COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM

APPENDIX B

The City of New York
CD Year 44: January 1, 2018 to December 31, 2018

**NEW YORK CITY
COMMUNITY DEVELOPMENT BLOCK GRANT PROGRAM
2018 CONSOLIDATED PLAN ANNUAL PERFORMANCE REPORT**

APPENDIX B

The data contained in these Appendices are comprised of site listings and census tracts for several Community Development (CD) programs funded during 2018 (the Forty-Fourth Program Year). Wherever possible, the City reports specific addresses that benefitted from its CD-funded programs in HUD's Integrated Disbursement and Information System (IDIS). However, this is not possible for all programs due to the large number of locations served. Due to the voluminous nature of the data, it is published as two separate appendices to the 2018 / Forty-Fourth Program Year Community Development Annual Performance Report.
