the proposals.

Deposits made by bidders whose proposals are not accepted will be returned within three (3) days after the contract is executed and delivered and its provisions in respect of the bond or deposit are complied with, unless all proposals shall be rejected, in which event such deposits will be returned within three (3) days after such rejection. The deposit of the successful bidder will be returned when the contract is executed and delivered and its provisions in respect of the bond or deposit are complied with.

The right to reject any and all bids is reserved.

New York, April 23, 1915.

Filing Preliminary Abstracts.

FIRST DEPARTMENT.

In the Matter of the Application of The City of New York, relative to acquiring title, wherever the same has not been heretofore acquired for the same purpose in fee, to the lands, tenements and hereditaments required for the opening and extending of EAST 161ST STREET as widened from Brook Avenue to Third Avenue, in accordance with resolution adopted by the Board of Estimate and Apportionment January 17, 1908, in the 23rd Ward, Borough of The Bronx, City of New York.

NOTICE IS HEREBY GIVEN TO ALL PERsons interested in the above entitled proceeding, and to the owner or owners, occupant or occupants of all houses and lots and improved and unimproved lands affected thereby, and to all others whom it may concern, to wit:

First.—That the undersigned, Commissioners of Estimate, have completed their supplemental and additional estimate of damage, and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, having any objection thereto, do file their said objections in writing, duly verified, with them at their office, Room 1557, 15th Floor, Municipal Building, Chambers and Centre Streets, in the Borough of Manhattan, in The City of New York, on or before the 14th day of May, 1915, and that the said Commissioners will hear parties so objecting, and for that purpose will be in attendance at their said office on the 17th day of May, 1915, at 11 o'clock A. M.

Second.—That the undersigned, Commissioner of Assessment, has completed his supplemental and additional estimate of benefit and that all persons interested in this proceeding, or in any of the lands, tenements and hereditaments and premises affected thereby, having any objection thereto, do file their said objections in writing, duly verified, with him at his office, Room 1557, 15th Floor, Municipal Building, Chambers and Centre Streets, in the Borough of Manhattan, in The City of New York, on or before the 14th day of May, 1915, and that the said Commissioner will hear parties so objecting, and for that purpose will be in attendance at his said office on the 18th day of May, 1915, at 11 o'clock A. M.

Third.—That the Commissioner of Assessment has assessed any or all such lands, tenements and hereditaments and premises as are within the area of assessment fixed and prescribed as the area of assessment for benefit by the Board of Estimate and Apportionment on the 25th day of September, 1908, and that the said area of assessment includes all those lands, tenements and hereditaments and premises situate and being in the Borough of The Bronx, in The City of New York, which, taken together, are bounded and described, as follows, viz.:

Beginning at a point on the centre line of Brook avenue, where it is intersected by the prolongation of a line midway between East One Hundred and Fifty-seventh street and East One Hundred and Fifty-eighth street, as laid out between Brook avenue and Park avenue, and running thence westwardly along the said line midway between East One Hundred and Fifty-seventh street and East One Hundred and Fifty-eighth street, and the prolongation thereof, to a point midway between Sheridan avenue and Mott avenue; thence northwardly and parallel with Sheridan avenue to the intersection with a line which bisects the angle formed by the intersection of the prolongation of the westerly line of Sheridan avenue and the easterly line of Mott avenue as laid out between East One Hundred and Fifty-eighth street and East One Hundred and Sixty-first street; thence northwardly along the said bisecting line to the intersection with the prolongation of a line midway between Sheridan avenue and Mott avenue, as laid out between East One Hundred and Sixty-first and East One Hundred and Sixty-fourth streets; thence northwardly along the said line midway between Sheridan and Mott avenues to the intersection with a line distant 150 feet northerly from and parallel with the northerly line of East One Hundred and Sixty-third street, as laid out between Mott avenue and Park avenue, the said distance being measured at right angles to the line of East One Hundred and Sixty-third street; thence eastwardly along the said line parallel with East One Hundred and Sixty-third street, and the prolongation thereof, to the intersection with a line always distant 100 feet easterly from and parallel with the easterly line of Boston road, the said distance being measured at right angles to the line of Boston road; thence southwardly parallel with and always distant 100 feet easterly from the easterly lines of Boston road, Third avenue and St. Anns avenue, respectively, to the intersection with the prolongation of a line midway between East One Hundred and Fifty-seventh street and East One Hundred and Fifty-eighth street, as laid out between German place and St. Anns avenue; thence westwardly along the said line midway between East One Hundred and Fifty-seventh street and East One Hundred and Fifty-eighth street and the prolongation thereof to the centre line of Brook avenue; thence northwardly along the centre line of Brook avenue to the point or place of beginning.

Fourth.—That the abstracts of said supplemental and additional estimate of damage and of said supplemental and additional assessment for benefit, together with the damage and benefit maps, and also all the affidavits, estimates, proofs and other documents used by the Commissioners of Estimate and by the Commissioner of Assessment in making the same, have been deposited in the Bureau of Street Openings in the Law Department of The City of New York, Room 1529, 15th Floor, Municipal Building, Chambers and Centre Streets, in the Borough of Manhattan, in said City, there to remain until the 14th day of May, 1915.

Fifth.—That, provided there be no objections filed to either of said supplemental and additional abstracts, the supplemental and additional reports as to awards and as to assessments for benefit herein will be presented for confirmation to the Supreme Court of the State of New York, First Department, at a Special Term thereof, Part III, to be held in the County Court House in the Borough of Manhattan, in The City of New York, on the 29th day of June, 1915, at the opening of the Court on that day.

Sixth.—In case, however, objections are filed to the foregoing supplemental and additional abstracts of estimate and assessment, or to either of them, the motion to confirm the supplemental and additional reports as to awards and as to assessments shall stand adjourned to the date to be hereafter specified in the notice provided in such cases to be given in relation to filing the final reports, pursuant to Sections 981 and 984 of the Greater New York Charter, as amended by Chapter 658 of the Laws of 1906.

SECOND DEPARTMENT.

In the Matter of the Application of The City of New York, relative to acquiring title wherever the same has not been heretofore acquired for the same purpose in fee, to the lands, tenements and hereditaments required for the opening and extending of NAGY STREET, between Metropolitan Avenue and Grand Street, in the 2nd Ward, Borough of Queens, The City of New York.

NOTICE IS HEREBY GIVEN THAT THE bill of costs, charges and expenses incurred by reason of the proceedings in the above-entitled matter will be presented for taxation to one of the Justices of the Supreme Court of the State of New York, Second Department, at a Trial Term thereof, Part I, to be held at the Queens County Court House, Long Island City, in the Borough of Queens, in The City of New York, on the 11th day of May, 1915, at 10 o'clock in the forenoon of that day, or as soon thereafter as Counsel can be heard thereon; and that the said bill of costs, charges and expenses has been deposited in the Office of the Clerk of the County of Queens, there to remain for and during the space of ten days, as required by law.

Dated, New York, April 27th, 1915.

LUKE OTTEN, MORRIS L. STRAUSS, WM. RASQUIN, JR., Commissioners of Estimate. MORRIS L. STRAUSS, Commissioner of Assessment.

WALTER C. SHEPPARD, Clerk. a27,m7

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of $50, the sum of $50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, protecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materals or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The amount shall be as specified in the proposals or instructions to bidders and shall not be in excess of 5 per cent.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately.

The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
